For the avoidance of doubt, the Company may serve as the Transfer Agent with respect to any of the Units or other Interests. Upon the Effective Date, the Transfer Agent shall maintain the Register of Members. The Transfer Agent upon the Effective Date shall be Kroll Restructuring Administration (d/b/a Kroll Issuer Services (US)). The Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to amend and update the Register of Members from time to time to reflect the change(s) in any of the information contained therein (including the withdrawal of one or more Members, the admission of one or more additional Members, forfeitures of Units, Transfers and the issuance of additional Units) only to the extent that the actions resulting in such change(s) were taken pursuant to, and in accordance with, the terms and conditions of this Agreement, and, if applicable, any applicable Management Incentive Plan and Award Agreement, and that any consents of the Members to such actions required hereunder, if any, were obtained. Any reference in this Agreement to the Register of Members shall be deemed to be a reference to the Register of Members, as amended and updated from time to time. If the Transfer Agent is any Person other than the Company or one of its Affiliates or officers, and such Transfer Agent will not include any particular information in the Register of Members that the Company deems necessary or desirable to include, then the Company shall maintain a register or other record to reflect such information and shall amend and update such register or other record from time to time to reflect any change in any of the information contained therein to the same extent that the Register of Members would be required to be amended and updated by the Transfer Agent pursuant to this Agreement if such information was set forth therein and the Company served as the Transfer Agent, and any requirement or reference in this Agreement that such information shall be, or is, included or set forth in the Register of Members shall instead be a reference to any such register or other record.

#### 4.2 Substituted Members and Additional Members.

(a) In connection with a Transfer of Units that is permitted pursuant to, and is effected in compliance with, the applicable terms of this Agreement, the Transferee of the Units subject to such Transfer shall become a substitute Member, effective on the date of such Transfer (which effective date shall not be earlier than the date of compliance with or waiver of the conditions to such Transfer set forth herein), entitled to all of the rights (excluding any rights of a Member that are not assignable or otherwise transferable pursuant to the terms of this Agreement), and subject to all of the obligations and restrictions, of the transferor Member to the extent of the Units so Transferred. Upon the substitution of a transferee Member, the Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to amend and update the Register of Members to reflect the substitution of such transferee Member. Any duly substituted Member shall be considered a “Member” for all purposes of this Agreement and the Act. Notwithstanding the requirement that substituted Members execute a Joinder Agreement pursuant to Section 9.1(c), this Agreement shall bind all holders of Units, regardless of whether any such holder executes this Agreement or a Joinder Agreement and by acceptance of Units each holder agrees to be so bound.

(b) Subject to the provisions of this Agreement (including Section 9.6 hereof), the Board may, from time to time in its sole discretion (and without the requirement of any consent or approval of any Member), admit additional Persons as Members and issue to such Persons Units on such terms and conditions (including the series and class of Units to be issued, the number of Units to be issued and, if applicable, the vesting schedule of such Units and any forfeiture provisions applicable thereto) as the Board shall determine in its sole discretion. The admission of an additional Member to the Company, and the issuance to such Person by the Company of Units in connection with such admission as a Member, shall be subject to the satisfaction of the following conditions: (i) such additional Member shall have become a party to this Agreement by executing and delivering to the Company a Joinder Agreement (duly completed) and such other written documentation as the Board may require in connection with such admission and issuance (including an AI Questionnaire and an IRS Form W-9 or appropriate IRS Form W-8, as applicable (or successor forms)), (ii) such issuance of Units shall not require the Company to register any Units under the Exchange Act (as a result of the number of holders of Units or otherwise), unless, at the time of such issuance, the Company is already subject to the reporting obligations under Section 13 or Section 15(d) of the Exchange Act, (iii) the compliance with all applicable laws and regulations (including securities laws) relating to such admission and issuance, (iv) such issuance of Units shall not cause the Company to be required to register as an “investment company” under the Investment Company Act, (v) such issuance of Units shall not cause the underlying assets of the Company to be deemed “plan assets” as defined under and pursuant to the Plan Asset Regulation or constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, and (vi) such additional Member shall not be a Competitor or a Sanctioned Person. Upon the admission of a new Member, the Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to amend and update the Register of Members to reflect the addition of such new Member. Any duly admitted new Member

shall be considered a “Member” for all purposes of this Agreement and the Act. Notwithstanding the requirement that additional Members execute a Joinder Agreement, this Agreement shall bind all holders of Units, regardless of whether any such holder executes this Agreement or a Joinder Agreement, and by acceptance of Units each holder agrees to be so bound.

#### 4.3 Member Meetings.

(a) *Meetings.* Meetings of the Members may be called for any purpose at any time by the Board or by Members who collectively own or hold at least twenty-five percent (25.0%) of the issued and outstanding Class A Units (determined as of the time that such meeting is called). Anything in this Agreement to the contrary notwithstanding, no regular, special or other meetings of the Members are required to be held.

(b) *Place of Meetings.* Member meetings may be held (i) at any place within or outside the State of Delaware designated by the Board or the Members calling any such meeting, and/or (ii) if the Board or the Members calling any such meeting so determine, by means of remote communication in accordance with Section 4.3(k). In the absence of any other designation by the Board or the Members calling any such meeting, Member meetings shall be held at the Principal Office.

(c) *Notice of Meetings.* Not less than five (5) Business Days prior to any Member meeting, notice of the place, if any, the purpose and the date and time of such meeting shall be delivered by the Secretary to each Member entitled to vote at such meeting in accordance with Section 17.5. Presence of a Member (in person or by duly authorized proxy) at a meeting shall constitute waiver of notice by such Member, except where a Member (in person or by duly authorized proxy) participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened and does not at such meeting vote for or assent to action taken at such meeting.

(d) *Quorum.* The holders of more than fifty percent (50.0%) of the aggregate voting power of the then-issued and outstanding Units entitled to vote on a matter to be presented at a Member meeting, either present in person or represented by proxy, shall constitute a quorum with respect to action on such matter, and action may be taken with respect to any matter presented at the meeting only if a quorum exists with respect to such matter.

(e) *Voting.* Every Member entitled to vote its Units on any matter to be presented at a Member meeting shall be entitled, with respect to such matter, to one (1) vote for each such Unit held of record by such Member on the record date designated for such meeting. Whenever any action is to be taken with respect to any matter by vote of the Members, such action shall be authorized by the affirmative vote of holders of a majority of the aggregate voting power of the then-issued and outstanding Units entitled to vote on such matter, unless the express provisions of this Agreement require a different vote (including any provision of this Agreement that requires any matter to be approved

by the Majority Members or the Super-Majority Members), in which case such express provisions shall govern and control.

(f) *Adjournment.* Notwithstanding any other provision of this Agreement, if a quorum is not present at any Member meeting, such meeting may be adjourned by announcement of the chairperson of the meeting or by affirmative vote of the holders of a majority of the aggregate voting power of the Units that are present in person or represented by proxy at such meeting and are entitled to vote on one or more matters to be presented at such meeting. Notice of an adjournment need not be given to the Members if the time and place of the adjourned meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, any business may be transacted which might have been transacted at the original meeting. However, if the adjournment is for more than thirty (30) days from the date of the original meeting, or if after the adjournment a new record date is fixed for the adjourned meeting, a new notice of the adjourned meeting shall be given in accordance with Section 4.3(c) to each Member of record entitled to vote at such adjourned meeting.

(g) *Record Date.* Unless otherwise determined by the Board, the date on which notice of a Member meeting is first sent shall be the record date for the determination of the Members entitled to notice of or to vote at such meeting (including any adjournment thereof). The record date for determining Members entitled to express consent to action in writing without a meeting shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Company.

(h) *Proxies.* Each Member may authorize another Person or Persons to act for him, her or it by proxy by an instrument executed in writing and delivered to the Company in accordance with Section 17.5 before or at the time of the meeting or execution of a written consent, as the case may be. Should a proxy designate two or more Persons to act as proxies, unless that instrument shall provide to the contrary, a majority of such Persons present at any meeting at which their powers thereunder are to be exercised shall have and may exercise all the powers of voting or giving consents thereby conferred, or if only one such Person is present, then such powers may be exercised by that Person; or if an even number of such Persons attend and a majority do not agree on any particular issue, the Company shall not be required to recognize such proxy with respect to such issue if such proxy does not specify how the Units that are the subject of such proxy are to be voted with respect to such issue. The appointment of a proxy shall be effective for eleven (11) months from the date of such appointment unless a different period is expressly specified in the appointment form. A proxy may only be voted or acted upon by its holder in accordance with written instructions of the Member granting such proxy. Except as otherwise limited therein, proxies shall entitle the individuals authorized to vote at a meeting thereby to vote at any adjournment or postponement of such meeting. A proxy purporting to be executed by or on behalf of a Member shall be deemed valid unless challenged at or prior to its exercise and the burden of proving invalidity shall rest on the challenger. Subject to the above, any proxy may be revoked if an instrument revoking it or a proxy bearing a later date is delivered to the Company in accordance with Section 17.5.

(i) *Conduct of Member Meetings.* The Chairperson or, in the Chairperson's absence, the Chief Executive Officer (or, in the Chief Executive Officer's absence, any Vice President) shall call meetings of the Members to order and act as chairperson of such meetings. In the absence of said officers, any Member entitled to vote at the meeting, or any proxy of any such Member, may call the meeting to order and a chairperson shall be elected by the affirmative vote of holders of a majority of the voting power of the Units present in person or represented by proxy and entitled to vote on any matter to be presented at such meeting. The Secretary or any Assistant Secretary or any person appointed as secretary of a meeting of the Members by the chairperson at any meeting of the Members may act as secretary of such meeting. The chairperson of any Member meeting shall determine the order of business and the procedure at such meeting, including such regulation of the manner of voting and the conduct of discussion.

(j) *Action by Written Consent.* Notwithstanding anything contained in this Agreement to the contrary, any action required or permitted by applicable law to be taken at any Member meeting may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the Members that own or hold Units representing not less than the minimum voting power that would be necessary to authorize or take such action at a meeting at which all the Members entitled to vote thereon were present and voted and shall be delivered to the Company in accordance with Section 17.5. An action by written consent of the Members shall become effective as of the time the last written consent necessary to effect the contemplated action is received by the Company, unless all consents necessary to effect the contemplated action specify a later time, in which case the later time shall be the effective time of such action. Prompt notice (and in any event within five (5) Business Days after receipt of the written consent by the Company) of the taking of Member action without a meeting by less than unanimous written consent shall be given by the Company to those Members who have not consented in writing and were entitled to vote on the matters that were the subject of such action. Without limiting the foregoing, any provision of this Agreement that requires any matter to be approved by, or permits any action to be taken by, the Majority Members or the Super-Majority Members may be approved or taken by such applicable Members by written consent.

(k) *Meetings by Remote Communication.* One or more, or all, Members may participate in any meeting of the Members through the use of any means of remote communication by which all Persons participating can hear each other at the same time. Any Member participating in a meeting by any such means of remote communication is deemed to be present in person at such meeting, except as set forth in Section 4.3(c).

#### 4.4 Authority of the Members.

(a) Notwithstanding Section 18-402 of the Act, except as expressly authorized in writing by the Board or this Agreement (including Article 7 hereof), no Member, nor any officer, employee or agent of any Member, as such, shall have the authority or power to manage the Company or to act for the Company for any purpose, or to engage in any transaction, make any commitment, enter into any contract or incur any obligation or responsibility (whether as principal, surety or agent) on behalf of, or in the name of, the

Company, or bind the Company, or hold itself out to any third party as acting for or on behalf of the Company, all such powers being vested in the Board. To the fullest extent permitted by applicable law, any attempted action in contravention of this Section 4.4 shall be null and void *ab initio* and not binding upon the Company. The Company shall not be responsible or liable for any indebtedness or obligation (including any legal and other professional fees or disbursements) of any Member incurred or arising either before, on or after the Effective Date, except as provided in Article 8.

(b) Except (i) pursuant to a duly authorized proxy in accordance with Section 4.3(h), and (ii) as set forth in Section 9.3, no Member shall have any authority to bind, to act for, to execute any document or instrument on behalf of or to assume any obligation or responsibility on behalf of, any other Member. No Member shall, by virtue of being a Member, be responsible or liable for any indebtedness or obligation of any other Member incurred or arising either before, on or after the Effective Date.

4.5 Limitation on Liability. Except as otherwise provided by applicable law, the debts, obligations and liabilities of the Company, whether arising under contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Covered Person shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Covered Person. The immediately preceding sentence shall constitute a compromise to which all the Members have consented within the meaning of the Act. Notwithstanding anything contained herein to the contrary, the failure of the Company to observe any formalities or requirements relating to the exercise of its powers or management of its business and affairs under this Agreement or the Act shall not be grounds for imposing personal liability on a Covered Person.

4.6 AI Questionnaire. If any Member that is an Accredited Investor on the date on which such Member became a party to this Agreement shall thereafter cease to be an Accredited Investor, then such Member shall promptly (but in any event no later than ten (10) Business Days after the date on which such Member ceased to be an Accredited Investor) inform the Company in writing of such fact. In addition, the Company shall have the right, at any time and from time to time, to request that any Member complete, execute and deliver to the Company an AI Questionnaire. The Company shall make any such request in writing delivered to the applicable Member in accordance with Section 17.5. If any Member receives any such request, then such Member shall promptly (but in any event no later than ten (10) Business Days after the date on which such Member receives such written request) complete, execute and deliver to the Company an AI Questionnaire. Nothing in this Section 4.6 shall amend, alter or otherwise modify the restriction against Transferring Units to any Person that is not an Accredited Investor pursuant to Section 9.1(a)(vii).

4.7 Beneficial Ownership Reporting. The Members agree to cooperate in a commercially reasonable manner in connection with the compliance by the Company or any of its Subsidiaries with all applicable BOI Laws, including making any adjustments and/or amendments to this Section 4.7 that may be reasonably necessary or appropriate in consideration of additional guidance issued by FinCEN or any other Governmental Authority in respect of the implementation of BOI Laws. Without limitation of the preceding sentence:

(a) The Board shall make or cause to be made any beneficial ownership or related filings or reports (“BOI Reports”) required pursuant to any BOI Laws for the Company or any of its Subsidiaries. The Board shall be entitled to rely on the Member Beneficial Ownership Information provided by the Member(s) pursuant to clause (b) (if any). Each Member shall be entitled to review the portion of the BOI Report (or a summary thereof) of the Company or any of its Subsidiaries that relates to such Member upon reasonable request made at least fifteen (15) days before such BOI Report is due; provided, that a Member’s entitlement to review the portion of the BOI Report relating to such Member will be limited if such review would result in a delay in the filing of the BOI Report beyond its due date. For the avoidance of doubt, the Board (which may delegate the completion of any reporting requirements) shall make the final determination regarding the reporting requirements applicable to the Company and its Subsidiaries under BOI Laws, including the applicability of reporting under the BOI Laws to the Company and its Subsidiaries, the application of an exemption from such reporting for the Company or any of its Subsidiaries, the timing for filing a BOI Report, the contents of a BOI Report, and the need to update any BOI Report.

(b) Each Member shall be responsible for (i) initially determining whether there are any reportable “beneficial owners” under any applicable BOI Laws in respect of the Company or any of its Subsidiaries as a result of such Member’s direct or indirect ownership and/or control of the Company or any such Subsidiary, (ii) providing “FinCEN identifiers” and such other identifying information in each case to the extent such information is required to comply with any applicable BOI Laws (the “Member Beneficial Ownership Information”) in respect of any such beneficial owners to the Company and the Board as is needed to enable the Company or any of its Subsidiaries to timely comply with its disclosure obligations under any applicable BOI Laws, and (iii) promptly responding to any information and other requests by the Company or the Board in connection with the Company’s or any of its Subsidiaries’ compliance with all applicable BOI Laws, including the Board’s independent assessment to identify reportable beneficial owners under applicable BOI Laws. Each Member further represents, warrants and agrees that (x) within a reasonable time after a request by the Company, but no later than five (5) Business Days after the Company makes such request, it will provide the Company and the Board with all of such Member’s applicable Member Beneficial Ownership Information; provided, that if the Company requires a response within five (5) Business Days of such request, then the Company will provide notice to such Member in such request and such Member will use commercially reasonable efforts to provide the requested Member Beneficial Ownership Information within the timeframe set forth in such request, (y) it will notify the Company and the Board promptly of any updates to or changes to any of its Member Beneficial Ownership Information that would reasonably be expected to require an updated BOI Report in respect of the Company or any of its Subsidiaries under any applicable BOI Laws, and (z) it will use reasonable efforts to ensure that any filings or profiles associated with any Member Beneficial Ownership Information that it has provided in connection with the application for a “FinCEN identifier” will be kept current as and to the extent required by any applicable BOI Laws. Each Member authorizes the disclosure by the Company or any of its Subsidiaries of its Member Beneficial Ownership Information provided

pursuant to this clause (b) to the extent necessary to comply with any applicable BOI Laws and in reasonable coordination with such Member.

(c) To the extent legally permissible and reasonably practicable, the Members shall keep the Company promptly informed of each notice or other communication received from FinCEN or any other Governmental Authority concerning any BOI Reports relating to the Company and/or any of its Subsidiaries, and shall consult in a reasonable manner with the Company prior to communicating with FinCEN or any other Governmental Authority concerning any BOI Reports or compliance with any applicable BOI Laws by the Company and/or any of its Subsidiaries.

(d) Each Member agrees, severally and not jointly, to indemnify and hold harmless the Company, its Subsidiaries, the Board and the other Members from and against any and all liability, damage, cost or expense (including reasonable attorneys' fees) incurred by them that directly results from any default by such Member in its representations, warranties and agreements under this Section 4.7.

## ARTICLE 5 CAPITAL STRUCTURE

5.1 Units. All of the Interests shall be issued in unit increments (each, a "Unit" and, collectively, the "Units"). The Units shall initially be divided into the following classes: (a) Class A Voting Common Units (the "Class A Units") and (b) Class B Limited-Voting Common Units (the "Class B Units"). The rights and privileges associated with the Units are as set forth in this Agreement and, in the case of the Class B Units, in any applicable Management Incentive Plan and Award Agreement. References herein to any class or series of Units shall apply to limited liability company interests or other Equity Interests of the Company issued to Members in respect of, in exchange for, or in substitution of, such class or series of Units by reason of any reorganization, recapitalization, reclassification, merger, consolidation, spin-off, partial or complete liquidation, split-up, sale of assets, distribution to unitholders or combination of such class or series of Units or any other change in the Company's capital structure (including shares or interests of a surviving corporation or other Entity or successor into which units or interests of the Company are exchanged).

### 5.2 Issuance of Units.

(a) Effective as of the Effective Date, each of the Existing Common Units that were issued by the Company to the recipients thereof as set forth in the Plan of Reorganization are hereby reclassified as one (1) Class A Unit (the "Unit Reclassification") such that, effective as of the Effective Date immediately following the Unit Reclassification, there are [10,000,000] Class A Units issued and outstanding, all of which are duly authorized and validly issued, fully paid and non-assessable, and free and clear of any Liens, other than Permitted Liens and Liens created by the applicable Member. Except for the [10,000,000] Class A Units referred to in the immediately preceding sentence, no other Units or Interests, or options, warrants or other securities that are convertible into, or exchangeable or exercisable for, Units or Interests shall be issued or outstanding on, or immediately after, the Effective Date after giving effect to

the consummation of the Restructuring Transactions to occur on or as of the Effective Date and the consummation of the Unit Reclassification.

(b) Subject to compliance with its obligations under Section 9.6 hereof (to the extent applicable), the Board may from time to time cause the Company to authorize, create and/or issue additional Units (of existing or new classes or series) or other equity or equity-based securities of the Company (including creating additional classes or series thereof having such ranking, powers, designations, preferences, rights and obligations as may be determined by the Board in its sole discretion, including ranking, powers, preferences, rights and obligations different from, senior or junior to or more or less favorable than existing classes or series of Units or other equity or equity-based securities of the Company). Such Units or other equity or equity-based securities may be issued for any amount and form of consideration as the Board may determine, including cash or other property, tangible or intangible, received or to be received by the Company or any of its Subsidiaries, or services rendered or to be rendered to the Company or any of its Subsidiaries. In connection with the foregoing, the Board shall have the power to make such amendments or modifications to this Agreement (including any amendment and restatement of this Agreement) in order to provide for such additional Units or equity or equity-based securities (including any Class B Units), and such ranking, powers, designations, preferences, rights and obligations as the Board in its discretion deems necessary or appropriate to give effect to such authorization, creation and/or issuance (including amending this Agreement to incorporate the terms of such class or series of Units or other equity or equity-based securities of the Company, including economic and governance rights which may be different from, senior or junior to or more or less favorable than the other existing classes or series of Units or other equity or equity-based securities of the Company), all without further vote or action of the Members; provided, however, that if any such amendments or modifications would otherwise require any vote or consent pursuant to any of clauses (i)-(vi) of Section 14.1(a) (other than immaterial amendments or modifications), then such vote or consent shall be obtained as a condition to any such amendment or modification.

(c) The Class B Units may be issued from time to time by the Company pursuant to grants to Management Holders under the terms of any Management Incentive Plan; provided, that no Units other than Class B Units can be designated as incentives under any Management Incentive Plan. In addition to the terms and conditions set forth in this Agreement that are applicable to the Class B Units, the Class B Units shall be subject to all of the terms and conditions set forth in any applicable Management Incentive Plan and/or Award Agreement, including any terms relating to vesting and forfeiture, repurchase or redemption rights of the Company and restrictions on Transfer. The Members and the Company agree that in the event of any conflict or inconsistency between the terms of any Management Incentive Plan or any Award Agreement and this Agreement, the terms of this Agreement shall control; provided, however, that any Management Incentive Plan or any Award Agreement may impose greater restrictions on, and/or grant lesser rights to, the Class B Units and the holders thereof than the restrictions and rights set forth in this Agreement.

5.3 Certificated Units. If the Board so elects, the Units shall be certificated in such form as the Board may from time to time determine; provided, however, that the Class A Units that are issued and outstanding on the Effective Date (after giving effect to the Unit Reclassification) shall not be certificated. Such certificates shall be signed by any two (2) authorized officers of the Company, and may, but need not, be sealed with the seal of the Company. Any or all of the signatures on the certificate may be by facsimile or electronic signature. In case any officer of the Company who shall have signed, or whose facsimile or electronic signature shall have been placed on, any certificate evidencing Units shall cease for any reason to be such officer before such certificate shall have been issued or delivered by the Company, such certificate may nevertheless be issued and delivered by the Company as though the person who signed such certificate, or whose facsimile or electronic signature shall have been placed thereon, had not ceased to be such officer of the Company.

5.4 Voting Rights.

(a) Except as otherwise provided by non-waivable provisions of applicable law or this Agreement, the holders of Class A Units (in their capacity as such) shall have full voting rights and powers to vote on all matters submitted to the Members for vote, consent or approval (including the matters listed on Schedule B attached hereto), and each holder of Class A Units shall be entitled to one (1) vote for each Class A Unit held of record by such holder on any matter submitted to the Members for approval.

(b) Except as provided in Section 13.1(a), or as otherwise provided by non-waivable provisions of applicable law, the holders of Class B Units (in their capacity as such) shall have no right to vote on any matter submitted to the Members for vote, consent or approval, and the Class B Units shall not be included in determining the number of Units voting or entitled to vote on such matters (including for purposes of determining whether a quorum is present at any meeting of the Members or whether the requisite number of Member consents have been received for purposes of determining whether an action has been properly authorized by written consent of the Members).

(c) Except as this Agreement expressly provides otherwise or as otherwise expressly provided by non-waivable provisions of applicable law, no holders of Units shall be entitled to any voting rights, and any action which would otherwise be subject to the vote or consent of Members under the Act may be taken by the Company by approval of the Board.

5.5 Record. The Company shall keep and maintain, or cause to be kept and maintained, a record of the name of each Person holding Units, the class or series and number of Units held by each such Person, any Transfer thereof and, in case any Unit is represented by a certificate and such certificate is cancelled, the date of cancellation thereof. Unless otherwise determined by the Board, the Register of Members shall serve as such record. The Person in whose name Units are registered on the Register of Members or such other record as determined by the Board shall be deemed the owner thereof, and thus a holder of record of such Units, for all purposes as regards the Company.

5.6 No Appraisal Rights. The Members agree that no appraisal rights, dissenter's rights or other similar rights shall be available with respect to the Units, and waive all such rights in connection with any amendment of this Agreement or the Certificate of Formation, any merger or consolidation in which the Company is a constituent party, any conversion of the Company to another business form, any division of the Company into two or more other Entities, any transfer to or domestication in any jurisdiction by the Company, the sale of all or substantially all of the Company's assets or otherwise.

5.7 Lost, Destroyed or Mutilated Certificates. Upon receipt of evidence reasonably satisfactory to the Company (an affidavit of the registered holder in customary form will be satisfactory) of the ownership and the loss, theft, destruction or mutilation of any certificate evidencing Units, and in the case of any such loss, theft or destruction upon receipt of indemnity reasonably satisfactory to the Company, or, in the case of any such mutilation upon surrender of such certificate, the Company will (at its expense) execute and deliver in lieu of such certificate a new certificate of like kind representing the number of Units represented by such lost, stolen, destroyed or mutilated certificate and dated the date of such lost, stolen, destroyed or mutilated certificate.

5.8 Creditor Relationships. Anything in this Agreement to the contrary notwithstanding (including Section 6.18), the Company and each of the Members hereby agree and acknowledge that certain Members and/or their Affiliates are also holders of indebtedness and debt securities of, and guarantees thereof by, the Company and its Subsidiaries (collectively, "Indebtedness"), and in such capacity may have interests that are divergent from the Company, its Subsidiaries and/or the other Members, and, that, to the fullest extent permitted by law, under no circumstances will any such Member or any such Affiliate be prohibited from taking any action or enforcing any right entitled to it under the terms of the documentation relating to or governing the Indebtedness held by such Member or such Affiliate or to which it is entitled under law. To the fullest extent permitted by law, no holder of Indebtedness shall be liable to the Company, any of its Subsidiaries or the other Members for breach of this Agreement or any fiduciary duty by reason of any such activities of such holder, including exercising any rights of such holder under documentation relating to or governing such Indebtedness or to which such holder may be entitled under law, and the Company and each Member hereby irrevocably waive any and all rights to claim any such actions are a breach of this Agreement or the fiduciary duties (if any) of such holder. In addition, any holder of Indebtedness, in exercising its rights as a lender or creditor of the Company or any of its Subsidiaries, including making its decision on whether to foreclose on any collateral security, will have no duty to consider (a) its status or the status of any of its Affiliates as a Member, (b) the interests of the Company, any of its Subsidiaries or any of the Members, or (c) any duty it may have to any other Member, except as may be required under the applicable financing documents relating to such Indebtedness.

## **ARTICLE 6 MANAGEMENT; OPERATION OF THE COMPANY BUSINESS**

### 6.1 Management of the Company.

(a) Subject to the terms and conditions of this Agreement, the business and affairs of the Company shall be managed by the board of managers of the Company (the

“Board”), which shall direct, manage and control the business of the Company. Except where the approval of the Members (including the Majority Members or the Super-Majority Members) is expressly required by this Agreement or by non-waivable provisions of applicable law, the Board shall have full and complete authority, power and discretion to manage and control the business, affairs and properties of the Company, to make all decisions regarding those matters and to perform any and all other acts or activities customary or incident to the management of the Company’s business. The enumeration of powers in this Agreement shall not limit the general or implied powers of the Board or any additional powers provided by applicable law. Each Manager shall possess and may enjoy and exercise all of the rights and powers of a “manager” as provided in the Act, and each Manager shall be a “manager” as provided in the Act; provided, however, that (i) no individual Manager shall have the authority to act for or bind the Company without the requisite consent of the Board and (ii) each Manager will be subject only to the obligations, limitations and duties expressly set forth in this Agreement. Except pursuant to a duly authorized delegation of authority by the Board, no Member shall have any right, power or authority to act (as agent or otherwise) for, or to bind, the Company in any manner.

(b) Except as expressly provided for in this Agreement or expressly required by non-waivable provisions of applicable law, the Members shall not have voting rights with respect to the management of the Company and shall not be entitled to vote on or consent to or approve or disapprove actions or decisions regarding the Company.

## 6.2 Board.

(a) The Board shall consist of seven (7) Managers. Managers must be natural persons at least eighteen (18) years of age but need not be Members, residents of the State of Delaware or citizens of the United States.

(b) The Board shall be comprised of the following individuals:

(i) for so long as the HG Vora Members collectively own or hold fifteen percent (15.0%) or more of the issued and outstanding Class A Units, one (1) Manager designated by the HG Vora Members;

(ii) one (1) Manager designated by each Specified Member that owns or holds (together with its Affiliates) twenty percent (20.0%) or more of the issued and outstanding Class A Units, but only for so long as such Specified Member owns or holds (together with its Affiliates) fifteen percent (15.0%) or more of the issued and outstanding Class A Units; provided, that no Specified Member shall be permitted to designate a Manager pursuant to this clause (ii) prior to the one year anniversary of the Effective Date (the “Trigger Date”);

(iii) the following number of individuals elected by vote of Members holding a plurality of the votes of the Class A Units present in person or represented by proxy at a meeting of Members held for purposes of electing any such individual as a Manager (or by the Majority Members acting by written

consent): six (6) minus the total number of Designation Rights in effect as of the time of determination; and

(iv) one (1) Manager who shall be the individual serving as the Chief Executive Officer of PSP Midco, LLC (“PSP Midco” and such Manager, the “CEO Manager”).

(c) No Member, together with its Affiliates, shall be entitled to more than one (1) Designation Right at any time (it being understood that if the HG Vora Members have a Designation Right under Section 6.2(b)(i) as of a particular time, then the HG Vora Members shall not be entitled to a Designation Right under Section 6.2(b)(ii) as of such time). If any Specified Member obtains a Designation Right under Section 6.2(b)(ii) (a “Springing Designation Right”) prior to the Trigger Date, then such Specified Member shall not be entitled to exercise such Springing Designation Right, and such Springing Designation Right shall not be in effect, until the Trigger Date and only if such Specified Member continues to own or hold (together with its Affiliates) fifteen percent (15.0%) or more of the issued and outstanding Class A Units as of the Trigger Date. A Springing Designation Right of a Designating Group may only be exercised at any time by the Designating Members in such Designating Group that own or hold a majority of the Class A Units owned or held by all of the Designating Members in such Designating Group at such time.

(d) The Designation Right of any Specified Member shall terminate if such Specified Member owns or holds (together with its Affiliates) less than fifteen percent (15.0%) of the issued and outstanding Class A Units at any time after such Specified Member obtains such Designation Right. The termination of the HG Vora Members’ Designation Right as set forth in Section 6.2(b)(i) shall be permanent upon the occurrence of such termination and shall not be reversed if the HG Vora Members shall thereafter own or hold fifteen percent (15.0%) or more of the issued and outstanding Class A Units; provided, that the foregoing shall not prevent the HG Vora Members from obtaining a Springing Designation Right at any time after any such termination. The termination of any Designating Group’s Designation Right shall not adversely affect the Designation Right of any other Designating Group. Anything herein to the contrary notwithstanding, if Additional Securities are issued or sold to an Accelerated Acquirer pursuant to Section 9.6(d), then the determination as to whether a Designating Group’s Designation Right is terminated shall not be made until after the consummation of the related process of offering and, if applicable, issuing or selling Additional Securities to Preemptive Members pursuant to Section 9.6(d).

(e) With respect to (i) any designation of a Manager by a Designating Group pursuant to the Designation Right of such Designating Group (including any such designation made pursuant to a Springing Designation Right from and after the Trigger Date or made following the removal of a Manager made by such Designating Group pursuant to Section 6.12) or (ii) any removal of a Manager from the Board that was previously designated by a Designating Group pursuant to the Designation Right of such Designating Group which removal is made by such Designating Group pursuant to Section 6.12, the applicable Designating Group shall execute and deliver to the Company

a written notice (a “Designation Notice”) and such Designation Notice shall (A)(1) identify the individual that such Designating Group is designating or (2) specify the identity of the Manager to be removed from the Board, (B) certify to the Company that the Person(s) executing and delivering such Designation Notice own(s) or hold(s) a majority of the Class A Units owned or held by all of the Persons included within such Designating Group, and (C) include such additional information such that the Company can reasonably conclude that the certification in clause (B) is accurate (including the names of each Member included in such Designating Group and the number of Class A Units owned or held by each such Member). The Company shall confirm, based on the information set forth in the Register of Members that the Person(s) executing and delivering such Designation Notice own(s) or hold(s) a majority of the Class A Units owned or held by all of the Persons included within the applicable Designating Group. If the Company confirms that a Designation Notice has been executed and delivered by the Person(s) that own(s) or hold(s) a majority of the Class A Units owned or held by all of the Persons included within the applicable Designating Group, then the designation and/or removal specified in such Designation Notice shall be automatically effective, without a need for any action on the part of or notice to any Member or other Person, and the Company shall deliver notice thereof to the Members. If the Company confirms that a Designation Notice has not been executed and delivered by the Person(s) that own(s) or hold(s) a majority of the Class A Units owned or held by all of the Persons included within the applicable Designating Group, then such Designation Notice shall be deemed void and invalid.

(f) The Designation Right of a Designating Group shall not be assignable or transferable to any Person.

(g) The Chairperson shall be a Manager appointed, removed and/or replaced from time to time by a vote of the Board; provided that the initial Chairperson shall be selected by the Majority Members.

(h) Each of the Managers (including any Manager designated or elected to fill any vacancy on the Board) shall be an Independent Manager. Notwithstanding the foregoing, a Manager may be an individual who is employed by any Member or any of its Affiliates at the time such individual is designated or elected to be a Manager or at any time six (6) months prior to such time (any such Member, an “Interested Member”) if the designation or election of such individual to be a Manager is approved by the Members (excluding each of the Interested Members) (the “Disinterested Members”) who collectively own or hold at least 66-2/3% of the issued and outstanding Class A Units owned or held by all Disinterested Members as of such time.

(i) None of the Members, and no officer, director, manager, stockholder, partner, member, employee or agent of any Member, makes any representation or warranty as to the fitness or competence of the designee of any party hereunder to serve as a member on the Board (or any committee thereof) or any Subsidiary Governing Body by virtue of being a party to this Agreement.

(j) Each Manager shall execute and deliver a confidentiality agreement that is acceptable to the Board (which may be in the form of an acknowledgment by a Manager that he or she is bound by and subject to the obligations of confidentiality and disclosure set forth in Article 18 of this Agreement as if such obligations applied to such Manager).

(k) There shall be no cumulative voting for Managers, and the Board shall not be staggered or classified.

6.3 Regular Meetings. Regular meetings of the Board shall be held at such time or times and with such frequencies as may be determined by the Board.

6.4 Special Meetings. Special meetings of the Board may be called from time to time by (a) the Chairperson or (b) any two (2) Managers.

6.5 Place of Meetings. Any meeting of the Board may be held at such place or places as shall from time to time be determined by the Board and as shall be designated in the notice of the meeting. If no other place is designated in the notice of the meeting, such meeting shall be held at the Principal Office.

6.6 Notice of Meetings. Notwithstanding Section 17.5, notice of each meeting of the Board, whether regular or special, shall be given to each Manager (unless such notice is waived by such Manager as provided in Section 6.10) (a) if such notice is sent by overnight delivery, at least two (2) Business Days prior to such meeting or, (b) if such notice is sent by electronic mail, at least one (1) day prior to such meeting; provided, however, if a special meeting of the Board is being called due to exigent circumstances, as reasonably determined by the Chairperson or the Managers calling such meeting, then notice of such meeting may be provided to each Manager (unless such notice is waived by such Manager as provided in Section 6.10) by electronic mail at least twelve (12) hours prior to such meeting. Any such notice shall be sent to each Manager at such Manager's usual or last known business or residence address or electronic mail address, as applicable. The notice shall state the date, time and location (if such location is not the Principal Office) of the meeting, but need not state the purposes of such meeting.

6.7 Meetings by Remote Communication. One or more, or all, members of the Board or any committee designated by the Board may participate in a meeting of the Board or such committee through the use of any means of remote communication by which all persons participating can hear each other at the same time or by any other means permitted by the Act. Any Manager or committee member participating in a meeting by any such means of remote communication or by any such other means permitted by the Act is deemed to be present in person at such meeting, except as set forth in Section 6.10.

6.8 Quorum; Acts of Managers. A quorum for any meeting of the Board will require the attendance of Managers with a majority of the votes of all Managers then in office. The vote of a majority of the votes of all of the Managers present and entitled to vote at a meeting of the Board at which a quorum is present shall be the act of the Board, unless the express provisions of this Agreement (including Sections 6.18 and 6.19) or applicable non-waivable law require a different vote, in which case such express provisions shall govern and control. In the absence of a quorum at any meeting of the Board, a majority of the votes of the Managers present and

entitled to vote may adjourn the meeting from time to time without further notice, other than announcement at the meeting, until a quorum shall be present. Each Manager shall have one (1) vote on all matters submitted to the Board for the vote, consent or approval of the Board (other than matters for which such Manager is not entitled to vote, as expressly set forth in this Agreement). Decisions of the Board shall be decisions of the “manager” for all purposes of the Act.

6.9 Organization, Agenda and Procedures. The Chairperson, if any, shall preside over the meetings of the Board; provided, however, if there shall not be a Chairperson or if the Chairperson shall not be present at a meeting of the Board or shall refuse to preside over a meeting of the Board, then the Managers with a majority of the votes of all Managers that are present at such meeting shall choose a chairperson to preside over such meeting. The Secretary, any Assistant Secretary, or any other person appointed as secretary of a meeting of the Board by the Chairperson or any such other chairperson of such meeting shall act as secretary of each meeting of the Board. The agenda of and procedure for such meetings shall be as determined by the Chairperson or any such other chairperson of such meeting.

6.10 Waiver of Notice. A Manager may waive any notice of a meeting of the Board, whether before or after the date or time stated in the notice as the date or time when any action will occur or has occurred. Any such waiver shall be in writing, be signed by the Manager entitled to the notice, and be delivered to the Company in accordance with Section 17.5, but such delivery shall not be a condition of the effectiveness of the waiver. Attendance or participation by a Manager at a meeting of the Board, (a) shall be deemed a waiver of objection to lack of required notice or defective notice of the meeting, unless the Manager, at the beginning of the meeting or promptly upon his or her later arrival, expressly objects to holding the meeting or transacting business at the meeting because of lack of notice or defective notice, and does not thereafter vote for or assent to action taken at the meeting, and (b) shall be deemed a waiver of objection to consideration of a particular matter at the meeting, unless the Manager expressly objects to considering the matter when it is presented and does not thereafter vote for or assent to action taken at the meeting with respect to such matter.

6.11 Managers’ Action By Written Consent. Any action required or permitted to be taken at any meeting of the Board, or any committee thereof, may be taken without a meeting, without prior notice and without a vote if all members of the Board or any such committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board or any such committee. Unless the Managers or committee members (as the case may be) specify a different effective time in such written consent, a written consent of the Board or any committee thereof, with respect to an action of the Board or such committee, shall become effective when the written consent to such action has been signed (and not revoked) by all then-serving Managers or committee members (as the case may be) and delivered to the Company in accordance with Section 17.5, unless before such time the Company has received a written revocation of the consent of any Manager or committee member (as the case may be).

6.12 Removal.

(a) If at any time the Designation Right of any Designating Group terminates, then the Holder Manager previously designated by such Designating Group pursuant to such Designation Right shall be automatically removed from the Board at the request of the Majority Members delivered to the Company in accordance with Section 17.5 or shall be removed from the Board in connection with the exercise of a Springing Designation Right (as further described in Section 6.12(c)).

(b) Except for the removal of a Holder Manager at the request of the Majority Members on account of the termination of a Designation Right (which removal shall be automatic at the time request is delivered by the Majority Members to the Company in accordance with Section 17.5) or the removal of a Holder Manager in connection with the exercise of a Springing Designation Right (as further described in Section 6.12(c)), the Designating Group holding a Designation Right shall have the exclusive right to remove, whether with or without cause, any Holder Manager designated by such Designating Group pursuant to such Designation Right (but not any other Manager).

(c) If any Specified Member obtains a Springing Designation Right and elects to exercise such Springing Designation Right (any such Specified Member, an “Exercising Member”), then such Exercising Member shall deliver written notice of such exercise (an “Exercise Notice”) to the Company (whereupon the Company shall promptly notify all Members (other than the Exercising Member and its Affiliates) that own or hold Class A Units (the “Non-Exercising Members”) of such exercise); provided, that such Exercising Member shall not be entitled to deliver any such Exercise Notice until after the Trigger Date. If an Exercise Notice is delivered to the Company after the Trigger Date, then the Non-Exercising Members who collectively own or hold greater than fifty percent (50.0%) of the issued and outstanding Class A Units owned or held by all Non-Exercising Members as of the time of such delivery shall select a Manager to be removed from the Board. If the Non-Exercising Members fail to select a Manager to be removed from the Board within forty-five (45) days after the date on which the Exercise Notice was delivered to the Company, then the Exercising Member shall have the right to select a Manager to be removed from the Board (which removal shall occur automatically upon notice thereof being delivered by the Exercising Member to the Company in accordance with Section 17.5). Notwithstanding the foregoing, (i) none of the following Managers may be removed from the Board in connection with the exercise of a Springing Designation Right: (A) any Manager that was designated pursuant to a Designation Right and such Designation Right is then in effect, or (B) the CEO Manager; and (ii) no Manager may be removed from the Board in connection with the exercise of a Springing Designation Right (A) if there is a vacancy on the Board at the time of the proposed removal and such vacancy was not created as a result of (x) a Manager that was designated pursuant to a Designation Right ceasing to serve on the Board and such Designation Right is then in effect or (y) the CEO Manager ceasing to serve on the Board, and (B) unless the Exercising Member has designated an individual to serve as a Manager immediately following the removal of such Manager proposed to be removed (which designation shall be made in the Exercise Notice delivered by such Exercising Member or may be made in a Designation Notice delivered by such Exercising Member).

(d) Any Manager that is not designated pursuant to a Designation Right (other than the CEO Manager) may be removed, with or without cause, by the Majority Members at the time of such removal. If for any reason the individual serving as the Chief Executive Officer of PSP Midco shall cease to serve as the Chief Executive Officer of PSP Midco (whether from termination, resignation, death, disability or otherwise), then such individual shall be automatically removed as the CEO Manager.

6.13 Resignation. Any Manager may resign at any time by giving written notice of such Manager's resignation to the Company in accordance with Section 17.5. Such resignation shall take effect on the date of delivery of such notice or at any later time specified therein and, unless otherwise specified therein, the acceptance of such resignation by the Company shall not be necessary to make it effective.

6.14 Vacancies.

(a) Except for any Specified Vacancy, any vacancy on the Board resulting from the resignation or removal of a Holder Manager, or resulting from a Holder Manager becoming unable to serve as a result of death, disability or otherwise, shall be filled by the Designating Group that holds the Designation Right pursuant to which such Holder Manager was designated to be a Manager.

(b) Any vacancy on the Board resulting from the resignation or removal of any Manager that is not designated pursuant to a Designation Right (other than the CEO Manager or the resignation or removal of a Manager in connection with the exercise of a Springing Designation Right), or resulting from any such Manager becoming unable to serve as a result of death, disability or otherwise, shall be filled by vote of Members holding a plurality of the votes of the Class A Units present in person or represented by proxy at a meeting of Members held for purposes of filling such vacancy (or by the Majority Members acting by written consent); provided, that such vacancy may also be filled by an Exercising Member in connection with the exercise of a Springing Designation Right.

(c) Any Specified Vacancy shall be filled by vote of Members holding a plurality of the votes of the Class A Units present in person or represented by proxy at a meeting of Members held for purposes of filling such vacancy (or by the Majority Members acting by written consent); provided, that such Specified Vacancy may also be filled by an Exercising Member in connection with the exercise of a Springing Designation Right.

(d) Any vacancy on the Board resulting from the removal of a Manager in connection with the exercise of a Springing Designation Right shall be filled with an individual selected by the Exercising Member exercising such Springing Designation Right (which individual shall be identified in the Exercise Notice delivered by such Exercising Member or in a Designation Notice delivered by such Exercising Member).

(e) Any vacancy on the Board resulting from the failure of the Members to fill a seat on the Board on the Effective Date shall be filled after the Effective Date by vote

of Members holding a plurality of the votes of the Class A Units present in person or represented by proxy at a meeting of Members held for purposes of filling such vacancy (or by the Majority Members acting by written consent); provided, that such vacancy may also be filled by an Exercising Member in connection with the exercise of a Springing Designation Right.

(f) Any vacancy on the Board resulting from the individual serving as the Chief Executive Officer of PSP Midco ceasing to serve as the Chief Executive Officer of PSP Midco shall be automatically filled with the individual that is the successor Chief Executive Officer of PSP Midco when such individual becomes the Chief Executive Officer of PSP Midco.

6.15 Committees. The Board, by resolution or written consent, may from time to time designate from among the Managers one or more committees to exercise the powers of the Board. The Board may (and if the Board does not, a majority of the votes of the committee members may) designate a chairperson of each such committee from among its members. Each such committee, to the extent provided in such resolution or written consent, shall have and may exercise all of the authority of the Board in the management of the Company, subject to the limitations set forth in the Act and in this Agreement. Any or all members of any such committee may be removed, with or without cause, by a duly adopted resolution or written consent of the Board. Rules governing the procedures for meetings of each committee designated by the Board shall be as established by the Board from time to time (or, if the Board does not establish such procedures, as established by a majority of the votes of the committee members). For the avoidance of doubt, no committee of the Board shall be authorized to take any action that the Board could not take itself.

6.16 Compensation of Managers. Each Independent Manager shall be paid compensation from the Company, in such form (which may be in the form of cash fees and/or equity incentives granted under any Management Incentive Plan) and amount as approved by the Majority Members, for the performance of such Independent Manager's duties as a Manager or a member of any committee of the Board. Managers who are not Independent Managers shall not receive compensation from the Company for the performance of such Manager's duties as a Manager or a member of any committee of the Board. Each Manager and committee member shall be reimbursed for the reasonable and documented out-of-pocket costs and expenses incurred by such Manager or committee member in connection with the performance of such Manager's or committee member's duties as a Manager or a member of any committee of the Board (including expenses incurred in attending meetings of the Board or any committee thereof). Nothing herein contained shall be construed to preclude any Manager or committee member from serving the Company or any of its Subsidiaries in any other capacity and receiving proper compensation therefor.

6.17 Subsidiary Governing Bodies. Each Subsidiary Governing Body (other than a Subsidiary Governing Body of any Subsidiary of the Company which is (a) a limited liability company that is managed by its member(s), (b) a limited partnership that is managed by its general partner or (c) required by Law or contract to have a different composition) shall be comprised of one or more executive employees of the Company or any of its Subsidiaries or other individuals selected by the Board that are not employees of any of the Members or any of

their respective Affiliates (other than the Company or any of its Subsidiaries). The Company agrees to take all necessary and desirable actions to ensure that any such Subsidiary Governing Body does not adopt any resolutions, execute any consents, grant any approvals or take any other action, or otherwise cause or permit any such Subsidiary to do anything, that would be inconsistent with, or contrary to, any resolution, consent, approval or other action adopted, executed, granted or taken by the Board, or that would be in subversion of the rights of the Members under this Agreement or that would otherwise be a breach of this Agreement if the Company did the same.

6.18 Affiliate Transactions. Other than any Excepted Transaction, any direct or indirect transaction or series of related transactions between the Company or any of its Subsidiaries, on the one hand, and any Member who, together with its Affiliates, owns or holds five percent (5.0%) or more of the issued and outstanding Class A Units, or any Affiliate of any such Member, on the other hand (an “Affiliate Transaction”), involving aggregate payments, fundings or other consideration in excess of \$1,000,000.00 per annum shall require the approval of a majority of the votes of the Managers then in office that are disinterested with respect to such Affiliate Transaction, unless any such transaction or series of related transactions is a commercial transaction on an arm’s length basis entered into in the ordinary course of business consistent with past practice.

6.19 Required Approval of Board and Majority Members for Certain Actions. The Company shall not, and the Company shall not cause or permit any of its Subsidiaries to, take (whether by amendment, merger, consolidation, division, recapitalization or otherwise) any of the actions listed on Schedule B attached hereto without the prior approval or consent of the Board and the Majority Members. The Company shall not, and the Company shall not cause or permit any of its Subsidiaries to, make any distributions or dividends to Members that own or hold Class A Units that are not made to such Members (a) on a *pro rata* basis (based on the number of Class A Units owned or held by such Members immediately prior to any such distribution or dividend), or (b) in the same form (unless all such Members are provided with the same option as to the form of such distribution or dividend) without the prior approval of the Board and each Member that owns or holds Class A Units.

Such resignation shall take effect when the notice is delivered in accordance with Section 17.5 unless the notice specifies a later date, and acceptance of the resignation shall not be necessary to render such resignation effective unless such resignation so states. Any officer may at any time be removed by the Board. If any office becomes vacant for any reason, the vacancy may be filled by the Board. An officer appointed to fill a vacancy shall be appointed for the unexpired term of such officer's predecessor in office (if any) and shall continue in office until a successor shall be elected or appointed and shall qualify, or until such officer's earlier death, resignation or removal. The appointment of an officer shall not itself create contract rights in favor of the officer, and the removal or resignation of an officer shall not affect the officer's contract rights, if any, with the Company or the Company's contract rights, if any, with the officer.

7.3 Chairperson. The Chairperson shall preside over the meetings of the Members and the Board and have such powers and responsibilities as are incident thereto. However, the Chairperson shall not have responsibility for the day-to-day business operations of the Company. The Chairperson shall be a Manager.

7.5 Chief Financial Officer. The chief financial officer of the Company (the "Chief Financial Officer"), if any, shall perform such duties and shall have such powers as may from time to time be assigned to him or her by the Board or the Chief Executive Officer or as may be expressly set forth in this Agreement, and shall perform such duties and have such powers and responsibilities as are incident to the office of Chief Financial Officer. In addition, the Chief Financial Officer shall have, along with the Chief Executive Officer, responsibility for the day-to-day business operations of the Company.

7.6 Chief Operating Officer. The chief operating officer of the Company (the "Chief Operating Officer"), if any, shall perform such duties and shall have such powers as may from time to time be assigned to him or her by the Board or the Chief Executive Officer or as may be expressly set forth in this Agreement, and shall perform such duties and have such powers and responsibilities as are incident to the office of Chief Operating Officer.

7.7 Vice Presidents. The vice presidents of the Company (the "Vice Presidents"), if any, shall perform such duties and possess such powers as may from time to time be assigned to them by the Board or the Chief Executive Officer or as may be expressly set forth in this Agreement. In the absence of the Chief Executive Officer or in the event of the inability or refusal of the Chief Executive Officer to act, the Vice President (or in the event there be more than one Vice President, the Vice Presidents in the order designated by the Board, or in the absence of any designation, then in the order of the election or appointment of the Vice

Presidents) shall perform the duties of the Chief Executive Officer and when so performing shall have all the powers of and be subject to all the restrictions upon the Chief Executive Officer.

7.8 Secretary. The secretary of the Company (the “Secretary”), if any, shall perform such duties and shall have such powers as may from time to time be assigned to him or her by the Board or the Chief Executive Officer or as may be expressly set forth in this Agreement. In addition, the Secretary shall perform such duties and have such powers as are incident to the office of Secretary, including the duty and power to give notice of all meetings of Members (if any), the Board and any committee of the Board, to prepare and maintain minutes of any such meetings, to maintain other records and information of the Company, to authenticate records of the Company, to be custodian of the Company seal and to affix and attest to the Company seal on documents.

In addition, the Treasurer shall perform such duties and have such powers as are incident to the office of Treasurer, including the duty and power to keep and be responsible for all funds and securities of the Company, to deposit funds of the Company in depositories selected in accordance with this Agreement, to disburse such funds as ordered by the Board, making proper accounts thereof, and to render as required by the Board statements of all such transactions and of the financial condition of the Company.

7.10 Assistant Secretaries and Assistant Treasurers. The assistant secretaries and assistant treasurers of the Company (the “Assistant Secretaries” and the “Assistant Treasurers”), if any, shall perform such duties as may from time to time be assigned to them by the Secretary or the Treasurer, respectively, or by the Chief Executive Officer or the Board, or as may be expressly set forth in this Agreement. In the absence, inability or refusal to act of the Secretary or the Treasurer, the Assistant Secretaries or the Assistant Treasurers, respectively, in the order designated by the Board, or in the absence of any designation, then in the order of their election or appointment, shall perform the duties and exercise the powers of the Secretary or Treasurer, as the case may be.

7.11 Salaries. Officers of the Company shall be entitled to such salaries, emoluments, compensation or reimbursement, if any, as shall be fixed or allowed from time to time by the Board or in such manner as the Board shall provide.

7.12 Borrowing. No loan shall be contracted on behalf of the Company, and no evidence of indebtedness shall be issued, endorsed or accepted in its name, unless authorized by the Board or a committee designated by the Board so to act. Such authority may be general or confined to specific instances. When so validly authorized, an officer may (a) effect loans at any time for the Company from any bank or other Entity and for such loans may execute and deliver promissory notes or other evidences of indebtedness of the Company, and (b) mortgage, pledge or otherwise encumber any real or personal property, or any interest therein, owned or held by the Company as security for the payment of any loans or obligations (including any guarantees) of the Company, and to that end may execute and deliver for the Company such instruments as may be necessary or proper in connection with such transaction.

7.13 Checks and Endorsements. All checks, drafts or other orders for the payment of money, obligations, notes or other evidences of indebtedness, bills of lading, warehouse receipts, trade acceptances and other such instruments shall be signed or endorsed for the Company by such officers or agents of the Company as shall from time to time be determined by resolution of the Board, which resolution may provide for the use of facsimile or electronic signatures.

7.14 Deposits. All funds of the Company not otherwise employed shall be deposited from time to time to the Company's credit in such banks or other depositories as shall from time to time be determined by resolution of the Board, which resolution may specify the officers or agents of the Company who shall have the power, and the manner in which such power shall be exercised, to make such deposits and to endorse, assign and deliver for collection and deposit checks, drafts and other orders for the payment of money payable to the Company or its order.

## ARTICLE 8 EXCULPATION AND INDEMNIFICATION

### 8.1 Exculpation.

(a) Notwithstanding any other provisions of this Agreement (whether express or implied) or obligation or duty at law or in equity, to the fullest extent permitted by applicable law, no Covered Person shall be liable to any Member, the Company or any other Person (including any creditor or claimant of the Company or any of its Subsidiaries) for any losses, claims, expenses, damages or liabilities arising from any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, by a Covered Person in connection with the Company or any of its Subsidiaries, nor shall any Covered Person be liable to any Member, the Company or any other Person for any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, by any employee or other agent of the Company or any of its Subsidiaries, except to the extent that any such losses, expenses, claims, damages or liabilities, (i) in any such case, are attributable to such Covered Person's material breach of this Agreement, and (ii) in the case of any current or former Manager or officer of the Company, (A) are attributable to such Manager's or officer's acts or omissions not in good faith, (B) are attributable to such Manager's or officer's breach of the duty of loyalty to the Members, the Company or any of its Subsidiaries, (C) arise from a

transaction in which such Manager or officer derived an improper personal benefit or (D) are attributable to acts or omissions of such Manager or officer that constitute a knowing violation of law. No amendment to or repeal of this Section 8.1 shall apply to or have any effect on the liability or alleged liability of the Covered Persons for or with respect to their acts or omissions occurring prior to such amendment or repeal.

(b) In accordance with the Act and the laws of the State of Delaware, a member of a limited liability company may, under certain circumstances, be required to return amounts previously distributed to such member. It is the intent of the Members that no distribution to any Member pursuant to Article 11 or Article 13 shall be deemed a return of money or other property paid or distributed in violation of the Act or other applicable law. The return of such money or distribution of any such property to a Member shall be deemed to be a compromise within the meaning of the Act, and the Member receiving any such money or property shall not be required to return to any Person any such money or property. However, if any court of competent jurisdiction holds that, notwithstanding the provisions of this Agreement, any Member is obligated to return such money or property, such obligation shall be the obligation of such Member and not of any other Member.

## 8.2 Indemnification.

(a) The Company shall, to the fullest extent permitted by applicable law (as now or hereafter in effect), indemnify, defend and hold harmless each Covered Person who was or is a party or is threatened to be made a party to or is involved in any threatened, pending or completed action, suit or proceeding (“Proceeding”), whether civil, criminal, administrative or investigative, or any appeal in such a Proceeding or any inquiry or investigation that could lead to such a Proceeding, (i) in connection with any matter arising out of or in connection with the Company’s or any of its Subsidiaries’ business or affairs, (ii) by reason of the fact that such Covered Person is serving or has served in one or more of the capacities set forth in the definition of “Covered Person”, or (iii) by reason of the fact that such Covered Person, or a Person of whom such Covered Person is the legal representative, is or was serving as a manager, officer, member, employee or agent or in any other capacity, at the request of the Company, for any other corporation, company, partnership, joint venture, trust, employee benefit plan or other Entity (an “Other Entity”), from and against any losses, claims, expenses, damages and liabilities (collectively, “Damages”) suffered or incurred by, imposed on, or to which such Covered Person may become subject in connection with such Proceeding; provided, that no right of indemnification shall be available to a Covered Person under this Article 8 (A) to the extent that it shall have been determined by a final, non-appealable decision by a court of competent jurisdiction that any such Damages are attributable to such Covered Person’s material breach of this Agreement, and, (B) in the case of any current or former Manager or officer of the Company, to the extent that any such Damages (1) are attributable to such Managers’ or officer’s acts or omissions not in good faith, (2) are attributable to such Managers’ or officer’s breach of the duty of loyalty to the Members, the Company or any of its Subsidiaries, (3) arise from a transaction in which such Manager or officer derived an improper personal benefit, (4) are attributable to acts or omissions of such Manager or officer that constitute a knowing violation of

law, (5) are attributable to any Proceeding (except an action to enforce the indemnification rights set forth in this Section 8.2(a) or to enforce the rights to advancement of expenses set forth in Section 8.2(b)) initiated by such Covered Person unless if such Proceeding was authorized in the specific case by the Board, or (6) are attributable to any Proceeding by or in the right of the Company or any of its Subsidiaries unless if the Board authorizes the indemnification of any such Damages (except that, to the extent any such Covered Person has been successful on the merits or otherwise in the defense of any such Proceeding by or in the right of the Company or any of its Subsidiaries or in defense of any claim, issue or matter therein, then such Covered Person shall be indemnified against expenses actually and reasonably incurred by such Covered Person in connection therewith). If for any reason the foregoing indemnification is unavailable to a Covered Person, or is insufficient to hold it harmless, then the Company shall contribute to the amount paid or payable by such Covered Person as a result of the applicable Damages in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Covered Person on the other hand or, if such allocation is not permitted by applicable law, to reflect not only the relative benefits referred to above but also any other relevant equitable considerations.

(b) If a Covered Person is or was made, or threatened to be made, a party to or is involved in any threatened, pending or completed Proceeding, whether civil, criminal, administrative or investigative, or any appeal in such a Proceeding or any inquiry or investigation that could lead to such a Proceeding, (i) in connection with any matter arising out of or in connection with the Company's or any of its Subsidiaries' business or affairs, (ii) by reason of the fact that such Covered Person is serving or has served in one or more of the capacities set forth in the definition of "Covered Person" or (iii) by reason of the fact that such Covered Person, or a Person of whom such Covered Person is the legal representative, is or was serving as a manager, officer, member, employee or agent or in any other capacity, at the request of the Company, for any Other Entity, the Company shall pay, within a reasonable period of time following the Company's receipt of reasonably detailed supporting documentation, to such Covered Person such Covered Person's reasonable and documented out-of-pocket legal and other expenses (including legal and other professional fees and disbursements, and the cost of any investigation and preparation) incurred in connection therewith in advance of the final disposition of such Proceeding; provided, that such Covered Person shall promptly repay to the Company the amount of any such expenses paid to it if it shall be determined that such Covered Person is not entitled to be indemnified by the Company in connection with such Proceeding as provided in the proviso contained in Section 8.2(a); provided, further that, with respect to a Covered Person described in clause (B) of Section 8.2(a), the Company shall not be required to pay in advance or otherwise any such expenses incurred by any such Covered Person in connection with (A) any Proceeding initiated by such Covered Person unless if such Proceeding was authorized in the specific case by the Board or (B) any Proceeding by or in the right of the Company or any of its Subsidiaries unless if the Board authorizes the payment of any such expenses.

(c) The rights to indemnification, reimbursement and advancement of expenses, and contribution provided by, or granted pursuant to, this Section 8.2 shall not be deemed exclusive of any other rights to which a Covered Person seeking

indemnification, reimbursement or advancement of expenses, or contribution may have or hereafter be entitled under any statute, this Agreement, any other agreement (including any policy of insurance purchased or provided by the Company under which any Covered Person is covered), any vote of the Members or Managers, or otherwise. The rights conferred upon any Covered Person in Section 8.1 and Section 8.2 shall be contract rights that vest upon the occurrence or alleged occurrence of any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, or any other fact, circumstance or matter, giving rise to any losses, claims, expenses, damages or liabilities (whether or not arising out of a Proceeding) that are covered by Section 8.1 and/or Section 8.2, and such rights shall apply to a Person that was a Covered Person even after such Person ceases to be a Covered Person, but only with respect to any such losses, claims, expenses, damages or liabilities arising from any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, or any other fact, circumstance or matter that occurred, during the period in which such Person was a Covered Person.

(d) The rights to indemnification, reimbursement and advancement of expenses, and contribution provided by, or granted pursuant to, this Section 8.2 shall inure to the benefit of the successors, heirs, executors and administrators of a Covered Person.

(e) The Company shall have the power to purchase and maintain insurance on behalf of any Covered Person to protect such Covered Person against any Damages, whether or not the Company would have the power to indemnify such Covered Person against any such Damages under the provisions of this Section 8.2 or under any provision of law.

(f) No amendment or repeal of any part of this Section 8.2 shall apply to or have any effect on any right to indemnification, reimbursement and advancement of expenses, and contribution provided hereunder with respect to any acts or omissions occurring prior to such amendment or repeal.

8.3 No Member Liability. Any indemnification, reimbursement and advancement of expenses, or contribution provided under this Article 8 shall be satisfied solely out of assets of the Company, as an expense of the Company. No Member shall be subject to personal liability by reason of the indemnification, reimbursement and advancement of expenses, or contribution provisions set forth in this Article 8.

8.4 Settlements. The Company shall not be liable for any settlement by a Covered Person of any Proceeding effected without its written consent, but if settled with such written consent, or if there is a final judgment against such Covered Person in any such Proceeding, the Company agrees to indemnify and hold harmless such Covered Person to the extent provided above from and against any Damages by reason of such settlement or judgment.

8.5 Business Opportunities; Fiduciary Duties.

(a) The Company and each Member acknowledge that (i) each Member (other than any Member who is a Manager or an officer or an employee of the Company or any of its Subsidiaries, any Member that is a Family Member of any Manager or any officer or employee of the Company or any of its Subsidiaries, or any Member that is controlled by any Manager or any officer or employee of the Company or any of its Subsidiaries or controlled by any such Manager's, officer's or employee's Family Members) and (ii) each Affiliate, manager, director, principal, officer, employee and other representative of any Member described in clause (i) (other than any such Person that is a Manager or an officer or employee of the Company or any of its Subsidiaries, any such Person that is a Family Member of any Manager or any officer or employee of the Company or any of its Subsidiaries, or any such Person that is controlled by any Manager or any officer or employee of the Company or any of its Subsidiaries or controlled by any such Manager's, officer's or employee's Family Members) (the foregoing Persons being referred to, collectively, as "Identified Persons" and, each individually, as an "Identified Person") may now engage, may continue to engage, and/or may, in the future, decide to engage, in the same or similar activities or lines of business as those in which the Company or any of its Subsidiaries, directly or indirectly, now engage or may engage and/or other business activities that overlap with, are complementary to, or compete with those in which the Company or any of its Subsidiaries, directly or indirectly, now engage or may engage (any such activity or line of business, an "Opportunity"). No Identified Person shall have any duty to refrain, directly or indirectly, from (x) engaging in any Opportunity, (y) offering or directing any Opportunity to another Person (including any Affiliate of such Identified Person) or (z) otherwise competing with the Company or any of its Subsidiaries. No Identified Person shall have any duty or obligation to refer or offer to the Company or any of its Subsidiaries any Opportunity, and the Company hereby renounces, on behalf of itself and each of its Subsidiaries, any interest or expectancy of the Company or any of its Subsidiaries in, or in being offered, an opportunity to participate in any Opportunity engaged in by any Identified Person which may be a corporate (or analogous) or business opportunity for the Company or any of its Subsidiaries.

(b) In the event that any Identified Person acquires knowledge of an Opportunity which may be a corporate (or analogous) or business opportunity for the Company or any of its Subsidiaries, such Identified Person shall have no duty to communicate, offer or otherwise make available such Opportunity to the Company or any of its Subsidiaries and shall not be liable to the Company, any of its Subsidiaries or any of the Members for breach of any purported fiduciary duty by reason of the fact that such Identified Person pursues or acquires such Opportunity for itself, or offers or directs such Opportunity to another Person (including any Affiliate of such Identified Person).

(c) The Company, on behalf of itself and each of its Subsidiaries, and each Member (i) acknowledge that the Identified Persons may now own, may continue to own, and from time to time may acquire and own, investments in one or more other Entities (each such Entity, a "Related Company" and all such Entities, collectively, "Related Companies"), including Entities that are competitors of, or that otherwise may have interests that do or could conflict with those of, the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates, and (ii) agree that (A) the

enjoyment, exercise and enforcement of the rights, interests, privileges, powers and benefits granted or available to the Identified Persons under this Agreement shall not be in any manner reduced, diminished, affected or impaired, and the obligations of the Identified Persons under this Agreement (if any) shall not be in any manner augmented or increased, by reason of any act, circumstance, occurrence or event arising from or in any respect relating to (x) the ownership by an Identified Person of any interest in any Related Company, (y) the affiliation of any Related Company with an Identified Person or (z) any action taken or omitted by any Related Company or an Identified Person in respect of any Related Company, (B) no Identified Person shall, by reason of such ownership, affiliation, action or omission, become subject to any fiduciary duty to the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates, (C) nothing in this Agreement and none of the duties imposed on an Identified Person, whether by contract or law, if any, do or shall limit or impair the right of any Identified Person to, directly or indirectly, purchase or sell the securities or indebtedness of any other Entity or to compete with the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates as if the Identified Persons were not a party to this Agreement and (D) the Identified Persons are not and shall not be obligated to disclose to the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates any information related to their respective businesses or opportunities, including acquisition opportunities, or to refrain from or in any respect to be restricted in competing against the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates in any such business or as to any such opportunities.

(d) To the fullest extent permitted by law, this Agreement is not intended to, and does not, create or impose any fiduciary or other duty on any Identified Person, other than those non-fiduciary duties that are expressly set forth in this Agreement and a duty to act in accordance with the implied contractual covenant of good faith and fair dealing to the extent required by Delaware law. Further, to the fullest extent permitted by law, the Company and each Member hereby irrevocably waive any and all fiduciary duties owed to the Company or such Member by any Identified Person (including those fiduciary duties that, absent such waiver, may be implied by law), and in doing so, the Company and each Member recognize, acknowledge and agree that the duties and obligations of the Identified Persons to the Company, each other Member and each other Person that is or becomes a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement are only as expressly set forth in this Agreement. To the fullest extent permitted by law, no Identified Person shall owe any duty (including any fiduciary duty) to the Company or to any Member or to any other Person that is or becomes a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement other than those non-fiduciary duties that are expressly set forth in this Agreement and a duty to act in accordance with the implied contractual covenant of good faith and fair dealing to the extent required by Delaware law. The parties acknowledge and agree that any Identified Person acting in accordance with this Agreement shall (i) be deemed to be acting in compliance with such implied contractual covenant, and (ii) not be liable to the Company, to any Member or to any other Person that is a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement for its reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that

they restrict or eliminate the duties and liabilities of an Identified Person otherwise existing at law or in equity in respect of the Company, any of the Members or any other Person that is or becomes a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement, are agreed (and shall be deemed to have been agreed) by the Company, the Members or all such other Persons to replace fully and completely such other duties and liabilities.

(e) Each Manager, in his or her capacity as such, shall have the same fiduciary duties as those of a member of a board of directors of a corporation organized under the laws of the State of Delaware, subject to the obligations of the Managers and the Company under this Agreement; provided, that no Manager shall be personally liable for any monetary damages to the Company or any of the Members for breach of the duty of care, subject to the same limitations on such limitation as contemplated by Section 102(b)(7) of the Delaware General Corporation Law. Each employee and officer of the Company, in its capacity as such, shall have the same fiduciary duties as an employee or officer (as applicable) of a corporation organized under the laws of the State of Delaware, subject to the obligations of the employees and officers of the Company and the Company under this Agreement; provided, that, to the extent determined by the Board, no officer, shall be personally liable for any monetary damages to the Company or any of the Members for breach of the duty of care, subject to the same limitations on such limitation as contemplated by Section 102(b)(7) of the Delaware General Corporation Law.

(f) Nothing in this Section 8.5 shall be deemed to limit any Member's obligations under Section 18.1.

8.6 Subrogation. In the event that any Covered Person who is or was a partner, shareholder, member, officer, director, manager, fund adviser, investment adviser, investment manager, controlling person, employee, consultant, counsel, representative or agent of a Member or any of its Affiliates is entitled to indemnification under Section 8.2 for which such Covered Person is also entitled to indemnification from such Member or any of its Affiliates (other than the Company or any of its Subsidiaries), the Company hereby agrees that its duties to indemnify such Covered Person, whether pursuant to this Agreement or otherwise, shall be primary to those of such Member or such Affiliate, and to the extent that such Member or such Affiliate actually indemnifies any such Covered Person, such Member or such Affiliate shall be subrogated to the rights of such Covered Person against the Company for indemnification hereunder. The Company hereby acknowledges the subrogation rights of each Member and its Affiliates under such circumstances and agrees to execute and deliver such further documents and/or instruments as such Member or its Affiliate may reasonably request in order to evidence any such subrogation rights, whether before or after such Member or its Affiliate makes any such indemnification payment. The Company shall pay any amounts due under this Section 8.6, in cash, promptly, and in any event within fifteen (15) days, upon written demand therefor (accompanied by reasonably detailed supporting documentation) from a Member. The Company hereby waives any right against each of the Members and their respective Affiliates to indemnification, subrogation, or contribution. Furthermore, the Company and the Members expressly agree that each Covered Person is an intended third-party beneficiary as to the indemnification provisions of this Agreement and shall be entitled to bring suit against the Company to enforce said provisions. The provisions of this Section 8.6 shall equally apply to a

Covered Person's rights to reimbursement and advancement of expenses and contribution under Section 8.2.

8.7 Insurance. The Company shall purchase and maintain, at the Company's expense, insurance (the "Specified Insurance") on behalf of all managers (including Managers), directors and officers of the Company and its Subsidiaries to protect any such Person against any expense, liability or loss suffered or incurred by, imposed on, or to which such Person may become subject (a) in connection with any matter arising out of or in connection with the Company's or any of its Subsidiaries' business or affairs, (b) by reason of the fact that such Person is serving or has served as an officer, manager or director of the Company or any of its Subsidiaries or (c) by reason of the fact that such Person is or was serving as a manager, officer, member, employee or agent or in any other capacity, at the request of the Company, for any Other Entity, in any such case based on acts, omissions, facts, circumstances or matters occurring or arising on or after the Effective Date; provided, however, that the Specified Insurance shall be subject to (i) exclusions and exceptions that are customary for such insurance, and (ii) retentions and limitations as the Board determines to be reasonable in light of the premiums to be paid for the Specified Insurance. Any Specified Insurance shall be satisfactory to the Board.

8.8 Amendments. Notwithstanding anything herein to the contrary, no amendment, repeal or modification of this Article 8 shall affect any rights or obligations with respect to any state of facts then or theretofore existing or any Proceeding theretofore or thereafter brought or threatened based in whole or in part upon any such state of facts.

## **ARTICLE 9 TRANSFERS**

### **9.1 Restrictions on Transfers.**

(a) *Prohibited Transfers*. Without limiting any other provisions, restrictions or conditions of this Article 9, unless otherwise waived by the Board in its sole discretion, no Units shall be Transferred by any Member (regardless of the manner in which the Transferor initially acquired such Units), if:

(i) such Transfer would, if consummated, result in any violation of the Securities Act or any state securities laws or regulations, or any other applicable federal or state laws or order of any Governmental Authority having jurisdiction over the Company or any of its Subsidiaries;

(ii) such Transfer would, if consummated (after taking into account the consummation of any other proposed Transfers for which a notice thereof has been previously delivered to the Company, but not yet consummated), result in the Company having, in the aggregate, (A) 1,000 or more holders of record (as such concept is understood for purposes of Section 12(g) of the Exchange Act), or (B) 400 or more holders of record (as such concept is understood for purposes of Section 12(g) of the Exchange Act) that are not Accredited Investors, of either (x) the class of Units proposed to be Transferred (assuming, for purposes of this clause (x), that all issued and outstanding securities of the Company that are

exercisable or exchangeable for, or convertible into, directly or indirectly, the class of Units proposed to be Transferred were exercised, exchanged or converted at the time of such Transfer) or (y) any class of Units into which the Units proposed to be Transferred are convertible (such Units, “Conversion Units”) (assuming, for purposes of this clause (y), that all issued and outstanding securities of the Company that are exercisable or exchangeable for, or convertible into, directly or indirectly, Conversion Units were exercised, exchanged or converted at the time of such Transfer), unless at the time of such Transfer the Company is already subject to the reporting obligations under Section 13 or Section 15(d) of the Exchange Act; provided, that the numbers 1,000 and 400 as used in this Section 9.1(a)(ii) shall be increased by the number of such holders that acquire from the Company, after the Effective Date, Units of the class proposed to be Transferred, Conversion Units, or securities of the Company that are exercisable or exchangeable for, or convertible into, Units of the class proposed to be Transferred or Conversion Units, in any such case other than any such acquisition (1) that was made by a holder who held any such Units, Conversion Units or securities prior to such acquisition (including in connection with a distribution to all holders of any such Units, Conversion Units or securities) or (2) made through a distribution under the Plan of Reorganization;

(iii) such Transfer would, if consummated (after taking into account the consummation of any other proposed Transfers for which a notice thereof has been previously delivered to the Company, but not yet consummated), require the Company to register any class of Units or other equity securities of the Company under the Exchange Act (as a result of the number of holders of such Units or equity securities or otherwise), unless, at the time of such Transfer, the Company is already subject to the reporting obligations under Section 13 or Section 15(d) of the Exchange Act;

(iv) such Transfer would, in the judgment of the Board, cause the Company to be required to register as an “investment company” under the Investment Company Act;

(v) such Transfer would, if consummated (after taking into account the consummation of any other proposed Transfers for which a notice thereof has been previously delivered to the Company, but not yet consummated), cause the underlying assets of the Company to be deemed “plan assets” as defined under and pursuant to the Plan Asset Regulation or constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code;

(vi) such Transfer is not to an Accredited Investor;

(vii) such Transfer is to any Competitor; or

(viii) such Transfer is to any Sanctioned Person.

(b) *Certificates; Legal Opinion.* In addition to the restrictions set forth in Section 9.1(a), no Units shall be Transferred by any Member unless (i) the certificates (if any) representing such Units bear legends as provided in Section 9.1(e) (or, with respect to uncertificated Units, notice of such legends is provided in accordance with applicable law), for so long as such legends are applicable; (ii) either (A) the Transferee is an Affiliate of the Transferor or (B) prior to such Transfer (unless waived by the Company in its sole discretion), the Transferee and the Transferor shall have delivered to the Company representation letters in such form as may be approved from time to time by the Company (including a representation from the Transferee that the Transferee is an Accredited Investor); and (iii) in the case where the Transferee is not an Affiliate of the Transferor, if requested by the Company prior to five (5) Business Days after delivery of the Transfer Notice, the Transferor shall have delivered to the Company a legal opinion, reasonably acceptable to the Company, stating that the registration of the Units that are the subject of such proposed Transfer is not required under the Securities Act or any applicable state securities or “blue sky” laws.

(c) *Notice of Transfer.* Subject to Section 9.3, and unless otherwise waived by the Company, any Member proposing to effect a Transfer of Units must submit to the Company, not less than five (5) Business Days prior to such Transfer, a written notice (a “Transfer Notice”) of such Transfer. A Transfer Notice shall be delivered to the Company, to the attention of (i) the Secretary, the Chief Operating Officer or Chief Financial Officer, or any of their designees, and (ii) the Chairperson, in each case in accordance with Section 17.5. A Transfer Notice shall include or be accompanied by (A) the name, address, e-mail address and telephone number of the Transferor and the Transferee, (B) a certification from the Transferee whether the Transferee is an Affiliate of the Transferor, (C) a certification from the Transferee that the Transferee is not a Sanctioned Person, (D) a certification from the Transferee that the Transferee is not a Competitor under clause (a) or clause (c) of the definition of “Competitor”, (E) the number and class and/or series of Units proposed to be Transferred to, and acquired by, the Transferee, (F) the date on which the Transfer is proposed to be effective, (G) the percentage of the Transferor’s total number of Units of the same class and/or series to be Transferred, (H) a Joinder Agreement, duly completed and executed by the Transferee to the extent such Transferee has not already signed a counterpart of this Agreement or executed a Joinder Agreement, (I) an AI Questionnaire, duly completed and executed by the Transferee, (J) an IRS Form W-9 or appropriate IRS Form W-8, as applicable, duly completed and executed by the Transferee to the extent such Transferee has not already delivered to the Company such a duly completed and executed tax form that is not obsolete, inaccurate or expired, and (K) a request that the Company instruct the Transfer Agent to register the Transfer in the Register of Members. So long as the other provisions of this Section 9.1 are satisfied and complied with, the Company shall, within five (5) Business Days after a Transfer Notice is delivered to the Company (but in no event earlier than the proposed effective date of Transfer specified in the Transfer Notice), instruct and use commercially reasonable efforts to cause the Transfer Agent to register the Transfer in the Register of Members unless, (I) prior to the expiration of such five (5) Business Day period, the Company requests information demonstrating that the Transfer complies with this Section 9.1 (including information demonstrating that the Transferee is not a Competitor or a Sanctioned Person) or (II) the Transferor by written

notice to the Company withdraws the related Transfer Notice prior to registration of the Transfer. If any such request for information is made, the Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to register the Transfer in the Register of Members no later than five (5) Business Days after the Company receives such information (but in no event earlier than the proposed effective date of Transfer specified in the Transfer Notice), unless the Company determines during any such five (5)-Business Day period that the Transfer is not permitted pursuant to the terms of this Section 9.1, in which case the Company shall promptly inform the Transferor of such determination. Upon the closing of each Transfer that is permitted by this Agreement and the Transferee becoming a party to this Agreement, (x) such Transferee shall be admitted as, and deemed to be, a Member for purposes of this Agreement, (y) such Transferee shall be entitled to the rights (excluding any rights of a Member that are not assignable or otherwise transferable pursuant to the terms of this Agreement), and subject to the obligations, of a Member with respect to the Transferred Units and (z) the Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to amend and update the Register of Members to reflect such Transfer.

(d) *Prohibited Transfers Void.* The Company shall not instruct or cause the Transfer Agent to register the Transfer of any Units in the Register of Members except for Transfers that are consummated in accordance with the terms and provisions of this Agreement and, in the case of any Class B Units, the terms and provisions of any applicable Management Incentive Plan and/or Award Agreement. Any purported Transfer of Units in violation of such terms and provisions shall be void *ab initio* and shall not be recognized by the Company.

(e) *Legends.*

(i) All certificates (if any) or statements related to book-entry accounts (if any) representing or otherwise evidencing any Units that were issued under the Plan of Reorganization shall conspicuously bear, or shall be deemed to conspicuously bear (even if such certificate or statement does not actually bear such legend), the following legend (subject to Section 9.1(e)(iv) below):

“THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] WERE ORIGINALLY ISSUED IN RELIANCE UPON AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF SECTION 5 OF THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), PROVIDED BY SECTION 1145 OF THE BANKRUPTCY CODE, 11 U.S.C. § 1145. THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] HAVE NOT BEEN REGISTERED UNDER THE ACT OR ANY STATE SECURITIES LAWS, AND TO THE EXTENT THE HOLDER OF SUCH LIMITED LIABILITY COMPANY INTERESTS IS AN “UNDERWRITER,” AS DEFINED IN SECTION 1145(B)(1) OF THE BANKRUPTCY CODE, MAY NOT BE SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE REGISTRATION REQUIREMENTS OF

THE ACT OR AN EXEMPTION THEREFROM AND, IN EACH CASE, IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS.”

(ii) All certificates (if any) or statements related to book-entry accounts (if any) representing or otherwise evidencing any Units (excluding Units that were issued under the Plan of Reorganization) shall conspicuously bear, or shall be deemed to conspicuously bear (even if such certificate or statement does not actually bear such legend), the following legend (subject to Section 9.1(e)(iv) below):

“THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), OR ANY STATE SECURITIES LAWS AND MAY NOT BE SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE REGISTRATION REQUIREMENTS OF THE ACT OR AN EXEMPTION THEREFROM AND, IN EACH CASE, IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS.”

(iii) All certificates (if any) or statements related to book-entry accounts (if any) representing or otherwise evidencing any Units shall conspicuously bear, or shall be deemed to conspicuously bear (even if such certificate or statement does not actually bear such legend), the following legend (subject to Section 9.1(e)(iv) below):

“THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] ARE SUBJECT TO VARIOUS TERMS, PROVISIONS AND CONDITIONS, INCLUDING CERTAIN RESTRICTIONS ON SALE, DISPOSITION OR TRANSFER, AS SET FORTH IN THE AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT OF FUSION PARENT, LLC (THE “COMPANY”) DATED AS OF JUNE [6], 2025 (AS AMENDED, SUPPLEMENTED, AMENDED AND RESTATED OR OTHERWISE MODIFIED FROM TIME TO TIME, THE “LLC AGREEMENT”) BY AND AMONG THE COMPANY AND THE MEMBERS OF THE COMPANY. NO REGISTRATION OR TRANSFER OF THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] WILL BE MADE ON THE BOOKS OF THE COMPANY OR ITS TRANSFER AGENT UNLESS AND UNTIL SUCH RESTRICTIONS SHALL HAVE BEEN COMPLIED WITH. THE COMPANY OR ITS TRANSFER AGENT WILL FURNISH, WITHOUT CHARGE, TO EACH HOLDER OF RECORD OF THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] A COPY OF THE LLC AGREEMENT, CONTAINING THE ABOVE-REFERENCED TERMS, PROVISIONS AND CONDITIONS, INCLUDING RESTRICTIONS ON SALE, DISPOSITION OR TRANSFER OF LIMITED LIABILITY COMPANY INTERESTS, UPON WRITTEN REQUEST TO THE COMPANY AT ITS PRINCIPAL PLACE OF BUSINESS.”

(iv) In the event that any Units shall be registered for Transfer under the Securities Act, the Company shall, upon the written request of the holder of such Units, issue to such holder a new certificate or statement of book-entry position, as applicable, representing or otherwise evidencing such Units without the legend required by Section 9.1(e)(i) or Section 9.1(e)(ii). In the event that any Units shall cease to be subject to the restrictions on Transfer set forth in this Section 9.1, the Company shall, upon the written request of the holder of such Units, issue to such holder a new certificate or statement of book-entry position, as applicable, representing or otherwise evidencing such Units without the legend required by Section 9.1(e)(iii).

(v) In the case of uncertificated Units, the Company shall provide notice to the Members of the applicable legends required by Sections 9.1(e)(i), 9.1(e)(ii) and 9.1(e)(iii) in accordance with applicable law.

(vi) Each Member shall be deemed to have actual knowledge of the terms, provisions, restrictions and conditions set forth in this Agreement (including the restrictions on Transfer set forth in this Section 9.1) for all purposes of this Agreement and applicable law (including the Act and the Uniform Commercial Code as adopted and in effect in any applicable jurisdiction), whether or not any certificate or statement of book-entry position, as applicable, representing or otherwise evidencing any Units owned or held by such Member bears the applicable legends set forth in Sections 9.1(e)(i), 9.1(e)(ii) and 9.1(e)(iii) and whether or not any such Member received a separate notice of such terms, provisions, restrictions and conditions.

(f) *Transfers of Class B Units.* Anything in this Agreement to the contrary notwithstanding, Class B Units shall not be Transferred by any Member unless such Transfer also complies with any restrictions on Transfer set forth in the applicable Management Incentive Plan and/or any applicable Award Agreement (which restrictions may be in addition to, and/or more restrictive than, the restrictions on Transfer of Units set forth in this Agreement).

(g) *Certain Members.* If any Member is an Entity that has no substantial assets other than Units and/or indebtedness of, or securities in, the Company or any of its Subsidiaries, then such Member agrees that no Equity Interests in such Member may be sold, transferred or otherwise disposed to any Person other than in accordance with the terms and provisions of this Section 9.1 as if such Equity Interests were Units; provided, that a sale, transfer or other disposition of Equity Interests in such Member to any Affiliate of such Member (other than to any Affiliate of such Member that is a portfolio company of such Member or any of its other Affiliates) shall not be subject to this Section 9.1(g).

(h) *No Requirement to List.* The Company shall have no obligation under this Agreement to list any of the Units or other Interests on any securities exchange, automated quotation system or over-the-counter marketplace.

(i) *Transfers to the Company.* A Transfer of Units to the Company shall not be subject to the requirements of this Section 9.1.

(j) *Reimbursement of Company Expenses.* The Transferor and the Transferee shall be jointly and severally obligated to reimburse the Company for all reasonable out-of-pocket third-party costs and expenses (including legal fees) incurred by the Company in connection with any Transfer or proposed Transfer of such Transferor's Units (excluding any Transfer or proposed Transfer pursuant to Section 9.3 or otherwise pursuant to a Sale Transaction).

(k) *Modifications to Procedural Provisions.* Notwithstanding anything herein to the contrary, the Company may, in its sole discretion, waive or modify the application of any term or provision of a procedural nature set forth herein to any Transfer so long as such waiver or modification (i) is for administrative convenience purposes to facilitate the consummation of such Transfer, (ii) does not adversely affect the rights of any of the Members, (iii) does not subject any of the Members to any additional obligations or liabilities, and (iv) is approved by the Transferor and the ultimate Transferee of such Transfer (which approval may be provided by e-mail to the Company in accordance with Section 17.5). The right of the Company to make any such waiver or modification need not be uniform among Transfers and may be made by it selectively among any Transfers (whether or not such Transfers are similar in nature). Any such waiver or modification shall not require any consents or approvals of the Members under Section 14.1.

9.2 Transfer Agents; Regulations. The Company, by resolution or written consent of the Board, may from time to time appoint a Transfer Agent (which may be the Company) under such arrangements and upon such terms and conditions as the Board deems advisable. Unless the Board has appointed some other Person as its Transfer Agent (and upon the revocation of any such appointment, thereafter until a new appointment is similarly made) the Secretary, or any Person designated by the Secretary, shall be the Transfer Agent without the necessity of any formal action of the Board, and the Secretary, or any Person designated by the Secretary, shall perform all of the duties of the Transfer Agent. The Board may make such rules and regulations as it may deem expedient and as are not inconsistent with this Agreement, concerning the issue, registration and Transfer of certificates for Units.

### 9.3 Drag-Along Transactions.

(a) In the event that the Majority Members at the time of the delivery of a Drag Notice (for purposes of this Section 9.3, each, a "Selling Member" and, collectively, the "Selling Members") determine to effect, approve or otherwise take any action that would cause the occurrence of, or desire to consummate, a Sale Transaction (whether or not a Member vote is required) to or with any Person or "group" (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, or any successor provision) other than the Selling Members or any Affiliates thereof (a "Third Party Purchaser") (any such Sale Transaction, a "Drag-Along Transaction"), the Company or the Selling Members (or a designated representative acting on behalf of the Selling Members) will have the right (but not the obligation) to deliver written notice thereof at least five (5)

Business Days prior to the consummation of the proposed Sale Transaction (a “Drag Notice”) to all other Members (each, a “Dragged Member” and, collectively, the “Dragged Members”), including any holders of Class B Units. Such written notice shall be delivered to the Dragged Members in accordance with Section 17.5 and shall contain a reasonable description of the material terms and conditions of the Drag-Along Transaction, including the amount and form of consideration to be paid by the Third Party Purchaser, the identity of the proposed third Party Purchaser and copies of any Drag-Along Transaction Documents or Investment Documents that the Dragged Members will be required to execute and deliver in connection with such Drag-Along Transaction (to the extent such documents exist and are in substantially final form at the time such Drag Notice is delivered to the Dragged Members) and the proposed date (which may be an estimated date or range of dates) for the closing of the Drag-Along Transaction.

(b) If a Drag Notice is delivered by the Company or by or on behalf of the Selling Members to the Dragged Members, each of the Dragged Members shall:

(i) if such Drag-Along Transaction is structured as a Transfer of Units (including any Transfer of Units by way of a merger of the Company with any other Person), be obligated to Transfer to the Third Party Purchaser (subject to the other terms of this Section 9.3(b)), at the closing of such Drag-Along Transaction, all Units held by such Dragged Member (or the applicable portion of such Dragged Member’s Units that are required to be Transferred in connection with such Drag-Along Transaction, as determined in accordance with Section 9.3(c)) on purchase terms and conditions that are substantially the same as those purchase terms and conditions applicable to the Units of the Selling Members of the same class or series (excluding any investment or reinvestment opportunity given to management of the Company or any of its Subsidiaries), free and clear of any Liens (other than Permitted Liens); provided, that if the Selling Members are given an option as to the form of consideration to be received in exchange for their Units of any class or series, then each of the Dragged Members need only be given the same option with respect to their Units of the same class or series;

(ii) if such Drag-Along Transaction is structured as a sale or transfer of assets (including by or through the sale, issuance or other disposition of the Equity Interests of, or reorganization, merger, unit or share exchange, consolidation or other business combination involving, any direct and/or indirect Subsidiary or Subsidiaries of the Company), approve any subsequent dissolution and liquidation of the Company or any of its Subsidiaries in connection therewith and execute and/or deliver any applicable documents, instruments or agreements related thereto;

(iii) (A) be required to vote (including by written consent) such Dragged Member’s Units (to the extent of any voting rights), whether by proxy, voting agreement or otherwise, in favor of such Drag-Along Transaction, and (B) not raise any objection against such Drag-Along Transaction (including

objections relating to the consideration being paid in connection therewith) or the process pursuant to which it was arranged, negotiated or consummated;

(iv) execute and deliver any applicable purchase agreement, merger agreement, indemnity agreement, escrow agreement, letter of transmittal, release or other agreements or documents governing or relating to such Drag-Along Transaction (on terms substantially the same as those terms applicable to the Selling Members) that the Company, the Selling Members or the Third Party Purchaser may request and which are executed and delivered by the Selling Members (the “Drag-Along Transaction Documents”), and (A) agree to or provide the same covenants, obligations, indemnities and agreements as agreed to or provided by the Selling Members set forth therein and (B) make the same representations and warranties as the Selling Members, on a several and not joint basis, regarding organization, existence and good standing of such Dragged Member, the power and authority of such Dragged Member to enter into the Drag-Along Transaction, due authorization, execution and delivery by such Dragged Member of the Drag-Along Transaction Documents and the Investment Documents, enforceability against such Dragged Member of the Drag-Along Transaction Documents and the Investment Documents, good and marketable title (free and clear of all Liens) of the Units of such Dragged Member, the consents and notices required to be obtained or made by such Dragged Member in connection with such Drag-Along Transaction, no conflicts with organizational documents, contracts or law applicable to such Dragged Member, no legal proceedings against such Dragged Member, no brokers’ fees owed by such Dragged Member in connection with such Drag-Along Transaction, and other matters reasonably requested by the Third Party Purchaser with respect to such Dragged Member and related to such Drag-Along Transaction; provided, however, that (x) no Dragged Member shall be required to provide any indemnity relating to such Drag-Along Transaction that is in excess of the amount of proceeds payable to such Dragged Member in connection with such Drag-Along Transaction (other than on account of such Dragged Member’s own fraud), (y) any escrow arrangement or indemnity shall be allocated among each Selling Member and Dragged Member *pro rata* based upon the allocation among each such Member of the consideration payable in respect of Units in the Drag-Along Transaction; provided, that, subject to the limitations set forth in clause (x), any indemnities on account of a Dragged Member’s representations and warranties described in clause (B) above or a Dragged Member’s own fraud or breach by such Dragged Member of covenants given by such Dragged Member shall be solely the responsibility of such Dragged Member, and (z) no Dragged Member shall be required to provide any non-competition, non-solicitation or similar covenant other than customary confidentiality covenants;

(v) if the Members will receive any Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in the continuing, acquiring, resulting or surviving entity in the Drag-Along Transaction, or any Affiliate thereof (the “Surviving Entity”), execute and deliver any applicable limited liability company

agreement, stockholders agreement, partnership agreement, investor rights agreement, voting agreement or similar agreement which relates to the internal governance of the Surviving Entity and/or the rights or obligations of the owners of the Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in the Surviving Entity that the Company, the Selling Members or the Third Party Purchaser may request and which are executed and delivered by the Selling Members (the “Investment Documents”), and agree to or provide the same covenants, obligations and agreements as agreed to or provided by the Selling Members set forth therein; provided, that the Selling Members shall use commercially reasonable efforts to facilitate the granting to the Dragged Members of minority protections with respect to the Surviving Entity that are both customary and commensurate with its proportionate ownership in the Surviving Entity;

(vi) use commercially reasonable efforts to obtain or make any consents or filings necessary to be obtained or made by such Dragged Member to effectuate such Drag-Along Transaction; provided, that no Dragged Member shall be required to agree to any material obligations or material restrictions in connection with obtaining regulatory approvals other than obligations to cooperate in the making thereof;

(vii) without limiting the provisions of Section 5.6, waive and refrain from exercising any appraisal, dissenters or similar rights with respect to such Drag-Along Transaction;

(viii) not (A) take any action that would reasonably be expected to impede or be prejudicial to such Drag-Along Transaction, (B) assert, at any time, any claim against the Company, any member of the Board (or any committee thereof), any member of any Subsidiary Governing Body or any other Member or any of its Affiliates (including any Selling Member and any of its Affiliates) in connection with such Drag-Along Transaction, or (C) except as permitted under and pursuant to Article 18, disclose to any Person any information related to such Drag-Along Transaction (including the identity of the Third Party Purchaser, the fact that discussions or negotiations are taking place concerning such Drag-Along Transaction, or any of the terms, conditions or other information with respect to such Drag-Along Transaction); and

(ix) take all necessary or desirable actions reasonably requested by the Selling Members, the Third Party Purchaser and/or the Company in connection with the consummation of such Drag-Along Transaction, including voting such Dragged Member’s Units (to the extent of any voting rights), whether by proxy, voting agreement or otherwise, in favor of such Drag-Along Transaction and, if applicable, in favor of a Corporate Conversion in connection with such Drag-Along Transaction.

(c) In the case of a Drag-Along Transaction pursuant to which the Selling Members are collectively Transferring less than one hundred percent (100%) of all of the Units owned or held by the Selling Members in the aggregate, each Dragged Member shall be required to Transfer a percentage of the Units owned or held by such Dragged Member equal to the quotient obtained by dividing (i) the total number of Units owned or held by the Selling Members that are proposed to be Transferred in such Drag-Along Transaction by (ii) the total number of Units owned or held by the Selling Members in the aggregate.

(d) At the closing of any Drag-Along Transaction that is structured as a sale or other Transfer of Units in which the Selling Members have exercised their rights under this Section 9.3, each Dragged Member shall deliver at such closing, against payment of the purchase price therefor in accordance with the terms of the Drag-Along Transaction Documents, certificates or other documentation (or other evidence thereof reasonably acceptable to the Third Party Purchaser) representing such Dragged Member's Units to be sold, duly endorsed for transfer or accompanied by duly endorsed instruments of transfer, and such other documents as are deemed reasonably necessary by any one or more of the Selling Members, the Third Party Purchaser and/or the Company for the proper transfer of such Units on the books of the Company or the Transfer Agent, free and clear of any Liens (other than Permitted Liens).

(e) Each Selling Member and each Dragged Member will bear its *pro rata* share (based upon the allocation among each such Member of the consideration payable in respect of Units in the Drag-Along Transaction) of the costs and expenses of any Drag-Along Transaction to the extent such costs and expenses are incurred for the benefit of all Members or the Company and are not otherwise paid by the Company or the Third Party Purchaser. Costs and expenses incurred by any Member on its own behalf will not be considered costs and expenses of the Drag-Along Transaction and will be borne solely by such Member.

(f) The Company shall, and shall use its commercially reasonable efforts to cause its officers, employees, agents, contractors and others under its control to, cooperate and assist in any proposed Drag-Along Transaction and not take any action which would reasonably be expected to impede or be prejudicial to any such Drag-Along Transaction. Pending the completion of any proposed Drag-Along Transaction, the Company shall use commercially reasonable efforts to operate the Company and its Subsidiaries in the ordinary course of business and to maintain all existing business relationships in good standing (unless otherwise required by the Drag-Along Transaction Documents) and otherwise comply with the terms of the Drag-Along Transaction Documents to which it is a party.

(g) The Company shall cooperate with the Selling Members to enter into a Drag-Along Transaction and to take any and all such further action in connection therewith as the Selling Members may deem reasonably necessary or reasonably appropriate in order to consummate (or, if directed by the Selling Members, abandon) any such Drag-Along Transaction. Neither the Company, any of its Subsidiaries nor any of the Selling Members shall have any liability if any Drag-Along Transaction is not

consummated for any reason (including if the Selling Members elect to abandon such Drag-Along Transaction for any reason or for no reason). Subject to the provisions of this Section 9.3, the Selling Members, in exercising their rights under this Section 9.3, shall have complete discretion over the terms and conditions of any Drag-Along Transaction effected hereby, including price, payment terms, conditions to closing, timing of closing, representations, warranties, affirmative covenants, negative covenants, indemnification, releases, holdbacks and escrows. At the request of the Selling Members, the Board shall authorize and direct the Company and/or any now or hereafter created Subsidiary of the Company to execute such agreements, documents, applications, authorizations, registration statements and instruments as they may deem reasonably necessary or reasonably appropriate in connection with any Drag-Along Transaction.

(h) IN ORDER TO SECURE THE OBLIGATIONS OF EACH DRAGGED MEMBER TO VOTE SUCH DRAGGED MEMBER'S UNITS IN FAVOR OF A DRAG-ALONG TRANSACTION AND (WITHOUT LIMITING THE PROVISIONS OF SECTION 5.6) TO WAIVE ANY APPRAISAL, DISSENTERS OR SIMILAR RIGHTS THAT SUCH DRAGGED MEMBER HAS (OR MAY HAVE) WITH RESPECT TO ANY DRAG-ALONG TRANSACTION, IN EACH CASE AS SET FORTH IN SECTION 9.3(b), EACH DRAGGED MEMBER HEREBY IRREVOCABLY APPOINTS THE SELLING MEMBERS (AND EACH OF THEM) AS SUCH DRAGGED MEMBER'S TRUE AND LAWFUL PROXY AND ATTORNEY, WITH FULL POWER OF SUBSTITUTION, TO VOTE ALL UNITS OWNED OR HELD BY SUCH DRAGGED MEMBER OR OVER WHICH SUCH DRAGGED MEMBER HAS VOTING CONTROL TO EFFECTUATE SUCH VOTES AND WAIVERS FOR THE DURATION OF THE EXISTENCE OF THE COMPANY; PROVIDED, THAT SUCH PROXY AND ATTORNEY SHALL ONLY APPLY TO THE EXTENT SUCH DRAGGED MEMBER FAILS TO COMPLY WITH ANY OF ITS OBLIGATIONS PURSUANT TO THIS SECTION 9.3 WITHIN THREE (3) BUSINESS DAYS OF ANY OF THE SELLING MEMBERS MAKING A REQUEST IN WRITING IN RESPECT OF SUCH OBLIGATIONS. IN ADDITION, IN ORDER TO SECURE THE OBLIGATIONS OF EACH DRAGGED MEMBER TO EXECUTE AND DELIVER THE DRAG-ALONG TRANSACTION DOCUMENTS AND, IF APPLICABLE, THE INVESTMENT DOCUMENTS, AND TO TAKE ACTIONS IN CONNECTION WITH THE CONSUMMATION OF A DRAG-ALONG TRANSACTION, IN EACH CASE AS SET FORTH IN SECTION 9.3(b), EACH DRAGGED MEMBER HEREBY IRREVOCABLY GRANTS TO THE SELLING MEMBERS (AND EACH OF THEM) A POWER-OF-ATTORNEY TO SIGN ANY AND ALL SUCH DRAG-ALONG TRANSACTION DOCUMENTS AND, IF APPLICABLE, INVESTMENT DOCUMENTS, AND TO TAKE ANY AND ALL SUCH ACTIONS, IN THE NAME AND ON BEHALF OF SUCH DRAGGED MEMBER; PROVIDED, THAT SUCH POWER OF ATTORNEY SHALL ONLY APPLY TO THE EXTENT SUCH DRAGGED MEMBER FAILS TO COMPLY WITH ANY OF ITS OBLIGATIONS PURSUANT TO THIS SECTION 9.3 WITHIN THREE (3) BUSINESS DAYS OF ANY OF THE SELLING MEMBERS MAKING A REQUEST IN WRITING IN RESPECT OF SUCH OBLIGATIONS. THE PROXIES AND POWERS OF ATTORNEY GRANTED BY EACH DRAGGED MEMBER PURSUANT TO THIS SECTION 9.3(h) ARE COUPLED WITH AN INTEREST, ARE

IRREVOCABLE, AND SHALL NOT BE AFFECTED BY AND SHALL SURVIVE THE DEATH, INCOMPETENCY, INCAPACITY, DISABILITY, MERGER, CONSOLIDATION, BANKRUPTCY, INSOLVENCY, LIQUIDATION OR DISSOLUTION OF ANY DRAGGED MEMBER.

(i) Any Class B Units Transferred in a Drag-Along Transaction by a Selling Member or a Dragged Member shall immediately and automatically convert into Class A Units, subject to any vesting or other requirements of the applicable Management Incentive Plan and/or Award Agreement, upon the consummation of such Drag-Along Transaction, as determined by the Board.

(j) A Transfer of Units in a Drag-Along Transaction by a Selling Member or a Dragged Member pursuant to this Section 9.3 shall not be subject to the requirements of Section 9.1 (other than Section 9.1(a)(i)).

(k) For the avoidance of doubt, the obligations of the Company and the Dragged Members pursuant to this Section 9.3 shall apply irrespective of the amount of consideration (if any) to be paid to each Dragged Member pursuant to the Drag-Along Transaction.

#### 9.4 Tag-Along Transactions.

(a) In the event that one or more Members (acting alone or with other Members) who own or hold Class A Units (each, an “Initiating Holder” and, collectively, the “Initiating Holders”) desire to effect a Tag-Along Transaction, the Initiating Holders (or a designated representative acting on their behalf) shall deliver written notice (a “Sale Notice”) to all other Members that own or hold Class A Units (each, a “Tag-Along Seller” and, collectively, the “Tag-Along Sellers”) and the Company, in accordance with Section 17.5, at least ten (10) Business Days prior to the consummation of such Tag-Along Transaction, offering the Tag-Along Sellers the opportunity to participate in such Tag-Along Transaction on the terms and conditions set forth in the Sale Notice (which terms and conditions shall be substantially the same as those terms and conditions (including at the same form of consideration and price) applicable to the Initiating Holders (except that if the Initiating Holders are given an option as to the form of consideration to be received in exchange for their Class A Units, each of the Tag-Along Sellers shall only need to be given the same option with respect to their Class A Units)); provided, however, that if the consideration to be paid in such Tag-Along Transaction consists, in whole or in part, of securities or any other non-cash consideration, then any Member that is not an Accredited Investor or any Member who does not, promptly following the request of the Initiating Holders or the Transferee in such Tag-Along Transaction (but in any event within three (3) Business Days after receipt of any such request), certify to the Initiating Holders and the Transferee in such Tag-Along Transaction that such Member is an Accredited Investor shall not be offered the opportunity to participate in such Tag-Along Transaction and shall not be deemed a Tag-Along Seller for purposes of such Tag-Along Transaction. The Sale Notice shall contain a reasonable description of the material terms and conditions of the Tag-Along Transaction, including the total number of Class A Units proposed to be Transferred, the

proposed amount and form of consideration for the Class A Units proposed to be Transferred, the identity of the proposed Transferee, and copies of any Tag-Along Transaction Documents that the Tag-Along Sellers will be required to execute and deliver in connection with such Tag-Along Transaction (to the extent such documents exist and are in substantially final form at the time such Sale Notice is delivered to the Tag-Along Sellers).

(b) Each Tag-Along Seller may, by written notice (each, an “Acceptance Notice”) delivered to the Initiating Holders (or their designated representative) within five (5) Business Days after delivery of the Sale Notice to such Tag-Along Seller, elect to Transfer Class A Units in such Tag-Along Transaction, on the terms and conditions set forth in the Sale Notice; provided, however, that if the proposed Transferee in the Tag-Along Transaction desires to purchase a number of Class A Units that is less than the aggregate number of Class A Units proposed to be Transferred by the Initiating Holders and all Tag-Along Sellers electing to Transfer Class A Units in the Tag-Along Transaction, then the Initiating Holders may elect to either (i) terminate such Tag-Along Transaction with respect to the Initiating Holders and each Tag-Along Seller or (ii) consummate such Tag-Along Transaction on the basis of such lesser number of Class A Units and, upon such election to consummate the Tag-Along Transaction, each Initiating Holder and each electing Tag-Along Seller shall be permitted to Transfer to such Transferee up to that number of Class A Units owned or held by such Initiating Holder or such Tag-Along Seller, as the case may be, equal to the product of (x) the total number of Class A Units to be acquired by the Transferee in the proposed Tag-Along Transaction and (y) such Initiating Holder’s or such Tag-Along Seller’s (as applicable) proportionate percentage of the issued and outstanding Class A Units collectively owned or held by the Initiating Holders and all electing Tag-Along Sellers; provided, further, that if at any time after delivery of a Sale Notice there is a change in the price or other material change in the terms or conditions of the proposed Tag-Along Transaction described in such Sale Notice, then the Initiating Holders shall deliver a revised Sale Notice to all Tag-Along Sellers indicating such revised price and/or other material change, and each Tag-Along Seller shall have an additional five (5) Business Days after delivery of the revised Sale Notice to indicate whether or not it elects to Transfer Class A Units in such Tag-Along Transaction, on the terms and conditions set forth in the revised Sale Notice (it being understood and agreed that if a Tag-Along Seller elected to Transfer Class A Units in such Tag-Along Transaction prior to the commencement of such additional five-Business Day period, then such election will remain in effect unless such Tag-Along Seller revokes, amends or otherwise modifies such election in writing prior to the expiration of such additional five-Business Day period).

(c) In connection with any Tag-Along Transaction in which any Tag-Along Seller elects to participate pursuant to this Section 9.4, each such Tag-Along Seller shall take all necessary or desirable actions reasonably requested by the Initiating Holders and/or the Transferee in such Tag-Along Transaction in connection with the consummation of such Tag-Along Transaction, including (A) executing and delivering the applicable purchase agreement, merger agreement, indemnity agreement, escrow agreement, letter of transmittal, release or other agreements or documents governing or relating to such Tag-Along Transaction that the Initiating Holders or the Transferee in

such Tag-Along Transaction may request (the “Tag-Along Transaction Documents”); provided, that (x) any escrow arrangement or indemnity shall be allocated among each Tag-Along Seller and Initiating Holders pro rata based upon the allocation among each such Member of the consideration payable in respect of Units in the Tag-Along Sale and (y) no Tag-Along Seller shall be required to provide any non-competition, non-solicitation or similar covenant (other than customary confidentiality covenants) pursuant to such Tag-Along Transaction Documents, and (B) if the Initiating Holders and the Tag-Along Sellers will receive any Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in the Transferee or any other Person in connection with such Tag-Along Transaction, executing and delivering any applicable limited liability company agreement, stockholders agreement, partnership agreement, investor rights agreement, voting agreement or similar agreement which relates to the internal governance of such Transferee or such other Person and/or the rights or obligations of the owners of the Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in such Transferee or such other Person that Initiating Holders or the Transferee may request and which are executed and delivered by the Initiating Holders. In connection with any Tag-Along Transaction that complies with this Section 9.4, no Member (whether or not a Tag-Along Seller) shall (i) take any action that would reasonably be expected to impede or be prejudicial to such Tag-Along Transaction, (ii) assert, at any time, any claim against the Company, any member of the Board (or any committee thereof), any member of any Subsidiary Governing Body or any other Member or any of its Affiliates (including any Initiating Holder and any of its Affiliates) in connection with such Tag-Along Transaction, or (iii) except as permitted under and pursuant to Article 18, disclose to any Person any information related to such Tag-Along Transaction (including the identity of the Transferee, the fact that discussions or negotiations are taking place concerning such Tag-Along Transaction, or any of the terms, conditions or other information with respect to such Tag-Along Transaction).

(d) At the closing of any Tag-Along Transaction in which any Tag-Along Seller has elected to participate under this Section 9.4, such Tag-Along Seller shall deliver at such closing, against payment of the consideration therefor in accordance with the terms of the Tag-Along Transaction Documents, certificates or other documentation (or other evidence thereof reasonably acceptable to the Transferee in such Tag-Along Transaction) representing its Class A Units to be Transferred, duly endorsed for transfer or accompanied by duly endorsed instruments of transfer, and such other documents as are deemed reasonably necessary by the Initiating Holders, the Transferee in such Tag-Along Transaction and/or the Company for the proper Transfer of such Class A Units on the books of the Company or the Transfer Agent, free and clear of any Liens (other than Permitted Liens).

(e) Each Initiating Holder and each Tag-Along Seller electing to participate in a Tag-Along Transaction under this Section 9.4 will bear its *pro rata* share (based upon the allocation among each such Member of the consideration payable in respect of Class A Units in the Tag-Along Transaction) of the costs and expenses of any such Tag-Along Transaction to the extent such costs and expenses are incurred for the benefit of all

such Members and are not otherwise paid by the Company or the Transferee. Costs and expenses incurred by any such Member on its own behalf will not be considered costs of the Tag-Along Transaction and will be borne solely by such Member.

(f) Subject to the provisions of this Section 9.4, the Initiating Holders shall have complete discretion over the terms and conditions of any Tag-Along Transaction, including price, payment terms, conditions to closing, timing of closing, representations, warranties, affirmative covenants, negative covenants, indemnification, releases, holdbacks and escrows. Neither the Company, any of its Subsidiaries nor any of the Initiating Holders shall have any liability if any Tag-Along Transaction is not consummated for any reason (including if the Initiating Holders elect to abandon such Tag-Along Transaction for any reason or for no reason).

(g) The Company shall, and shall use its commercially reasonable efforts to cause its officers, employees, agents, contractors and others under its control to, cooperate and assist in any proposed Tag-Along Transaction and not take any action which would reasonably be expected to impede or be prejudicial to any such Tag-Along Transaction. Pending the completion of any proposed Tag-Along Transaction, the Company shall use commercially reasonable efforts to operate the Company and its Subsidiaries in the ordinary course of business and to maintain all existing business relationships in good standing (unless otherwise required by the Tag-Along Transaction Documents) and otherwise comply with the terms of the Tag-Along Transaction Documents to which it is a party.

(h) If any Tag-Along Seller electing to participate in a Tag-Along Transaction materially breaches any of its obligations under this Section 9.4 in respect of such Tag-Along Transaction or any of its representations or obligations under any of the Tag-Along Transaction Documents, then, (i) at the option of the Initiating Holders, such Tag-Along Seller will not be permitted to participate in such Tag-Along Transaction and the Initiating Holders can proceed to close such Tag-Along Transaction excluding the sale of such Tag-Along Seller's Class A Units therefrom and, (ii) at the option of the Initiating Holders, the number of Class A Units to be Transferred by the Initiating Holders and the Tag-Along Sellers (excluding the breaching Tag-Along Seller) shall be recalculated pursuant to clause (ii) of Section 9.4(b) excluding the breaching Tag-Along Seller from such calculation.

(i) The Initiating Holders shall have the right for a period of ninety (90) days after the expiration of the latest five (5) Business Day period referred to in Section 9.4(b) to consummate the Tag-Along Transaction. In the event that the Initiating Holders have not consummated the Tag-Along Transaction within such ninety-day period, the Initiating Holders shall not thereafter consummate such Tag-Along Transaction unless the Initiating Holders again comply with the terms of this Section 9.4; provided, however, that if such Tag-Along Transaction is unable to be consummated within such ninety-day period as a result of antitrust or other regulatory delay, then such ninety-day period shall be extended on account of such delay as necessary to permit the Initiating Holders to effect such Tag-Along Transaction.

(j) The exercise or non-exercise of the rights of any of the Members under this Section 9.4 to participate in one or more Tag-Along Transactions shall not adversely affect their rights to participate in subsequent Tag-Along Transactions subject to this Section 9.4.

9.5 Appointment of Purchaser Representative. If the Selling Members enter into any negotiation or transaction for which Rule 506 of Regulation D (or any similar rule then in effect) promulgated by the SEC may be available with respect to such negotiation or transaction (including a merger, consolidation or other reorganization), each Dragged Member who is not an Accredited Investor shall, at the request of the Company or the Selling Members, appoint a “purchaser representative” (as such term is defined in Rule 501 of Regulation D) reasonably acceptable to the Company and the Selling Members in connection with such negotiation or transaction.

9.6 Preemptive Rights.

(a) After the Effective Date, the Company shall not, and the Company shall not permit any of its Subsidiaries to, sell or issue to any Person (including any then-current Member) any (i) Equity Interests of the Company or any of its Subsidiaries, or (ii) options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests of the Company or any of its Subsidiaries (any such Equity Interests, options, warrants or securities, collectively, the “Additional Securities”) (other than pursuant to an Excluded Issuance), unless the Company or its applicable Subsidiary first submits written notice (a “Preemptive Rights Notice”) to each Member that owns or holds Class A Common Units identifying the material terms of the Additional Securities (including the price, number or amount and type of Additional Securities, and all other material terms thereof) and offers to each such Member (other than holders of Class B Units) that also demonstrates to the Company’s reasonable satisfaction that such Member is an Accredited Investor (any such Member, a “Preemptive Member” and, collectively, the “Preemptive Members”) the opportunity to purchase up to a portion of the Additional Securities (a “Pro Rata Portion”) on such terms and conditions set forth in the Preemptive Rights Notice. A Preemptive Member’s Pro Rata Portion shall be equal to the product of (1) the total number or amount of Additional Securities subject to the sale or issuance and (2) a fraction, (A) the numerator of which is the number of Class A Units then owned or held by such Preemptive Member, and (B) the denominator of which is the total number of Class A Units then owned or held by all Preemptive Members collectively.

(b) The Company’s or its applicable Subsidiary’s offer to each Preemptive Member shall remain open for a period of thirty (30) days after the Preemptive Rights Notice is delivered to such Preemptive Member in accordance with Section 17.5. A Preemptive Member may accept such offer by delivering written notice of such acceptance to the Company prior to the expiration of such thirty (30) day period, which notice shall set forth the number or amount of such Additional Securities to be purchased by such Preemptive Member (which, in any event, shall not exceed the number or amount equal to such Preemptive Member’s Pro Rata Portion). If not all Preemptive Members subscribe for their full respective Pro Rata Portions, then the Company shall notify in

writing the fully-subscribing Preemptive Members of such fact and shall offer, or cause its applicable Subsidiary to offer, such fully-subscribing Preemptive Members the right to acquire such unsubscribed Additional Securities on the terms set forth in the Preemptive Rights Notice. Each fully-subscribing Preemptive Member shall have the right to elect to purchase up to its pro rata share of such unsubscribed Additional Securities (in proportion to the Pro Rata Portions of all fully-subscribing Preemptive Members), by delivering written notice to the Company within two (2) Business Days from the date such offer from the Company or its applicable Subsidiary is delivered to such Preemptive Member. To the extent the procedure described in the preceding sentence does not result in the subscription of all unsubscribed Additional Securities, such procedure shall be repeated until there are no unsubscribed Additional Securities or until no Preemptive Member has elected to purchase additional unsubscribed Additional Securities. A Preemptive Member's failure to respond to the Company by the expiration of such thirty (30) day period shall constitute a waiver of its rights under this Section 9.6 with respect to the purchase of Additional Securities, but shall not affect its rights with respect to any future issuances or sales of Additional Securities.

(c) In the event that any Additional Securities are not subscribed for by the Preemptive Members in accordance with this Section 9.6, the Company or its applicable Subsidiary will have ninety (90) days after the expiration of the last period in which Preemptive Members are entitled to subscribe for Additional Securities to issue or sell the unsubscribed Additional Securities, at a price and upon other terms no more favorable to a purchaser of Additional Securities, in the aggregate, than those specified in the Preemptive Rights Notice delivered to the Preemptive Members pursuant to Section 9.6(a). Following the earlier to occur of (i) the date the Company or its applicable Subsidiary issues or sells all such unsubscribed Additional Securities and (ii) the date of the expiration of the ninety (90) day period referred to in the immediately preceding sentence, the Company or its applicable Subsidiary will not issue or sell any Additional Securities (other than pursuant to an Excluded Issuance) without first offering such Additional Securities to each of the Preemptive Members in the manner provided in this Section 9.6.

(d) Notwithstanding anything to the contrary set forth herein, the Company may comply with its obligations under this Section 9.6 by first selling or issuing to (or causing its applicable Subsidiary to sell or issue to) one or more Persons (including any of the Preemptive Members and/or any of their respective Affiliates) (each, an "Accelerated Acquirer") all or any portion of the Additional Securities contemplated to be issued or sold, and, promptly thereafter, offering to issue or sell to the Preemptive Members the number or amount of such Additional Securities the Preemptive Members would have been entitled to purchase pursuant to this Section 9.6 by applying Sections 9.6(a) and 9.6(b) as if the Company or its applicable Subsidiary had not first issued or sold all or the applicable portion of such Additional Securities to the Accelerated Acquirer but rather had offered to issue or sell all of such Additional Securities to all Preemptive Members at the same time in accordance with the terms of those Sections (and the determination of the number or amount of such Additional Securities to be offered to any Preemptive Member in accordance with this sentence shall take into account any such Additional Securities that were previously purchased by such

Preemptive Member and/or any of its Affiliates if such Preemptive Member and/or any of its Affiliates is an Accelerated Acquirer). The Company or its applicable Subsidiary shall be permitted to pay the Accelerated Acquirer(s) a reasonable fee or premium (which may be nonrefundable) in connection with the issuance or sale of such Additional Securities to such Accelerated Acquirer(s), and it shall not be required that such fee or premium be shared with the Preemptive Members or taken into account in connection with the price to be paid by the Preemptive Members. In the event that any Preemptive Member purchases Additional Securities pursuant to any such offer referred to in the immediately preceding sentence and, as a result thereof, the Accelerated Acquirer(s) would not have been permitted to purchase all of the Additional Securities they had purchased if all of the Additional Securities contemplated to be issued or sold had instead been offered to all Preemptive Members at the same time in accordance with Sections 9.6(a) and 9.6(b), then the Accelerated Acquirer(s) shall sell or transfer to the Company or its applicable Subsidiary, for a price equal to the original cost thereof (plus any accrued and unpaid yield or interest thereon, if applicable, but without reducing such cost by any fee or premium received by the Accelerated Acquirer(s) in connection therewith), the excess number or amount of Additional Securities that had been acquired by the Accelerated Acquirer(s). If the Company issues or sells any Additional Securities to an Accelerated Acquirer pursuant to this Section 9.6(d), then the Company shall not make any Distributions on any of the Common Units (other than the issuance and sale of Additional Securities to Preemptive Members pursuant to this Section 9.6(d)) until after the consummation of the related process of offering and, if applicable, issuing or selling Additional Securities to Preemptive Members pursuant to this Section 9.6(d), unless a reserve is established that is sufficient to make Distributions on Additional Securities that may be issued or sold to Preemptive Members pursuant to this Section 9.6(d) and, if so issued to Preemptive Members, such Preemptive Members shall be entitled to receive such Distribution they would have received with respect to the applicable Additional Securities if they had actually held such Additional Securities on the record date of such Distribution.

(e) If the Company and/or any of its Subsidiaries desires to sell or issue (other than in an Excluded Issuance) (i) any Additional Securities and (ii) any indebtedness or debt securities of the Company or any of its Subsidiaries that do not otherwise constitute Additional Securities, and the items described in clauses (i) and (ii) are to be sold or issued together in unit increments (or in any other stapled or attached form), then such unit increments shall be deemed Additional Securities for purposes of this Section 9.6 and the provisions of this Section 9.6 shall apply to such unit increments.

## ARTICLE 10

### FISCAL YEAR; BOOKS OF ACCOUNT; REPORTS

10.1 Fiscal Year. The fiscal year of the Company (the "Fiscal Year") shall be established by the Board.

10.2 Books and Records. The books and records of the Company may be kept at such place or places as may be from time to time designated by the Board. The Company shall keep correct and complete books and records of account, including the amount of its assets and liabilities, minutes of its proceedings of its Members and the Board (and any committee of the Board) and the names and places of residence of its officers.

10.3 Tax Election. The Company intends to be treated as an association taxable as a corporation for U.S. federal, state and local income tax purposes under Treasury Regulation section 301.7701-3 and under any corresponding provision of state or local law. The Company shall file an Entity Classification Election (IRS Form 8832) to be treated as an association taxable as a corporation for U.S. federal income tax purposes, effective as of the date the Certificate of Formation was filed even if made thereafter, and any officer of the Company is authorized and empowered to make any such election.

10.4 Required Records. To the fullest extent permitted under applicable law, each Member hereby waives its rights under Section 18-305(a) of the Act to obtain the information specified therein; provided, however, that to the extent that, notwithstanding such waiver, any such Member is entitled to receive such information, the receipt thereof shall be subject to all of the limitations set forth in Section 18-305 of the Act (including the right of the Managers to keep certain information confidential from the Members pursuant to Section 18-305(c) of the Act), and shall be limited to review of the Company's general ledger and those financial statements derived from it; provided, further, that the review of such information shall be at the sole cost and expense of such Member, during regular business hours of the Company, upon reasonable advance notice, in a manner as would not be unreasonably disruptive to the business or operations of the Company or any of its Subsidiaries, and subject to such other standards as may be established by the Board from time to time. Except as expressly required by non-waivable provisions of applicable law and except as expressly set forth in Section 15.1, the Members shall have no rights to obtain, examine or inspect, or make copies or extracts of, any documents, materials or information relating to the Company or any of its Subsidiaries or any of their respective businesses, assets, operations, properties, financial and other conditions, prospects, or members, partners or shareholders.

10.5 Audits of Books and Accounts. The Company's books and accounts shall be audited at such times and by such auditors as shall be specified and designated by vote or written consent of the Board.

## **ARTICLE 11 DISTRIBUTIONS**

### **11.1 Distributions.**

(a) Subject to (i) the terms of Section 6.19, (ii) the other terms of this Section 11.1, (iii) the terms of Section 11.2, and (iv) the then existing agreements of the Company or its Subsidiaries relating to indebtedness or debt securities of the Company or any of its Subsidiaries, the Board may (but shall not be obligated to) cause the Company to make Distributions to the Members, at such times and in such amounts as the Board may determine in its sole discretion, and each Distribution shall be made to the Members

that own or hold Class A Units and to the Members that own or hold Class B Units to the extent such Members owning or holding Class B Units are entitled to Distributions in respect of such Class B Units in accordance with this Agreement, the applicable Management Incentive Plan and/or any applicable Award Agreement (ratably among such Members based on their respective ownership, immediately prior to such Distribution, of the total number of issued and outstanding Class A Units and Class B Units entitled to Distributions in accordance with this Agreement, the applicable Management Incentive Plan and/or any applicable Award Agreement).

(b) Anything in Sections 11.1(a) and 13.2 to the contrary notwithstanding, unless the Board otherwise approves, if any Member that owns or holds Class A Units shall not have (i) actually executed and delivered to the Company (A) a counterpart of this Agreement or a Joinder Agreement or (B) a completed AI Questionnaire as required pursuant to this Agreement, or (ii) provided the Company with such Member's Member Beneficial Ownership Information as required pursuant to this Agreement or any representations, forms, certificates or other information required by Section 11.4, in any such case at or prior to the time of any payment by the Company of any Distribution on account of Class A Units, then (x) such Member shall not receive, or be entitled to receive, any such Distribution on account of such Member's Class A Units until such Member executes and delivers or provides to the Company the applicable document(s) and/or information referred to in clause (i) or clause (ii) above, subject to the additional terms and provisions of this Section 11.1(b), and (y) the Company shall hold back any Distributions that, except for this Section 11.1(b), would otherwise have been paid or distributed to such Member in respect of such Member's Class A Units. The Company shall not be required to pay any interest in respect of any cash, assets, property, securities or other amounts held back pursuant to the immediately preceding sentence. The Company shall be free to use all such cash, assets, property, securities and other amounts as it sees fit and the Company shall not be under any obligation to pay such cash, assets, property, securities or other amounts into an escrow account (or any similar arrangement). In the event that (I) any Member that owns or holds Class A Units is not paid or distributed a Distribution on account of such Member's Class A Units as a result of this Section 11.1(b), and (II) such Member executes and delivers or provides the applicable document(s) and/or information referred to in clause (i) or clause (ii) above subsequent to the payment or distribution by the Company of such Distribution on account of other Class A Units, then, promptly following such execution and delivery or provision by such Member, the Company shall pay or distribute such Distribution to such Member that would have otherwise been payable or distributable pursuant to Section 11.1(a) or Section 13.2 on account of such Member's Class A Units as of the record date for such Distribution, but held back pursuant to this Section 11.1(b); provided, however, that the obligation of the Company to pay or distribute any such Distribution to such Member shall (X) terminate upon the consummation of a Sale Transaction, (Y) be subject to any limitations or restrictions under the Act or other applicable law, and (Z) be subject to any limitations or restrictions under the then existing agreements of the Company or its Subsidiaries relating to indebtedness or debt securities of the Company or any of its Subsidiaries.

(c) To the extent the Company makes a Distribution pursuant to Section 11.1(a) in the form of any assets, property or securities (other than cash), such Distribution shall be equal to the Fair Market Value of such of assets, property or securities for purposes of Section 11.1(a).

(d) If the Company makes a Distribution pursuant to Section 11.1(a) of Equity Interests of any of its Subsidiaries or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests of any of its Subsidiaries (any such Distribution, a “Spinoff Distribution”), then, at the election of the Board, the Members that receive such Distribution shall be required to, at or prior to the time of such Distribution, execute and deliver a limited liability company agreement, stockholders agreement, partnership agreement, investor rights agreement, or similar agreement which relates to the internal governance of such Subsidiary and/or the rights or obligations of the owners of the Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in such Subsidiary that is substantially similar to this Agreement and in form and substance acceptable to the Majority Members (any such agreement, a “Subsidiary Governing Document”). Upon the making of any Spinoff Distribution, each of the Members that receives such Spinoff Distribution shall be deemed to have (i) executed and delivered the applicable Subsidiary Governing Document (even if any such Member shall not have actually executed and delivered such Subsidiary Governing Document), (ii) become a party to the applicable Subsidiary Governing Document as a “member,” “partner,” “stockholder” or similar party thereto (including, to the extent applicable, of a particular class), and (iii) become fully bound by, and subject to, all of the covenants, terms, conditions and provisions of the applicable Subsidiary Governing Document as a “member,” “partner,” “stockholder” or similar party thereto (including, to the extent applicable, of a particular class), in each case of the foregoing, without any further action on the part of, or notice to, any Person.

(e) Unless a different record date is established by the Board, any Distribution pursuant to or in accordance with this Section 11.1 shall be made to the Persons shown on the Register of Members as holders of Units entitled to such Distribution as of the date of such Distribution.

11.2 Limitations on Distributions. Notwithstanding any provision to the contrary in this Article 11, no Distribution shall be made if such Distribution would violate the Act or any other applicable law.

11.3 No Other Distributions. Except as set forth in this Article 11 or upon the dissolution and liquidation of the Company pursuant to, and subject to the terms and conditions of, Article 13, no Member shall have the right to demand or receive any Distribution or other return on capital in respect of its Units.

11.4 Withholding Tax. The Company will at all times be entitled to make payments with respect to each Member in amounts required to discharge any obligation of the Company to withhold or make payments to any federal, state, local or foreign taxing authority with respect to any distribution to such Member or otherwise with respect to such Member (including in

connection with a distribution in kind or as a result of a failure to provide materials necessary to prevent withholding under this Section 11.4) and to withhold (or deduct) the same from distributions to such Member, including in connection with an audit of the Company. Any funds withheld by reason of this Section 11.4 shall nonetheless be deemed distributed to the Member in question for all purposes under this Agreement and, to the extent such withholding has not offset a current distribution, shall reduce future distributions to which such Member is otherwise entitled pursuant to this Agreement. Each Member agrees to furnish the Company with any representations, forms, certificates or other information as shall be reasonably requested by the Company to assist the Company in determining the extent of, or in fulfilling or complying with, any withholding, reporting or compliance obligations the Company may have. The Company shall be entitled to withhold distributions from any Member that fails to provide the representations, forms, certificates and information referred to in the preceding sentence and to use such withheld distributions in order to satisfy any withholding obligations with respect to such Member.

## **ARTICLE 12 WITHDRAWALS; ACTION FOR PARTITION**

12.1 Waiver of Partition. No Member shall, either directly or indirectly, take any action to require partition, file a bill for Company accounting or appraisal of the Company or of any of its assets or properties or, subject to the terms of Section 9.3, cause the sale of any Company property; and, notwithstanding any provisions of applicable law to the contrary, each Member (and each of such Member's legal representatives, successors, or assigns) hereby irrevocably waives any and all rights it may have to maintain any action for partition or to compel any sale with respect to such Member's Units, or with respect to any assets or properties of the Company, except as expressly provided in this Agreement.

12.2 Covenant Not to Withdraw or Dissolve. Notwithstanding any provision of the Act, but except as otherwise provided in this Agreement, each Member hereby covenants and agrees that such Member has entered into this Agreement based on its mutual expectation that all Members will continue as Members and carry out the duties and obligations undertaken by them hereunder and that, except as otherwise expressly required or permitted hereby, each Member hereby covenants and agrees not to (a) withdraw or attempt to withdraw from the Company (other than upon the permitted Transfer of all of its Units, so long as such withdrawal does not result in a dissolution of the Company), (b) exercise any power under the Act to dissolve the Company, (c) petition for judicial dissolution of the Company, or (d) demand a return of such Member's contributions to capital of the Company (or a bond or other security for the return of such contributions). Anything herein to the contrary notwithstanding, no Member shall be entitled to abandon or surrender such Member's Units or other Interests.

## **ARTICLE 13 DISSOLUTION AND LIQUIDATION**

13.1 Events Causing Dissolution. The Company shall be dissolved only upon the occurrence of any of the following events:

- (a) notwithstanding anything in Section 18-801(a)(3) of the Act to the contrary, the affirmative vote or written consent of the Board and the Majority Members;
- (b) the entry of a final decree of judicial dissolution of the Company under Section 18-802 of the Act; or
- (c) at any time there are no Members of the Company, unless the Company is continued in accordance with the Act.

Except as otherwise set forth in this Section 13.1, the Company is intended to have perpetual existence. To the fullest extent permitted by law, any death, retirement, resignation, expulsion, bankruptcy or dissolution of a Member (or the occurrence of any other event that terminates the continued membership of a Member in the Company) shall not, in and of itself, cause a dissolution of the Company and the Company shall continue in existence subject to the terms and conditions of this Agreement.

13.2 Liquidation and Winding Up. If the Company is dissolved pursuant to Section 13.1, the Company shall be liquidated and the Managers (or other Person or Persons designated by the Board or by a decree of court) shall wind up the affairs of the Company. The Managers or other Persons winding up the affairs of the Company shall promptly proceed to the liquidation of the Company and, in settling the accounts of the Company, the assets and the property of the Company shall be distributed in the following order of priority:

- (a) First, to the payment of (or establishing reserves to pay) all debts and liabilities of the Company (including any debts or liabilities owed to any Member) in the order of priority as provided by law; and
- (b) The balance, if any, to the Members in accordance with Section 11.1.

## **ARTICLE 14 AMENDMENTS**

### **14.1 Amendments.**

(a) Any term, condition or provision of this Agreement may be amended, modified or waived from time to time if, and only if, such amendment, modification or waiver is in writing and signed, (x) in the case of an amendment or modification, by the Company and the Majority Members at the time of such amendment or modification, or (y) in the case of a waiver, by the party against whom the waiver is to be effective. Notwithstanding the foregoing sentence, in addition to the affirmative vote or written consent of the Company and the Majority Members, no amendment or modification of any term, condition or provision of this Agreement shall be made (whether by merger, consolidation or reorganization of the Company, except in connection with a Sale Transaction) relating to:

- (i) Sections 6.1, 6.2(a), 6.2(b), 6.2(c), 6.2(d), 6.2(f), 6.2(g), 6.2(h), 6.2(k), 6.12, 6.14, 6.17, 6.18, 8.5, 9.1, 9.3, 9.4 or 9.6, Article 15 or the definition of “Super-Majority Members” (including any of the defined terms used in any

such Section, Article or definition, solely to the extent such defined terms are used therein), in any such case, without the affirmative vote or written consent of the Super-Majority Members;

(ii) Sections 6.2(b)(ii), 6.2(c), 6.2(d) (excluding the second sentence of Section 6.2(d)), 6.2(h), 6.12(b), 6.12(c), 6.14(a) or 6.14(d), or the proviso set forth in Section 6.14(b), Section 6.14(c) or Section 6.14(e) (including any of the defined terms used in any such Section or proviso, solely to the extent such defined terms are used therein), in any such case, without the affirmative vote or written consent of each Designating Group affected by such amendment or modification (it being understood that a Member shall only be entitled to vote on, or consent to, an amendment or modification of this Agreement pursuant to this clause (ii) if such Member has a Designation Right as of the time of such amendment or modification);

(iii) the definition of “Specified Member” (including any of the defined terms used in such definition, solely to the extent such defined terms are used therein), without the affirmative vote or written consent of each Specified Member;

(iv) Section 6.2(b)(i), the second sentence of Section 6.2(d) or the definition of “HG Vora Members” (including any of the defined terms used in such Section, sentence or definition, solely to the extent such defined terms are used therein) without the affirmative vote or written consent of the HG Vora Members;

(v) Section 14.1(b)(i) (including any of the defined terms used in such Section, solely to the extent such defined terms are used therein) without the affirmative vote or written consent of each Member that owns or holds Class A Units;

(vi) any of clauses (i)-(v) of this Section 14.1(a) without the prior written consent of the specific Member or Members, and/or the Member or Members that own or hold the requisite percentage of the Units, as applicable, that would be required to amend the underlying provision or definition of this Agreement to which such amendment or modification relates; provided, however, that no amendment or modification of this Section 14.1(a)(vi) shall be made without the affirmative vote or written consent of each Member that owns or holds Class A Units.

(b) Anything in this Agreement to the contrary notwithstanding, (i) subject to clause (ii) of this Section 14.1(b), no amendment or modification of any provision of this Agreement (whether by merger, consolidation or reorganization of the Company, except in connection with a Sale Transaction with any Person other than the Selling Members or any Affiliates thereof) that would adversely affect the rights or increase the obligations of any Member set forth in this Agreement in a manner that is disproportionate in any material respect to the effect of such amendment or modification on the rights and

obligations of any of the other Members set forth in this Agreement (without regard to any effect resulting from (A) the individual circumstances of any such Member, (B) the differences in the respective percentages of ownership of Units of the Members or (C) amendments or modifications to the rights and obligations of a specific class or series of Equity Interests of the Company that do not have an adverse effect in any material respect on another class or series of Equity Interests of the Company) shall be made without the affirmative vote or written consent of such affected Member; provided, however, that, for the avoidance of doubt, neither the authorization or creation of a new class or series of Units or other Equity Interests or equity-based securities of the Company (including any amendments or modifications to this Agreement to incorporate the terms, rights, preferences and privileges of such new class or series of Units or other Equity Interests or equity-based securities of the Company in connection with the authorization or creation thereof), nor the issuance of any additional Units or any other Equity Interests or equity-based securities of the Company (including any amendments or modifications to this Agreement to incorporate the terms of any such additional issuance), in each case in accordance with the terms of this Agreement relating to the authorization, creation or issuance of Units or other Equity Interests or equity-based securities of the Company, shall be deemed to adversely affect the rights or obligations of any Member, and (ii) the Board is hereby authorized and empowered, acting alone and without further vote or action of any of the Members or any other Person, to amend or modify this Agreement (A) as provided in Section 5.2(b) hereof and (B) as may be required to give effect to the terms of a Management Incentive Plan or any Award Agreement, and each Member shall be deemed to have executed any such amendment to, or amendment and restatement of, this Agreement; provided, however, that if any such amendment or modification would otherwise require any vote or consent pursuant to any of clauses (i)-(vi) of Section 14.1(a) (other than immaterial amendments or modifications), then such vote or consent shall be obtained as a condition to any such amendment or modification.

(c) Anything in this Section 14.1 or elsewhere in this Agreement to the contrary notwithstanding (except as contemplated in the second proviso in the definition of “Majority Members”), the holders of Class B Units (in their capacity as such) shall have no right to vote on, or right to consent to, any amendment, modification or waiver of or to this Agreement.

## ARTICLE 15 INFORMATION RIGHTS

15.1 Information Rights. Subject to the obligations of the Members under Article 18, the Company shall make available to each Member (other than Members that are Competitors or that own or hold Class B Units) the following information:

(a) within ninety (90) days after the end of each Fiscal Year (or one hundred and twenty (120) days after the end of the Fiscal Year ending on or about December 31, 2025 (which may, at the Company’ option, be limited to the period from the Effective Date to December 31, 2025 or be on a predecessor/successor basis)), copies of the audited consolidated financial statements of the Company and its Subsidiaries for such

Fiscal Year, including a consolidated balance sheet and consolidated statements of income or operations, members' equity and cash flows for such Fiscal Year, prepared in accordance with GAAP, together with the auditors' report on such audited consolidated financial statements;

(b) within thirty (30) days after the end of each Fiscal Quarter in each of the Company's first three (3) Fiscal Quarters in each Fiscal Year, copies of the unaudited consolidated financial statements of the Company and its Subsidiaries for such Fiscal Quarter, including a consolidated balance sheet and consolidated statements of income or operations and cash flows for such Fiscal Quarter, prepared in accordance with GAAP, subject to the absence of footnotes and to year-end adjustments; and

(c) any information that is posted to the "public" side of the platform for lenders under the senior credit documents of the Company and/or any of its Subsidiaries at substantially the same time as such information is posted to such platform;

provided, however, that if the Company does not produce consolidated financial statements required by this Section 15.1 at the Company level, but consolidated financial statements are produced at the level of one or more of its Subsidiaries that cover substantially the same information that would have been covered by consolidated financial statements of the Company and its Subsidiaries, then, in lieu of making available such consolidated financial statements of the Company and its Subsidiaries, the Company shall make available to each Member that owns or holds Units (other than Members that are Competitors or that own or hold Class B Units) the consolidated financial statements of its applicable Subsidiary or Subsidiaries, on the terms set forth in this Section 15.1.

15.2 Delivery of Information. The Company may make available the information described in Section 15.1 (but, for the avoidance of doubt, not any Board Information), within the specified time periods, on a password-protected website that is only available to the Members (other than Members that are Competitors or that own or hold Class B Units) and any actual or prospective Transferees of Units (other than actual or prospective Transferees of Class B Units). The Company shall provide any password or other login information to the Members (other than Members that are Competitors or that own or hold Class B Units) and, upon request of any Member, any actual or prospective Transferees of Units (other than actual or prospective Transferees of Class B Units) so that any such Person shall be able to access such website.

As a condition to gaining access to the information posted on such website, each Person may be required to (a) "click through" certain confidentiality provisions or take other affirmative action pursuant to which such Person shall acknowledge its confidentiality obligations in respect of such information, (b) certify its status as a Member that owns or holds Class A Units or an actual or prospective *bona fide* Transferee of Class A Units, as applicable, and (c) in the case of any Person that is a Member, confirm and ratify that it is a party to, and bound by all of the terms and provisions of, this Agreement.

15.3 Quarterly Teleconference. The Company shall hold one informational teleconference (each, a "Quarterly Teleconference") in each Fiscal Quarter for the Members (other than Members that are Competitors or that own or hold Class B Units). Each Quarterly

Teleconference shall be held on such date and at such time as designated by the Board, which date and time shall occur after the date in the applicable Fiscal Quarter on which the Company delivers any of the financial statements described in Section 15.1(a) or Section 15.1(b); provided, however, that, with respect to a Quarterly Teleconference in the second Fiscal Quarter in any Fiscal Year, such date shall occur after the later of (a) the date on which the Company delivers the financial statements described in Section 15.1(b) for the first Fiscal Quarter of such Fiscal Year and (b) the date on which the Company delivers the financial statements described in Section 15.1(a) for the prior Fiscal Year. During each Quarterly Teleconference, the Company's or its applicable Subsidiary's officers will discuss the financial statements that were delivered by the Company immediately prior to such Quarterly Teleconference; provided, however, with respect to any Quarterly Teleconference in the second Fiscal Quarter in any Fiscal Year, such discussion shall cover the financial statements described in clauses (a) and (b) of the immediately preceding sentence. Any such Quarterly Teleconference may be held jointly with any call for the lenders under the senior credit documents of the Company and/or any of its Subsidiaries.

15.4 Board Information. At the request of any Major Member, Board Information shall be provided to such Major Member; provided, that a Major Member shall not be entitled to receive any Board Information that the Board or the applicable committee of the Board determines (a) would jeopardize or impair the ability of the Company or any of its Subsidiaries to take advantage of the attorney-client, work product or similar privilege if such Board Information was disclosed to such Major Member, (b) is necessary or advisable (in the judgment of the Board or the applicable committee of the Board, as the case may be) to be withheld to comply with the terms and conditions of confidentiality obligations with third parties or applicable law, or (c) such Major Member or any Affiliate of any such Major Member has a conflict of interest with respect to the subject matter of such Board Information.

15.5 Termination of Information Rights. The requirements of this Article 15 shall cease to apply at such time as the Company becomes obligated to file reports under Section 13 or Section 15(d) of the Exchange Act or as a voluntary filer pursuant to contractual obligations (so long as the Company makes such filings). Nothing in this Agreement shall require, or shall be deemed or construed to require, the Company to file reports under Section 13 or Section 15(d) of the Exchange Act.

## **ARTICLE 16**

### **REPRESENTATIONS AND WARRANTIES OF THE MEMBERS**

16.1 Representations and Warranties of the Members. Each Member (including each Person, if any, admitted as a Member after the Effective Date) hereby represents, warrants and acknowledges to the Company and to each other Member on the Effective Date (or the date on which such Member executes and delivers a Joinder Agreement) as follows:

(a) Such Member (if such Member is an Entity) is duly organized or formed, validly existing and in good standing under the laws of the jurisdiction of its organization or formation and has all requisite power and authority to conduct its business as it is now being conducted and as proposed to be conducted.

(b) Such Member has the full power, authority and legal right to execute, deliver and perform this Agreement, and, if such Member is an Entity, the execution, delivery and performance by such Member of this Agreement have been duly authorized by all necessary action of such Member. This Agreement constitutes such Member's legal, valid and binding obligation, enforceable against it in accordance with its terms (except as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and other laws relating to or affecting creditors' rights generally and the effect and application of general principles of equity and the availability of equitable remedies).

(c) Such Member is not subject to, or obligated under, any provision of (i) its organizational documents (if such Member is an Entity), (ii) any agreement, contract, arrangement or understanding, (iii) any license, franchise or permit, or (iv) any law, regulation, order, judgment or decree, in any such case that would be breached or violated, or in respect of which a right of termination or acceleration or any Lien on any of such Member's assets (including its Units) would be created, by such Member's execution, delivery and/or performance of this Agreement or the consummation of the transactions contemplated hereby.

(d) No authorization, consent or approval of, waiver or exemption by, or filing or registration with, any Governmental Authority or any other Person is necessary on such Member's part for such Member's execution, delivery and/or performance of this Agreement or the consummation of the transactions contemplated hereby, in any such case that has not previously been obtained by such Member.

(e) No Person has or will have, as a result of any act or omission by such Member, any right, interest or valid claim against the Company or any other Member for any commission, fee or other compensation as a finder or broker, or in any similar capacity, in connection with any of the transactions contemplated by this Agreement.

(f) Neither such Member nor any of its Affiliates (other than Related Funds) is, nor will the Company as a result of such Member holding an Interest be, an "investment company" as defined in, or subject to regulation under, the Investment Company Act.

(g) Except as expressly set forth in this Agreement, neither the Company, any Manager nor any other Member shall have any duty or responsibility to provide such Member with any documents, materials or other information concerning the business, operations, assets, properties, financial and other conditions, or prospects of the Company or any of its Subsidiaries which may come into the possession of the Company, any Manager, any other Member or any of their respective officers, directors, employees, agents, other representatives or Affiliates.

(h) Except as expressly set forth in this Section 16.1, neither the Company, any Manager, any other Member nor any of their respective officers, directors, managers, employees, agents, other representatives or Affiliates has made any representations or warranties to such Member regarding the business, assets, operations, properties,

financial and other conditions, or prospects of the Company or any of its Subsidiaries, or otherwise, and no act by the Company, any Manager, any other Member or any of their respective officers, directors, managers, employees, agents, other representatives or Affiliates hereinafter taken, including any review of the affairs of the Company or any of its Subsidiaries, shall be deemed to constitute any such representation or warranty by the Company, any Manager, any other Member or any of their respective officers, directors, managers, employees, agents, other representatives or Affiliates.

(i) The Units acquired by such Member have been, or are being, acquired by such Member for its own account and not with a view to the sale or distribution of any part thereof (or any fractional or beneficial interest therein), and such Member has no present intention of selling, granting any participation in, or otherwise distributing any of the Units (or any fractional or beneficial interest therein). Such Member does not have any contract, agreement or understanding with any Person to sell or Transfer any of the Units (or any fractional or beneficial interest therein), or grant any participation in any of the Units (or any fractional or beneficial interest therein), to such Person.

(j) (i) Such Member must bear the economic risk of such Member's investment in the Units acquired by such Member indefinitely unless the disposition of such Units is registered or qualified under the Securities Act and applicable state securities laws or an exemption from such registration or qualification is available, and that the Company has no obligation or intention of so registering or qualifying such Units, (ii) there is no assurance that any exemption from the Securities Act or applicable state securities laws will be available, or, if available, that such exemption will allow such Member to dispose of or otherwise Transfer any or all of such Member's Units in the amounts or at the times such Member might desire and (iii) the Company is not presently under any obligation to register the Units under Section 12 of the Exchange Act or to make publicly available the information specified in Rule 144 under the Securities Act and that it may never be required to do so.

(k) Such Member: (i) is an Accredited Investor, (ii) has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its investment in the Units acquired by such Member, (iii) has received all of the information about the Company and its Subsidiaries that it has requested and considers necessary or appropriate for deciding whether to acquire the Units acquired by such Member, (iv) is acquiring Units based upon such Member's own investigation, and the exercise by such Member of such Member's rights and the performance of such Member's obligations under this Agreement will be based upon such Member's own investigation, analysis and expertise, (v) has the ability to bear the economic risks inherent in its investment of the Units acquired by such Member, (vi) is able, without materially impairing its financial condition, to hold the Units acquired by such Member for an indefinite period of time and to suffer a complete loss of its investment, and (vii) understands and has fully considered for purposes of its investment in the Units acquired by such Member the risks of this investment and understands that: (A) the Units represent an extremely speculative investment that involves a high degree of risk of loss, (B) it may not be possible for such Member to liquidate its investment in any of the Units because of substantial restrictions on the transferability of the Units, (C) no public market

exists for the Units, and no representation has been made to such Member that any such public market will exist in the future, and (D) there have been no representations as to the possible future value, if any, of any of the Units.

16.2 Survival of Representations and Warranties. Each of the representations, warranties and acknowledgements of each Member in Section 16.1 shall survive the Effective Date (or the date on which such Member executes and delivers a Joinder Agreement).

## **ARTICLE 17 MISCELLANEOUS**

This Agreement (including the exhibits and schedules to this Agreement) amends and restates the Initial LLC Agreement in its entirety and contains the entire understanding among the Members and the Company with respect to the subject matter of this Agreement and supersedes any prior understandings, agreements or representations, written or oral, relating to the subject matter of this Agreement among the Members and the Company.

17.6 Headings. The headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not be deemed to be a part of this Agreement.

**17.7 GOVERNING LAW; CONSENT TO JURISDICTION AND SERVICE OF PROCESS; WAIVER OF JURY TRIAL. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REGARD TO ITS CONFLICTS OF LAW DOCTRINE. EACH OF THE COMPANY AND EACH MEMBER HEREBY SUBMITS TO THE EXCLUSIVE JURISDICTION OF THE DELAWARE COURT OF CHANCERY AND ANY STATE APPELLATE COURT THEREFROM WITHIN THE STATE OF DELAWARE (UNLESS THE DELAWARE COURT OF CHANCERY SHALL DECLINE TO ACCEPT JURISDICTION OVER A PARTICULAR MATTER, IN WHICH CASE, OF ANY DELAWARE STATE OR FEDERAL COURT WITHIN THE STATE OF DELAWARE), AND ANY JUDICIAL PROCEEDING BROUGHT AGAINST THE COMPANY OR ANY MEMBER WITH RESPECT TO ANY DISPUTE ARISING OUT OF THIS AGREEMENT OR ANY MATTER RELATED HERETO SHALL BE BROUGHT ONLY IN SUCH COURTS. EACH OF THE COMPANY AND EACH MEMBER HEREBY CONSENTS TO PROCESS BEING SERVED IN ANY SUCH PROCEEDING BY THE MAILING OF A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE ADDRESS SPECIFIED IN SECTION 17.5, OR IN ANY OTHER MANNER PERMITTED BY LAW. EACH OF THE COMPANY AND EACH MEMBER HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ANY RIGHTS IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUCH PROCEEDING.**

17.8 No Third-Party Beneficiaries. The terms and provisions of this Agreement are intended solely for the benefit of each party hereto and its legal representatives, heirs, administrators, executors, successors and permitted assigns, and it is not the intention of the parties hereto to confer third-party beneficiary rights upon any other Person other than (x) the Covered Persons (solely with respect to Sections 8.1 and 8.2), (y) the Identified Persons (solely with respect to Section 8.5), and (z) to the extent not already a party hereto, each Affiliate of any of the Members for purposes of Section 8.6.

17.9 Binding Effect. By virtue of the Plan of Reorganization and the order of the Bankruptcy Court that confirmed the Plan of Reorganization, on the Effective Date, without any

further action on the part of, or notice to, any Person, each of the Persons that received Existing Common Units under, or as contemplated by, the Plan of Reorganization on or as of the Effective Date became a party to this Agreement as a “Member” hereunder, became fully bound by, and subject to, all of the covenants, terms, conditions and provisions of this Agreement as a “Member” party hereto, and is deemed to have signed this Agreement. This Agreement shall become effective on the Effective Date.

17.10 Additional Actions and Documents. The parties agree to execute and deliver any further instruments and perform any additional acts that are or may become reasonably necessary to carry on the Company or to effectuate its purposes.

17.11 Injunctive Relief. It is hereby agreed and acknowledged that it will be impossible to measure in money the damages that would be suffered if the parties to this Agreement fail to comply with any of the obligations imposed on them by this Agreement and that in the event of any such failure, a non-breaching party hereto will be irreparably damaged and will not have an adequate remedy at law. Any such non-breaching party shall, therefore, be entitled to injunctive relief, specific performance or other equitable remedies to enforce such obligations, this being in addition to any other remedy to which such Person is entitled at law or in equity. Each of the parties hereto hereby waives any defense that a remedy at law is adequate and any requirement to post bond or other security in connection with actions instituted for injunctive relief, specific performance or other equitable remedies. Each of the parties hereto hereby agrees not to assert that specific performance, injunctive relief and other equitable remedies are unenforceable, violate public policy, invalid, contrary to law or inequitable for any reason. The right of specific performance, injunctive relief and other equitable remedies is an integral part of the transactions contemplated by this Agreement.

17.12 Assignment. No rights, interests or obligations of any Member herein may be assigned without the prior approval of the Board and the Majority Members, except assignments to Transferees of Units in connection with Transfers of Units that strictly comply with Article 9; provided, however, that (a) the Designation Right of a Designating Group shall not be assignable and (b) the rights of each Preemptive Member under Section 9.6 shall not be assignable except to any Person that is an Affiliate of such Preemptive Member and an Accredited Investor at the time of such assignment (and any such assignment may be made in connection with, or not in connection with, a Transfer of Units to such Person); provided, that the assignment of such rights under Section 9.6 to any such Person that is not then a Member shall only be permitted if the conditions set forth in Section 4.2(b) are satisfied in connection with the related purchase of Additional Securities by such Person.

17.13 Redaction. Anything herein to the contrary notwithstanding, any copy of the Register of Members that is provided to a Member that holds Class B Units shall be redacted to remove all information relating to each other Member, including the class or series and number of Units held by each other Member (and, if applicable, any hurdles, vesting schedules, forfeiture provisions or other terms and conditions applicable thereto), and the Members that hold Class B Units shall not be entitled to such information.

17.14 Spousal Consent. Unless waived by the Company, each married Member, and each Member who, subsequent to the Effective Date, marries or remarries, will concurrently with his or her execution hereof, or the consummation of such marriage, as applicable, deliver to the Company the written consent of his or her spouse in a form that is acceptable to the Company in its sole discretion; provided, however, that the failure of any such Member to do so will not affect the validity or enforceability of this Agreement.

17.15 Financial Crimes Matters. The Company shall conduct its business in compliance in all material respects with applicable Anti-Corruption Laws, Anti-Money Laundering Laws and Sanctions.

17.16 Termination. This Agreement shall terminate automatically upon the occurrence of an IPO and, to the extent applicable, (a) the entry into of a stockholders agreement pursuant to, and as described in, Section 19.2 by the Reorganized Issuer and the Members, and/or (b) the entry into of registration rights agreement pursuant to, and as described in, Section 19.3 by the Company or the Reorganized Issuer, as applicable, and the Members; provided, however, that (i) any liability of any current or former Member for any breach of this Agreement prior to such termination shall survive any such termination, and (ii) the terms and provisions of the following Sections and Articles of this Agreement shall survive any such termination: Section 4.4(b), Section 4.5, Article 8 (other than Section 8.7), Section 17.7, Article 18 and Article 19.

## **ARTICLE 18 CONFIDENTIALITY**

18.1 Confidentiality. Each Member hereby agrees that, during the period commencing on the Effective Date (or, with respect to any Member that becomes a party hereto after the Effective Date, the date any such Member executes and delivers a Joinder Agreement) and ending on the first anniversary of the date on which such Member no longer beneficially owns or holds any Units (such period, the “Confidentiality Period”), such Member will keep strictly confidential and will not disclose or divulge to any other Person (other than as permitted by Section 18.2) any (x) confidential, business, financial or proprietary information regarding the Company or any of its Subsidiaries, or any confidential, business, financial or proprietary information regarding the business or affairs of any other Member in respect of the Company or any of its Subsidiaries (in any such case, whether in written, oral or electronic form), that is obtained by, or on behalf of, such Member from the Company or any of its Subsidiaries (including, for all purposes of this Article 18, any such information obtained by such Member from any Manager), from the Company’s or any such Subsidiary’s legal or financial advisors or any other agents or advisors engaged by the Company or any of its Subsidiaries, from any other Member, or through the ownership of Interests and (y) notes, analyses, compilations, studies, interpretations or other documents prepared by such Member or any of its Representatives which contain, reflect or are based upon the information referred to in clause (x) above (collectively, “Confidential Information”). Confidential Information shall not include information which (A) is known or becomes known to the public in general (other than as a result of a breach of this Section 18.1 by a Member or any of its Representatives), (B) is or becomes available to a Member on a non-confidential basis from a source other than the Company, any other Member or any of their respective Affiliates or Representatives (provided, that such Member is not aware that such source is under an obligation to keep such information confidential) prior to such

information being provided to such Member by (or obtained from) the Company or any of its Subsidiaries, any other Member or any of their respective Affiliates or Representatives or (C) is independently developed by such Member or its Representatives without reference to the Confidential Information.

## 18.2 Permitted Disclosure of Confidential Information.

(a) Notwithstanding Section 18.1, Confidential Information may be disclosed as follows:

(i) Confidential Information may be provided by a Member, on a confidential basis, to such Member's Affiliates and the respective managers, officers, directors, employees, partners, investors, members, representatives, attorneys, accountants, auditors, trustees, insurers, other professional advisors and financing sources of such Member and such Member's Affiliates (collectively, "Representatives"), to the extent reasonably necessary in connection with such Member's investment in the Company; provided, however, that such Member shall direct its Representatives to comply with the restrictions in this Article 18 as if such Representatives were a party hereto and bound by such restrictions, and such Member shall be responsible for ensuring that its Representatives comply with such restrictions and shall be responsible and liable for any breach of any such restrictions by any of its Representatives.

(ii) Confidential Information may be provided by a Member, on a confidential basis, to an actual or potential *bona fide* Transferee of all or a portion of the Units owned or held by such Member, to the extent reasonably necessary to consummate a sale or other Transfer of such Units permitted under this Agreement; provided, however, that (x) prior to such Member's delivery of Confidential Information to an actual or potential *bona fide* Transferee of Units pursuant to this clause (ii), such actual or potential *bona fide* Transferee shall have executed and delivered to such Member and the Company a Transferee confidentiality agreement substantially in the form attached hereto as Exhibit C, (y) in no event shall Confidential Information be provided to any Competitor and (z) in no event shall Board Information be provided to any such actual or prospective *bona fide* Transferee.

(iii) In the event that a Member or any of its Representatives determines, in good faith upon the advice of counsel (including internal counsel), that disclosure of Confidential Information is required under applicable law or regulation, or by any Governmental Authority having jurisdiction over such Member or such Representative, such Member or such Representative will (x) use commercially reasonable efforts to preserve the confidentiality of the Confidential Information sought to be disclosed; and (y) to the extent legally permitted, promptly provide the Company with written notice so that the Company may seek (at the Company's expense) an appropriate protective order or other remedy and/or waive compliance with this Agreement and, if requested by the Company, assist the Company (at the Company's expense) to seek such a protective order or

other remedy. Provided that such notice (to the extent legally permitted) is furnished, if, in the absence of a protective order or other remedy, such Member or any applicable Representative is, in the opinion of its counsel, legally compelled to disclose Confidential Information or else be held liable for contempt or suffer other censure or penalty, such Member or such Representative may disclose pursuant to this Section 18.2(a)(iii) only that portion of such Confidential Information, and only to those parties, that such counsel has advised is compelled or required to be disclosed, without liability under this Agreement. In addition, any Member and any applicable Representative shall be entitled to share Confidential Information with Governmental Authorities in connection with routine regulatory audits and examinations that are conducted by such Governmental Authorities of such Member or any of its Affiliates, in each case, without providing the Company with notice of such sharing or disclosure.

(iv) With the prior consent of the Company, any Member may provide Confidential Information of the Company (but not Confidential Information of any other Member in respect of the Company or any of its Subsidiaries) to any Person in connection with a potential Sale Transaction with such Person; provided that such Person has an obligation to the Company to keep such Confidential Information confidential.

(v) Any Member that is an employee, consultant or other service provider of the Company or any of its Subsidiaries may disclose Confidential Information in the performance of such employment duties or services to the extent authorized by the Company's policies in respect thereof.

(b) Termination. All the rights and obligations of a Member set forth in this Article 18 shall terminate automatically upon the expiration of the Confidentiality Period applicable to such Member; provided, however, that no such termination shall relieve any Member from any liability relating to any breach of this Article 18.

## ARTICLE 19 IPO

19.1 IPO Approval. Subject to Section 9.3, the Company shall not initiate or undertake an IPO or effect a Corporate Conversion in connection therewith without the prior approval or written consent of the Board and the Majority Members. The parties hereto agree that any IPO may be effected at the Company level or at a Subsidiary of the Company or by or through a successor Entity or effected through another form of recapitalization, reorganization, and/or exchange of the Units (as determined by the Board, with the approval of the Majority Members), and that in the event of a planned IPO, the Company shall convert all (or the appropriate portion) of the Units then held by any Members into an economically equivalent number of shares of the common stock of the Company or its applicable Subsidiary or successor Entity effecting such IPO. If an IPO has been approved in accordance with this Section 19.1 and Section 6.19, or otherwise approved pursuant to Section 9.3, each Member hereby consents to such IPO and shall vote for (to the extent it has any voting right) and raise no objections against such IPO, and each

Member shall take all reasonable actions in connection with the consummation of such IPO as requested by the Company.

19.2 Required Actions. In connection with an IPO, subject to the requisite approval set forth in Section 19.1, the Board may either (a) cause the Company to contribute all or substantially all of its assets to a corporation in a transaction qualified under Code Section 351(a), and thereupon liquidate and dissolve the Company, (b) elect to have all Members contribute their Units to a corporation, in a transaction qualifying under Code Section 351(a), as long as the Fair Market Value of the shares of the corporation received by all Members, as determined by the Board, is equal to the Fair Market Value of the Units Transferred, as reasonably determined by the Board, (c) cause the Company to distribute some or all of the shares of capital stock of one or more Subsidiaries of the Company to the Members, (d) cause the Company to transfer its assets, liabilities and operations to a corporation in exchange for any combination of cash, debt or capital stock in such corporation, (e) cause a corporation to be admitted as a Member of the Company, with such corporation purchasing interests in the Company from the Company or Members (as determined by the Board) with the proceeds of a public offering of the corporation's stock, or (f) otherwise cause the Company to convert into a corporation, by way of merger, consolidation or otherwise. Each Member hereby consents to such actions and shall vote for (to the extent it has any voting right) and raise no objections against such actions, and each Member shall, at the request of the Board, take all actions reasonably necessary or desirable to effect such actions (including whether by conversion into a corporation, merger or consolidation into a corporation, recapitalization or reorganization, sale of securities, or otherwise), giving effect to the same economic (other than any tax effects resulting therefrom), voting and corporate governance provisions contained herein (any such transaction contemplated by this Section 19.2, a "Corporate Conversion"). Subject to the requisite approval set forth in Section 19.1, no Member shall have the right or power to veto, vote for or against, amend, modify or delay any such Corporate Conversion. In connection with such Corporate Conversion, at the request of the Board, each Member hereby agrees to enter into a stockholders agreement (or equivalent) with the corporate successor (the "Reorganized Issuer") and each other Member which contains restrictions on the Transfer of such capital stock and other provisions (including with respect to the governance and control of such Reorganized Issuer) in form and substance (including with respect to the termination thereof) similar to the provisions and restrictions set forth herein to the extent reasonably requested by the Board. Further, each Member shall (solely in its capacity as such) execute and deliver any documents and instruments and perform any additional acts that may be reasonably necessary or appropriate, as determined by the Board, to effectuate and perform any such IPO or Corporate Conversion.

19.3 Registration Rights Agreement. In connection with (but prior to the consummation of) an IPO, the Company or any Reorganized Issuer, as applicable, shall enter into a registration rights agreement with, or for the benefit of, each Member, in form and substance reasonably satisfactory to the Majority Members, with respect to the registration of its common equity securities ("Company Securities") following the consummation of an IPO; provided, that such registration rights agreement shall provide that (a) any Member or group of Members party to such registration rights agreement (any such holder, a "Registered Holder") that own or hold at least five percent (5.0%) of all of the Company Securities that are issued and outstanding at the time of any such request may request that the Company or such Reorganized Issuer, as applicable, effect the registration under the Securities Act of a specified number of

“Registrable Securities” (as customarily defined) held by such Registered Holder(s), provided, that, subject to certain exceptions, the Company or such Reorganized Issuer, as applicable, will not be required to effect any such demand right more than three times, and (b) the Registered Holders shall be entitled to reasonable and customary piggyback registration rights.

**FORM OF TRANSFeree CONFIDENTIALITY AGREEMENT**

[NAME OF POTENTIAL TRANSFeree]

[ADDRESS]

Attention:

Re: Confidentiality Agreement

Ladies and Gentlemen:

In connection with a possible transaction (the "Transaction") involving the sale or transfer of limited liability company interests of Fusion Parent, LLC (the "Company") owned, held or controlled by [INSERT NAME OF TRANSFEROR] (the "Transferor") to [INSERT NAME OF POTENTIAL TRANSFeree] (the "Potential Transferee"), the Transferor is prepared to make available to the Potential Transferee certain Confidential Information (as defined below). As a condition to such Confidential Information being furnished to the Potential Transferee, the Potential Transferee hereby agrees that it will comply with the following terms of this letter agreement (this "Confidentiality Agreement"):

1. Confidential Information. (a) "Confidential Information" means any (x) confidential, business, financial or proprietary information regarding the Company or any of its subsidiaries, or any confidential, business, financial or proprietary information regarding the business or affairs of any member of the Company in respect of the Company or any of its subsidiaries (in any such case, whether in written, oral or electronic form), that has been obtained by, or on behalf of, the Potential Transferee or any of its Representatives from the Company or any of its subsidiaries, from the Transferor, or from any of their respective Representatives and (y) notes, analyses, compilations, studies, interpretations or other documents prepared by the Potential Transferee or any of its managers, officers, directors, employees, partners, investors, members, representatives, attorneys, accountants, auditors, trustees, insurers, other professional advisors and financing sources (collectively, "Representatives"), which contain, reflect or are based upon the information referred to in clause (x) above. Confidential Information shall not include information which (A) is known or becomes known to the public in general (other than as a result of a breach of the confidentiality obligations hereunder or otherwise by the Transferor, the Potential Transferee or any of their respective Representatives), (B) is or becomes available to the Potential Transferee on a non-confidential basis from a source other than the Company or any of its subsidiaries, the Transferor or any of their respective Representatives (provided, that the Potential Transferee is not aware that such source is under an obligation to keep such Confidential Information confidential) prior to such information being provided to the Potential Transferee by or on behalf of (or obtained from) the Company, any of its subsidiaries, the Transferor or any of their respective Representatives or (C) is independently developed by the Potential Transferee or any of its Representatives without reference to the Confidential Information.

(b) The Potential Transferee recognizes and acknowledges the competitive value and confidential nature of the Confidential Information and the damage that could result to the

Company, the Transferor and any other member of the Company if any Confidential Information is disclosed to a third party, and hereby agrees that it will keep strictly confidential and will not disclose, divulge or use for any purpose, other than to evaluate the Transaction, any of the Confidential Information; provided, however, that any of the Confidential Information may be disclosed, on a confidential basis, to any of the Potential Transferee's Representatives that need to know such information for the purpose of evaluating the Transaction. The Potential Transferee shall cause its Representatives to comply, and the Potential Transferee shall be responsible for ensuring that its Representatives comply, with the restrictions set forth in this Confidentiality Agreement as if such Representatives were a party hereto and bound by such restrictions, and shall be responsible and liable for any breach of any such restrictions by any of its Representatives.

2. Disclosure of Confidential Information. In the event that the Potential Transferee or any of its Representatives determines, in good faith upon the advice of counsel, that disclosure of Confidential Information is required under applicable law or regulation, or is required by governmental or by regulatory authorities having jurisdiction over the Potential Transferee or such Representative, the Potential Transferee or such Representative will, to the extent legally permitted and practicable under the circumstances, promptly provide the Transferor and the Company with written notice so that they may seek an appropriate protective order or other remedy and/or waive compliance with the provisions of this Confidentiality Agreement and, if requested by the Transferor or the Company, assist the Transferor or the Company to seek such a protective order or other remedy. Provided that such foregoing notice (to the extent legally permitted and practicable under the circumstances) is furnished, if, in the absence of a protective order or other remedy, the Potential Transferee or any of its applicable Representatives is, in the opinion of its counsel, required to disclose Confidential Information, the Potential Transferee or such Representative may disclose pursuant to this Section 2 only that portion of such Confidential Information, and only to those parties, that such counsel has advised is required to be disclosed, without liability under this Confidentiality Agreement.

3. Return and Destruction of Confidential Information. In the event that the Potential Transferee decides not to proceed with the Transaction, the Potential Transferee will promptly inform the Transferor of that decision. In that case, or at any time upon the request of the Transferor for any reason, the Potential Transferee will, as directed by the Transferor, promptly deliver to the Transferor or the Company all Confidential Information (and any copies thereof). Upon the Transferor's request, the Potential Transferee shall provide the Transferor with prompt written confirmation of the Potential Transferee's compliance with this Section 3. Notwithstanding the return or destruction of the Confidential Information, the Potential Transferee and its Representatives shall continue to be bound by the obligations of confidentiality and other obligations and agreements hereunder.

4. No Representations or Warranties. The Potential Transferee understands, acknowledges and agrees that neither the Company nor any of its subsidiaries, the Transferor nor any other member of the Company makes any representation or warranty, express or implied, as to the accuracy or completeness of the Confidential Information, and neither the Company nor any of its subsidiaries, the Transferor nor any other member of the Company shall have any liability to the Potential Transferee or to any of its Representatives relating to or resulting from the use of the Confidential Information or any errors therein or omissions therefrom. Only those

representations or warranties which are made in a final definitive agreement regarding any Transaction, when, as and if executed and delivered, and subject to such limitations and restrictions as may be specified therein, will have any legal effect.

5. Injunctive Relief. It is hereby agreed and acknowledged that it will be impossible to measure in money the damages that would be suffered by the Company and the Transferor if the Potential Transferee fails to comply with any of the obligations imposed on it by this Confidentiality Agreement and that in the event of any such failure, the Transferor and the Company will be irreparably damaged and will not have an adequate remedy at law. The Transferor and the Company shall, therefore, be entitled to injunctive relief, specific performance or other equitable remedies to enforce such obligations, this being in addition to any other remedy to which either the Transferor or the Company is entitled at law or in equity. The Potential Transferee hereby waives any defense that a remedy at law is adequate and any requirement to post bond or other security in connection with actions instituted for injunctive relief, specific performance or other equitable remedies. The Potential Transferee hereby agrees not to assert that specific performance, injunctive relief and other equitable remedies are unenforceable, violate public policy, invalid, contrary to law or inequitable for any reason. The right of specific performance, injunctive relief and other equitable remedies is an integral part of the transactions contemplated by this Confidentiality Agreement.

6. Governing Law. THIS CONFIDENTIALITY AGREEMENT AND ANY CONFLICTS ARISING HEREUNDER OR RELATED HERETO SHALL BE GOVERNED BY, AND CONSTRUED UNDER, THE LAWS OF THE STATE OF DELAWARE, ALL RIGHTS AND REMEDIES BEING GOVERNED BY SAID LAWS, REGARDLESS OF THE LAWS THAT MIGHT OTHERWISE GOVERN UNDER APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS. EACH OF THE TRANSFEROR AND THE POTENTIAL TRANSFEE HEREBY SUBMITS TO THE EXCLUSIVE JURISDICTION OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK AND OF ANY NEW YORK STATE COURT SITTING IN THE CITY OF NEW YORK, BOROUGH OF MANHATTAN, AND ANY JUDICIAL PROCEEDING BROUGHT AGAINST THE TRANSFEROR OR THE POTENTIAL TRANSFEE WITH RESPECT TO ANY DISPUTE ARISING OUT OF THIS CONFIDENTIALITY AGREEMENT OR ANY MATTER RELATED HERETO SHALL BE BROUGHT ONLY IN SUCH COURTS. EACH OF THE TRANSFEROR AND THE POTENTIAL TRANSFEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION IT MAY HAVE OR HEREAFTER HAVE TO THE LAYING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. EACH OF THE TRANSFEROR AND THE POTENTIAL TRANSFEE HEREBY CONSENTS TO PROCESS BEING SERVED IN ANY SUCH PROCEEDING BY THE MAILING OF A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO ITS ADDRESS SPECIFIED BELOW, OR IN ANY OTHER MANNER PERMITTED BY LAW. EACH OF THE TRANSFEROR AND THE POTENTIAL TRANSFEE HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ANY RIGHTS IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUCH ACTION OR PROCEEDING.

7. Term. This Confidentiality Agreement will terminate on the earlier of (a) two (2) years from the date hereof and (b) the Potential Transferee executing a Joinder Agreement to the Amended and Restated Limited Liability Company Agreement of the Company, dated as of June [6], 2025, among the Company and its members, as amended, supplemented, amended and restated or otherwise modified from time to time; provided, however, that no such termination of this Confidentiality Agreement shall relieve the Potential Transferee from any liability relating to any breach of this Confidentiality Agreement.

8. Notices. All notices, requests, waivers and other communications made pursuant to this Confidentiality Agreement shall be in writing and shall be deemed to have been effectively given, delivered, provided or received (a) when personally delivered to the party to be notified; (b) when sent by electronic mail (“e-mail”) to the party to be notified; (c) three (3) business days after deposit in the United States mail, postage prepaid, by certified or registered mail with return receipt requested, addressed to the party to be notified; or (d) one (1) business day after deposit with a national overnight delivery service, postage prepaid, addressed to the party to be notified with next-business day delivery guaranteed, in each case as follows:

[        ]

to the Potential Transferee, at:

A party may change its address or e-mail address for purposes of notice hereunder by giving notice of such change to the other party in the manner provided in this Section 8.

9. Miscellaneous. This Confidentiality Agreement contains the entire agreement between the Transferor and the Potential Transferee regarding its subject matter and supersedes all prior agreements, understandings, arrangements and discussions between the Transferor and the Potential Transferee regarding such subject matter. It is understood and agreed that no failure or delay by the Transferor or the Company in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder. 8.1 Exculpation. Notwithstanding any other provisions of this Agreement (whether express or implied) or obligation or duty at law or in equity, to the fullest extent permitted by applicable law, no Covered Person shall be liable to the Member, any member of Parent, the Company or any other Person (including any creditor or claimant of the Company or any of its Subsidiaries) for any losses, claims, expenses, damages or liabilities arising from any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, by a Covered Person in connection with the Company, Parent or any of their respective Subsidiaries, nor shall any Covered Person be liable to the Member, any member of Parent, the Company or any other Person for any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, by any employee or other agent of the Company, Parent or any of their respective Subsidiaries, except to the extent that any such losses, expenses, claims, damages or

liabilities (i) in any such case, are attributable to such Covered Person's material breach of this Agreement, and (ii) in the case of any current or former Manager or any current or former officer of the Company, (A) are attributable to such Manager's or officer's acts or omissions not in good faith, (B) are attributable to such Manager's or officer's breach of the duty of loyalty to the Member, the Company or any of their respective Subsidiaries, (C) arise from a transaction in which such Manager or officer derived an improper personal benefit or (D) are attributable to acts or omissions of such Manager or officer that constitute a knowing violation of law. No amendment to or repeal of this Section 8.1 shall apply to or have any effect on the liability or alleged liability of the Covered Persons for or with respect to their acts or omissions occurring prior to such amendment or repeal.

## 8.2 Indemnification.

(a) The Company shall, to the fullest extent permitted by applicable law (as now or hereafter in effect), indemnify, defend and hold harmless each Covered Person who was or is a party or is threatened to be made a party to or is involved in any threatened, pending or completed action, suit or proceeding ("Proceeding"), whether civil, criminal, administrative or investigative, or any appeal in such a Proceeding or any inquiry or investigation that could lead to such a Proceeding, (i) in connection with any matter arising out of or in connection with the Company's, Parent's or any of their respective Subsidiaries' business or affairs, (ii) by reason of the fact that such Covered Person is serving or has served in one or more of the capacities set forth in the definition of "Covered Person", or (iii) by reason of the fact that such Covered Person, or a Person of whom such Covered Person is the legal representative, is or was serving as a manager, officer, member, employee or agent or in any other capacity, at the request of the Company, for any other corporation, company, partnership, joint venture, trust, employee benefit plan or other Entity (an "Other Entity"), from and against any losses, claims, expenses, damages and liabilities (collectively, "Damages") suffered or incurred by, imposed on, or to which such Covered Person may become subject in connection with such Proceeding; provided, that no right of indemnification shall be available to a Covered Person under this Article 8 (A) to the extent that it shall have been determined by a final, non-appealable decision by a court of competent jurisdiction that any such Damages are attributable to such Covered Person's material breach of this Agreement, and, (B) in the case of any current or former Manager or any current or former officer of the Company, to the extent that any such Damages (1) are attributable to such Managers' or officer's acts or omissions not in good faith, (2) are attributable to such Managers' or officer's breach of the duty of loyalty to the Member, the Company or any of their respective Subsidiaries, (3) arise from a transaction in which such Manager or officer derived an improper personal benefit, (4) are attributable to acts or omissions of such Manager or officer that constitute a knowing violation of law, (5) are attributable to any Proceeding (except an action to enforce the indemnification rights set forth in this Section 8.2(a) or to enforce the rights to advancement of expenses set forth in Section 8.2(b)) initiated by such Covered Person unless if such Proceeding was authorized in the specific case by the Member, or (6) are attributable to any Proceeding by or in the right of the Member, the Company or any of their respective Subsidiaries unless if the Member authorizes the indemnification of any such Damages (except that, to the extent any such Covered Person has been successful on the merits or otherwise in the defense of any such Proceeding by or in the right of the Member, the Company or any of

their respective Subsidiaries or in defense of any claim, issue or matter therein, then such Covered Person shall be indemnified against expenses actually and reasonably incurred by such Covered Person in connection therewith). If for any reason the foregoing indemnification is unavailable to a Covered Person, or is insufficient to hold it harmless, then the Company shall contribute to the amount paid or payable by such Covered Person as a result of the applicable Damages in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Covered Person on the other hand or, if such allocation is not permitted by applicable law, to reflect not only the relative benefits referred to above but also any other relevant equitable considerations.

(b) If a Covered Person is or was made, or threatened to be made, a party to or is involved in any threatened, pending or completed Proceeding, whether civil, criminal, administrative or investigative, or any appeal in such Proceeding or any inquiry or investigation that could lead to such a Proceeding, (i) in connection with any matter arising out of or in connection with the Company's, Parent's or any of their respective Subsidiaries' business or affairs, (ii) by reason of the fact that such Covered Person is serving or has served in one or more of the capacities set forth in the definition of "Covered Person" or (iii) by reason of the fact that such Covered Person, or a Person of whom such Covered Person is the legal representative, is or was serving as a manager, officer, member, employee or agent or in any other capacity, at the request of the Company, for any Other Entity, the Company shall pay, within a reasonable period of time following the Company's receipt of reasonably detailed supporting documentation, to such Covered Person such Covered Person's reasonable and documented out-of-pocket legal and other expenses (including legal and other professional fees and disbursements, and the cost of any investigation and preparation) incurred in connection therewith in advance of the final disposition of such Proceeding; provided, that such Covered Person shall promptly repay to the Company the amount of any such expenses paid to it if it shall be determined that such Covered Person is not entitled to be indemnified by the Company in connection with such Proceeding as provided in the proviso contained in Section 8.2(a); provided, further that, with respect to a Covered Person described in clause (B) of Section 8.2(a), the Company shall not be required to pay in advance or otherwise any such expenses incurred by any such Covered Person in connection with (A) any Proceeding initiated by such Covered Person unless if such Proceeding was authorized in the specific case by the Member or (B) any Proceeding by or in the right of the Member, the Company or any of their respective Subsidiaries unless if the Member authorizes the payment of any such expenses.

(c) The rights to indemnification, reimbursement and advancement of expenses, and contribution provided by, or granted pursuant to, this Section 8.2 shall not be deemed exclusive of any other rights to which a Covered Person seeking indemnification, reimbursement or advancement of expenses, or contribution may have or hereafter be entitled under any statute, this Agreement, any other agreement (including any policy of insurance purchased or provided by Parent, the Company or any of their respective Subsidiaries under which any Covered Person is covered), any vote of the Member or the Board, or otherwise. The rights conferred upon any Covered Person in Section 8.1 and Section 8.2 shall be contract rights that vest upon the occurrence or alleged occurrence of any judgment, decision or action made, taken or performed, or omitted to be

made, taken or performed, or any other fact, circumstance or matter, giving rise to any losses, claims, expenses, damages or liabilities (whether or not arising out of a Proceeding) that are covered by Section 8.1 and/or Section 8.2, and such rights shall apply to a Person that was a Covered Person even after such Person ceases to be a Covered Person, but only with respect to any such losses, claims, expenses, damages or liabilities arising from any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, or any other fact, circumstance or matter that occurred, during the period in which such Person was a Covered Person.

(d) The rights to indemnification, reimbursement and advancement of expenses, and contribution provided by, or granted pursuant to, this Section 8.2 shall inure to the benefit of the successors, heirs, executors and administrators of a Covered Person.

(e) The Company shall have the power to purchase and maintain insurance on behalf of any Covered Person to protect such Covered Person against any Damages, whether or not the Company would have the power to indemnify such Covered Person against any such Damages under the provisions of this Section 8.2 or under any provision of law.

(f) No amendment or repeal of any part of this Section 8.2 shall apply to or have any effect on any right to indemnification, reimbursement and advancement of expenses, and contribution provided hereunder with respect to any acts or omissions occurring prior to such amendment or repeal.

8.3 No Member Liability. Any indemnification, reimbursement and advancement of expenses, or contribution provided under this Article 8 shall be satisfied solely out of assets of the Company, as an expense of the Company. The Member shall not be subject to personal liability by reason of the indemnification, reimbursement and advancement of expenses, or contribution provisions set forth in this Article 8.

8.4 Settlements. The Company shall not be liable for any settlement by a Covered Person of any Proceeding effected without its written consent, but if settled with such written consent, or if there is a final judgment against such Covered Person in any such Proceeding, the Company agrees to indemnify and hold harmless such Covered Person to the extent provided above from and against any Damages by reason of such settlement or judgment.

8.5 Business Opportunities; Fiduciary Duties.

(a) The Company and the Member acknowledge that (i) each member of Parent (other than any member of Parent who is a Manager or an officer or employee of the Company, Parent or any of their respective Subsidiaries, any member of Parent that is a Family Member of any Manager or any officer or employee of the Company, Parent or any of their respective Subsidiaries, or any member of Parent that is controlled by any Manager or any officer or employee of the Company, Parent or any of their respective Subsidiaries or controlled by any such Manager's, officer's or employee's Family Members), and (ii) each Affiliate, manager, director, principal, officer, employee and other representative of each member of Parent described in clause (i) (other than any such Person who is a

Manager or an officer or employee of the Company, Parent or any of their respective Subsidiaries, any such Person that is a Family Member of any Manager or any officer or employee of the Company, Parent or any of their respective Subsidiaries, or any such Person that is controlled by any Manager or any officer or employee of the Company, Parent or any of their respective Subsidiaries or controlled by any such Manager's, officer's or employee's Family Members) (the foregoing Persons being referred to, collectively, as "Identified Persons" and, each individually, as an "Identified Person") may now engage, may continue to engage, and/or may, in the future, decide to engage, in the same or similar activities or lines of business as those in which the Company, Parent or any of their respective Subsidiaries, directly or indirectly, now engage or may engage and/or other business activities that overlap with, are complementary to, or compete with those in which the Company, Parent or any of their respective Subsidiaries, directly or indirectly, now engage or may engage (any such activity or line of business, an "Opportunity"). No Identified Person shall have any duty to refrain, directly or indirectly, from (i) engaging in any Opportunity, (ii) offering or directing any Opportunity to another Person (including any Affiliate of such Identified Person) or (iii) otherwise competing with the Company, Parent or any of their respective Subsidiaries. No Identified Person shall have any duty or obligation to refer or offer to the Company, Parent or any of their respective Subsidiaries any Opportunity, and the Company hereby renounces, on behalf of itself and each of its Subsidiaries, any interest or expectancy of the Company or any of its Subsidiaries in, or in being offered, an opportunity to participate in any Opportunity engaged in by any Identified Person which may be a corporate (or analogous) or business opportunity for the Company, Parent or any of their respective Subsidiaries.

(b) In the event that any Identified Person acquires knowledge of an Opportunity which may be a corporate (or analogous) or business opportunity for the Company, Parent or any of their respective Subsidiaries, such Identified Person shall have no duty to communicate, offer or otherwise make available such Opportunity to the Company, Parent or any of their respective Subsidiaries and shall not be liable to the Company, Parent or any of their respective Subsidiaries or any of the members of Parent for breach of any purported fiduciary duty by reason of the fact that such Identified Person pursues or acquires such Opportunity for itself, or offers or directs such Opportunity to another Person (including any Affiliate of such Identified Person).

(c) The Company, on behalf of itself and each of its Subsidiaries, and the Member (i) acknowledge that the Identified Persons may now own, may continue to own, and from time to time may acquire and own, investments in one or more other Entities (each such Entity, a "Related Company" and all such Entities, collectively, "Related Companies"), including Entities that are direct competitors of, or that otherwise may have interests that do or could conflict with those of, the Company, Parent or any of their respective Subsidiaries, or any member of Parent or any of their respective Affiliates, and (ii) agree that (A) the enjoyment, exercise and enforcement of the rights, interests, privileges, powers and benefits granted or available to the Identified Persons under this Agreement shall not be in any manner reduced, diminished, affected or impaired, and the obligations of the Identified Persons under this Agreement (if any) shall not be in any manner augmented or increased, by reason of any act, circumstance, occurrence or event arising from or in any respect relating to (x) the ownership by an Identified Person of any

interest in any Related Company, (y) the affiliation of any Related Company with an Identified Person or (z) any action taken or omitted by any Related Company or an Identified Person in respect of any Related Company, (B) no Identified Person shall, by reason of such ownership, affiliation or action, become subject to any fiduciary duty to the Company, Parent or any of their respective Subsidiaries, or any member of Parent or any of their respective Affiliates, (C) nothing in this Agreement and none of the duties imposed on an Identified Person, whether by contract or law, do or shall limit or impair the right of any Identified Person to, directly or indirectly, purchase or sell the securities or indebtedness of any other Entity or to compete with the Company, Parent or any of their respective Subsidiaries, or any member of Parent or any of their respective Affiliates as if the Identified Persons were not a party to this Agreement and (D) the Identified Persons are not and shall not be obligated to disclose to the Company, Parent or any of their respective Subsidiaries, or any member of Parent or any of their respective Affiliates any information related to their respective businesses or opportunities, including acquisition opportunities, or to refrain from or in any respect to be restricted in competing against the Company, Parent or any of their respective Subsidiaries, or any member of Parent or any of their respective Affiliates in any such business or as to any such opportunities.

(d) To the fullest extent permitted by law, this Agreement is not intended to, and does not, create or impose any fiduciary or other duty on any Identified Person. Further, to the fullest extent permitted by law, the Company and the Member hereby waive any and all fiduciary duties owed to the Company or the Member by any Identified Person (including those fiduciary duties that, absent such waiver, may be implied by law), and in doing so, the Company and the Member recognize, acknowledge and agree that the duties and obligations of the Identified Persons to the Company, the Member (in its capacity as such) and each other Person that is or becomes a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement are only as expressly set forth in this Agreement. To the fullest extent permitted by law, no Identified Person shall owe any duty (including any fiduciary duty) to the Company or to the Member (in its capacity as such) or to any other Person that is or becomes a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement other than those non-fiduciary duties that are expressly set forth in this Agreement and a duty to act in accordance with the implied contractual covenant of good faith and fair dealing to the extent required by Delaware law. The provisions of this Agreement, to the extent that they restrict or eliminate the duties and liabilities of an Identified Person otherwise existing at law or in equity in respect of the Company or the Member (in its capacity as such), are agreed by all parties hereto (or any other Person that is or becomes a beneficiary of this Agreement) to replace fully and completely such other duties and liabilities.

(e) Each employee and officer of the Company, in its capacity as such, shall have the same fiduciary duties as an employee or officer (as applicable) of a corporation organized under the laws of the State of Delaware; provided, that, to the extent determined by the Member, no officer shall be personally liable for any monetary damages to the Company or the Member for breach of the duty of care, subject to the same limitations on such limitation as contemplated by Section 102(b)(7) of the Delaware General Corporation Law.

8.6 Amendments. Notwithstanding anything herein to the contrary, no amendment, repeal or modification of this Article 8 shall affect any rights or obligations with respect to any state of facts then or theretofore existing or any proceeding theretofore or thereafter brought or threatened based in whole or in part upon any such state of facts.

## **ARTICLE 9 FISCAL YEAR; BOOKS OF ACCOUNT; REPORTS**

9.1 Fiscal Year. The fiscal year of the Company (the “Fiscal Year”) shall be established by the Member.

9.2 Books and Records. The books and records of the Company may be kept at such place or places as may be from time to time designated by the Member. The Company shall keep correct and complete books and records of account, including the amount of its assets and liabilities and the names and places of residence of its officers.

9.3 Tax Election. The Company intends to be treated as an association taxable as a corporation for U.S. federal, state and local income tax purposes under Treasury Regulation section 301.7701-3 and under any corresponding provision of state or local law. The Company shall file an Entity Classification Election (IRS Form 8832) to be treated as an association taxable as a corporation for U.S. federal income tax purposes, effective as of the date the Certificate of Formation was filed even if made thereafter, and any officer of the Company is authorized and empowered to make any such election.

9.4 Audits of Books and Accounts. The Company’s books and accounts shall be audited at such times and by such auditors as shall be specified and designated by written consent of the Member.

## **ARTICLE 10 DISTRIBUTIONS**

10.1 Distributions. All distributions hereunder shall be made to the Member at such times and in such aggregate amounts as the Member may deem appropriate; provided, however, that no distribution shall be made if such distribution would violate the Act or any other applicable law.

## **ARTICLE 11 DISSOLUTION AND LIQUIDATION**

11.1 Events Causing Dissolution. The Company shall be dissolved only upon the occurrence of any of the following events:

- (a) the consent of the Member;
- (b) the entry of a final decree of judicial dissolution of the Company under Section 18-802 of the Act; or

(c) at any time there are no members of the Company, unless the Company is continued in accordance with the Act.

Except as otherwise set forth in this Section 11.1, the Company is intended to have perpetual existence. To the fullest extent permitted by law, any bankruptcy or dissolution of the Member cause the Member to cease to be a member of the Company.

11.2 Liquidation and Winding Up. If the Company is dissolved pursuant to Section 11.1, the Company shall be liquidated and the Member (or other Person or Persons designated by the Member or by a decree of court) shall wind up the affairs of the Company. The Member or other Persons winding up the affairs of the Company shall promptly proceed to the liquidation of the Company and, in settling the accounts of the Company, the assets and the property of the Company shall be distributed in the following order of priority:

(a) First, to the payment of (or establishing reserves to pay) all debts and liabilities of the Company (including any debts or liabilities owed to the Member) in the order of priority as provided by law; and

(b) The balance, if any, to the Member.

## **ARTICLE 12 MISCELLANEOUS**

This Agreement (including the exhibits and schedules to this Agreement) amends and restates the Initial LLC Agreement in its entirety and contains the entire understanding between the Member and the Company with respect to the subject matter of this Agreement and supersedes any prior understandings, agreements or representations, written or oral, relating to the subject matter of this Agreement.

12.2 Counterparts. For the convenience of the parties hereto, this Agreement may be executed and delivered in any number of counterparts, each such counterpart being deemed to be an original instrument, and all such counterparts shall together constitute the same agreement. 2.7 No State-Law Partnership. The Members intend that the Company not be a partnership (including a limited partnership) or joint venture, that no Member be a partner or joint venturer of any other Member by virtue of this Agreement, and that neither this Agreement nor any other document entered into by the Company or any Member relating to the subject matter hereof shall be construed to suggest otherwise.

### **ARTICLE 3 PURPOSE OF THE BUSINESS**

The purpose and character of the business of the Company shall be to undertake and carry on any lawful business, purpose or activity for which limited liability companies may be formed under the Act, and engaging in any and all activities necessary, advisable, convenient or incidental thereto.

### **ARTICLE 4 MEMBERS; MEETINGS**

4.1 Members. The name of each Member, its address, contact information, and class or series and number of Units shall be reflected in a register held and maintained by the Transfer Agent (the “Register of Members”). For the avoidance of doubt, the Company may serve as the Transfer Agent with respect to any of the Units or other Interests. Upon the Effective Date, the Transfer Agent shall maintain the Register of Members. The Transfer Agent upon the Effective Date shall be Kroll Restructuring Administration (d/b/a Kroll Issuer Services (US)). The Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to amend and update the Register of Members from time to time to reflect the change(s) in any of the information contained therein (including the withdrawal of one or more Members, the admission of one or more additional Members, forfeitures of Units, Transfers and the issuance of additional Units) only to the extent that the actions resulting in such change(s) were taken pursuant to, and in accordance with, the terms and conditions of this Agreement, and, if applicable, any applicable Management Incentive Plan and Award Agreement, and that any consents of the Members to such actions required hereunder, if any, were obtained. Any reference in this Agreement to the Register of Members shall be deemed to be a reference to the Register of Members, as amended and updated from time to time. If the Transfer Agent is any Person other than the Company or one of its Affiliates or officers, and such Transfer Agent will not include any particular information in the Register of Members that the Company deems necessary or desirable to include, then the Company shall maintain a register or other record to reflect such information and shall amend and update such register or other record from time to time to reflect any change in any of the information contained therein to the same extent that the Register of Members would be required to be amended and updated by the Transfer Agent pursuant to this Agreement if such information was set forth therein and the Company served as the Transfer Agent, and any requirement or reference in this Agreement that such information

shall be, or is, included or set forth in the Register of Members shall instead be a reference to any such register or other record.

#### 4.2 Substituted Members and Additional Members.

(a) In connection with a Transfer of Units that is permitted pursuant to, and is effected in compliance with, the applicable terms of this Agreement, the Transferee of the Units subject to such Transfer shall become a substitute Member, effective on the date of such Transfer (which effective date shall not be earlier than the date of compliance with or waiver of the conditions to such Transfer set forth herein), entitled to all of the rights (excluding any rights of a Member that are not assignable or otherwise transferable pursuant to the terms of this Agreement), and subject to all of the obligations and restrictions, of the transferor Member to the extent of the Units so Transferred. Upon the substitution of a transferee Member, the Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to amend and update the Register of Members to reflect the substitution of such transferee Member. Any duly substituted Member shall be considered a “Member” for all purposes of this Agreement and the Act. Notwithstanding the requirement that substituted Members execute a Joinder Agreement pursuant to Section 9.1(c), this Agreement shall bind all holders of Units, regardless of whether any such holder executes this Agreement or a Joinder Agreement and by acceptance of Units each holder agrees to be so bound.

(b) Subject to the provisions of this Agreement (including Section 9.6 hereof), the Board may, from time to time in its sole discretion (and without the requirement of any consent or approval of any Member), admit additional Persons as Members and issue to such Persons Units on such terms and conditions (including the series and class of Units to be issued, the number of Units to be issued and, if applicable, the vesting schedule of such Units and any forfeiture provisions applicable thereto) as the Board shall determine in its sole discretion. The admission of an additional Member to the Company, and the issuance to such Person by the Company of Units in connection with such admission as a Member, shall be subject to the satisfaction of the following conditions: (i) such additional Member shall have become a party to this Agreement by executing and delivering to the Company a Joinder Agreement (duly completed) and such other written documentation as the Board may require in connection with such admission and issuance (including an AI Questionnaire and an IRS Form W-9 or appropriate IRS Form W-8, as applicable (or successor forms)), (ii) such issuance of Units shall not require the Company to register any Units under the Exchange Act (as a result of the number of holders of Units or otherwise), unless, at the time of such issuance, the Company is already subject to the reporting obligations under Section 13 or Section 15(d) of the Exchange Act, (iii) the compliance with all applicable laws and regulations (including securities laws) relating to such admission and issuance, (iv) such issuance of Units shall not cause the Company to be required to register as an “investment company” under the Investment Company Act, (v) such issuance of Units shall not cause the underlying assets of the Company to be deemed “plan assets” as defined under and pursuant to the Plan Asset Regulation or constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, and (vi) such additional Member shall not be a Competitor or a Sanctioned Person.

Upon the admission of a new Member, the Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to amend and update the Register of Members to reflect the addition of such new Member. Any duly admitted new Member shall be considered a “Member” for all purposes of this Agreement and the Act. Notwithstanding the requirement that additional Members execute a Joinder Agreement, this Agreement shall bind all holders of Units, regardless of whether any such holder executes this Agreement or a Joinder Agreement, and by acceptance of Units each holder agrees to be so bound.

#### 4.3 Member Meetings.

(a) *Meetings.* Meetings of the Members may be called for any purpose at any time by the Board or by Members who collectively own or hold at least twenty-five percent (25.0%) of the issued and outstanding Class A Units (determined as of the time that such meeting is called). Anything in this Agreement to the contrary notwithstanding, no regular, special or other meetings of the Members are required to be held.

(b) *Place of Meetings.* Member meetings may be held (i) at any place within or outside the State of Delaware designated by the Board or the Members calling any such meeting, and/or (ii) if the Board or the Members calling any such meeting so determine, by means of remote communication in accordance with Section 4.3(k). In the absence of any other designation by the Board or the Members calling any such meeting, Member meetings shall be held at the Principal Office.

(c) *Notice of Meetings.* Not less than five (5) Business Days prior to any Member meeting, notice of the place, if any, the purpose and the date and time of such meeting shall be delivered by the Secretary to each Member entitled to vote at such meeting in accordance with Section 17.5. Presence of a Member (in person or by duly authorized proxy) at a meeting shall constitute waiver of notice by such Member, except where a Member (in person or by duly authorized proxy) participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened and does not at such meeting vote for or assent to action taken at such meeting.

(d) *Quorum.* The holders of more than fifty percent (50.0%) of the aggregate voting power of the then-issued and outstanding Units entitled to vote on a matter to be presented at a Member meeting, either present in person or represented by proxy, shall constitute a quorum with respect to action on such matter, and action may be taken with respect to any matter presented at the meeting only if a quorum exists with respect to such matter.

(e) *Voting.* Every Member entitled to vote its Units on any matter to be presented at a Member meeting shall be entitled, with respect to such matter, to one (1) vote for each such Unit held of record by such Member on the record date designated for such meeting. Whenever any action is to be taken with respect to any matter by vote of the Members, such action shall be authorized by the affirmative vote of holders of a majority of the aggregate voting power of the then-issued and outstanding Units entitled

to vote on such matter, unless the express provisions of this Agreement require a different vote (including any provision of this Agreement that requires any matter to be approved by the Majority Members or the Super-Majority Members), in which case such express provisions shall govern and control.

(f) *Adjournment.* Notwithstanding any other provision of this Agreement, if a quorum is not present at any Member meeting, such meeting may be adjourned by announcement of the chairperson of the meeting or by affirmative vote of the holders of a majority of the aggregate voting power of the Units that are present in person or represented by proxy at such meeting and are entitled to vote on one or more matters to be presented at such meeting. Notice of an adjournment need not be given to the Members if the time and place of the adjourned meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, any business may be transacted which might have been transacted at the original meeting. However, if the adjournment is for more than thirty (30) days from the date of the original meeting, or if after the adjournment a new record date is fixed for the adjourned meeting, a new notice of the adjourned meeting shall be given in accordance with Section 4.3(c) to each Member of record entitled to vote at such adjourned meeting.

(g) *Record Date.* Unless otherwise determined by the Board, the date on which notice of a Member meeting is first sent shall be the record date for the determination of the Members entitled to notice of or to vote at such meeting (including any adjournment thereof). The record date for determining Members entitled to express consent to action in writing without a meeting shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Company.

(h) *Proxies.* Each Member may authorize another Person or Persons to act for him, her or it by proxy by an instrument executed in writing and delivered to the Company in accordance with Section 17.5 before or at the time of the meeting or execution of a written consent, as the case may be. Should a proxy designate two or more Persons to act as proxies, unless that instrument shall provide to the contrary, a majority of such Persons present at any meeting at which their powers thereunder are to be exercised shall have and may exercise all the powers of voting or giving consents thereby conferred, or if only one such Person is present, then such powers may be exercised by that Person; or if an even number of such Persons attend and a majority do not agree on any particular issue, the Company shall not be required to recognize such proxy with respect to such issue if such proxy does not specify how the Units that are the subject of such proxy are to be voted with respect to such issue. The appointment of a proxy shall be effective for eleven (11) months from the date of such appointment unless a different period is expressly specified in the appointment form. A proxy may only be voted or acted upon by its holder in accordance with written instructions of the Member granting such proxy. Except as otherwise limited therein, proxies shall entitle the individuals authorized to vote at a meeting thereby to vote at any adjournment or postponement of such meeting. A proxy purporting to be executed by or on behalf of a Member shall be deemed valid unless challenged at or prior to its exercise and the burden of proving invalidity shall rest on the challenger. Subject to the above, any proxy may be

revoked if an instrument revoking it or a proxy bearing a later date is delivered to the Company in accordance with Section 17.5.

(i) *Conduct of Member Meetings.* The Chairperson or, in the Chairperson's absence, the Chief Executive Officer (or, in the Chief Executive Officer's absence, any Vice President) shall call meetings of the Members to order and act as chairperson of such meetings. In the absence of said officers, any Member entitled to vote at the meeting, or any proxy of any such Member, may call the meeting to order and a chairperson shall be elected by the affirmative vote of holders of a majority of the voting power of the Units present in person or represented by proxy and entitled to vote on any matter to be presented at such meeting. The Secretary or any Assistant Secretary or any person appointed as secretary of a meeting of the Members by the chairperson at any meeting of the Members may act as secretary of such meeting. The chairperson of any Member meeting shall determine the order of business and the procedure at such meeting, including such regulation of the manner of voting and the conduct of discussion.

(j) *Action by Written Consent.* Notwithstanding anything contained in this Agreement to the contrary, any action required or permitted by applicable law to be taken at any Member meeting may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the Members that own or hold Units representing not less than the minimum voting power that would be necessary to authorize or take such action at a meeting at which all the Members entitled to vote thereon were present and voted and shall be delivered to the Company in accordance with Section 17.5. An action by written consent of the Members shall become effective as of the time the last written consent necessary to effect the contemplated action is received by the Company, unless all consents necessary to effect the contemplated action specify a later time, in which case the later time shall be the effective time of such action. Prompt notice (and in any event within five (5) Business Days after receipt of the written consent by the Company) of the taking of Member action without a meeting by less than unanimous written consent shall be given by the Company to those Members who have not consented in writing and were entitled to vote on the matters that were the subject of such action. Without limiting the foregoing, any provision of this Agreement that requires any matter to be approved by, or permits any action to be taken by, the Majority Members or the Super-Majority Members may be approved or taken by such applicable Members by written consent.

(k) *Meetings by Remote Communication.* One or more, or all, Members may participate in any meeting of the Members through the use of any means of remote communication by which all Persons participating can hear each other at the same time. Any Member participating in a meeting by any such means of remote communication is deemed to be present in person at such meeting, except as set forth in Section 4.3(c).

#### 4.4 Authority of the Members.

(a) Notwithstanding Section 18-402 of the Act, except as expressly authorized in writing by the Board or this Agreement (including Article 7 hereof), no Member, nor any officer, employee or agent of any Member, as such, shall have the authority or power

to manage the Company or to act for the Company for any purpose, or to engage in any transaction, make any commitment, enter into any contract or incur any obligation or responsibility (whether as principal, surety or agent) on behalf of, or in the name of, the Company, or bind the Company, or hold itself out to any third party as acting for or on behalf of the Company, all such powers being vested in the Board. To the fullest extent permitted by applicable law, any attempted action in contravention of this Section 4.4 shall be null and void *ab initio* and not binding upon the Company. The Company shall not be responsible or liable for any indebtedness or obligation (including any legal and other professional fees or disbursements) of any Member incurred or arising either before, on or after the Effective Date, except as provided in Article 8.

(b) Except (i) pursuant to a duly authorized proxy in accordance with Section 4.3(h), and (ii) as set forth in Section 9.3, no Member shall have any authority to bind, to act for, to execute any document or instrument on behalf of or to assume any obligation or responsibility on behalf of, any other Member. No Member shall, by virtue of being a Member, be responsible or liable for any indebtedness or obligation of any other Member incurred or arising either before, on or after the Effective Date.

4.5 Limitation on Liability. Except as otherwise provided by applicable law, the debts, obligations and liabilities of the Company, whether arising under contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Covered Person shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Covered Person. The immediately preceding sentence shall constitute a compromise to which all the Members have consented within the meaning of the Act. Notwithstanding anything contained herein to the contrary, the failure of the Company to observe any formalities or requirements relating to the exercise of its powers or management of its business and affairs under this Agreement or the Act shall not be grounds for imposing personal liability on a Covered Person.

4.6 AI Questionnaire. If any Member that is an Accredited Investor on the date on which such Member became a party to this Agreement shall thereafter cease to be an Accredited Investor, then such Member shall promptly (but in any event no later than ten (10) Business Days after the date on which such Member ceased to be an Accredited Investor) inform the Company in writing of such fact. In addition, the Company shall have the right, at any time and from time to time, to request that any Member complete, execute and deliver to the Company an AI Questionnaire. The Company shall make any such request in writing delivered to the applicable Member in accordance with Section 17.5. If any Member receives any such request, then such Member shall promptly (but in any event no later than ten (10) Business Days after the date on which such Member receives such written request) complete, execute and deliver to the Company an AI Questionnaire. Nothing in this Section 4.6 shall amend, alter or otherwise modify the restriction against Transferring Units to any Person that is not an Accredited Investor pursuant to Section 9.1(a)(vii).

4.7 Beneficial Ownership Reporting. The Members agree to cooperate in a commercially reasonable manner in connection with the compliance by the Company or any of its Subsidiaries with all applicable BOI Laws, including making any adjustments and/or amendments to this Section 4.7 that may be reasonably necessary or appropriate in consideration

of additional guidance issued by FinCEN or any other Governmental Authority in respect of the implementation of BOI Laws. Without limitation of the preceding sentence:

(a) The Board shall make or cause to be made any beneficial ownership or related filings or reports (“BOI Reports”) required pursuant to any BOI Laws for the Company or any of its Subsidiaries. The Board shall be entitled to rely on the Member Beneficial Ownership Information provided by the Member(s) pursuant to clause (b) (if any). Each Member shall be entitled to review the portion of the BOI Report (or a summary thereof) of the Company or any of its Subsidiaries that relates to such Member upon reasonable request made at least fifteen (15) days before such BOI Report is due; provided, that a Member’s entitlement to review the portion of the BOI Report relating to such Member will be limited if such review would result in a delay in the filing of the BOI Report beyond its due date. For the avoidance of doubt, the Board (which may delegate the completion of any reporting requirements) shall make the final determination regarding the reporting requirements applicable to the Company and its Subsidiaries under BOI Laws, including the applicability of reporting under the BOI Laws to the Company and its Subsidiaries, the application of an exemption from such reporting for the Company or any of its Subsidiaries, the timing for filing a BOI Report, the contents of a BOI Report, and the need to update any BOI Report.

(b) Each Member shall be responsible for (i) initially determining whether there are any reportable “beneficial owners” under any applicable BOI Laws in respect of the Company or any of its Subsidiaries as a result of such Member’s direct or indirect ownership and/or control of the Company or any such Subsidiary, (ii) providing “FinCEN identifiers” and such other identifying information in each case to the extent such information is required to comply with any applicable BOI Laws (the “Member Beneficial Ownership Information”) in respect of any such beneficial owners to the Company and the Board as is needed to enable the Company or any of its Subsidiaries to timely comply with its disclosure obligations under any applicable BOI Laws, and (iii) promptly responding to any information and other requests by the Company or the Board in connection with the Company’s or any of its Subsidiaries’ compliance with all applicable BOI Laws, including the Board’s independent assessment to identify reportable beneficial owners under applicable BOI Laws. Each Member further represents, warrants and agrees that (x) within a reasonable time after a request by the Company, but no later than five (5) Business Days after the Company makes such request, it will provide the Company and the Board with all of such Member’s applicable Member Beneficial Ownership Information; provided, that if the Company requires a response within five (5) Business Days of such request, then the Company will provide notice to such Member in such request and such Member will use commercially reasonable efforts to provide the requested Member Beneficial Ownership Information within the timeframe set forth in such request, (y) it will notify the Company and the Board promptly of any updates to or changes to any of its Member Beneficial Ownership Information that would reasonably be expected to require an updated BOI Report in respect of the Company or any of its Subsidiaries under any applicable BOI Laws, and (z) it will use reasonable efforts to ensure that any filings or profiles associated with any Member Beneficial Ownership Information that it has provided in connection with the application for a “FinCEN identifier” will be kept current as and to the extent required by

any applicable BOI Laws. Each Member authorizes the disclosure by the Company or any of its Subsidiaries of its Member Beneficial Ownership Information provided pursuant to this clause (b) to the extent necessary to comply with any applicable BOI Laws and in reasonable coordination with such Member.

(c) To the extent legally permissible and reasonably practicable, the Members shall keep the Company promptly informed of each notice or other communication received from FinCEN or any other Governmental Authority concerning any BOI Reports relating to the Company and/or any of its Subsidiaries, and shall consult in a reasonable manner with the Company prior to communicating with FinCEN or any other Governmental Authority concerning any BOI Reports or compliance with any applicable BOI Laws by the Company and/or any of its Subsidiaries.

(d) Each Member agrees, severally and not jointly, to indemnify and hold harmless the Company, its Subsidiaries, the Board and the other Members from and against any and all liability, damage, cost or expense (including reasonable attorneys' fees) incurred by them that directly results from any default by such Member in its representations, warranties and agreements under this Section 4.7.

## ARTICLE 5 CAPITAL STRUCTURE

5.1 Units. All of the Interests shall be issued in unit increments (each, a "Unit" and, collectively, the "Units"). The Units shall initially be divided into the following classes: (a) Class A Voting Common Units (the "Class A Units") and (b) Class B Limited-Voting Common Units (the "Class B Units"). The rights and privileges associated with the Units are as set forth in this Agreement and, in the case of the Class B Units, in any applicable Management Incentive Plan and Award Agreement. References herein to any class or series of Units shall apply to limited liability company interests or other Equity Interests of the Company issued to Members in respect of, in exchange for, or in substitution of, such class or series of Units by reason of any reorganization, recapitalization, reclassification, merger, consolidation, spin-off, partial or complete liquidation, split-up, sale of assets, distribution to unitholders or combination of such class or series of Units or any other change in the Company's capital structure (including shares or interests of a surviving corporation or other Entity or successor into which units or interests of the Company are exchanged).

### 5.2 Issuance of Units.

(a) Effective as of the Effective Date, each of the Existing Common Units that were issued by the Company to the recipients thereof as set forth in the Plan of Reorganization are hereby reclassified as one (1) Class A Unit (the "Unit Reclassification") such that, effective as of the Effective Date immediately following the Unit Reclassification, there are [~~•~~10,000,000] Class A Units issued and outstanding, all of which are duly authorized and validly issued, fully paid and non-assessable, and free and clear of any Liens, other than Permitted Liens and Liens created by the applicable Member. Except for the [~~•~~10,000,000] Class A Units referred to in the immediately preceding sentence, no other Units or Interests, or options, warrants or other securities

that are convertible into, or exchangeable or exercisable for, Units or Interests shall be issued or outstanding on, or immediately after, the Effective Date after giving effect to the consummation of the Restructuring Transactions to occur on or as of the Effective Date and the consummation of the Unit Reclassification.

(b) Subject to compliance with its obligations under Section 9.6 hereof (to the extent applicable), the Board may from time to time cause the Company to authorize, create and/or issue additional Units (of existing or new classes or series) or other equity or equity-based securities of the Company (including creating additional classes or series thereof having such ranking, powers, designations, preferences, rights and obligations as may be determined by the Board in its sole discretion, including ranking, powers, preferences, rights and obligations different from, senior or junior to or more or less favorable than existing classes or series of Units or other equity or equity-based securities of the Company). Such Units or other equity or equity-based securities may be issued for any amount and form of consideration as the Board may determine, including cash or other property, tangible or intangible, received or to be received by the Company or any of its Subsidiaries, or services rendered or to be rendered to the Company or any of its Subsidiaries. In connection with the foregoing, the Board shall have the power to make such amendments or modifications to this Agreement (including any amendment and restatement of this Agreement) in order to provide for such additional Units or equity or equity-based securities (including any Class B Units), and such ranking, powers, designations, preferences, rights and obligations as the Board in its discretion deems necessary or appropriate to give effect to such authorization, creation and/or issuance (including amending this Agreement to incorporate the terms of such class or series of Units or other equity or equity-based securities of the Company, including economic and governance rights which may be different from, senior or junior to or more or less favorable than the other existing classes or series of Units or other equity or equity-based securities of the Company), all without further vote or action of the Members; provided, however, that if any such amendments or modifications would otherwise require any vote or consent pursuant to any of clauses (i)-(vi) of Section 14.1(a) (other than immaterial amendments or modifications), then such vote or consent shall be obtained as a condition to any such amendment or modification.

(c) The Class B Units may be issued from time to time by the Company pursuant to grants to Management Holders under the terms of any Management Incentive Plan; provided, that no Units other than Class B Units can be designated as incentives under any Management Incentive Plan. In addition to the terms and conditions set forth in this Agreement that are applicable to the Class B Units, the Class B Units shall be subject to all of the terms and conditions set forth in any applicable Management Incentive Plan and/or Award Agreement, including any terms relating to vesting and forfeiture, repurchase or redemption rights of the Company and restrictions on Transfer. The Members and the Company agree that in the event of any conflict or inconsistency between the terms of any Management Incentive Plan or any Award Agreement and this Agreement, the terms of this Agreement shall control; provided, however, that any Management Incentive Plan or any Award Agreement may impose greater restrictions on,

and/or grant lesser rights to, the Class B Units and the holders thereof than the restrictions and rights set forth in this Agreement.

5.3 Certificated Units. If the Board so elects, the Units shall be certificated in such form as the Board may from time to time determine; provided, however, that the Class A Units that are issued and outstanding on the Effective Date (after giving effect to the Unit Reclassification) shall not be certificated. Such certificates shall be signed by any two (2) authorized officers of the Company, and may, but need not, be sealed with the seal of the Company. Any or all of the signatures on the certificate may be by facsimile or electronic signature. In case any officer of the Company who shall have signed, or whose facsimile or electronic signature shall have been placed on, any certificate evidencing Units shall cease for any reason to be such officer before such certificate shall have been issued or delivered by the Company, such certificate may nevertheless be issued and delivered by the Company as though the person who signed such certificate, or whose facsimile or electronic signature shall have been placed thereon, had not ceased to be such officer of the Company.

#### 5.4 Voting Rights.

(a) Except as otherwise provided by non-waivable provisions of applicable law or this Agreement, the holders of Class A Units (in their capacity as such) shall have full voting rights and powers to vote on all matters submitted to the Members for vote, consent or approval (including the matters listed on Schedule B attached hereto), and each holder of Class A Units shall be entitled to one (1) vote for each Class A Unit held of record by such holder on any matter submitted to the Members for approval.

(b) Except as provided in Section 13.1(a), or as otherwise provided by non-waivable provisions of applicable law, the holders of Class B Units (in their capacity as such) shall have no right to vote on any matter submitted to the Members for vote, consent or approval, and the Class B Units shall not be included in determining the number of Units voting or entitled to vote on such matters (including for purposes of determining whether a quorum is present at any meeting of the Members or whether the requisite number of Member consents have been received for purposes of determining whether an action has been properly authorized by written consent of the Members).

(c) Except as this Agreement expressly provides otherwise or as otherwise expressly provided by non-waivable provisions of applicable law, no holders of Units shall be entitled to any voting rights, and any action which would otherwise be subject to the vote or consent of Members under the Act may be taken by the Company by approval of the Board.

5.5 Record. The Company shall keep and maintain, or cause to be kept and maintained, a record of the name of each Person holding Units, the class or series and number of Units held by each such Person, any Transfer thereof and, in case any Unit is represented by a certificate and such certificate is cancelled, the date of cancellation thereof. Unless otherwise determined by the Board, the Register of Members shall serve as such record. The Person in whose name Units are registered on the Register of Members or such other record as determined

by the Board shall be deemed the owner thereof, and thus a holder of record of such Units, for all purposes as regards the Company.

5.6 No Appraisal Rights. The Members agree that no appraisal rights, dissenter's rights or other similar rights shall be available with respect to the Units, and waive all such rights in connection with any amendment of this Agreement or the Certificate of Formation, any merger or consolidation in which the Company is a constituent party, any conversion of the Company to another business form, any division of the Company into two or more other Entities, any transfer to or domestication in any jurisdiction by the Company, the sale of all or substantially all of the Company's assets or otherwise.

5.7 Lost, Destroyed or Mutilated Certificates. Upon receipt of evidence reasonably satisfactory to the Company (an affidavit of the registered holder in customary form will be satisfactory) of the ownership and the loss, theft, destruction or mutilation of any certificate evidencing Units, and in the case of any such loss, theft or destruction upon receipt of indemnity reasonably satisfactory to the Company, or, in the case of any such mutilation upon surrender of such certificate, the Company will (at its expense) execute and deliver in lieu of such certificate a new certificate of like kind representing the number of Units represented by such lost, stolen, destroyed or mutilated certificate and dated the date of such lost, stolen, destroyed or mutilated certificate.

5.8 Creditor Relationships. Anything in this Agreement to the contrary notwithstanding (including Section 6.18), the Company and each of the Members hereby agree and acknowledge that certain Members and/or their Affiliates are also holders of indebtedness and debt securities of, and guarantees thereof by, the Company and its Subsidiaries (collectively, "Indebtedness"), and in such capacity may have interests that are divergent from the Company, its Subsidiaries and/or the other Members, and, that, to the fullest extent permitted by law, under no circumstances will any such Member or any such Affiliate be prohibited from taking any action or enforcing any right entitled to it under the terms of the documentation relating to or governing the Indebtedness held by such Member or such Affiliate or to which it is entitled under law. To the fullest extent permitted by law, no holder of Indebtedness shall be liable to the Company, any of its Subsidiaries or the other Members for breach of this Agreement or any fiduciary duty by reason of any such activities of such holder, including exercising any rights of such holder under documentation relating to or governing such Indebtedness or to which such holder may be entitled under law, and the Company and each Member hereby irrevocably waive any and all rights to claim any such actions are a breach of this Agreement or the fiduciary duties (if any) of such holder. In addition, any holder of Indebtedness, in exercising its rights as a lender or creditor of the Company or any of its Subsidiaries, including making its decision on whether to foreclose on any collateral security, will have no duty to consider (a) its status or the status of any of its Affiliates as a Member, (b) the interests of the Company, any of its Subsidiaries or any of the Members, or (c) any duty it may have to any other Member, except as may be required under the applicable financing documents relating to such Indebtedness.

## ARTICLE 6 MANAGEMENT; OPERATION OF THE COMPANY BUSINESS

## 6.1 Management of the Company.

(a) Subject to the terms and conditions of this Agreement, the business and affairs of the Company shall be managed by the board of managers of the Company (the “Board”), which shall direct, manage and control the business of the Company. Except where the approval of the Members (including the Majority Members or the Super-Majority Members) is expressly required by this Agreement or by non-waivable provisions of applicable law, the Board shall have full and complete authority, power and discretion to manage and control the business, affairs and properties of the Company, to make all decisions regarding those matters and to perform any and all other acts or activities customary or incident to the management of the Company’s business. The enumeration of powers in this Agreement shall not limit the general or implied powers of the Board or any additional powers provided by applicable law. Each Manager shall possess and may enjoy and exercise all of the rights and powers of a “manager” as provided in the Act, and each Manager shall be a “manager” as provided in the Act; provided, however, that (i) no individual Manager shall have the authority to act for or bind the Company without the requisite consent of the Board and (ii) each Manager will be subject only to the obligations, limitations and duties expressly set forth in this Agreement. Except pursuant to a duly authorized delegation of authority by the Board, no Member shall have any right, power or authority to act (as agent or otherwise) for, or to bind, the Company in any manner.

(b) Except as expressly provided for in this Agreement or expressly required by non-waivable provisions of applicable law, the Members shall not have voting rights with respect to the management of the Company and shall not be entitled to vote on or consent to or approve or disapprove actions or decisions regarding the Company.

## 6.2 Board.

(a) The Board shall consist of seven (7) Managers. Managers must be natural persons at least eighteen (18) years of age but need not be Members, residents of the State of Delaware or citizens of the United States.

(b) The Board shall be comprised of the following individuals:

(i) for so long as the HG Vora Members collectively own or hold fifteen percent (15.0%) or more of the issued and outstanding Class A Units, one (1) Manager designated by the HG Vora Members;

(ii) one (1) Manager designated by each Specified Member that owns or holds (together with its Affiliates) twenty percent (20.0%) or more of the issued and outstanding Class A Units, but only for so long as such Specified Member owns or holds (together with its Affiliates) fifteen percent (15.0%) or more of the issued and outstanding Class A Units; provided, that no Specified Member shall be permitted to designate a Manager pursuant to this clause (ii) prior to the one year anniversary of the Effective Date (the “Trigger Date”);

(iii) the following number of individuals elected by vote of Members holding a plurality of the votes of the Class A Units present in person or represented by proxy at a meeting of Members held for purposes of electing any such individual as a Manager (or by the Majority Members acting by written consent): six (6) minus the total number of Designation Rights in effect as of the time of determination; and

(iv) one (1) Manager who shall be the individual serving as the Chief Executive Officer of ~~PSP Midco, LLC~~ (“PSP Midco” and such Manager, the “CEO Manager”).

(c) No Member, together with its Affiliates, shall be entitled to more than one (1) Designation Right at any time (it being understood that if the HG Vora Members have a Designation Right under Section 6.2(b)(i) as of a particular time, then the HG Vora Members shall not be entitled to a Designation Right under Section 6.2(b)(ii) as of such time). If any Specified Member obtains a Designation Right under Section 6.2(b)(ii) (a “Springing Designation Right”) prior to the Trigger Date, then such Specified Member shall not be entitled to exercise such Springing Designation Right, and such Springing Designation Right shall not be in effect, until the Trigger Date and only if such Specified Member continues to own or hold (together with its Affiliates) fifteen percent (15.0%) or more of the issued and outstanding Class A Units as of the Trigger Date. A Springing Designation Right of a Designating Group may only be exercised at any time by the Designating Members in such Designating Group that own or hold a majority of the Class A Units owned or held by all of the Designating Members in such Designating Group at such time.

(d) The Designation Right of any Specified Member shall terminate if such Specified Member owns or holds (together with its Affiliates) less than fifteen percent (15.0%) of the issued and outstanding Class A Units at any time after such Specified Member obtains such Designation Right. The termination of the HG Vora Members’ Designation Right as set forth in Section 6.2(b)(i) shall be permanent upon the occurrence of such termination and shall not be reversed if the HG Vora Members shall thereafter own or hold fifteen percent (15.0%) or more of the issued and outstanding Class A Units; provided, that the foregoing shall not prevent the HG Vora Members from obtaining a Springing Designation Right at any time after any such termination. The termination of any Designating Group’s Designation Right shall not adversely affect the Designation Right of any other Designating Group. Anything herein to the contrary notwithstanding, if Additional Securities are issued or sold to an Accelerated Acquirer pursuant to Section 9.6(d), then the determination as to whether a Designating Group’s Designation Right is terminated shall not be made until after the consummation of the related process of offering and, if applicable, issuing or selling Additional Securities to Preemptive Members pursuant to Section 9.6(d).

(e) With respect to (i) any designation of a Manager by a Designating Group pursuant to the Designation Right of such Designating Group (including any such designation made pursuant to a Springing Designation Right from and after the Trigger Date or made following the removal of a Manager made by such Designating Group

pursuant to Section 6.12) or (ii) any removal of a Manager from the Board that was previously designated by a Designating Group pursuant to the Designation Right of such Designating Group which removal is made by such Designating Group pursuant to Section 6.12, the applicable Designating Group shall execute and deliver to the Company a written notice (a “Designation Notice”) and such Designation Notice shall (A)(1) identify the individual that such Designating Group is designating or (2) specify the identity of the Manager to be removed from the Board, (B) certify to the Company that the Person(s) executing and delivering such Designation Notice own(s) or hold(s) a majority of the Class A Units owned or held by all of the Persons included within such Designating Group, and (C) include such additional information such that the Company can reasonably conclude that the certification in clause (B) is accurate (including the names of each Member included in such Designating Group and the number of Class A Units owned or held by each such Member). The Company shall confirm, based on the information set forth in the Register of Members that the Person(s) executing and delivering such Designation Notice own(s) or hold(s) a majority of the Class A Units owned or held by all of the Persons included within the applicable Designating Group. If the Company confirms that a Designation Notice has been executed and delivered by the Person(s) that own(s) or hold(s) a majority of the Class A Units owned or held by all of the Persons included within the applicable Designating Group, then the designation and/or removal specified in such Designation Notice shall be automatically effective, without a need for any action on the part of or notice to any Member or other Person, and the Company shall deliver notice thereof to the Members. If the Company confirms that a Designation Notice has not been executed and delivered by the Person(s) that own(s) or hold(s) a majority of the Class A Units owned or held by all of the Persons included within the applicable Designating Group, then such Designation Notice shall be deemed void and invalid.

(f) The Designation Right of a Designating Group shall not be assignable or transferable to any Person.

(g) The Chairperson shall be a Manager appointed, removed and/or replaced from time to time by a vote of the Board. ~~The; provided that the initial~~ Chairperson ~~as of the Effective Date~~ shall be ~~[●]~~ selected by the Majority Members.

(h) Each of the Managers (including any Manager designated or elected to fill any vacancy on the Board) shall be an Independent Manager. Notwithstanding the foregoing, a Manager may be an individual who is employed by any Member or any of its Affiliates at the time such individual is designated or elected to be a Manager or at any time six (6) months prior to such time (any such Member, an “Interested Member”) if the designation or election of such individual to be a Manager is approved by the Members (excluding each of the Interested Members) (the “Disinterested Members”) who collectively own or hold at least 66-2/3% of the issued and outstanding Class A Units owned or held by all Disinterested Members as of such time.

(i) None of the Members, and no officer, director, manager, stockholder, partner, member, employee or agent of any Member, makes any representation or warranty as to the fitness or competence of the designee of any party hereunder to serve

as a member on the Board (or any committee thereof) or any Subsidiary Governing Body by virtue of being a party to this Agreement.

(j) Each Manager shall execute and deliver a confidentiality agreement that is acceptable to the Board (which may be in the form of an acknowledgment by a Manager that he or she is bound by and subject to the obligations of confidentiality and disclosure set forth in Article 18 of this Agreement as if such obligations applied to such Manager).

(k) There shall be no cumulative voting for Managers, and the Board shall not be staggered or classified.

6.3 Regular Meetings. Regular meetings of the Board shall be held at such time or times and with such frequencies as may be determined by the Board.

6.4 Special Meetings. Special meetings of the Board may be called from time to time by (a) the Chairperson or (b) any two (2) Managers.

6.5 Place of Meetings. Any meeting of the Board may be held at such place or places as shall from time to time be determined by the Board and as shall be designated in the notice of the meeting. If no other place is designated in the notice of the meeting, such meeting shall be held at the Principal Office.

6.6 Notice of Meetings. Notwithstanding Section 17.5, notice of each meeting of the Board, whether regular or special, shall be given to each Manager (unless such notice is waived by such Manager as provided in Section 6.10) (a) if such notice is sent by overnight delivery, at least two (2) Business Days prior to such meeting or, (b) if such notice is sent by electronic mail, at least one (1) day prior to such meeting; provided, however, if a special meeting of the Board is being called due to exigent circumstances, as reasonably determined by the Chairperson or the Managers calling such meeting, then notice of such meeting may be provided to each Manager (unless such notice is waived by such Manager as provided in Section 6.10) by electronic mail at least twelve (12) hours prior to such meeting. Any such notice shall be sent to each Manager at such Manager's usual or last known business or residence address or electronic mail address, as applicable. The notice shall state the date, time and location (if such location is not the Principal Office) of the meeting, but need not state the purposes of such meeting.

6.7 Meetings by Remote Communication. One or more, or all, members of the Board or any committee designated by the Board may participate in a meeting of the Board or such committee through the use of any means of remote communication by which all persons participating can hear each other at the same time or by any other means permitted by the Act. Any Manager or committee member participating in a meeting by any such means of remote communication or by any such other means permitted by the Act is deemed to be present in person at such meeting, except as set forth in Section 6.10.

6.8 Quorum; Acts of Managers. A quorum for any meeting of the Board will require the attendance of Managers with a majority of the votes of all Managers then in office. The vote of a majority of the votes of all of the Managers present and entitled to vote at a meeting of the Board at which a quorum is present shall be the act of the Board, unless the express provisions of this Agreement (including Sections 6.18 and 6.19) or applicable non-waivable law require a

different vote, in which case such express provisions shall govern and control. In the absence of a quorum at any meeting of the Board, a majority of the votes of the Managers present and entitled to vote may adjourn the meeting from time to time without further notice, other than announcement at the meeting, until a quorum shall be present. Each Manager shall have one (1) vote on all matters submitted to the Board for the vote, consent or approval of the Board (other than matters for which such Manager is not entitled to vote, as expressly set forth in this Agreement). Decisions of the Board shall be decisions of the “manager” for all purposes of the Act.

6.9 Organization, Agenda and Procedures. The Chairperson, if any, shall preside over the meetings of the Board; provided, however, if there shall not be a Chairperson or if the Chairperson shall not be present at a meeting of the Board or shall refuse to preside over a meeting of the Board, then the Managers with a majority of the votes of all Managers that are present at such meeting shall choose a chairperson to preside over such meeting. The Secretary, any Assistant Secretary, or any other person appointed as secretary of a meeting of the Board by the Chairperson or any such other chairperson of such meeting shall act as secretary of each meeting of the Board. The agenda of and procedure for such meetings shall be as determined by the Chairperson or any such other chairperson of such meeting.

6.10 Waiver of Notice. A Manager may waive any notice of a meeting of the Board, whether before or after the date or time stated in the notice as the date or time when any action will occur or has occurred. Any such waiver shall be in writing, be signed by the Manager entitled to the notice, and be delivered to the Company in accordance with Section 17.5, but such delivery shall not be a condition of the effectiveness of the waiver. Attendance or participation by a Manager at a meeting of the Board, (a) shall be deemed a waiver of objection to lack of required notice or defective notice of the meeting, unless the Manager, at the beginning of the meeting or promptly upon his or her later arrival, expressly objects to holding the meeting or transacting business at the meeting because of lack of notice or defective notice, and does not thereafter vote for or assent to action taken at the meeting, and (b) shall be deemed a waiver of objection to consideration of a particular matter at the meeting, unless the Manager expressly objects to considering the matter when it is presented and does not thereafter vote for or assent to action taken at the meeting with respect to such matter.

6.11 Managers’ Action By Written Consent. Any action required or permitted to be taken at any meeting of the Board, or any committee thereof, may be taken without a meeting, without prior notice and without a vote if all members of the Board or any such committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board or any such committee. Unless the Managers or committee members (as the case may be) specify a different effective time in such written consent, a written consent of the Board or any committee thereof, with respect to an action of the Board or such committee, shall become effective when the written consent to such action has been signed (and not revoked) by all then-serving Managers or committee members (as the case may be) and delivered to the Company in accordance with Section 17.5, unless before such time the Company has received a written revocation of the consent of any Manager or committee member (as the case may be).

## 6.12 Removal.

(a) If at any time the Designation Right of any Designating Group terminates, then the Holder Manager previously designated by such Designating Group pursuant to such Designation Right shall be automatically removed from the Board at the request of the Majority Members delivered to the Company in accordance with Section 17.5 or shall be removed from the Board in connection with the exercise of a Springing Designation Right (as further described in Section 6.12(c)).

(b) Except for the removal of a Holder Manager at the request of the Majority Members on account of the termination of a Designation Right (which removal shall be automatic at the time request is delivered by the Majority Members to the Company in accordance with Section 17.5) or the removal of a Holder Manager in connection with the exercise of a Springing Designation Right (as further described in Section 6.12(c)), the Designating Group holding a Designation Right shall have the exclusive right to remove, whether with or without cause, any Holder Manager designated by such Designating Group pursuant to such Designation Right (but not any other Manager).

(c) If any Specified Member obtains a Springing Designation Right and elects to exercise such Springing Designation Right (any such Specified Member, an “Exercising Member”), then such Exercising Member shall deliver written notice of such exercise (an “Exercise Notice”) to the Company (whereupon the Company shall promptly notify all Members (other than the Exercising Member and its Affiliates) that own or hold Class A Units (the “Non-Exercising Members”) of such exercise); provided, that such Exercising Member shall not be entitled to deliver any such Exercise Notice until after the Trigger Date. If an Exercise Notice is delivered to the Company after the Trigger Date, then the Non-Exercising Members who collectively own or hold greater than fifty percent (50.0%) of the issued and outstanding Class A Units owned or held by all Non-Exercising Members as of the time of such delivery shall select a Manager to be removed from the Board. If the Non-Exercising Members fail to select a Manager to be removed from the Board within forty-five (45) days after the date on which the Exercise Notice was delivered to the Company, then the Exercising Member shall have the right to select a Manager to be removed from the Board (which removal shall occur automatically upon notice thereof being delivered by the Exercising Member to the Company in accordance with Section 17.5). Notwithstanding the foregoing, (i) none of the following Managers may be removed from the Board in connection with the exercise of a Springing Designation Right: (A) any Manager that was designated pursuant to a Designation Right and such Designation Right is then in effect, or (B) the CEO Manager; and (ii) no Manager may be removed from the Board in connection with the exercise of a Springing Designation Right (A) if there is a vacancy on the Board at the time of the proposed removal and such vacancy was not created as a result of (x) a Manager that was designated pursuant to a Designation Right ceasing to serve on the Board and such Designation Right is then in effect or (y) the CEO Manager ceasing to serve on the Board, and (B) unless the Exercising Member has designated an individual to serve as a Manager immediately following the removal of such Manager proposed to be removed

(which designation shall be made in the Exercise Notice delivered by such Exercising Member or may be made in a Designation Notice delivered by such Exercising Member).

(d) Any Manager that is not designated pursuant to a Designation Right (other than the CEO Manager) may be removed, with or without cause, by the Majority Members at the time of such removal. If for any reason the individual serving as the Chief Executive Officer ~~of PSP Midco~~ shall cease to serve as the Chief Executive Officer ~~of PSP Midco~~ (whether from termination, resignation, death, disability or otherwise), then such individual shall be automatically removed as the CEO Manager.

6.13 Resignation. Any Manager may resign at any time by giving written notice of such Manager's resignation to the Company in accordance with Section 17.5. Such resignation shall take effect on the date of delivery of such notice or at any later time specified therein and, unless otherwise specified therein, the acceptance of such resignation by the Company shall not be necessary to make it effective.

#### 6.14 Vacancies.

(a) Except for any Specified Vacancy, any vacancy on the Board resulting from the resignation or removal of a Holder Manager, or resulting from a Holder Manager becoming unable to serve as a result of death, disability or otherwise, shall be filled by the Designating Group that holds the Designation Right pursuant to which such Holder Manager was designated to be a Manager.

(b) Any vacancy on the Board resulting from the resignation or removal of any Manager that is not designated pursuant to a Designation Right (other than the CEO Manager or the resignation or removal of a Manager in connection with the exercise of a Springing Designation Right), or resulting from any such Manager becoming unable to serve as a result of death, disability or otherwise, shall be filled by vote of Members holding a plurality of the votes of the Class A Units present in person or represented by proxy at a meeting of Members held for purposes of filling such vacancy (or by the Majority Members acting by written consent); provided, that such vacancy may also be filled by an Exercising Member in connection with the exercise of a Springing Designation Right.

(c) Any Specified Vacancy shall be filled by vote of Members holding a plurality of the votes of the Class A Units present in person or represented by proxy at a meeting of Members held for purposes of filling such vacancy (or by the Majority Members acting by written consent); provided, that such Specified Vacancy may also be filled by an Exercising Member in connection with the exercise of a Springing Designation Right.

(d) Any vacancy on the Board resulting from the removal of a Manager in connection with the exercise of a Springing Designation Right shall be filled with an individual selected by the Exercising Member exercising such Springing Designation Right (which individual shall be identified in the Exercise Notice delivered by such Exercising Member or in a Designation Notice delivered by such Exercising Member).

(e) Any vacancy on the Board resulting from the failure of the Members to fill a seat on the Board on the Effective Date shall be filled after the Effective Date by vote of Members holding a plurality of the votes of the Class A Units present in person or represented by proxy at a meeting of Members held for purposes of filling such vacancy (or by the Majority Members acting by written consent); provided, that such vacancy may also be filled by an Exercising Member in connection with the exercise of a Springing Designation Right.

(f) Any vacancy on the Board resulting from the individual serving as the Chief Executive Officer ~~[of PSP Midco]~~ ceasing to serve as the Chief Executive Officer ~~[of PSP Midco]~~ shall be automatically filled with the individual that is the successor Chief Executive Officer ~~[of PSP Midco]~~ when such individual becomes the Chief Executive Officer ~~[of PSP Midco]~~.

6.15 Committees. The Board, by resolution or written consent, may from time to time designate from among the Managers one or more committees to exercise the powers of the Board. The Board may (and if the Board does not, a majority of the votes of the committee members may) designate a chairperson of each such committee from among its members. Each such committee, to the extent provided in such resolution or written consent, shall have and may exercise all of the authority of the Board in the management of the Company, subject to the limitations set forth in the Act and in this Agreement. Any or all members of any such committee may be removed, with or without cause, by a duly adopted resolution or written consent of the Board. Rules governing the procedures for meetings of each committee designated by the Board shall be as established by the Board from time to time (or, if the Board does not establish such procedures, as established by a majority of the votes of the committee members). For the avoidance of doubt, no committee of the Board shall be authorized to take any action that the Board could not take itself.

6.16 Compensation of Managers. Each Independent Manager shall be paid compensation from the Company, in such form (which may be in the form of cash fees and/or equity incentives granted under any Management Incentive Plan) and amount as approved by the Majority Members, for the performance of such Independent Manager's duties as a Manager or a member of any committee of the Board. Managers who are not Independent Managers shall not receive compensation from the Company for the performance of such Manager's duties as a Manager or a member of any committee of the Board. Each Manager and committee member shall be reimbursed for the reasonable and documented out-of-pocket costs and expenses incurred by such Manager or committee member in connection with the performance of such Manager's or committee member's duties as a Manager or a member of any committee of the Board (including expenses incurred in attending meetings of the Board or any committee thereof). Nothing herein contained shall be construed to preclude any Manager or committee member from serving the Company or any of its Subsidiaries in any other capacity and receiving proper compensation therefor.

6.17 Subsidiary Governing Bodies. Each Subsidiary Governing Body (other than a Subsidiary Governing Body of any Subsidiary of the Company which is (a) a limited liability company that is managed by its member(s), (b) a limited partnership that is managed by its general partner or (c) required by Law or contract to have a different composition) shall be

comprised of one or more executive employees of the Company or any of its Subsidiaries or other individuals selected by the Board that are not employees of any of the Members or any of their respective Affiliates (other than the Company or any of its Subsidiaries). The Company agrees to take all necessary and desirable actions to ensure that any such Subsidiary Governing Body does not adopt any resolutions, execute any consents, grant any approvals or take any other action, or otherwise cause or permit any such Subsidiary to do anything, that would be inconsistent with, or contrary to, any resolution, consent, approval or other action adopted, executed, granted or taken by the Board, or that would be in subversion of the rights of the Members under this Agreement or that would otherwise be a breach of this Agreement if the Company did the same.

6.18 Affiliate Transactions. Other than any Excepted Transaction, any direct or indirect transaction or series of related transactions between the Company or any of its Subsidiaries, on the one hand, and any Member who, together with its Affiliates, owns or holds five percent (5.0%) or more of the issued and outstanding Class A Units, or any Affiliate of any such Member, on the other hand (an “Affiliate Transaction”), involving aggregate payments, fundings or other consideration in excess of \$1,000,000.00 per annum shall require the approval of a majority of the votes of the Managers then in office that are disinterested with respect to such Affiliate Transaction, unless any such transaction or series of related transactions is a commercial transaction on an arm’s length basis entered into in the ordinary course of business consistent with past practice.

6.19 Required Approval of Board and Majority Members for Certain Actions. The Company shall not, and the Company shall not cause or permit any of its Subsidiaries to, take (whether by amendment, merger, consolidation, division, recapitalization or otherwise) any of the actions listed on Schedule B attached hereto without the prior approval or consent of the Board and the Majority Members. The Company shall not, and the Company shall not cause or permit any of its Subsidiaries to, make any distributions or dividends to Members that own or hold Class A Units that are not made to such Members (a) on a *pro rata* basis (based on the number of Class A Units owned or held by such Members immediately prior to any such distribution or dividend), or (b) in the same form (unless all such Members are provided with the same option as to the form of such distribution or dividend) without the prior approval of the Board and each Member that owns or holds Class A Units.

Such resignation shall take effect when the notice is delivered in accordance with Section 17.5 unless the notice specifies a later date, and acceptance of the resignation shall not be necessary to render such resignation effective unless such resignation so states. Any officer may at any time be removed by the Board. If any office becomes vacant for any reason, the vacancy may be filled by the Board. An officer appointed to fill a vacancy shall be appointed for the unexpired term of such officer's predecessor in office (if any) and shall continue in office until a successor shall be elected or appointed and shall qualify, or until such officer's earlier death, resignation or removal. The appointment of an officer shall not itself create contract rights in favor of the officer, and the removal or resignation of an officer shall not affect the officer's contract rights, if any, with the Company or the Company's contract rights, if any, with the officer.

7.3 Chairperson. The Chairperson shall preside over the meetings of the Members and the Board and have such powers and responsibilities as are incident thereto. However, the Chairperson shall not have responsibility for the day-to-day business operations of the Company. The Chairperson shall be a Manager.

The Chief Executive Officer shall also be the President of the Company.

7.5 Chief Financial Officer. The chief financial officer of the Company (the "Chief Financial Officer"), if any, shall perform such duties and shall have such powers as may from time to time be assigned to him or her by the Board or the Chief Executive Officer or as may be expressly set forth in this Agreement, and shall perform such duties and have such powers and responsibilities as are incident to the office of Chief Financial Officer. In addition, the Chief Financial Officer shall have, along with the Chief Executive Officer, responsibility for the day-to-day business operations of the Company.

7.6 Chief Operating Officer. The chief operating officer of the Company (the "Chief Operating Officer"), if any, shall perform such duties and shall have such powers as may from time to time be assigned to him or her by the Board or the Chief Executive Officer or as may be expressly set forth in this Agreement, and shall perform such duties and have such powers and responsibilities as are incident to the office of Chief Operating Officer.

7.7 Vice Presidents. The vice presidents of the Company (the "Vice Presidents"), if any, shall perform such duties and possess such powers as may from time to time be assigned to them by the Board or the Chief Executive Officer or as may be expressly set forth in this Agreement. In the absence of the Chief Executive Officer or in the event of the inability or

refusal of the Chief Executive Officer to act, the Vice President (or in the event there be more than one Vice President, the Vice Presidents in the order designated by the Board, or in the absence of any designation, then in the order of the election or appointment of the Vice Presidents) shall perform the duties of the Chief Executive Officer and when so performing shall have all the powers of and be subject to all the restrictions upon the Chief Executive Officer.

7.8 Secretary. The secretary of the Company (the “Secretary”), if any, shall perform such duties and shall have such powers as may from time to time be assigned to him or her by the Board or the Chief Executive Officer or as may be expressly set forth in this Agreement. In addition, the Treasurer shall perform such duties and have such powers as are incident to the office of Treasurer, including the duty and power to keep and be responsible for all funds and securities of the Company, to deposit funds of the Company in depositories selected in accordance with this Agreement, to disburse such funds as ordered by the Board, making proper accounts thereof, and to render as required by the Board statements of all such transactions and of the financial condition of the Company.

7.10 Assistant Secretaries and Assistant Treasurers. The assistant secretaries and assistant treasurers of the Company (the “Assistant Secretaries” and the “Assistant Treasurers”), if any, shall perform such duties as may from time to time be assigned to them by the Secretary or the Treasurer, respectively, or by the Chief Executive Officer or the Board, or as may be expressly set forth in this Agreement. In the absence, inability or refusal to act of the Secretary or the Treasurer, the Assistant Secretaries or the Assistant Treasurers, respectively, in the order designated by the Board, or in the absence of any designation, then in the order of their election or appointment, shall perform the duties and exercise the powers of the Secretary or Treasurer, as the case may be.

7.11 Salaries. Officers of the Company shall be entitled to such salaries, emoluments, compensation or reimbursement, if any, as shall be fixed or allowed from time to time by the Board or in such manner as the Board shall provide.

7.12 Borrowing. No loan shall be contracted on behalf of the Company, and no evidence of indebtedness shall be issued, endorsed or accepted in its name, unless authorized by the Board or a committee designated by the Board so to act. Such authority may be general or confined to specific instances. When so validly authorized, an officer may (a) effect loans at any time for the Company from any bank or other Entity and for such loans may execute and deliver promissory notes or other evidences of indebtedness of the Company, and (b) mortgage, pledge or otherwise encumber any real or personal property, or any interest therein, owned or held by

the Company as security for the payment of any loans or obligations (including any guarantees) of the Company, and to that end may execute and deliver for the Company such instruments as may be necessary or proper in connection with such transaction.

7.13 Checks and Endorsements. All checks, drafts or other orders for the payment of money, obligations, notes or other evidences of indebtedness, bills of lading, warehouse receipts, trade acceptances and other such instruments shall be signed or endorsed for the Company by such officers or agents of the Company as shall from time to time be determined by resolution of the Board, which resolution may provide for the use of facsimile or electronic signatures.

7.14 Deposits. All funds of the Company not otherwise employed shall be deposited from time to time to the Company's credit in such banks or other depositories as shall from time to time be determined by resolution of the Board, which resolution may specify the officers or agents of the Company who shall have the power, and the manner in which such power shall be exercised, to make such deposits and to endorse, assign and deliver for collection and deposit checks, drafts and other orders for the payment of money payable to the Company or its order.

## ARTICLE 8 EXCULPATION AND INDEMNIFICATION

### 8.1 Exculpation.

(a) Notwithstanding any other provisions of this Agreement (whether express or implied) or obligation or duty at law or in equity, to the fullest extent permitted by applicable law, no Covered Person shall be liable to any Member, the Company or any other Person (including any creditor or claimant of the Company or any of its Subsidiaries) for any losses, claims, expenses, damages or liabilities arising from any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, by a Covered Person in connection with the Company or any of its Subsidiaries, nor shall any Covered Person be liable to any Member, the Company or any other Person for any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, by any employee or other agent of the Company or any of its Subsidiaries, except to the extent that any such losses, expenses, claims, damages or liabilities, (i) in any such case, are attributable to such Covered Person's material

breach of this Agreement, and (ii) in the case of any current or former Manager or officer of the Company, (A) are attributable to such Manager's or officer's acts or omissions not in good faith, (B) are attributable to such Manager's or officer's breach of the duty of loyalty to the Members, the Company or any of its Subsidiaries, (C) arise from a transaction in which such Manager or officer derived an improper personal benefit or (D) are attributable to acts or omissions of such Manager or officer that constitute a knowing violation of law. No amendment to or repeal of this Section 8.1 shall apply to or have any effect on the liability or alleged liability of the Covered Persons for or with respect to their acts or omissions occurring prior to such amendment or repeal.

(b) In accordance with the Act and the laws of the State of Delaware, a member of a limited liability company may, under certain circumstances, be required to return amounts previously distributed to such member. It is the intent of the Members that no distribution to any Member pursuant to Article 11 or Article 13 shall be deemed a return of money or other property paid or distributed in violation of the Act or other applicable law. The return of such money or distribution of any such property to a Member shall be deemed to be a compromise within the meaning of the Act, and the Member receiving any such money or property shall not be required to return to any Person any such money or property. However, if any court of competent jurisdiction holds that, notwithstanding the provisions of this Agreement, any Member is obligated to return such money or property, such obligation shall be the obligation of such Member and not of any other Member.

## 8.2 Indemnification.

(a) The Company shall, to the fullest extent permitted by applicable law (as now or hereafter in effect), indemnify, defend and hold harmless each Covered Person who was or is a party or is threatened to be made a party to or is involved in any threatened, pending or completed action, suit or proceeding ("Proceeding"), whether civil, criminal, administrative or investigative, or any appeal in such a Proceeding or any inquiry or investigation that could lead to such a Proceeding, (i) in connection with any matter arising out of or in connection with the Company's or any of its Subsidiaries' business or affairs, (ii) by reason of the fact that such Covered Person is serving or has served in one or more of the capacities set forth in the definition of "Covered Person", or (iii) by reason of the fact that such Covered Person, or a Person of whom such Covered Person is the legal representative, is or was serving as a manager, officer, member, employee or agent or in any other capacity, at the request of the Company, for any other corporation, company, partnership, joint venture, trust, employee benefit plan or other Entity (an "Other Entity"), from and against any losses, claims, expenses, damages and liabilities (collectively, "Damages") suffered or incurred by, imposed on, or to which such Covered Person may become subject in connection with such Proceeding; provided, that no right of indemnification shall be available to a Covered Person under this Article 8 (A) to the extent that it shall have been determined by a final, non-appealable decision by a court of competent jurisdiction that any such Damages are attributable to such Covered Person's material breach of this Agreement, and, (B) in the case of any current or former Manager or officer of the Company, to the extent that any such Damages (1) are attributable to such Managers' or officer's acts or omissions not in good

faith, (2) are attributable to such Managers' or officer's breach of the duty of loyalty to the Members, the Company or any of its Subsidiaries, (3) arise from a transaction in which such Manager or officer derived an improper personal benefit, (4) are attributable to acts or omissions of such Manager or officer that constitute a knowing violation of law, (5) are attributable to any Proceeding (except an action to enforce the indemnification rights set forth in this Section 8.2(a) or to enforce the rights to advancement of expenses set forth in Section 8.2(b)) initiated by such Covered Person unless if such Proceeding was authorized in the specific case by the Board, or (6) are attributable to any Proceeding by or in the right of the Company or any of its Subsidiaries unless if the Board authorizes the indemnification of any such Damages (except that, to the extent any such Covered Person has been successful on the merits or otherwise in the defense of any such Proceeding by or in the right of the Company or any of its Subsidiaries or in defense of any claim, issue or matter therein, then such Covered Person shall be indemnified against expenses actually and reasonably incurred by such Covered Person in connection therewith). If for any reason the foregoing indemnification is unavailable to a Covered Person, or is insufficient to hold it harmless, then the Company shall contribute to the amount paid or payable by such Covered Person as a result of the applicable Damages in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Covered Person on the other hand or, if such allocation is not permitted by applicable law, to reflect not only the relative benefits referred to above but also any other relevant equitable considerations.

(b) If a Covered Person is or was made, or threatened to be made, a party to or is involved in any threatened, pending or completed Proceeding, whether civil, criminal, administrative or investigative, or any appeal in such a Proceeding or any inquiry or investigation that could lead to such a Proceeding, (i) in connection with any matter arising out of or in connection with the Company's or any of its Subsidiaries' business or affairs, (ii) by reason of the fact that such Covered Person is serving or has served in one or more of the capacities set forth in the definition of "Covered Person" or (iii) by reason of the fact that such Covered Person, or a Person of whom such Covered Person is the legal representative, is or was serving as a manager, officer, member, employee or agent or in any other capacity, at the request of the Company, for any Other Entity, the Company shall pay, within a reasonable period of time following the Company's receipt of reasonably detailed supporting documentation, to such Covered Person such Covered Person's reasonable and documented out-of-pocket legal and other expenses (including legal and other professional fees and disbursements, and the cost of any investigation and preparation) incurred in connection therewith in advance of the final disposition of such Proceeding; provided, that such Covered Person shall promptly repay to the Company the amount of any such expenses paid to it if it shall be determined that such Covered Person is not entitled to be indemnified by the Company in connection with such Proceeding as provided in the proviso contained in Section 8.2(a); provided, further that, with respect to a Covered Person described in clause (B) of Section 8.2(a), the Company shall not be required to pay in advance or otherwise any such expenses incurred by any such Covered Person in connection with (A) any Proceeding initiated by such Covered Person unless if such Proceeding was authorized in the specific case by the Board or (B) any Proceeding

by or in the right of the Company or any of its Subsidiaries unless if the Board authorizes the payment of any such expenses.

(c) The rights to indemnification, reimbursement and advancement of expenses, and contribution provided by, or granted pursuant to, this Section 8.2 shall not be deemed exclusive of any other rights to which a Covered Person seeking indemnification, reimbursement or advancement of expenses, or contribution may have or hereafter be entitled under any statute, this Agreement, any other agreement (including any policy of insurance purchased or provided by the Company under which any Covered Person is covered), any vote of the Members or Managers, or otherwise. The rights conferred upon any Covered Person in Section 8.1 and Section 8.2 shall be contract rights that vest upon the occurrence or alleged occurrence of any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, or any other fact, circumstance or matter, giving rise to any losses, claims, expenses, damages or liabilities (whether or not arising out of a Proceeding) that are covered by Section 8.1 and/or Section 8.2, and such rights shall apply to a Person that was a Covered Person even after such Person ceases to be a Covered Person, but only with respect to any such losses, claims, expenses, damages or liabilities arising from any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, or any other fact, circumstance or matter that occurred, during the period in which such Person was a Covered Person.

(d) The rights to indemnification, reimbursement and advancement of expenses, and contribution provided by, or granted pursuant to, this Section 8.2 shall inure to the benefit of the successors, heirs, executors and administrators of a Covered Person.

(e) The Company shall have the power to purchase and maintain insurance on behalf of any Covered Person to protect such Covered Person against any Damages, whether or not the Company would have the power to indemnify such Covered Person against any such Damages under the provisions of this Section 8.2 or under any provision of law.

(f) No amendment or repeal of any part of this Section 8.2 shall apply to or have any effect on any right to indemnification, reimbursement and advancement of expenses, and contribution provided hereunder with respect to any acts or omissions occurring prior to such amendment or repeal.

8.3 No Member Liability. Any indemnification, reimbursement and advancement of expenses, or contribution provided under this Article 8 shall be satisfied solely out of assets of the Company, as an expense of the Company. No Member shall be subject to personal liability by reason of the indemnification, reimbursement and advancement of expenses, or contribution provisions set forth in this Article 8.

8.4 Settlements. The Company shall not be liable for any settlement by a Covered Person of any Proceeding effected without its written consent, but if settled with such written consent, or if there is a final judgment against such Covered Person in any such Proceeding, the

Company agrees to indemnify and hold harmless such Covered Person to the extent provided above from and against any Damages by reason of such settlement or judgment.

#### 8.5 Business Opportunities; Fiduciary Duties.

(a) The Company and each Member acknowledge that (i) each Member (other than any Member who is a Manager or an officer or an employee of the Company or any of its Subsidiaries, any Member that is a Family Member of any Manager or any officer or employee of the Company or any of its Subsidiaries, or any Member that is controlled by any Manager or any officer or employee of the Company or any of its Subsidiaries or controlled by any such Manager's, officer's or employee's Family Members) and (ii) each Affiliate, manager, director, principal, officer, employee and other representative of any Member described in clause (i) (other than any such Person that is a Manager or an officer or employee of the Company or any of its Subsidiaries, any such Person that is a Family Member of any Manager or any officer or employee of the Company or any of its Subsidiaries, or any such Person that is controlled by any Manager or any officer or employee of the Company or any of its Subsidiaries or controlled by any such Manager's, officer's or employee's Family Members) (the foregoing Persons being referred to, collectively, as "Identified Persons" and, each individually, as an "Identified Person") may now engage, may continue to engage, and/or may, in the future, decide to engage, in the same or similar activities or lines of business as those in which the Company or any of its Subsidiaries, directly or indirectly, now engage or may engage and/or other business activities that overlap with, are complementary to, or compete with those in which the Company or any of its Subsidiaries, directly or indirectly, now engage or may engage (any such activity or line of business, an "Opportunity"). No Identified Person shall have any duty to refrain, directly or indirectly, from (x) engaging in any Opportunity, (y) offering or directing any Opportunity to another Person (including any Affiliate of such Identified Person) or (z) otherwise competing with the Company or any of its Subsidiaries. No Identified Person shall have any duty or obligation to refer or offer to the Company or any of its Subsidiaries any Opportunity, and the Company hereby renounces, on behalf of itself and each of its Subsidiaries, any interest or expectancy of the Company or any of its Subsidiaries in, or in being offered, an opportunity to participate in any Opportunity engaged in by any Identified Person which may be a corporate (or analogous) or business opportunity for the Company or any of its Subsidiaries.

(b) In the event that any Identified Person acquires knowledge of an Opportunity which may be a corporate (or analogous) or business opportunity for the Company or any of its Subsidiaries, such Identified Person shall have no duty to communicate, offer or otherwise make available such Opportunity to the Company or any of its Subsidiaries and shall not be liable to the Company, any of its Subsidiaries or any of the Members for breach of any purported fiduciary duty by reason of the fact that such Identified Person pursues or acquires such Opportunity for itself, or offers or directs such Opportunity to another Person (including any Affiliate of such Identified Person).

(c) The Company, on behalf of itself and each of its Subsidiaries, and each Member (i) acknowledge that the Identified Persons may now own, may continue to own,

and from time to time may acquire and own, investments in one or more other Entities (each such Entity, a “Related Company” and all such Entities, collectively, “Related Companies”), including Entities that are competitors of, or that otherwise may have interests that do or could conflict with those of, the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates, and (ii) agree that (A) the enjoyment, exercise and enforcement of the rights, interests, privileges, powers and benefits granted or available to the Identified Persons under this Agreement shall not be in any manner reduced, diminished, affected or impaired, and the obligations of the Identified Persons under this Agreement (if any) shall not be in any manner augmented or increased, by reason of any act, circumstance, occurrence or event arising from or in any respect relating to (x) the ownership by an Identified Person of any interest in any Related Company, (y) the affiliation of any Related Company with an Identified Person or (z) any action taken or omitted by any Related Company or an Identified Person in respect of any Related Company, (B) no Identified Person shall, by reason of such ownership, affiliation, action or omission, become subject to any fiduciary duty to the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates, (C) nothing in this Agreement and none of the duties imposed on an Identified Person, whether by contract or law, if any, do or shall limit or impair the right of any Identified Person to, directly or indirectly, purchase or sell the securities or indebtedness of any other Entity or to compete with the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates as if the Identified Persons were not a party to this Agreement and (D) the Identified Persons are not and shall not be obligated to disclose to the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates any information related to their respective businesses or opportunities, including acquisition opportunities, or to refrain from or in any respect to be restricted in competing against the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates in any such business or as to any such opportunities.

(d) To the fullest extent permitted by law, this Agreement is not intended to, and does not, create or impose any fiduciary or other duty on any Identified Person, other than those non-fiduciary duties that are expressly set forth in this Agreement and a duty to act in accordance with the implied contractual covenant of good faith and fair dealing to the extent required by Delaware law. Further, to the fullest extent permitted by law, the Company and each Member hereby irrevocably waive any and all fiduciary duties owed to the Company or such Member by any Identified Person (including those fiduciary duties that, absent such waiver, may be implied by law), and in doing so, the Company and each Member recognize, acknowledge and agree that the duties and obligations of the Identified Persons to the Company, each other Member and each other Person that is or becomes a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement are only as expressly set forth in this Agreement. To the fullest extent permitted by law, no Identified Person shall owe any duty (including any fiduciary duty) to the Company or to any Member or to any other Person that is or becomes a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement other than those non-fiduciary duties that are expressly set forth in this Agreement and a duty to act in accordance with the implied contractual covenant of good faith and fair dealing to the extent required by Delaware law. The parties acknowledge and agree that any Identified Person acting in accordance with this Agreement shall (i) be

deemed to be acting in compliance with such implied contractual covenant, and (ii) not be liable to the Company, to any Member or to any other Person that is a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement for its reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict or eliminate the duties and liabilities of an Identified Person otherwise existing at law or in equity in respect of the Company, any of the Members or any other Person that is or becomes a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement, are agreed (and shall be deemed to have been agreed) by the Company, the Members or all such other Persons to replace fully and completely such other duties and liabilities.

(e) Each Manager, in his or her capacity as such, shall have the same fiduciary duties as those of a member of a board of directors of a corporation organized under the laws of the State of Delaware, subject to the obligations of the Managers and the Company under this Agreement; provided, that no Manager shall be personally liable for any monetary damages to the Company or any of the Members for breach of the duty of care, subject to the same limitations on such limitation as contemplated by Section 102(b)(7) of the Delaware General Corporation Law. Each employee and officer of the Company, in its capacity as such, shall have the same fiduciary duties as an employee or officer (as applicable) of a corporation organized under the laws of the State of Delaware, subject to the obligations of the employees and officers of the Company and the Company under this Agreement; provided, that, to the extent determined by the Board, no officer, shall be personally liable for any monetary damages to the Company or any of the Members for breach of the duty of care, subject to the same limitations on such limitation as contemplated by Section 102(b)(7) of the Delaware General Corporation Law.

(f) Nothing in this Section 8.5 shall be deemed to limit any Member's obligations under Section 18.1.

8.6 Subrogation. In the event that any Covered Person who is or was a partner, shareholder, member, officer, director, manager, fund adviser, investment adviser, investment manager, controlling person, employee, consultant, counsel, representative or agent of a Member or any of its Affiliates is entitled to indemnification under Section 8.2 for which such Covered Person is also entitled to indemnification from such Member or any of its Affiliates (other than the Company or any of its Subsidiaries), the Company hereby agrees that its duties to indemnify such Covered Person, whether pursuant to this Agreement or otherwise, shall be primary to those of such Member or such Affiliate, and to the extent that such Member or such Affiliate actually indemnifies any such Covered Person, such Member or such Affiliate shall be subrogated to the rights of such Covered Person against the Company for indemnification hereunder. The Company hereby acknowledges the subrogation rights of each Member and its Affiliates under such circumstances and agrees to execute and deliver such further documents and/or instruments as such Member or its Affiliate may reasonably request in order to evidence any such subrogation rights, whether before or after such Member or its Affiliate makes any such indemnification payment. The Company shall pay any amounts due under this Section 8.6, in cash, promptly, and in any event within fifteen (15) days, upon written demand therefor (accompanied by reasonably detailed supporting documentation) from a Member. The Company hereby waives any right against each of the Members and their respective Affiliates to

indemnification, subrogation, or contribution. Furthermore, the Company and the Members expressly agree that each Covered Person is an intended third-party beneficiary as to the indemnification provisions of this Agreement and shall be entitled to bring suit against the Company to enforce said provisions. The provisions of this Section 8.6 shall equally apply to a Covered Person's rights to reimbursement and advancement of expenses and contribution under Section 8.2.

8.7 Insurance. The Company shall purchase and maintain, at the Company's expense, insurance (the "Specified Insurance") on behalf of all managers (including Managers), directors and officers of the Company and its Subsidiaries to protect any such Person against any expense, liability or loss suffered or incurred by, imposed on, or to which such Person may become subject (a) in connection with any matter arising out of or in connection with the Company's or any of its Subsidiaries' business or affairs, (b) by reason of the fact that such Person is serving or has served as an officer, manager or director of the Company or any of its Subsidiaries or (c) by reason of the fact that such Person is or was serving as a manager, officer, member, employee or agent or in any other capacity, at the request of the Company, for any Other Entity, in any such case based on acts, omissions, facts, circumstances or matters occurring or arising on or after the Effective Date; provided, however, that the Specified Insurance shall be subject to (i) exclusions and exceptions that are customary for such insurance, and (ii) retentions and limitations as the Board determines to be reasonable in light of the premiums to be paid for the Specified Insurance. Any Specified Insurance shall be satisfactory to the Board.

8.8 Amendments. Notwithstanding anything herein to the contrary, no amendment, repeal or modification of this Article 8 shall affect any rights or obligations with respect to any state of facts then or theretofore existing or any Proceeding theretofore or thereafter brought or threatened based in whole or in part upon any such state of facts.

## **ARTICLE 9 TRANSFERS**

### 9.1 Restrictions on Transfers.

(a) *Prohibited Transfers*. Without limiting any other provisions, restrictions or conditions of this Article 9, unless otherwise waived by the Board in its sole discretion, no Units shall be Transferred by any Member (regardless of the manner in which the Transferor initially acquired such Units), if:

(i) such Transfer would, if consummated, result in any violation of the Securities Act or any state securities laws or regulations, or any other applicable federal or state laws or order of any Governmental Authority having jurisdiction over the Company or any of its Subsidiaries;

(ii) such Transfer would, if consummated (after taking into account the consummation of any other proposed Transfers for which a notice thereof has been previously delivered to the Company, but not yet consummated), result in the Company having, in the aggregate, (A) 1,000 or more holders of record (as such concept is understood for purposes of Section 12(g) of the Exchange Act), or

(B) 400 or more holders of record (as such concept is understood for purposes of Section 12(g) of the Exchange Act) that are not Accredited Investors, of either (x) the class of Units proposed to be Transferred (assuming, for purposes of this clause (x), that all issued and outstanding securities of the Company that are exercisable or exchangeable for, or convertible into, directly or indirectly, the class of Units proposed to be Transferred were exercised, exchanged or converted at the time of such Transfer) or (y) any class of Units into which the Units proposed to be Transferred are convertible (such Units, “Conversion Units”) (assuming, for purposes of this clause (y), that all issued and outstanding securities of the Company that are exercisable or exchangeable for, or convertible into, directly or indirectly, Conversion Units were exercised, exchanged or converted at the time of such Transfer), unless at the time of such Transfer the Company is already subject to the reporting obligations under Section 13 or Section 15(d) of the Exchange Act; provided, that the numbers 1,000 and 400 as used in this Section 9.1(a)(ii) shall be increased by the number of such holders that acquire from the Company, after the Effective Date, Units of the class proposed to be Transferred, Conversion Units, or securities of the Company that are exercisable or exchangeable for, or convertible into, Units of the class proposed to be Transferred or Conversion Units, in any such case other than any such acquisition (1) that was made by a holder who held any such Units, Conversion Units or securities prior to such acquisition (including in connection with a distribution to all holders of any such Units, Conversion Units or securities) or (2) made through a distribution under the Plan of Reorganization;

(iii) such Transfer would, if consummated (after taking into account the consummation of any other proposed Transfers for which a notice thereof has been previously delivered to the Company, but not yet consummated), require the Company to register any class of Units or other equity securities of the Company under the Exchange Act (as a result of the number of holders of such Units or equity securities or otherwise), unless, at the time of such Transfer, the Company is already subject to the reporting obligations under Section 13 or Section 15(d) of the Exchange Act;

(iv) such Transfer would, in the judgment of the Board, cause the Company to be required to register as an “investment company” under the Investment Company Act;

(v) such Transfer would, if consummated (after taking into account the consummation of any other proposed Transfers for which a notice thereof has been previously delivered to the Company, but not yet consummated), cause the underlying assets of the Company to be deemed “plan assets” as defined under and pursuant to the Plan Asset Regulation or constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code;

(vi) such Transfer is not to an Accredited Investor;

(vii) such Transfer is to any Competitor; or

(viii) such Transfer is to any Sanctioned Person.

(b) *Certificates; Legal Opinion.* In addition to the restrictions set forth in Section 9.1(a), no Units shall be Transferred by any Member unless (i) the certificates (if any) representing such Units bear legends as provided in Section 9.1(e) (or, with respect to uncertificated Units, notice of such legends is provided in accordance with applicable law), for so long as such legends are applicable; (ii) either (A) the Transferee is an Affiliate of the Transferor or (B) prior to such Transfer (unless waived by the Company in its sole discretion), the Transferee and the Transferor shall have delivered to the Company representation letters in such form as may be approved from time to time by the Company (including a representation from the Transferee that the Transferee is an Accredited Investor); and (iii) in the case where the Transferee is not an Affiliate of the Transferor, if requested by the Company prior to five (5) Business Days after delivery of the Transfer Notice, the Transferor shall have delivered to the Company a legal opinion, reasonably acceptable to the Company, stating that the registration of the Units that are the subject of such proposed Transfer is not required under the Securities Act or any applicable state securities or “blue sky” laws.

(c) *Notice of Transfer.* Subject to Section 9.3, and unless otherwise waived by the Company, any Member proposing to effect a Transfer of Units must submit to the Company, not less than five (5) Business Days prior to such Transfer, a written notice (a “Transfer Notice”) of such Transfer. A Transfer Notice shall be delivered to the Company, to the attention of (i) the Secretary, the Chief Operating Officer or Chief Financial Officer, or any of their designees, and (ii) the Chairperson, in each case in accordance with Section 17.5. A Transfer Notice shall include or be accompanied by (A) the name, address, e-mail address and telephone number of the Transferor and the Transferee, (B) a certification from the Transferee whether the Transferee is an Affiliate of the Transferor, (C) a certification from the Transferee that the Transferee is not a Sanctioned Person, (D) a certification from the Transferee that the Transferee is not a Competitor under clause (a) or clause (c) of the definition of “Competitor”, (E) the number and class and/or series of Units proposed to be Transferred to, and acquired by, the Transferee, (F) the date on which the Transfer is proposed to be effective, (G) the percentage of the Transferor’s total number of Units of the same class and/or series to be Transferred, (H) a Joinder Agreement, duly completed and executed by the Transferee to the extent such Transferee has not already signed a counterpart of this Agreement or executed a Joinder Agreement, (I) an AI Questionnaire, duly completed and executed by the Transferee, (J) an IRS Form W-9 or appropriate IRS Form W-8, as applicable, duly completed and executed by the Transferee to the extent such Transferee has not already delivered to the Company such a duly completed and executed tax form that is not obsolete, inaccurate or expired, and (K) a request that the Company instruct the Transfer Agent to register the Transfer in the Register of Members. So long as the other provisions of this Section 9.1 are satisfied and complied with, the Company shall, within five (5) Business Days after a Transfer Notice is delivered to the Company (but in no event earlier than the proposed effective date of Transfer specified in the Transfer Notice), instruct and use commercially reasonable efforts to cause the Transfer Agent to

register the Transfer in the Register of Members unless, (I) prior to the expiration of such five (5) Business Day period, the Company requests information demonstrating that the Transfer complies with this Section 9.1 (including information demonstrating that the Transferee is not a Competitor or a Sanctioned Person) or (II) the Transferor by written notice to the Company withdraws the related Transfer Notice prior to registration of the Transfer. If any such request for information is made, the Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to register the Transfer in the Register of Members no later than five (5) Business Days after the Company receives such information (but in no event earlier than the proposed effective date of Transfer specified in the Transfer Notice), unless the Company determines during any such five (5)-Business Day period that the Transfer is not permitted pursuant to the terms of this Section 9.1, in which case the Company shall promptly inform the Transferor of such determination. Upon the closing of each Transfer that is permitted by this Agreement and the Transferee becoming a party to this Agreement, (x) such Transferee shall be admitted as, and deemed to be, a Member for purposes of this Agreement, (y) such Transferee shall be entitled to the rights (excluding any rights of a Member that are not assignable or otherwise transferable pursuant to the terms of this Agreement), and subject to the obligations, of a Member with respect to the Transferred Units and (z) the Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to amend and update the Register of Members to reflect such Transfer.

(d) *Prohibited Transfers Void.* The Company shall not instruct or cause the Transfer Agent to register the Transfer of any Units in the Register of Members except for Transfers that are consummated in accordance with the terms and provisions of this Agreement and, in the case of any Class B Units, the terms and provisions of any applicable Management Incentive Plan and/or Award Agreement. Any purported Transfer of Units in violation of such terms and provisions shall be void *ab initio* and shall not be recognized by the Company.

(e) *Legends.*

(i) All certificates (if any) or statements related to book-entry accounts (if any) representing or otherwise evidencing any Units that were issued under the Plan of Reorganization shall conspicuously bear, or shall be deemed to conspicuously bear (even if such certificate or statement does not actually bear such legend), the following legend (subject to Section 9.1(e)(iv) below):

“THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] WERE ORIGINALLY ISSUED IN RELIANCE UPON AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF SECTION 5 OF THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), PROVIDED BY SECTION 1145 OF THE BANKRUPTCY CODE, 11 U.S.C. § 1145. THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] HAVE NOT BEEN REGISTERED UNDER THE ACT OR ANY STATE SECURITIES LAWS, AND TO THE EXTENT THE HOLDER OF SUCH LIMITED LIABILITY COMPANY INTERESTS IS AN “UNDERWRITER,”

AS DEFINED IN SECTION 1145(B)(1) OF THE BANKRUPTCY CODE, MAY NOT BE SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE REGISTRATION REQUIREMENTS OF THE ACT OR AN EXEMPTION THEREFROM AND, IN EACH CASE, IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS.”

(ii) All certificates (if any) or statements related to book-entry accounts (if any) representing or otherwise evidencing any Units (excluding Units that were issued under the Plan of Reorganization) shall conspicuously bear, or shall be deemed to conspicuously bear (even if such certificate or statement does not actually bear such legend), the following legend (subject to Section 9.1(e)(iv) below):

“THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), OR ANY STATE SECURITIES LAWS AND MAY NOT BE SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE REGISTRATION REQUIREMENTS OF THE ACT OR AN EXEMPTION THEREFROM AND, IN EACH CASE, IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS.”

(iii) All certificates (if any) or statements related to book-entry accounts (if any) representing or otherwise evidencing any Units shall conspicuously bear, or shall be deemed to conspicuously bear (even if such certificate or statement does not actually bear such legend), the following legend (subject to Section 9.1(e)(iv) below):

“THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] ARE SUBJECT TO VARIOUS TERMS, PROVISIONS AND CONDITIONS, INCLUDING CERTAIN RESTRICTIONS ON SALE, DISPOSITION OR TRANSFER, AS SET FORTH IN THE AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT OF ~~+~~FUSION PARENT, LLC (THE “COMPANY”) DATED AS OF JUNE ~~6~~6, 2025 (AS AMENDED, SUPPLEMENTED, AMENDED AND RESTATED OR OTHERWISE MODIFIED FROM TIME TO TIME, THE “LLC AGREEMENT”) BY AND AMONG THE COMPANY AND THE MEMBERS OF THE COMPANY. NO REGISTRATION OR TRANSFER OF THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] WILL BE MADE ON THE BOOKS OF THE COMPANY OR ITS TRANSFER AGENT UNLESS AND UNTIL SUCH RESTRICTIONS SHALL HAVE BEEN COMPLIED WITH. THE COMPANY OR ITS TRANSFER AGENT WILL FURNISH, WITHOUT CHARGE, TO EACH HOLDER OF RECORD OF THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] A COPY OF THE LLC AGREEMENT, CONTAINING THE ABOVE-REFERENCED TERMS, PROVISIONS AND CONDITIONS, INCLUDING

RESTRICTIONS ON SALE, DISPOSITION OR TRANSFER OF LIMITED LIABILITY COMPANY INTERESTS, UPON WRITTEN REQUEST TO THE COMPANY AT ITS PRINCIPAL PLACE OF BUSINESS.”

(iv) In the event that any Units shall be registered for Transfer under the Securities Act, the Company shall, upon the written request of the holder of such Units, issue to such holder a new certificate or statement of book-entry position, as applicable, representing or otherwise evidencing such Units without the legend required by Section 9.1(e)(i) or Section 9.1(e)(ii). In the event that any Units shall cease to be subject to the restrictions on Transfer set forth in this Section 9.1, the Company shall, upon the written request of the holder of such Units, issue to such holder a new certificate or statement of book-entry position, as applicable, representing or otherwise evidencing such Units without the legend required by Section 9.1(e)(iii).

(v) In the case of uncertificated Units, the Company shall provide notice to the Members of the applicable legends required by Sections 9.1(e)(i), 9.1(e)(ii) and 9.1(e)(iii) in accordance with applicable law.

(vi) Each Member shall be deemed to have actual knowledge of the terms, provisions, restrictions and conditions set forth in this Agreement (including the restrictions on Transfer set forth in this Section 9.1) for all purposes of this Agreement and applicable law (including the Act and the Uniform Commercial Code as adopted and in effect in any applicable jurisdiction), whether or not any certificate or statement of book-entry position, as applicable, representing or otherwise evidencing any Units owned or held by such Member bears the applicable legends set forth in Sections 9.1(e)(i), 9.1(e)(ii) and 9.1(e)(iii) and whether or not any such Member received a separate notice of such terms, provisions, restrictions and conditions.

(f) *Transfers of Class B Units.* Anything in this Agreement to the contrary notwithstanding, Class B Units shall not be Transferred by any Member unless such Transfer also complies with any restrictions on Transfer set forth in the applicable Management Incentive Plan and/or any applicable Award Agreement (which restrictions may be in addition to, and/or more restrictive than, the restrictions on Transfer of Units set forth in this Agreement).

(g) *Certain Members.* If any Member is an Entity that has no substantial assets other than Units and/or indebtedness of, or securities in, the Company or any of its Subsidiaries, then such Member agrees that no Equity Interests in such Member may be sold, transferred or otherwise disposed to any Person other than in accordance with the terms and provisions of this Section 9.1 as if such Equity Interests were Units; provided, that a sale, transfer or other disposition of Equity Interests in such Member to any Affiliate of such Member (other than to any Affiliate of such Member that is a portfolio company of such Member or any of its other Affiliates) shall not be subject to this Section 9.1(g).

(h) *No Requirement to List.* The Company shall have no obligation under this Agreement to list any of the Units or other Interests on any securities exchange, automated quotation system or over-the-counter marketplace.

(i) *Transfers to the Company.* A Transfer of Units to the Company shall not be subject to the requirements of this Section 9.1.

(j) *Reimbursement of Company Expenses.* The Transferor and the Transferee shall be jointly and severally obligated to reimburse the Company for all reasonable out-of-pocket third-party costs and expenses (including legal fees) incurred by the Company in connection with any Transfer or proposed Transfer of such Transferor's Units (excluding any Transfer or proposed Transfer pursuant to Section 9.3 or otherwise pursuant to a Sale Transaction).

(k) *Modifications to Procedural Provisions.* Notwithstanding anything herein to the contrary, the Company may, in its sole discretion, waive or modify the application of any term or provision of a procedural nature set forth herein to any Transfer so long as such waiver or modification (i) is for administrative convenience purposes to facilitate the consummation of such Transfer, (ii) does not adversely affect the rights of any of the Members, (iii) does not subject any of the Members to any additional obligations or liabilities, and (iv) is approved by the Transferor and the ultimate Transferee of such Transfer (which approval may be provided by e-mail to the Company in accordance with Section 17.5). The right of the Company to make any such waiver or modification need not be uniform among Transfers and may be made by it selectively among any Transfers (whether or not such Transfers are similar in nature). Any such waiver or modification shall not require any consents or approvals of the Members under Section 14.1.

9.2 Transfer Agents; Regulations. The Company, by resolution or written consent of the Board, may from time to time appoint a Transfer Agent (which may be the Company) under such arrangements and upon such terms and conditions as the Board deems advisable. Unless the Board has appointed some other Person as its Transfer Agent (and upon the revocation of any such appointment, thereafter until a new appointment is similarly made) the Secretary, or any Person designated by the Secretary, shall be the Transfer Agent without the necessity of any formal action of the Board, and the Secretary, or any Person designated by the Secretary, shall perform all of the duties of the Transfer Agent. The Board may make such rules and regulations as it may deem expedient and as are not inconsistent with this Agreement, concerning the issue, registration and Transfer of certificates for Units.

### 9.3 Drag-Along Transactions.

(a) In the event that the Majority Members at the time of the delivery of a Drag Notice (for purposes of this Section 9.3, each, a "Selling Member" and, collectively, the "Selling Members") determine to effect, approve or otherwise take any action that would cause the occurrence of, or desire to consummate, a Sale Transaction (whether or not a Member vote is required) to or with any Person or "group" (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, or any successor provision)

other than the Selling Members or any Affiliates thereof (a “Third Party Purchaser”) (any such Sale Transaction, a “Drag-Along Transaction”), the Company or the Selling Members (or a designated representative acting on behalf of the Selling Members) will have the right (but not the obligation) to deliver written notice thereof at least five (5) Business Days prior to the consummation of the proposed Sale Transaction (a “Drag Notice”) to all other Members (each, a “Dragged Member” and, collectively, the “Dragged Members”), including any holders of Class B Units. Such written notice shall be delivered to the Dragged Members in accordance with Section 17.5 and shall contain a reasonable description of the material terms and conditions of the Drag-Along Transaction, including the amount and form of consideration to be paid by the Third Party Purchaser, the identity of the proposed third Party Purchaser and copies of any Drag-Along Transaction Documents or Investment Documents that the Dragged Members will be required to execute and deliver in connection with such Drag-Along Transaction (to the extent such documents exist and are in substantially final form at the time such Drag Notice is delivered to the Dragged Members) and the proposed date (which may be an estimated date or range of dates) for the closing of the Drag-Along Transaction.

(b) If a Drag Notice is delivered by the Company or by or on behalf of the Selling Members to the Dragged Members, each of the Dragged Members shall:

(i) if such Drag-Along Transaction is structured as a Transfer of Units (including any Transfer of Units by way of a merger of the Company with any other Person), be obligated to Transfer to the Third Party Purchaser (subject to the other terms of this Section 9.3(b)), at the closing of such Drag-Along Transaction, all Units held by such Dragged Member (or the applicable portion of such Dragged Member’s Units that are required to be Transferred in connection with such Drag-Along Transaction, as determined in accordance with Section 9.3(c)) on purchase terms and conditions that are substantially the same as those purchase terms and conditions applicable to the Units of the Selling Members of the same class or series (excluding any investment or reinvestment opportunity given to management of the Company or any of its Subsidiaries), free and clear of any Liens (other than Permitted Liens); provided, that if the Selling Members are given an option as to the form of consideration to be received in exchange for their Units of any class or series, then each of the Dragged Members need only be given the same option with respect to their Units of the same class or series;

(ii) if such Drag-Along Transaction is structured as a sale or transfer of assets (including by or through the sale, issuance or other disposition of the Equity Interests of, or reorganization, merger, unit or share exchange, consolidation or other business combination involving, any direct and/or indirect Subsidiary or Subsidiaries of the Company), approve any subsequent dissolution and liquidation of the Company or any of its Subsidiaries in connection therewith and execute and/or deliver any applicable documents, instruments or agreements related thereto;

(iii) (A) be required to vote (including by written consent) such Dragged Member's Units (to the extent of any voting rights), whether by proxy, voting agreement or otherwise, in favor of such Drag-Along Transaction, and (B) not raise any objection against such Drag-Along Transaction (including objections relating to the consideration being paid in connection therewith) or the process pursuant to which it was arranged, negotiated or consummated;

(iv) execute and deliver any applicable purchase agreement, merger agreement, indemnity agreement, escrow agreement, letter of transmittal, release or other agreements or documents governing or relating to such Drag-Along Transaction (on terms substantially the same as those terms applicable to the Selling Members) that the Company, the Selling Members or the Third Party Purchaser may request and which are executed and delivered by the Selling Members (the "Drag-Along Transaction Documents"), and (A) agree to or provide the same covenants, obligations, indemnities and agreements as agreed to or provided by the Selling Members set forth therein and (B) make the same representations and warranties as the Selling Members, on a several and not joint basis, regarding organization, existence and good standing of such Dragged Member, the power and authority of such Dragged Member to enter into the Drag-Along Transaction, due authorization, execution and delivery by such Dragged Member of the Drag-Along Transaction Documents and the Investment Documents, enforceability against such Dragged Member of the Drag-Along Transaction Documents and the Investment Documents, good and marketable title (free and clear of all Liens) of the Units of such Dragged Member, the consents and notices required to be obtained or made by such Dragged Member in connection with such Drag-Along Transaction, no conflicts with organizational documents, contracts or law applicable to such Dragged Member, no legal proceedings against such Dragged Member, no brokers' fees owed by such Dragged Member in connection with such Drag-Along Transaction, and other matters reasonably requested by the Third Party Purchaser with respect to such Dragged Member and related to such Drag-Along Transaction; provided, however, that (x) no Dragged Member shall be required to provide any indemnity relating to such Drag-Along Transaction that is in excess of the amount of proceeds payable to such Dragged Member in connection with such Drag-Along Transaction (other than on account of such Dragged Member's own fraud), (y) any escrow arrangement or indemnity shall be allocated among each Selling Member and Dragged Member *pro rata* based upon the allocation among each such Member of the consideration payable in respect of Units in the Drag-Along Transaction; provided, that, subject to the limitations set forth in clause (x), any indemnities on account of a Dragged Member's representations and warranties described in clause (B) above or a Dragged Member's own fraud or breach by such Dragged Member of covenants given by such Dragged Member shall be solely the responsibility of such Dragged Member, and (z) no Dragged Member shall be required to provide any non-competition, non-solicitation or similar covenant other than customary confidentiality covenants;

(v) if the Members will receive any Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in the continuing, acquiring, resulting or surviving entity in the Drag-Along Transaction, or any Affiliate thereof (the “Surviving Entity”), execute and deliver any applicable limited liability company agreement, stockholders agreement, partnership agreement, investor rights agreement, voting agreement or similar agreement which relates to the internal governance of the Surviving Entity and/or the rights or obligations of the owners of the Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in the Surviving Entity that the Company, the Selling Members or the Third Party Purchaser may request and which are executed and delivered by the Selling Members (the “Investment Documents”), and agree to or provide the same covenants, obligations and agreements as agreed to or provided by the Selling Members set forth therein; provided, that the Selling Members shall use commercially reasonable efforts to facilitate the granting to the Dragged Members of minority protections with respect to the Surviving Entity that are both customary and commensurate with its proportionate ownership in the Surviving Entity;

(vi) use commercially reasonable efforts to obtain or make any consents or filings necessary to be obtained or made by such Dragged Member to effectuate such Drag-Along Transaction; provided, that no Dragged Member shall be required to agree to any material obligations or material restrictions in connection with obtaining regulatory approvals other than obligations to cooperate in the making thereof;

(vii) without limiting the provisions of Section 5.6, waive and refrain from exercising any appraisal, dissenters or similar rights with respect to such Drag-Along Transaction;

(viii) not (A) take any action that would reasonably be expected to impede or be prejudicial to such Drag-Along Transaction, (B) assert, at any time, any claim against the Company, any member of the Board (or any committee thereof), any member of any Subsidiary Governing Body or any other Member or any of its Affiliates (including any Selling Member and any of its Affiliates) in connection with such Drag-Along Transaction, or (C) except as permitted under and pursuant to Article 18, disclose to any Person any information related to such Drag-Along Transaction (including the identity of the Third Party Purchaser, the fact that discussions or negotiations are taking place concerning such Drag-Along Transaction, or any of the terms, conditions or other information with respect to such Drag-Along Transaction); and

(ix) take all necessary or desirable actions reasonably requested by the Selling Members, the Third Party Purchaser and/or the Company in connection with the consummation of such Drag-Along Transaction, including voting such Dragged Member’s Units (to the extent of any voting rights), whether by proxy,

voting agreement or otherwise, in favor of such Drag-Along Transaction and, if applicable, in favor of a Corporate Conversion in connection with such Drag-Along Transaction.

(c) In the case of a Drag-Along Transaction pursuant to which the Selling Members are collectively Transferring less than one hundred percent (100%) of all of the Units owned or held by the Selling Members in the aggregate, each Dragged Member shall be required to Transfer a percentage of the Units owned or held by such Dragged Member equal to the quotient obtained by dividing (i) the total number of Units owned or held by the Selling Members that are proposed to be Transferred in such Drag-Along Transaction by (ii) the total number of Units owned or held by the Selling Members in the aggregate.

(d) At the closing of any Drag-Along Transaction that is structured as a sale or other Transfer of Units in which the Selling Members have exercised their rights under this Section 9.3, each Dragged Member shall deliver at such closing, against payment of the purchase price therefor in accordance with the terms of the Drag-Along Transaction Documents, certificates or other documentation (or other evidence thereof reasonably acceptable to the Third Party Purchaser) representing such Dragged Member's Units to be sold, duly endorsed for transfer or accompanied by duly endorsed instruments of transfer, and such other documents as are deemed reasonably necessary by any one or more of the Selling Members, the Third Party Purchaser and/or the Company for the proper transfer of such Units on the books of the Company or the Transfer Agent, free and clear of any Liens (other than Permitted Liens).

(e) Each Selling Member and each Dragged Member will bear its *pro rata* share (based upon the allocation among each such Member of the consideration payable in respect of Units in the Drag-Along Transaction) of the costs and expenses of any Drag-Along Transaction to the extent such costs and expenses are incurred for the benefit of all Members or the Company and are not otherwise paid by the Company or the Third Party Purchaser. Costs and expenses incurred by any Member on its own behalf will not be considered costs and expenses of the Drag-Along Transaction and will be borne solely by such Member.

(f) The Company shall, and shall use its commercially reasonable efforts to cause its officers, employees, agents, contractors and others under its control to, cooperate and assist in any proposed Drag-Along Transaction and not take any action which would reasonably be expected to impede or be prejudicial to any such Drag-Along Transaction. Pending the completion of any proposed Drag-Along Transaction, the Company shall use commercially reasonable efforts to operate the Company and its Subsidiaries in the ordinary course of business and to maintain all existing business relationships in good standing (unless otherwise required by the Drag-Along Transaction Documents) and otherwise comply with the terms of the Drag-Along Transaction Documents to which it is a party.

(g) The Company shall cooperate with the Selling Members to enter into a Drag-Along Transaction and to take any and all such further action in connection

therewith as the Selling Members may deem reasonably necessary or reasonably appropriate in order to consummate (or, if directed by the Selling Members, abandon) any such Drag-Along Transaction. Neither the Company, any of its Subsidiaries nor any of the Selling Members shall have any liability if any Drag-Along Transaction is not consummated for any reason (including if the Selling Members elect to abandon such Drag-Along Transaction for any reason or for no reason). Subject to the provisions of this Section 9.3, the Selling Members, in exercising their rights under this Section 9.3, shall have complete discretion over the terms and conditions of any Drag-Along Transaction effected hereby, including price, payment terms, conditions to closing, timing of closing, representations, warranties, affirmative covenants, negative covenants, indemnification, releases, holdbacks and escrows. At the request of the Selling Members, the Board shall authorize and direct the Company and/or any now or hereafter created Subsidiary of the Company to execute such agreements, documents, applications, authorizations, registration statements and instruments as they may deem reasonably necessary or reasonably appropriate in connection with any Drag-Along Transaction.

(h) IN ORDER TO SECURE THE OBLIGATIONS OF EACH DRAGGED MEMBER TO VOTE SUCH DRAGGED MEMBER'S UNITS IN FAVOR OF A DRAG-ALONG TRANSACTION AND (WITHOUT LIMITING THE PROVISIONS OF SECTION 5.6) TO WAIVE ANY APPRAISAL, DISSENTERS OR SIMILAR RIGHTS THAT SUCH DRAGGED MEMBER HAS (OR MAY HAVE) WITH RESPECT TO ANY DRAG-ALONG TRANSACTION, IN EACH CASE AS SET FORTH IN SECTION 9.3(b), EACH DRAGGED MEMBER HEREBY IRREVOCABLY APPOINTS THE SELLING MEMBERS (AND EACH OF THEM) AS SUCH DRAGGED MEMBER'S TRUE AND LAWFUL PROXY AND ATTORNEY, WITH FULL POWER OF SUBSTITUTION, TO VOTE ALL UNITS OWNED OR HELD BY SUCH DRAGGED MEMBER OR OVER WHICH SUCH DRAGGED MEMBER HAS VOTING CONTROL TO EFFECTUATE SUCH VOTES AND WAIVERS FOR THE DURATION OF THE EXISTENCE OF THE COMPANY; PROVIDED, THAT SUCH PROXY AND ATTORNEY SHALL ONLY APPLY TO THE EXTENT SUCH DRAGGED MEMBER FAILS TO COMPLY WITH ANY OF ITS OBLIGATIONS PURSUANT TO THIS SECTION 9.3 WITHIN THREE (3) BUSINESS DAYS OF ANY OF THE SELLING MEMBERS MAKING A REQUEST IN WRITING IN RESPECT OF SUCH OBLIGATIONS. IN ADDITION, IN ORDER TO SECURE THE OBLIGATIONS OF EACH DRAGGED MEMBER TO EXECUTE AND DELIVER THE DRAG-ALONG TRANSACTION DOCUMENTS AND, IF APPLICABLE, THE INVESTMENT DOCUMENTS, AND TO TAKE ACTIONS IN CONNECTION WITH THE CONSUMMATION OF A DRAG-ALONG TRANSACTION, IN EACH CASE AS SET FORTH IN SECTION 9.3(b), EACH DRAGGED MEMBER HEREBY IRREVOCABLY GRANTS TO THE SELLING MEMBERS (AND EACH OF THEM) A POWER-OF-ATTORNEY TO SIGN ANY AND ALL SUCH DRAG-ALONG TRANSACTION DOCUMENTS AND, IF APPLICABLE, INVESTMENT DOCUMENTS, AND TO TAKE ANY AND ALL SUCH ACTIONS, IN THE NAME AND ON BEHALF OF SUCH DRAGGED MEMBER; PROVIDED, THAT SUCH POWER OF ATTORNEY SHALL ONLY APPLY TO THE EXTENT SUCH DRAGGED MEMBER FAILS TO COMPLY WITH ANY OF ITS OBLIGATIONS PURSUANT TO THIS SECTION 9.3 WITHIN THREE

(3) BUSINESS DAYS OF ANY OF THE SELLING MEMBERS MAKING A REQUEST IN WRITING IN RESPECT OF SUCH OBLIGATIONS. THE PROXIES AND POWERS OF ATTORNEY GRANTED BY EACH DRAGGED MEMBER PURSUANT TO THIS SECTION 9.3(h) ARE COUPLED WITH AN INTEREST, ARE IRREVOCABLE, AND SHALL NOT BE AFFECTED BY AND SHALL SURVIVE THE DEATH, INCOMPETENCY, INCAPACITY, DISABILITY, MERGER, CONSOLIDATION, BANKRUPTCY, INSOLVENCY, LIQUIDATION OR DISSOLUTION OF ANY DRAGGED MEMBER.

(i) Any Class B Units Transferred in a Drag-Along Transaction by a Selling Member or a Dragged Member shall immediately and automatically convert into Class A Units, subject to any vesting or other requirements of the applicable Management Incentive Plan and/or Award Agreement, upon the consummation of such Drag-Along Transaction, as determined by the Board.

(j) A Transfer of Units in a Drag-Along Transaction by a Selling Member or a Dragged Member pursuant to this Section 9.3 shall not be subject to the requirements of Section 9.1 (other than Section 9.1(a)(i)).

(k) For the avoidance of doubt, the obligations of the Company and the Dragged Members pursuant to this Section 9.3 shall apply irrespective of the amount of consideration (if any) to be paid to each Dragged Member pursuant to the Drag-Along Transaction.

#### 9.4 Tag-Along Transactions.

(a) In the event that one or more Members (acting alone or with other Members) who own or hold Class A Units (each, an “Initiating Holder” and, collectively, the “Initiating Holders”) desire to effect a Tag-Along Transaction, the Initiating Holders (or a designated representative acting on their behalf) shall deliver written notice (a “Sale Notice”) to all other Members that own or hold Class A Units (each, a “Tag-Along Seller” and, collectively, the “Tag-Along Sellers”) and the Company, in accordance with Section 17.5, at least ten (10) Business Days prior to the consummation of such Tag-Along Transaction, offering the Tag-Along Sellers the opportunity to participate in such Tag-Along Transaction on the terms and conditions set forth in the Sale Notice (which terms and conditions shall be substantially the same as those terms and conditions (including at the same form of consideration and price) applicable to the Initiating Holders (except that if the Initiating Holders are given an option as to the form of consideration to be received in exchange for their Class A Units, each of the Tag-Along Sellers shall only need to be given the same option with respect to their Class A Units)); provided, however, that if the consideration to be paid in such Tag-Along Transaction consists, in whole or in part, of securities or any other non-cash consideration, then any Member that is not an Accredited Investor or any Member who does not, promptly following the request of the Initiating Holders or the Transferee in such Tag-Along Transaction (but in any event within three (3) Business Days after receipt of any such request), certify to the Initiating Holders and the Transferee in such Tag-Along Transaction that such Member is an Accredited Investor shall not be offered the

opportunity to participate in such Tag-Along Transaction and shall not be deemed a Tag-Along Seller for purposes of such Tag-Along Transaction. The Sale Notice shall contain a reasonable description of the material terms and conditions of the Tag-Along Transaction, including the total number of Class A Units proposed to be Transferred, the proposed amount and form of consideration for the Class A Units proposed to be Transferred, the identity of the proposed Transferee, and copies of any Tag-Along Transaction Documents that the Tag-Along Sellers will be required to execute and deliver in connection with such Tag-Along Transaction (to the extent such documents exist and are in substantially final form at the time such Sale Notice is delivered to the Tag-Along Sellers).

(b) Each Tag-Along Seller may, by written notice (each, an “Acceptance Notice”) delivered to the Initiating Holders (or their designated representative) within five (5) Business Days after delivery of the Sale Notice to such Tag-Along Seller, elect to Transfer Class A Units in such Tag-Along Transaction, on the terms and conditions set forth in the Sale Notice; provided, however, that if the proposed Transferee in the Tag-Along Transaction desires to purchase a number of Class A Units that is less than the aggregate number of Class A Units proposed to be Transferred by the Initiating Holders and all Tag-Along Sellers electing to Transfer Class A Units in the Tag-Along Transaction, then the Initiating Holders may elect to either (i) terminate such Tag-Along Transaction with respect to the Initiating Holders and each Tag-Along Seller or (ii) consummate such Tag-Along Transaction on the basis of such lesser number of Class A Units and, upon such election to consummate the Tag-Along Transaction, each Initiating Holder and each electing Tag-Along Seller shall be permitted to Transfer to such Transferee up to that number of Class A Units owned or held by such Initiating Holder or such Tag-Along Seller, as the case may be, equal to the product of (x) the total number of Class A Units to be acquired by the Transferee in the proposed Tag-Along Transaction and (y) such Initiating Holder’s or such Tag-Along Seller’s (as applicable) proportionate percentage of the issued and outstanding Class A Units collectively owned or held by the Initiating Holders and all electing Tag-Along Sellers; provided, further, that if at any time after delivery of a Sale Notice there is a change in the price or other material change in the terms or conditions of the proposed Tag-Along Transaction described in such Sale Notice, then the Initiating Holders shall deliver a revised Sale Notice to all Tag-Along Sellers indicating such revised price and/or other material change, and each Tag-Along Seller shall have an additional five (5) Business Days after delivery of the revised Sale Notice to indicate whether or not it elects to Transfer Class A Units in such Tag-Along Transaction, on the terms and conditions set forth in the revised Sale Notice (it being understood and agreed that if a Tag-Along Seller elected to Transfer Class A Units in such Tag-Along Transaction prior to the commencement of such additional five-Business Day period, then such election will remain in effect unless such Tag-Along Seller revokes, amends or otherwise modifies such election in writing prior to the expiration of such additional five-Business Day period).

(c) In connection with any Tag-Along Transaction in which any Tag-Along Seller elects to participate pursuant to this Section 9.4, each such Tag-Along Seller shall take all necessary or desirable actions reasonably requested by the Initiating Holders and/or the Transferee in such Tag-Along Transaction in connection with the

consummation of such Tag-Along Transaction, including (A) executing and delivering the applicable purchase agreement, merger agreement, indemnity agreement, escrow agreement, letter of transmittal, release or other agreements or documents governing or relating to such Tag-Along Transaction that the Initiating Holders or the Transferee in such Tag-Along Transaction may request (the “Tag-Along Transaction Documents”); provided, that (x) any escrow arrangement or indemnity shall be allocated among each Tag-Along Seller and Initiating Holders pro rata based upon the allocation among each such Member of the consideration payable in respect of Units in the Tag-Along Sale and (y) no Tag-Along Seller shall be required to provide any non-competition, non-solicitation or similar covenant (other than customary confidentiality covenants) pursuant to such Tag-Along Transaction Documents, and (B) if the Initiating Holders and the Tag-Along Sellers will receive any Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in the Transferee or any other Person in connection with such Tag-Along Transaction, executing and delivering any applicable limited liability company agreement, stockholders agreement, partnership agreement, investor rights agreement, voting agreement or similar agreement which relates to the internal governance of such Transferee or such other Person and/or the rights or obligations of the owners of the Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in such Transferee or such other Person that Initiating Holders or the Transferee may request and which are executed and delivered by the Initiating Holders. In connection with any Tag-Along Transaction that complies with this Section 9.4, no Member (whether or not a Tag-Along Seller) shall (i) take any action that would reasonably be expected to impede or be prejudicial to such Tag-Along Transaction, (ii) assert, at any time, any claim against the Company, any member of the Board (or any committee thereof), any member of any Subsidiary Governing Body or any other Member or any of its Affiliates (including any Initiating Holder and any of its Affiliates) in connection with such Tag-Along Transaction, or (iii) except as permitted under and pursuant to Article 18, disclose to any Person any information related to such Tag-Along Transaction (including the identity of the Transferee, the fact that discussions or negotiations are taking place concerning such Tag-Along Transaction, or any of the terms, conditions or other information with respect to such Tag-Along Transaction).

(d) At the closing of any Tag-Along Transaction in which any Tag-Along Seller has elected to participate under this Section 9.4, such Tag-Along Seller shall deliver at such closing, against payment of the consideration therefor in accordance with the terms of the Tag-Along Transaction Documents, certificates or other documentation (or other evidence thereof reasonably acceptable to the Transferee in such Tag-Along Transaction) representing its Class A Units to be Transferred, duly endorsed for transfer or accompanied by duly endorsed instruments of transfer, and such other documents as are deemed reasonably necessary by the Initiating Holders, the Transferee in such Tag-Along Transaction and/or the Company for the proper Transfer of such Class A Units on the books of the Company or the Transfer Agent, free and clear of any Liens (other than Permitted Liens).

(e) Each Initiating Holder and each Tag-Along Seller electing to participate in a Tag-Along Transaction under this Section 9.4 will bear its *pro rata* share (based upon the allocation among each such Member of the consideration payable in respect of Class A Units in the Tag-Along Transaction) of the costs and expenses of any such Tag-Along Transaction to the extent such costs and expenses are incurred for the benefit of all such Members and are not otherwise paid by the Company or the Transferee. Costs and expenses incurred by any such Member on its own behalf will not be considered costs of the Tag-Along Transaction and will be borne solely by such Member.

(f) Subject to the provisions of this Section 9.4, the Initiating Holders shall have complete discretion over the terms and conditions of any Tag-Along Transaction, including price, payment terms, conditions to closing, timing of closing, representations, warranties, affirmative covenants, negative covenants, indemnification, releases, holdbacks and escrows. Neither the Company, any of its Subsidiaries nor any of the Initiating Holders shall have any liability if any Tag-Along Transaction is not consummated for any reason (including if the Initiating Holders elect to abandon such Tag-Along Transaction for any reason or for no reason).

(g) The Company shall, and shall use its commercially reasonable efforts to cause its officers, employees, agents, contractors and others under its control to, cooperate and assist in any proposed Tag-Along Transaction and not take any action which would reasonably be expected to impede or be prejudicial to any such Tag-Along Transaction. Pending the completion of any proposed Tag-Along Transaction, the Company shall use commercially reasonable efforts to operate the Company and its Subsidiaries in the ordinary course of business and to maintain all existing business relationships in good standing (unless otherwise required by the Tag-Along Transaction Documents) and otherwise comply with the terms of the Tag-Along Transaction Documents to which it is a party.

(h) If any Tag-Along Seller electing to participate in a Tag-Along Transaction materially breaches any of its obligations under this Section 9.4 in respect of such Tag-Along Transaction or any of its representations or obligations under any of the Tag-Along Transaction Documents, then, (i) at the option of the Initiating Holders, such Tag-Along Seller will not be permitted to participate in such Tag-Along Transaction and the Initiating Holders can proceed to close such Tag-Along Transaction excluding the sale of such Tag-Along Seller's Class A Units therefrom and, (ii) at the option of the Initiating Holders, the number of Class A Units to be Transferred by the Initiating Holders and the Tag-Along Sellers (excluding the breaching Tag-Along Seller) shall be recalculated pursuant to clause (ii) of Section 9.4(b) excluding the breaching Tag-Along Seller from such calculation.

(i) The Initiating Holders shall have the right for a period of ninety (90) days after the expiration of the latest five (5) Business Day period referred to in Section 9.4(b) to consummate the Tag-Along Transaction. In the event that the Initiating Holders have not consummated the Tag-Along Transaction within such ninety-day period, the Initiating Holders shall not thereafter consummate such Tag-Along Transaction unless the Initiating Holders again comply with the terms of this Section 9.4; provided, however,

that if such Tag-Along Transaction is unable to be consummated within such ninety-day period as a result of antitrust or other regulatory delay, then such ninety-day period shall be extended on account of such delay as necessary to permit the Initiating Holders to effect such Tag-Along Transaction.

(j) The exercise or non-exercise of the rights of any of the Members under this Section 9.4 to participate in one or more Tag-Along Transactions shall not adversely affect their rights to participate in subsequent Tag-Along Transactions subject to this Section 9.4.

9.5 Appointment of Purchaser Representative. If the Selling Members enter into any negotiation or transaction for which Rule 506 of Regulation D (or any similar rule then in effect) promulgated by the SEC may be available with respect to such negotiation or transaction (including a merger, consolidation or other reorganization), each Dragged Member who is not an Accredited Investor shall, at the request of the Company or the Selling Members, appoint a “purchaser representative” (as such term is defined in Rule 501 of Regulation D) reasonably acceptable to the Company and the Selling Members in connection with such negotiation or transaction.

#### 9.6 Preemptive Rights.

(a) After the Effective Date, the Company shall not, and the Company shall not permit any of its Subsidiaries to, sell or issue to any Person (including any then-current Member) any (i) Equity Interests of the Company or any of its Subsidiaries, or (ii) options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests of the Company or any of its Subsidiaries (any such Equity Interests, options, warrants or securities, collectively, the “Additional Securities”) (other than pursuant to an Excluded Issuance), unless the Company or its applicable Subsidiary first submits written notice (a “Preemptive Rights Notice”) to each Member that owns or holds Class A Common Units identifying the material terms of the Additional Securities (including the price, number or amount and type of Additional Securities, and all other material terms thereof) and offers to each such Member (other than holders of Class B Units) that also demonstrates to the Company’s reasonable satisfaction that such Member is an Accredited Investor (any such Member, a “Preemptive Member” and, collectively, the “Preemptive Members”) the opportunity to purchase up to a portion of the Additional Securities (a “Pro Rata Portion”) on such terms and conditions set forth in the Preemptive Rights Notice. A Preemptive Member’s Pro Rata Portion shall be equal to the product of (1) the total number or amount of Additional Securities subject to the sale or issuance and (2) a fraction, (A) the numerator of which is the number of Class A Units then owned or held by such Preemptive Member, and (B) the denominator of which is the total number of Class A Units then owned or held by all Preemptive Members collectively.

(b) The Company’s or its applicable Subsidiary’s offer to each Preemptive Member shall remain open for a period of thirty (30) days after the Preemptive Rights Notice is delivered to such Preemptive Member in accordance with Section 17.5. A Preemptive Member may accept such offer by delivering written notice of such

acceptance to the Company prior to the expiration of such thirty (30) day period, which notice shall set forth the number or amount of such Additional Securities to be purchased by such Preemptive Member (which, in any event, shall not exceed the number or amount equal to such Preemptive Member's Pro Rata Portion). If not all Preemptive Members subscribe for their full respective Pro Rata Portions, then the Company shall notify in writing the fully-subscribing Preemptive Members of such fact and shall offer, or cause its applicable Subsidiary to offer, such fully-subscribing Preemptive Members the right to acquire such unsubscribed Additional Securities on the terms set forth in the Preemptive Rights Notice. Each fully-subscribing Preemptive Member shall have the right to elect to purchase up to its pro rata share of such unsubscribed Additional Securities (in proportion to the Pro Rata Portions of all fully-subscribing Preemptive Members), by delivering written notice to the Company within two (2) Business Days from the date such offer from the Company or its applicable Subsidiary is delivered to such Preemptive Member. To the extent the procedure described in the preceding sentence does not result in the subscription of all unsubscribed Additional Securities, such procedure shall be repeated until there are no unsubscribed Additional Securities or until no Preemptive Member has elected to purchase additional unsubscribed Additional Securities. A Preemptive Member's failure to respond to the Company by the expiration of such thirty (30) day period shall constitute a waiver of its rights under this Section 9.6 with respect to the purchase of Additional Securities, but shall not affect its rights with respect to any future issuances or sales of Additional Securities.

(c) In the event that any Additional Securities are not subscribed for by the Preemptive Members in accordance with this Section 9.6, the Company or its applicable Subsidiary will have ninety (90) days after the expiration of the last period in which Preemptive Members are entitled to subscribe for Additional Securities to issue or sell the unsubscribed Additional Securities, at a price and upon other terms no more favorable to a purchaser of Additional Securities, in the aggregate, than those specified in the Preemptive Rights Notice delivered to the Preemptive Members pursuant to Section 9.6(a). Following the earlier to occur of (i) the date the Company or its applicable Subsidiary issues or sells all such unsubscribed Additional Securities and (ii) the date of the expiration of the ninety (90) day period referred to in the immediately preceding sentence, the Company or its applicable Subsidiary will not issue or sell any Additional Securities (other than pursuant to an Excluded Issuance) without first offering such Additional Securities to each of the Preemptive Members in the manner provided in this Section 9.6.

(d) Notwithstanding anything to the contrary set forth herein, the Company may comply with its obligations under this Section 9.6 by first selling or issuing to (or causing its applicable Subsidiary to sell or issue to) one or more Persons (including any of the Preemptive Members and/or any of their respective Affiliates) (each, an "Accelerated Acquirer") all or any portion of the Additional Securities contemplated to be issued or sold, and, promptly thereafter, offering to issue or sell to the Preemptive Members the number or amount of such Additional Securities the Preemptive Members would have been entitled to purchase pursuant to this Section 9.6 by applying Sections 9.6(a) and 9.6(b) as if the Company or its applicable Subsidiary had not first issued or sold all or the applicable portion of such Additional Securities to the Accelerated

Acquirer but rather had offered to issue or sell all of such Additional Securities to all Preemptive Members at the same time in accordance with the terms of those Sections (and the determination of the number or amount of such Additional Securities to be offered to any Preemptive Member in accordance with this sentence shall take into account any such Additional Securities that were previously purchased by such Preemptive Member and/or any of its Affiliates if such Preemptive Member and/or any of its Affiliates is an Accelerated Acquirer). The Company or its applicable Subsidiary shall be permitted to pay the Accelerated Acquirer(s) a reasonable fee or premium (which may be nonrefundable) in connection with the issuance or sale of such Additional Securities to such Accelerated Acquirer(s), and it shall not be required that such fee or premium be shared with the Preemptive Members or taken into account in connection with the price to be paid by the Preemptive Members. In the event that any Preemptive Member purchases Additional Securities pursuant to any such offer referred to in the immediately preceding sentence and, as a result thereof, the Accelerated Acquirer(s) would not have been permitted to purchase all of the Additional Securities they had purchased if all of the Additional Securities contemplated to be issued or sold had instead been offered to all Preemptive Members at the same time in accordance with Sections 9.6(a) and 9.6(b), then the Accelerated Acquirer(s) shall sell or transfer to the Company or its applicable Subsidiary, for a price equal to the original cost thereof (plus any accrued and unpaid yield or interest thereon, if applicable, but without reducing such cost by any fee or premium received by the Accelerated Acquirer(s) in connection therewith), the excess number or amount of Additional Securities that had been acquired by the Accelerated Acquirer(s). If the Company issues or sells any Additional Securities to an Accelerated Acquirer pursuant to this Section 9.6(d), then the Company shall not make any Distributions on any of the Common Units (other than the issuance and sale of Additional Securities to Preemptive Members pursuant to this Section 9.6(d)) until after the consummation of the related process of offering and, if applicable, issuing or selling Additional Securities to Preemptive Members pursuant to this Section 9.6(d), unless a reserve is established that is sufficient to make Distributions on Additional Securities that may be issued or sold to Preemptive Members pursuant to this Section 9.6(d) and, if so issued to Preemptive Members, such Preemptive Members shall be entitled to receive such Distribution they would have received with respect to the applicable Additional Securities if they had actually held such Additional Securities on the record date of such Distribution.

(e) If the Company and/or any of its Subsidiaries desires to sell or issue (other than in an Excluded Issuance) (i) any Additional Securities and (ii) any indebtedness or debt securities of the Company or any of its Subsidiaries that do not otherwise constitute Additional Securities, and the items described in clauses (i) and (ii) are to be sold or issued together in unit increments (or in any other stapled or attached form), then such unit increments shall be deemed Additional Securities for purposes of this Section 9.6 and the provisions of this Section 9.6 shall apply to such unit increments.

## **ARTICLE 10**

10.1 Fiscal Year. The fiscal year of the Company (the “Fiscal Year”) shall be established by the Board.

10.2 Books and Records. The books and records of the Company may be kept at such place or places as may be from time to time designated by the Board. The Company shall keep correct and complete books and records of account, including the amount of its assets and liabilities, minutes of its proceedings of its Members and the Board (and any committee of the Board) and the names and places of residence of its officers.

10.3 Tax Election. The Company intends to be treated as an association taxable as a corporation for U.S. federal, state and local income ~~T~~tax purposes under Treasury Regulation section 301.7701-3 and under any corresponding provision of state or local law. The Company shall file an Entity Classification Election (IRS Form 8832) to be treated as an association taxable as a corporation for U.S. federal income ~~T~~tax purposes, effective as of the date the Certificate of Formation was filed even if made thereafter, and any officer of the Company is authorized and empowered to make any such election.

10.4 Required Records. To the fullest extent permitted under applicable law, each Member hereby waives its rights under Section 18-305(a) of the Act to obtain the information specified therein; provided, however, that to the extent that, notwithstanding such waiver, any such Member is entitled to receive such information, the receipt thereof shall be subject to all of the limitations set forth in Section 18-305 of the Act (including the right of the Managers to keep certain information confidential from the Members pursuant to Section 18-305(c) of the Act), and shall be limited to review of the Company’s general ledger and those financial statements derived from it; provided, further, that the review of such information shall be at the sole cost and expense of such Member, during regular business hours of the Company, upon reasonable advance notice, in a manner as would not be unreasonably disruptive to the business or operations of the Company or any of its Subsidiaries, and subject to such other standards as may be established by the Board from time to time. Except as expressly required by non-waivable provisions of applicable law and except as expressly set forth in Section 15.1, the Members shall have no rights to obtain, examine or inspect, or make copies or extracts of, any documents, materials or information relating to the Company or any of its Subsidiaries or any of their respective businesses, assets, operations, properties, financial and other conditions, prospects, or members, partners or shareholders.

10.5 Audits of Books and Accounts. The Company’s books and accounts shall be audited at such times and by such auditors as shall be specified and designated by vote or written consent of the Board.

## **ARTICLE 11**

### **DISTRIBUTIONS**

11.1 Distributions.

(a) Subject to (i) the terms of Section 6.19, (ii) the other terms of this Section 11.1, (iii) the terms of Section 11.2, and (iv) the then existing agreements of the Company or its Subsidiaries relating to indebtedness or debt securities of the Company or any of its Subsidiaries, the Board may (but shall not be obligated to) cause the Company to make Distributions to the Members, at such times and in such amounts as the Board may determine in its sole discretion, and each Distribution shall be made to the Members that own or hold Class A Units and to the Members that own or hold Class B Units to the extent such Members owning or holding Class B Units are entitled to Distributions in respect of such Class B Units in accordance with this Agreement, the applicable Management Incentive Plan and/or any applicable Award Agreement (ratably among such Members based on their respective ownership, immediately prior to such Distribution, of the total number of issued and outstanding Class A Units and Class B Units entitled to Distributions in accordance with this Agreement, the applicable Management Incentive Plan and/or any applicable Award Agreement).

(b) Anything in Sections 11.1(a) and 13.2 to the contrary notwithstanding, unless the Board otherwise approves, if any Member that owns or holds Class A Units shall not have (i) actually executed and delivered to the Company (A) a counterpart of this Agreement or a Joinder Agreement or (B) a completed AI Questionnaire as required pursuant to this Agreement, or (ii) provided the Company with such Member's Member Beneficial Ownership Information as required pursuant to this Agreement or any representations, forms, certificates or other information required by Section 11.4, in any such case at or prior to the time of any payment by the Company of any Distribution on account of Class A Units, then (x) such Member shall not receive, or be entitled to receive, any such Distribution on account of such Member's Class A Units until such Member executes and delivers or provides to the Company the applicable document(s) and/or information referred to in clause (i) or clause (ii) above, subject to the additional terms and provisions of this Section 11.1(b), and (y) the Company shall hold back any Distributions that, except for this Section 11.1(b), would otherwise have been paid or distributed to such Member in respect of such Member's Class A Units. The Company shall not be required to pay any interest in respect of any cash, assets, property, securities or other amounts held back pursuant to the immediately preceding sentence. The Company shall be free to use all such cash, assets, property, securities and other amounts as it sees fit and the Company shall not be under any obligation to pay such cash, assets, property, securities or other amounts into an escrow account (or any similar arrangement). In the event that (I) any Member that owns or holds Class A Units is not paid or distributed a Distribution on account of such Member's Class A Units as a result of this Section 11.1(b), and (II) such Member executes and delivers or provides the applicable document(s) and/or information referred to in clause (i) or clause (ii) above subsequent to the payment or distribution by the Company of such Distribution on account of other Class A Units, then, promptly following such execution and delivery or provision by such Member, the Company shall pay or distribute such Distribution to such Member that would have otherwise been payable or distributable pursuant to Section 11.1(a) or Section 13.2 on account of such Member's Class A Units as of the record date for such Distribution, but held back pursuant to this Section 11.1(b); provided, however, that the obligation of the Company to pay or distribute any such Distribution to such Member shall (X) terminate upon the consummation of a Sale

Transaction, (Y) be subject to any limitations or restrictions under the Act or other applicable law, and (Z) be subject to any limitations or restrictions under the then existing agreements of the Company or its Subsidiaries relating to indebtedness or debt securities of the Company or any of its Subsidiaries.

(c) To the extent the Company makes a Distribution pursuant to Section 11.1(a) in the form of any assets, property or securities (other than cash), such Distribution shall be equal to the Fair Market Value of such of assets, property or securities for purposes of Section 11.1(a).

(d) If the Company makes a Distribution pursuant to Section 11.1(a) of Equity Interests of any of its Subsidiaries or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests of any of its Subsidiaries (any such Distribution, a “Spinoff Distribution”), then, at the election of the Board, the Members that receive such Distribution shall be required to, at or prior to the time of such Distribution, execute and deliver a limited liability company agreement, stockholders agreement, partnership agreement, investor rights agreement, or similar agreement which relates to the internal governance of such Subsidiary and/or the rights or obligations of the owners of the Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in such Subsidiary that is substantially similar to this Agreement and in form and substance acceptable to the Majority Members (any such agreement, a “Subsidiary Governing Document”). Upon the making of any Spinoff Distribution, each of the Members that receives such Spinoff Distribution shall be deemed to have (i) executed and delivered the applicable Subsidiary Governing Document (even if any such Member shall not have actually executed and delivered such Subsidiary Governing Document), (ii) become a party to the applicable Subsidiary Governing Document as a “member,” “partner,” “stockholder” or similar party thereto (including, to the extent applicable, of a particular class), and (iii) become fully bound by, and subject to, all of the covenants, terms, conditions and provisions of the applicable Subsidiary Governing Document as a “member,” “partner,” “stockholder” or similar party thereto (including, to the extent applicable, of a particular class), in each case of the foregoing, without any further action on the part of, or notice to, any Person.

(e) Unless a different record date is established by the Board, any Distribution pursuant to or in accordance with this Section 11.1 shall be made to the Persons shown on the Register of Members as holders of Units entitled to such Distribution as of the date of such Distribution.

**11.2 Limitations on Distributions.** Notwithstanding any provision to the contrary in this Article 11, no Distribution shall be made if such Distribution would violate the Act or any other applicable law.

**11.3 No Other Distributions.** Except as set forth in this Article 11 or upon the dissolution and liquidation of the Company pursuant to, and subject to the terms and conditions

of, Article 13, no Member shall have the right to demand or receive any Distribution or other return on capital in respect of its Units.

11.4 Withholding Tax. The Company will at all times be entitled to make payments with respect to each Member in amounts required to discharge any obligation of the Company to withhold or make payments to any federal, state, local or foreign taxing authority with respect to any distribution to such Member or otherwise with respect to such Member (including in connection with a distribution in kind or as a result of a failure to provide materials necessary to prevent withholding under this Section 11.4) and to withhold (or deduct) the same from distributions to such Member, including in connection with an audit of the Company. Any funds withheld by reason of this Section 11.4 shall nonetheless be deemed distributed to the Member in question for all purposes under this Agreement and, to the extent such withholding has not offset a current distribution, shall reduce future distributions to which such Member is otherwise entitled pursuant to this Agreement. Each Member agrees to furnish the Company with any representations, forms, certificates or other information as shall be reasonably requested by the Company to assist the Company in determining the extent of, or in fulfilling or complying with, any withholding, reporting or compliance obligations the Company may have. The Company shall be entitled to withhold distributions from any Member that fails to provide the representations, forms, certificates and information referred to in the preceding sentence and to use such withheld distributions in order to satisfy any withholding obligations with respect to such Member.

## ARTICLE 12 WITHDRAWALS; ACTION FOR PARTITION

12.1 Waiver of Partition. No Member shall, either directly or indirectly, take any action to require partition, file a bill for Company accounting or appraisal of the Company or of any of its assets or properties or, subject to the terms of Section 9.3, cause the sale of any Company property; and, notwithstanding any provisions of applicable law to the contrary, each Member (and each of such Member's legal representatives, successors, or assigns) hereby irrevocably waives any and all rights it may have to maintain any action for partition or to compel any sale with respect to such Member's Units, or with respect to any assets or properties of the Company, except as expressly provided in this Agreement.

12.2 Covenant Not to Withdraw or Dissolve. Notwithstanding any provision of the Act, but except as otherwise provided in this Agreement, each Member hereby covenants and agrees that such Member has entered into this Agreement based on its mutual expectation that all Members will continue as Members and carry out the duties and obligations undertaken by them hereunder and that, except as otherwise expressly required or permitted hereby, each Member hereby covenants and agrees not to (a) withdraw or attempt to withdraw from the Company (other than upon the permitted Transfer of all of its Units, so long as such withdrawal does not result in a dissolution of the Company), (b) exercise any power under the Act to dissolve the Company, (c) petition for judicial dissolution of the Company, or (d) demand a return of such Member's contributions to capital of the Company (or a bond or other security for the return of such contributions). Anything herein to the contrary notwithstanding, no Member shall be entitled to abandon or surrender such Member's Units or other Interests.

## **ARTICLE 13 DISSOLUTION AND LIQUIDATION**

13.1 Events Causing Dissolution. The Company shall be dissolved only upon the occurrence of any of the following events:

- (a) notwithstanding anything in Section 18-801(a)(3) of the Act to the contrary, the affirmative vote or written consent of the Board and the Majority Members;
- (b) the entry of a final decree of judicial dissolution of the Company under Section 18-802 of the Act; or
- (c) at any time there are no Members of the Company, unless the Company is continued in accordance with the Act.

Except as otherwise set forth in this Section 13.1, the Company is intended to have perpetual existence. To the fullest extent permitted by law, any death, retirement, resignation, expulsion, bankruptcy or dissolution of a Member (or the occurrence of any other event that terminates the continued membership of a Member in the Company) shall not, in and of itself, cause a dissolution of the Company and the Company shall continue in existence subject to the terms and conditions of this Agreement.

13.2 Liquidation and Winding Up. If the Company is dissolved pursuant to Section 13.1, the Company shall be liquidated and the Managers (or other Person or Persons designated by the Board or by a decree of court) shall wind up the affairs of the Company. The Managers or other Persons winding up the affairs of the Company shall promptly proceed to the liquidation of the Company and, in settling the accounts of the Company, the assets and the property of the Company shall be distributed in the following order of priority:

- (a) First, to the payment of (or establishing reserves to pay) all debts and liabilities of the Company (including any debts or liabilities owed to any Member) in the order of priority as provided by law; and
- (b) The balance, if any, to the Members in accordance with Section 11.1.

## **ARTICLE 14 AMENDMENTS**

(a) Any term, condition or provision of this Agreement may be amended, modified or waived from time to time if, and only if, such amendment, modification or waiver is in writing and signed, (x) in the case of an amendment or modification, by the Company and the Majority Members at the time of such amendment or modification, or (y) in the case of a waiver, by the party against whom the waiver is to be effective. Notwithstanding the foregoing sentence, in addition to the affirmative vote or written consent of the Company and the Majority Members, no amendment or modification of any term, condition or provision of this Agreement shall be made (whether by merger,

consolidation or reorganization of the Company, except in connection with a Sale Transaction) relating to:

(i) Sections 6.1, 6.2(a), 6.2(b), 6.2(c), 6.2(d), 6.2(f), 6.2(g), 6.2(h), 6.2(k), 6.12, 6.14, 6.17, 6.18, 8.5, 9.1, 9.3, 9.4 or 9.6, Article 15 or the definition of “Super-Majority Members” (including any of the defined terms used in any such Section, Article or definition, solely to the extent such defined terms are used therein), in any such case, without the affirmative vote or written consent of the Super-Majority Members;

(ii) Sections 6.2(b)(ii), 6.2(c), 6.2(d) (excluding the second sentence of Section 6.2(d)), 6.2(h), 6.12(b), 6.12(c), 6.14(a) or 6.14(d), or the proviso set forth in Section 6.14(b), Section 6.14(c) or Section 6.14(e) (including any of the defined terms used in any such Section or proviso, solely to the extent such defined terms are used therein), in any such case, without the affirmative vote or written consent of each Designating Group affected by such amendment or modification (it being understood that a Member shall only be entitled to vote on, or consent to, an amendment or modification of this Agreement pursuant to this clause (ii) if such Member has a Designation Right as of the time of such amendment or modification);

(iii) the definition of “Specified Member” (including any of the defined terms used in such definition, solely to the extent such defined terms are used therein), without the affirmative vote or written consent of each Specified Member;

(iv) Section 6.2(b)(i), the second sentence of Section 6.2(d) or the definition of “HG Vora Members” (including any of the defined terms used in such Section, sentence or definition, solely to the extent such defined terms are used therein) without the affirmative vote or written consent of the HG Vora Members;

(v) Section 14.1(b)(i) (including any of the defined terms used in such Section, solely to the extent such defined terms are used therein) without the affirmative vote or written consent of each Member that owns or holds Class A Units;

(vi) any of clauses (i)-(v) of this Section 14.1(a) without the prior written consent of the specific Member or Members, and/or the Member or Members that own or hold the requisite percentage of the Units, as applicable, that would be required to amend the underlying provision or definition of this Agreement to which such amendment or modification relates; provided, however, that no amendment or modification of this Section 14.1(a)(vi) shall be made without the affirmative vote or written consent of each Member that owns or holds Class A Units.

(b) Anything in this Agreement to the contrary notwithstanding, (i) subject to clause (ii) of this Section 14.1(b), no amendment or modification of any provision of this Agreement (whether by merger, consolidation or reorganization of the Company, except in connection with a Sale Transaction with any Person other than the Selling Members or any Affiliates thereof) that would adversely affect the rights or increase the obligations of any Member set forth in this Agreement in a manner that is disproportionate in any material respect to the effect of such amendment or modification on the rights and obligations of any of the other Members set forth in this Agreement (without regard to any effect resulting from (A) the individual circumstances of any such Member, (B) the differences in the respective percentages of ownership of Units of the Members or (C) amendments or modifications to the rights and obligations of a specific class or series of Equity Interests of the Company that do not have an adverse effect in any material respect on another class or series of Equity Interests of the Company) shall be made without the affirmative vote or written consent of such affected Member; provided, however, that, for the avoidance of doubt, neither the authorization or creation of a new class or series of Units or other Equity Interests or equity-based securities of the Company (including any amendments or modifications to this Agreement to incorporate the terms, rights, preferences and privileges of such new class or series of Units or other Equity Interests or equity-based securities of the Company in connection with the authorization or creation thereof), nor the issuance of any additional Units or any other Equity Interests or equity-based securities of the Company (including any amendments or modifications to this Agreement to incorporate the terms of any such additional issuance), in each case in accordance with the terms of this Agreement relating to the authorization, creation or issuance of Units or other Equity Interests or equity-based securities of the Company, shall be deemed to adversely affect the rights or obligations of any Member, and (ii) the Board is hereby authorized and empowered, acting alone and without further vote or action of any of the Members or any other Person, to amend or modify this Agreement (A) as provided in Section 5.2(b) hereof and (B) as may be required to give effect to the terms of a Management Incentive Plan or any Award Agreement, and each Member shall be deemed to have executed any such amendment to, or amendment and restatement of, this Agreement; provided, however, that if any such amendment or modification would otherwise require any vote or consent pursuant to any of clauses (i)-(vi) of Section 14.1(a) (other than immaterial amendments or modifications), then such vote or consent shall be obtained as a condition to any such amendment or modification.

(c) Anything in this Section 14.1 or elsewhere in this Agreement to the contrary notwithstanding (except as contemplated in the second proviso in the definition of "Majority Members"), the holders of Class B Units (in their capacity as such) shall have no right to vote on, or right to consent to, any amendment, modification or waiver of or to this Agreement.

## ARTICLE 15 INFORMATION RIGHTS

15.1 Information Rights. Subject to the obligations of the Members under Article 18, the Company shall make available to each Member (other than Members that are Competitors or that own or hold Class B Units) the following information:

(a) within ~~[●]ninety~~ (~~[●]90~~)<sup>3</sup> days after the end of each Fiscal Year (or one hundred and twenty (120) days after the end of the Fiscal Year ending on or about December 31, 2025 (which may, at the Company' option, be limited to the period from the Effective Date to December 31, 2025 or be on a predecessor/successor basis)), copies of the audited consolidated financial statements of the Company and its Subsidiaries for such Fiscal Year, including a consolidated balance sheet and consolidated statements of income or operations, members' equity and cash flows for such Fiscal Year, prepared in accordance with GAAP, together with the auditors' report on such audited consolidated financial statements;

(b) within ~~[●]thirty~~ (~~[●]30~~)<sup>4</sup> days after the end of each Fiscal Quarter in each of the Company's first three (3) Fiscal Quarters in each Fiscal Year, copies of the unaudited consolidated financial statements of the Company and its Subsidiaries for such Fiscal Quarter, including a consolidated balance sheet and consolidated statements of income or operations and cash flows for such Fiscal Quarter, prepared in accordance with GAAP, subject to the absence of footnotes and to year-end adjustments; and

(c) any information that is posted to the "public" side of the platform for lenders under the senior credit documents of the Company and/or any of its Subsidiaries at substantially the same time as such information is posted to such platform;

provided, however, that if the Company does not produce consolidated financial statements required by this Section 15.1 at the Company level, but consolidated financial statements are produced at the level of one or more of its Subsidiaries that cover substantially the same information that would have been covered by consolidated financial statements of the Company and its Subsidiaries, then, in lieu of making available such consolidated financial statements of the Company and its Subsidiaries, the Company shall make available to each Member that owns or holds Units (other than Members that are Competitors or that own or hold Class B Units) the consolidated financial statements of its applicable Subsidiary or Subsidiaries, on the terms set forth in this Section 15.1.

15.2 Delivery of Information. The Company may make available the information described in Section 15.1 (but, for the avoidance of doubt, not any Board Information), within the specified time periods, on a password-protected website that is only available to the Members (other than Members that are Competitors or that own or hold Class B Units) and any actual or prospective Transferees of Units (other than actual or prospective Transferees of Class B Units). The Company shall provide any password or other login information to the Members (other than Members that are Competitors or that own or hold Class B Units) and, upon request of any

Member, any actual or prospective Transferees of Units (other than actual or prospective Transferees of Class B Units) so that any such Person shall be able to access such website.

As a condition to gaining access to the information posted on such website, each Person may be required to (a) “click through” certain confidentiality provisions or take other affirmative action pursuant to which such Person shall acknowledge its confidentiality obligations in respect of such information, (b) certify its status as a Member that owns or holds Class A Units or an actual or prospective *bona fide* Transferee of Class A Units, as applicable, and (c) in the case of any Person that is a Member, confirm and ratify that it is a party to, and bound by all of the terms and provisions of, this Agreement.

15.3 Quarterly Teleconference. The Company shall hold one informational teleconference (each, a “Quarterly Teleconference”) in each Fiscal Quarter for the Members (other than Members that are Competitors or that own or hold Class B Units). Each Quarterly Teleconference shall be held on such date and at such time as designated by the Board, which date and time shall occur after the date in the applicable Fiscal Quarter on which the Company delivers any of the financial statements described in Section 15.1(a) or Section 15.1(b); provided, however, that, with respect to a Quarterly Teleconference in the second Fiscal Quarter in any Fiscal Year, such date shall occur after the later of (a) the date on which the Company delivers the financial statements described in Section 15.1(b) for the first Fiscal Quarter of such Fiscal Year and (b) the date on which the Company delivers the financial statements described in Section 15.1(a) for the prior Fiscal Year. During each Quarterly Teleconference, the Company’s or its applicable Subsidiary’s officers will discuss the financial statements that were delivered by the Company immediately prior to such Quarterly Teleconference; provided, however, with respect to any Quarterly Teleconference in the second Fiscal Quarter in any Fiscal Year, such discussion shall cover the financial statements described in clauses (a) and (b) of the immediately preceding sentence. Any such Quarterly Teleconference may be held jointly with any call for the lenders under the senior credit documents of the Company and/or any of its Subsidiaries.

15.4 Board Information. At the request of any Major Member, Board Information shall be provided to such Major Member; provided, that a Major Member shall not be entitled to receive any Board Information that the Board or the applicable committee of the Board determines (a) would jeopardize or impair the ability of the Company or any of its Subsidiaries to take advantage of the attorney-client, work product or similar privilege if such Board Information was disclosed to such Major Member, (b) is necessary or advisable (in the judgment of the Board or the applicable committee of the Board, as the case may be) to be withheld to comply with the terms and conditions of confidentiality obligations with third parties or applicable law, or (c) such Major Member or any Affiliate of any such Major Member has a conflict of interest with respect to the subject matter of such Board Information.

15.5 Termination of Information Rights. The requirements of this Article 15 shall cease to apply at such time as the Company becomes obligated to file reports under Section 13 or Section 15(d) of the Exchange Act or as a voluntary filer pursuant to contractual obligations (so long as the Company makes such filings). Nothing in this Agreement shall require, or shall be

deemed or construed to require, the Company to file reports under Section 13 or Section 15(d) of the Exchange Act.

## **ARTICLE 16**

### **REPRESENTATIONS AND WARRANTIES OF THE MEMBERS**

16.1 Representations and Warranties of the Members. Each Member (including each Person, if any, admitted as a Member after the Effective Date) hereby represents, warrants and acknowledges to the Company and to each other Member on the Effective Date (or the date on which such Member executes and delivers a Joinder Agreement) as follows:

(a) Such Member (if such Member is an Entity) is duly organized or formed, validly existing and in good standing under the laws of the jurisdiction of its organization or formation and has all requisite power and authority to conduct its business as it is now being conducted and as proposed to be conducted.

(b) Such Member has the full power, authority and legal right to execute, deliver and perform this Agreement, and, if such Member is an Entity, the execution, delivery and performance by such Member of this Agreement have been duly authorized by all necessary action of such Member. This Agreement constitutes such Member's legal, valid and binding obligation, enforceable against it in accordance with its terms (except as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and other laws relating to or affecting creditors' rights generally and the effect and application of general principles of equity and the availability of equitable remedies).

(c) Such Member is not subject to, or obligated under, any provision of (i) its organizational documents (if such Member is an Entity), (ii) any agreement, contract, arrangement or understanding, (iii) any license, franchise or permit, or (iv) any law, regulation, order, judgment or decree, in any such case that would be breached or violated, or in respect of which a right of termination or acceleration or any Lien on any of such Member's assets (including its Units) would be created, by such Member's execution, delivery and/or performance of this Agreement or the consummation of the transactions contemplated hereby.

(d) No authorization, consent or approval of, waiver or exemption by, or filing or registration with, any Governmental Authority or any other Person is necessary on such Member's part for such Member's execution, delivery and/or performance of this Agreement or the consummation of the transactions contemplated hereby, in any such case that has not previously been obtained by such Member.

(e) No Person has or will have, as a result of any act or omission by such Member, any right, interest or valid claim against the Company or any other Member for any commission, fee or other compensation as a finder or broker, or in any similar capacity, in connection with any of the transactions contemplated by this Agreement.

(f) Neither such Member nor any of its Affiliates (other than Related Funds) is, nor will the Company as a result of such Member holding an Interest be, an

“investment company” as defined in, or subject to regulation under, the Investment Company Act.

(g) Except as expressly set forth in this Agreement, neither the Company, any Manager nor any other Member shall have any duty or responsibility to provide such Member with any documents, materials or other information concerning the business, operations, assets, properties, financial and other conditions, or prospects of the Company or any of its Subsidiaries which may come into the possession of the Company, any Manager, any other Member or any of their respective officers, directors, employees, agents, other representatives or Affiliates.

(h) Except as expressly set forth in this Section 16.1, neither the Company, any Manager, any other Member nor any of their respective officers, directors, managers, employees, agents, other representatives or Affiliates has made any representations or warranties to such Member regarding the business, assets, operations, properties, financial and other conditions, or prospects of the Company or any of its Subsidiaries, or otherwise, and no act by the Company, any Manager, any other Member or any of their respective officers, directors, managers, employees, agents, other representatives or Affiliates hereinafter taken, including any review of the affairs of the Company or any of its Subsidiaries, shall be deemed to constitute any such representation or warranty by the Company, any Manager, any other Member or any of their respective officers, directors, managers, employees, agents, other representatives or Affiliates.

(i) The Units acquired by such Member have been, or are being, acquired by such Member for its own account and not with a view to the sale or distribution of any part thereof (or any fractional or beneficial interest therein), and such Member has no present intention of selling, granting any participation in, or otherwise distributing any of the Units (or any fractional or beneficial interest therein). Such Member does not have any contract, agreement or understanding with any Person to sell or Transfer any of the Units (or any fractional or beneficial interest therein), or grant any participation in any of the Units (or any fractional or beneficial interest therein), to such Person.

(j) (i) Such Member must bear the economic risk of such Member’s investment in the Units acquired by such Member indefinitely unless the disposition of such Units is registered or qualified under the Securities Act and applicable state securities laws or an exemption from such registration or qualification is available, and that the Company has no obligation or intention of so registering or qualifying such Units, (ii) there is no assurance that any exemption from the Securities Act or applicable state securities laws will be available, or, if available, that such exemption will allow such Member to dispose of or otherwise Transfer any or all of such Member’s Units in the amounts or at the times such Member might desire and (iii) the Company is not presently under any obligation to register the Units under Section 12 of the Exchange Act or to make publicly available the information specified in Rule 144 under the Securities Act and that it may never be required to do so.

(k) Such Member: (i) is an Accredited Investor, (ii) has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and

risks of its investment in the Units acquired by such Member, (iii) has received all of the information about the Company and its Subsidiaries that it has requested and considers necessary or appropriate for deciding whether to acquire the Units acquired by such Member, (iv) is acquiring Units based upon such Member's own investigation, and the exercise by such Member of such Member's rights and the performance of such Member's obligations under this Agreement will be based upon such Member's own investigation, analysis and expertise, (v) has the ability to bear the economic risks inherent in its investment of the Units acquired by such Member, (vi) is able, without materially impairing its financial condition, to hold the Units acquired by such Member for an indefinite period of time and to suffer a complete loss of its investment, and (vii) understands and has fully considered for purposes of its investment in the Units acquired by such Member the risks of this investment and understands that: (A) the Units represent an extremely speculative investment that involves a high degree of risk of loss, (B) it may not be possible for such Member to liquidate its investment in any of the Units because of substantial restrictions on the transferability of the Units, (C) no public market exists for the Units, and no representation has been made to such Member that any such public market will exist in the future, and (D) there have been no representations as to the possible future value, if any, of any of the Units.

16.2 Survival of Representations and Warranties. Each of the representations, warranties and acknowledgements of each Member in Section 16.1 shall survive the Effective Date (or the date on which such Member executes and delivers a Joinder Agreement).

## ARTICLE 17 MISCELLANEOUS

**17.7 GOVERNING LAW; CONSENT TO JURISDICTION AND SERVICE OF PROCESS; WAIVER OF JURY TRIAL.** THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REGARD TO ITS CONFLICTS OF LAW DOCTRINE. EACH OF THE COMPANY AND EACH MEMBER HEREBY SUBMITS TO THE EXCLUSIVE JURISDICTION OF THE DELAWARE COURT OF CHANCERY AND ANY STATE APPELLATE COURT THEREFROM WITHIN THE STATE OF DELAWARE (UNLESS THE DELAWARE COURT OF CHANCERY SHALL DECLINE TO ACCEPT JURISDICTION OVER A PARTICULAR MATTER, IN WHICH CASE, OF ANY DELAWARE STATE OR FEDERAL COURT WITHIN THE STATE OF DELAWARE), AND ANY JUDICIAL PROCEEDING BROUGHT AGAINST THE COMPANY OR ANY MEMBER WITH RESPECT TO ANY DISPUTE ARISING OUT OF THIS AGREEMENT OR ANY MATTER RELATED HERETO SHALL BE BROUGHT ONLY IN SUCH COURTS. EACH OF THE COMPANY AND EACH MEMBER HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION IT MAY HAVE OR HEREAFTER HAVE TO THE LAYING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. EACH OF THE COMPANY AND EACH MEMBER HEREBY CONSENTS TO PROCESS BEING SERVED IN ANY SUCH PROCEEDING BY THE MAILING OF A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE ADDRESS SPECIFIED IN SECTION 17.5, OR IN ANY OTHER MANNER PERMITTED BY LAW. EACH OF THE COMPANY AND EACH MEMBER HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ANY RIGHTS IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUCH PROCEEDING.

17.8 No Third-Party Beneficiaries. The terms and provisions of this Agreement are intended solely for the benefit of each party hereto and its legal representatives, heirs, administrators, executors, successors and permitted assigns, and it is not the intention of the parties hereto to confer third-party beneficiary rights upon any other Person other than (x) the Covered Persons (solely with respect to Sections 8.1 and 8.2), (y) the Identified Persons (solely with respect to Section 8.5), and (z) to the extent not already a party hereto, each Affiliate of any of the Members for purposes of Section 8.6.

17.9 Binding Effect. By virtue of the Plan of Reorganization and the order of the Bankruptcy Court that confirmed the Plan of Reorganization, on the Effective Date, without any further action on the part of, or notice to, any Person, each of the Persons that received Existing Common Units under, or as contemplated by, the Plan of Reorganization on or as of the Effective Date became a party to this Agreement as a “Member” hereunder, became fully bound by, and subject to, all of the covenants, terms, conditions and provisions of this Agreement as a “Member” party hereto, and is deemed to have signed this Agreement. 17.10 Additional Actions and Documents. The parties agree to execute and deliver any further instruments and perform any additional acts that are or may become reasonably necessary to carry on the Company or to effectuate its purposes.

17.11 Injunctive Relief. It is hereby agreed and acknowledged that it will be impossible to measure in money the damages that would be suffered if the parties to this Agreement fail to comply with any of the obligations imposed on them by this Agreement and that in the event of any such failure, a non-breaching party hereto will be irreparably damaged and will not have an adequate remedy at law. Any such non-breaching party shall, therefore, be entitled to injunctive relief, specific performance or other equitable remedies to enforce such obligations, this being in addition to any other remedy to which such Person is entitled at law or in equity. Each of the parties hereto hereby waives any defense that a remedy at law is adequate and any requirement to post bond or other security in connection with actions instituted for injunctive relief, specific performance or other equitable remedies. Each of the parties hereto hereby agrees not to assert that specific performance, injunctive relief and other equitable remedies are unenforceable, violate public policy, invalid, contrary to law or inequitable for any reason. The right of specific performance, injunctive relief and other equitable remedies is an integral part of the transactions contemplated by this Agreement.

17.12 Assignment. No rights, interests or obligations of any Member herein may be assigned without the prior approval of the Board and the Majority Members, except assignments to Transferees of Units in connection with Transfers of Units that strictly comply with Article 9; provided, however, that (a) the Designation Right of a Designating Group shall not be assignable and (b) the rights of each Preemptive Member under Section 9.6 shall not be assignable except to any Person that is an Affiliate of such Preemptive Member and an Accredited Investor at the time of such assignment (and any such assignment may be made in connection with, or not in connection with, a Transfer of Units to such Person); provided, that the assignment of such rights under Section 9.6 to any such Person that is not then a Member shall only be permitted if the conditions set forth in Section 4.2(b) are satisfied in connection with the related purchase of Additional Securities by such Person.

17.13 Redaction. Anything herein to the contrary notwithstanding, any copy of the Register of Members that is provided to a Member that holds Class B Units shall be redacted to remove all information relating to each other Member, including the class or series and number of Units held by each other Member (and, if applicable, any hurdles, vesting schedules, forfeiture provisions or other terms and conditions applicable thereto), and the Members that hold Class B Units shall not be entitled to such information.

17.14 Spousal Consent. Unless waived by the Company, each married Member, and each Member who, subsequent to the Effective Date, marries or remarries, will concurrently with his or her execution hereof, or the consummation of such marriage, as applicable, deliver to the Company the written consent of his or her spouse in a form that is acceptable to the Company in its sole discretion; provided, however, that the failure of any such Member to do so will not affect the validity or enforceability of this Agreement.

17.15 Financial Crimes Matters. The Company shall conduct its business in compliance in all material respects with applicable Anti-Corruption Laws, Anti-Money Laundering Laws and Sanctions.

17.16 Termination. This Agreement shall terminate automatically upon the occurrence of an IPO and, to the extent applicable, (a) the entry into of a stockholders agreement pursuant to, and as described in, Section 19.2 by the Reorganized Issuer and the Members, and/or (b) the entry into of registration rights agreement pursuant to, and as described in, Section 19.3 by the Company or the Reorganized Issuer, as applicable, and the Members; provided, however, that (i) any liability of any current or former Member for any breach of this Agreement prior to such termination shall survive any such termination, and (ii) the terms and provisions of the following Sections and Articles of this Agreement shall survive any such termination: Section 4.4(b), Section 4.5, Article 8 (other than Section 8.7), Section 17.7, Article 18 and Article 19.

## ARTICLE 18 CONFIDENTIALITY

18.1 Confidentiality. Each Member hereby agrees that, during the period commencing on the Effective Date (or, with respect to any Member that becomes a party hereto after the Effective Date, the date any such Member executes and delivers a Joinder Agreement) and ending on the first anniversary of the date on which such Member no longer beneficially owns or holds any Units (such period, the “Confidentiality Period”), such Member will keep strictly confidential and will not disclose or divulge to any other Person (other than as permitted by Section 18.2) any (x) confidential, business, financial or proprietary information regarding the Company or any of its Subsidiaries, or any confidential, business, financial or proprietary information regarding the business or affairs of any other Member in respect of the Company or any of its Subsidiaries (in any such case, whether in written, oral or electronic form), that is obtained by, or on behalf of, such Member from the Company or any of its Subsidiaries (including, for all purposes of this Article 18, any such information obtained by such Member from any Manager), from the Company’s or any such Subsidiary’s legal or financial advisors or any other agents or advisors engaged by the Company or any of its Subsidiaries, from any other Member, or through the ownership of Interests and (y) notes, analyses, compilations, studies, interpretations or other documents prepared by such Member or any of its Representatives which contain, reflect or are based upon the information referred to in clause (x) above (collectively, “Confidential Information”). Confidential Information shall not include information which (A) is known or becomes known to the public in general (other than as a result of a breach of this Section 18.1 by a Member or any of its Representatives), (B) is or becomes available to a Member on a non-confidential basis from a source other than the Company, any other Member or any of their respective Affiliates or Representatives (provided, that such Member is not aware that such source is under an obligation to keep such information confidential) prior to such information being provided to such Member by (or obtained from) the Company or any of its Subsidiaries, any other Member or any of their respective Affiliates or Representatives or (C) is independently developed by such Member or its Representatives without reference to the Confidential Information.

18.2 Permitted Disclosure of Confidential Information.

(a) Notwithstanding Section 18.1, Confidential Information may be disclosed as follows:

(i) Confidential Information may be provided by a Member, on a confidential basis, to such Member's Affiliates and the respective managers, officers, directors, employees, partners, investors, members, representatives, attorneys, accountants, auditors, trustees, insurers, other professional advisors and financing sources of such Member and such Member's Affiliates (collectively, "Representatives"), to the extent reasonably necessary in connection with such Member's investment in the Company; provided, however, that such Member shall direct its Representatives to comply with the restrictions in this Article 18 as if such Representatives were a party hereto and bound by such restrictions, and such Member shall be responsible for ensuring that its Representatives comply with such restrictions and shall be responsible and liable for any breach of any such restrictions by any of its Representatives.

(ii) Confidential Information may be provided by a Member, on a confidential basis, to an actual or potential *bona fide* Transferee of all or a portion of the Units owned or held by such Member, to the extent reasonably necessary to consummate a sale or other Transfer of such Units permitted under this Agreement; provided, however, that (x) prior to such Member's delivery of Confidential Information to an actual or potential *bona fide* Transferee of Units pursuant to this clause (ii), such actual or potential *bona fide* Transferee shall have executed and delivered to such Member and the Company a Transferee confidentiality agreement substantially in the form attached hereto as Exhibit C, (y) in no event shall Confidential Information be provided to any Competitor and (z) in no event shall Board Information be provided to any such actual or prospective *bona fide* Transferee.

(iii) In the event that a Member or any of its Representatives determines, in good faith upon the advice of counsel (including internal counsel), that disclosure of Confidential Information is required under applicable law or regulation, or by any Governmental Authority having jurisdiction over such Member or such Representative, such Member or such Representative will (x) use commercially reasonable efforts to preserve the confidentiality of the Confidential Information sought to be disclosed; and (y) to the extent legally permitted, promptly provide the Company with written notice so that the Company may seek (at the Company's expense) an appropriate protective order or other remedy and/or waive compliance with this Agreement and, if requested by the Company, assist the Company (at the Company's expense) to seek such a protective order or other remedy. Provided that such notice (to the extent legally permitted) is furnished, if, in the absence of a protective order or other remedy, such Member or any applicable Representative is, in the opinion of its counsel, legally compelled to disclose Confidential Information or else be held liable for contempt or suffer other censure or penalty, such Member or such Representative may disclose pursuant to this Section 18.2(a)(iii) only that portion of such Confidential Information, and only to those parties, that such counsel has advised is compelled

or required to be disclosed, without liability under this Agreement. In addition, any Member and any applicable Representative shall be entitled to share Confidential Information with Governmental Authorities in connection with routine regulatory audits and examinations that are conducted by such Governmental Authorities of such Member or any of its Affiliates, in each case, without providing the Company with notice of such sharing or disclosure.

(iv) With the prior consent of the Company, any Member may provide Confidential Information of the Company (but not Confidential Information of any other Member in respect of the Company or any of its Subsidiaries) to any Person in connection with a potential Sale Transaction with such Person; provided that such Person has an obligation to the Company to keep such Confidential Information confidential.

(v) Any Member that is an employee, consultant or other service provider of the Company or any of its Subsidiaries may disclose Confidential Information in the performance of such employment duties or services to the extent authorized by the Company's policies in respect thereof.

(b) Termination. All the rights and obligations of a Member set forth in this Article 18 shall terminate automatically upon the expiration of the Confidentiality Period applicable to such Member; provided, however, that no such termination shall relieve any Member from any liability relating to any breach of this Article 18.

## **ARTICLE 19**

### **IPO**

19.1 IPO Approval. Subject to Section 9.3, the Company shall not initiate or undertake an IPO or effect a Corporate Conversion in connection therewith without the prior approval or written consent of the Board and the Majority Members. The parties hereto agree that any IPO may be effected at the Company level or at a Subsidiary of the Company or by or through a successor Entity or effected through another form of recapitalization, reorganization, and/or exchange of the Units (as determined by the Board, with the approval of the Majority Members), and that in the event of a planned IPO, the Company shall convert all (or the appropriate portion) of the Units then held by any Members into an economically equivalent number of shares of the common stock of the Company or its applicable Subsidiary or successor Entity effecting such IPO. If an IPO has been approved in accordance with this Section 19.1 and Section 6.19, or otherwise approved pursuant to Section 9.3, each Member hereby consents to such IPO and shall vote for (to the extent it has any voting right) and raise no objections against such IPO, and each Member shall take all reasonable actions in connection with the consummation of such IPO as requested by the Company.

19.2 Required Actions. In connection with an IPO, subject to the requisite approval set forth in Section 19.1, the Board may either (a) cause the Company to contribute all or substantially all of its assets to a corporation in a transaction qualified under Code Section 351(a), and thereupon liquidate and dissolve the Company, (b) elect to have all Members contribute their Units to a corporation, in a transaction qualifying under Code Section 351(a), as

long as the Fair Market Value of the shares of the corporation received by all Members, as determined by the Board, is equal to the Fair Market Value of the Units Transferred, as reasonably determined by the Board, (c) cause the Company to distribute some or all of the shares of capital stock of one or more Subsidiaries of the Company to the Members, (d) cause the Company to transfer its assets, liabilities and operations to a corporation in exchange for any combination of cash, debt or capital stock in such corporation, (e) cause a corporation to be admitted as a Member of the Company, with such corporation purchasing interests in the Company from the Company or Members (as determined by the Board) with the proceeds of a public offering of the corporation's stock, or (f) otherwise cause the Company to convert into a corporation, by way of merger, consolidation or otherwise. Each Member hereby consents to such actions and shall vote for (to the extent it has any voting right) and raise no objections against such actions, and each Member shall, at the request of the Board, take all actions reasonably necessary or desirable to effect such actions (including whether by conversion into a corporation, merger or consolidation into a corporation, recapitalization or reorganization, sale of securities, or otherwise), giving effect to the same economic (other than any tax effects resulting therefrom), voting and corporate governance provisions contained herein (any such transaction contemplated by this Section 19.2, a "Corporate Conversion"). Subject to the requisite approval set forth in Section 19.1, no Member shall have the right or power to veto, vote for or against, amend, modify or delay any such Corporate Conversion. In connection with such Corporate Conversion, at the request of the Board, each Member hereby agrees to enter into a stockholders agreement (or equivalent) with the corporate successor (the "Reorganized Issuer") and each other Member which contains restrictions on the Transfer of such capital stock and other provisions (including with respect to the governance and control of such Reorganized Issuer) in form and substance (including with respect to the termination thereof) similar to the provisions and restrictions set forth herein to the extent reasonably requested by the Board. Further, each Member shall (solely in its capacity as such) execute and deliver any documents and instruments and perform any additional acts that may be reasonably necessary or appropriate, as determined by the Board, to effectuate and perform any such IPO or Corporate Conversion.

19.3 Registration Rights Agreement. In connection with (but prior to the consummation of) an IPO, the Company or any Reorganized Issuer, as applicable, shall enter into a registration rights agreement with, or for the benefit of, each Member, in form and substance reasonably satisfactory to the Majority Members, with respect to the registration of its common equity securities ("Company Securities") following the consummation of an IPO; provided, that such registration rights agreement shall provide that (a) any Member or group of Members party to such registration rights agreement (any such holder, a "Registered Holder") that own or hold at least five percent (5.0%) of all of the Company Securities that are issued and outstanding at the time of any such request may request that the Company or such Reorganized Issuer, as applicable, effect the registration under the Securities Act of a specified number of "Registrable Securities" (as customarily defined) held by such Registered Holder(s), provided, that, subject to certain exceptions, the Company or such Reorganized Issuer, as applicable, will not be required to effect any such demand right more than three times, and (b) the Registered Holders shall be entitled to reasonable and customary piggyback registration rights.

**FORM OF TRANSFeree CONFIDENTIALITY AGREEMENT**

[NAME OF POTENTIAL TRANSFeree]  
[ADDRESS]

Attention:

Re: Confidentiality Agreement

Ladies and Gentlemen:

In connection with a possible transaction (the “Transaction”) involving the sale or transfer of limited liability company interests of [●] Fusion Parent, LLC (the “Company”) owned, held or controlled by [INSERT NAME OF TRANSFEROR] (the “Transferor”) to [INSERT NAME OF POTENTIAL TRANSFeree] (the “Potential Transferee”), the Transferor is prepared to make available to the Potential Transferee certain Confidential Information (as defined below). As a condition to such Confidential Information being furnished to the Potential Transferee, the Potential Transferee hereby agrees that it will comply with the following terms of this letter agreement (this “Confidentiality Agreement”):

1. Confidential Information. (a) “Confidential Information” means any (x) confidential, business, financial or proprietary information regarding the Company or any of its subsidiaries, or any confidential, business, financial or proprietary information regarding the business or affairs of any member of the Company in respect of the Company or any of its subsidiaries (in any such case, whether in written, oral or electronic form), that has been obtained by, or on behalf of, the Potential Transferee or any of its Representatives from the Company or any of its subsidiaries, from the Transferor, or from any of their respective Representatives and (y) notes, analyses, compilations, studies, interpretations or other documents prepared by the Potential Transferee or any of its managers, officers, directors, employees, partners, investors, members, representatives, attorneys, accountants, auditors, trustees, insurers, other professional advisors and financing sources (collectively, “Representatives”), which contain, reflect or are based upon the information referred to in clause (x) above. Confidential Information shall not include information which (A) is known or becomes known to the public in general (other than as a result of a breach of the confidentiality obligations hereunder or otherwise by the Transferor, the Potential Transferee or any of their respective Representatives), (B) is or becomes available to the Potential Transferee on a non-confidential basis from a source other than the Company or any of its subsidiaries, the Transferor or any of their respective Representatives (provided, that the Potential Transferee is not aware that such source is under an obligation to keep such Confidential Information confidential) prior to such information being provided to the Potential Transferee by or on behalf of (or obtained from) the Company, any of its subsidiaries, the Transferor or any of their respective Representatives or (C) is independently developed by the Potential Transferee or any of its Representatives without reference to the Confidential Information.

(b) The Potential Transferee recognizes and acknowledges the competitive value and confidential nature of the Confidential Information and the damage that could result to the

Company, the Transferor and any other member of the Company if any Confidential Information is disclosed to a third party, and hereby agrees that it will keep strictly confidential and will not disclose, divulge or use for any purpose, other than to evaluate the Transaction, any of the Confidential Information; provided, however, that any of the Confidential Information may be disclosed, on a confidential basis, to any of the Potential Transferee's Representatives that need to know such information for the purpose of evaluating the Transaction. The Potential Transferee shall cause its Representatives to comply, and the Potential Transferee shall be responsible for ensuring that its Representatives comply, with the restrictions set forth in this Confidentiality Agreement as if such Representatives were a party hereto and bound by such restrictions, and shall be responsible and liable for any breach of any such restrictions by any of its Representatives.

2. Disclosure of Confidential Information. In the event that the Potential Transferee or any of its Representatives determines, in good faith upon the advice of counsel, that disclosure of Confidential Information is required under applicable law or regulation, or is required by governmental or by regulatory authorities having jurisdiction over the Potential Transferee or such Representative, the Potential Transferee or such Representative will, to the extent legally permitted and practicable under the circumstances, promptly provide the Transferor and the Company with written notice so that they may seek an appropriate protective order or other remedy and/or waive compliance with the provisions of this Confidentiality Agreement and, if requested by the Transferor or the Company, assist the Transferor or the Company to seek such a protective order or other remedy. Provided that such foregoing notice (to the extent legally permitted and practicable under the circumstances) is furnished, if, in the absence of a protective order or other remedy, the Potential Transferee or any of its applicable Representatives is, in the opinion of its counsel, required to disclose Confidential Information, the Potential Transferee or such Representative may disclose pursuant to this Section 2 only that portion of such Confidential Information, and only to those parties, that such counsel has advised is required to be disclosed, without liability under this Confidentiality Agreement.

3. Return and Destruction of Confidential Information. In the event that the Potential Transferee decides not to proceed with the Transaction, the Potential Transferee will promptly inform the Transferor of that decision. In that case, or at any time upon the request of the Transferor for any reason, the Potential Transferee will, as directed by the Transferor, promptly deliver to the Transferor or the Company all Confidential Information (and any copies thereof). Upon the Transferor's request, the Potential Transferee shall provide the Transferor with prompt written confirmation of the Potential Transferee's compliance with this Section 3. Notwithstanding the return or destruction of the Confidential Information, the Potential Transferee and its Representatives shall continue to be bound by the obligations of confidentiality and other obligations and agreements hereunder.

4. No Representations or Warranties. The Potential Transferee understands, acknowledges and agrees that neither the Company nor any of its subsidiaries, the Transferor nor any other member of the Company makes any representation or warranty, express or implied, as to the accuracy or completeness of the Confidential Information, and neither the Company nor any of its subsidiaries, the Transferor nor any other member of the Company shall have any liability to the Potential Transferee or to any of its Representatives relating to or resulting from the use of the Confidential Information or any errors therein or omissions therefrom. Only those

representations or warranties which are made in a final definitive agreement regarding any Transaction, when, as and if executed and delivered, and subject to such limitations and restrictions as may be specified therein, will have any legal effect.

5. Injunctive Relief. It is hereby agreed and acknowledged that it will be impossible to measure in money the damages that would be suffered by the Company and the Transferor if the Potential Transferee fails to comply with any of the obligations imposed on it by this Confidentiality Agreement and that in the event of any such failure, the Transferor and the Company will be irreparably damaged and will not have an adequate remedy at law. The Transferor and the Company shall, therefore, be entitled to injunctive relief, specific performance or other equitable remedies to enforce such obligations, this being in addition to any other remedy to which either the Transferor or the Company is entitled at law or in equity. The Potential Transferee hereby waives any defense that a remedy at law is adequate and any requirement to post bond or other security in connection with actions instituted for injunctive relief, specific performance or other equitable remedies. The Potential Transferee hereby agrees not to assert that specific performance, injunctive relief and other equitable remedies are unenforceable, violate public policy, invalid, contrary to law or inequitable for any reason. The right of specific performance, injunctive relief and other equitable remedies is an integral part of the transactions contemplated by this Confidentiality Agreement.

6. Governing Law. THIS CONFIDENTIALITY AGREEMENT AND ANY CONFLICTS ARISING HEREUNDER OR RELATED HERETO SHALL BE GOVERNED BY, AND CONSTRUED UNDER, THE LAWS OF THE STATE OF DELAWARE, ALL RIGHTS AND REMEDIES BEING GOVERNED BY SAID LAWS, REGARDLESS OF THE LAWS THAT MIGHT OTHERWISE GOVERN UNDER APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS. EACH OF THE TRANSFEROR AND THE POTENTIAL TRANSFEE HEREBY SUBMITS TO THE EXCLUSIVE JURISDICTION OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK AND OF ANY NEW YORK STATE COURT SITTING IN THE CITY OF NEW YORK, BOROUGH OF MANHATTAN, AND ANY JUDICIAL PROCEEDING BROUGHT AGAINST THE TRANSFEROR OR THE POTENTIAL TRANSFEE WITH RESPECT TO ANY DISPUTE ARISING OUT OF THIS CONFIDENTIALITY AGREEMENT OR ANY MATTER RELATED HERETO SHALL BE BROUGHT ONLY IN SUCH COURTS. EACH OF THE TRANSFEROR AND THE POTENTIAL TRANSFEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION IT MAY HAVE OR HEREAFTER HAVE TO THE LAYING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. EACH OF THE TRANSFEROR AND THE POTENTIAL TRANSFEE HEREBY CONSENTS TO PROCESS BEING SERVED IN ANY SUCH PROCEEDING BY THE MAILING OF A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO ITS ADDRESS SPECIFIED BELOW, OR IN ANY OTHER MANNER PERMITTED BY LAW. EACH OF THE TRANSFEROR AND THE POTENTIAL TRANSFEE HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ANY RIGHTS IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUCH ACTION OR PROCEEDING.

7. Term. This Confidentiality Agreement will terminate on the earlier of (a) two (2) years from the date hereof and (b) the Potential Transferee executing a Joinder Agreement to the Amended and Restated Limited Liability Company Agreement of the Company, dated as of June [●6], 2025, among the Company and its members, as amended, supplemented, amended and restated or otherwise modified from time to time; provided, however, that no such termination of this Confidentiality Agreement shall relieve the Potential Transferee from any liability relating to any breach of this Confidentiality Agreement.

8. Notices. All notices, requests, waivers and other communications made pursuant to this Confidentiality Agreement shall be in writing and shall be deemed to have been effectively given, delivered, provided or received (a) when personally delivered to the party to be notified; (b) when sent by electronic mail (“e-mail”) to the party to be notified; (c) three (3) business days after deposit in the United States mail, postage prepaid, by certified or registered mail with return receipt requested, addressed to the party to be notified; or (d) one (1) business day after deposit with a national overnight delivery service, postage prepaid, addressed to the party to be notified with next-business day delivery guaranteed, in each case as follows:

[       ]

to the Potential Transferee, at:

[       ]

A party may change its address or e-mail address for purposes of notice hereunder by giving notice of such change to the other party in the manner provided in this Section 8.

9. Miscellaneous. This Confidentiality Agreement contains the entire agreement between the Transferor and the Potential Transferee regarding its subject matter and supersedes all prior agreements, understandings, arrangements and discussions between the Transferor and the Potential Transferee regarding such subject matter. It is understood and agreed that no failure or delay by the Transferor or the Company in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder. No provision in this Confidentiality Agreement can be waived or amended except by written consent of the Transferor, the Potential Transferee and the Company, which consent shall specifically refer to the provision to be waived or amended and shall explicitly make such waiver or amendment. This Confidentiality Agreement may be signed by electronic transmission and in one or more counterparts, each of which shall be deemed an original but all of which shall be deemed to constitute a single instrument. If any provision of this Confidentiality Agreement is found to violate any statute, regulation, rule, order or decree of any governmental authority, such invalidity shall not be deemed to affect any other provision hereof or the validity of the remainder of this Confidentiality Agreement, and such invalid provision shall be deemed deleted herefrom to the minimum extent necessary to cure such violation. The provisions of this Confidentiality Agreement shall inure to the benefit of and be binding upon the

parties hereto and their respective legal representatives, heirs, administrators, executors, successors and permitted assigns. The Potential Transferee may not assign this Confidentiality Agreement without the prior written consent of the Transferor and the Company. For the avoidance of doubt, if such Benchmark is a term rate, the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (a) or (b) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

(c) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such Benchmark (or such component thereof), or if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Unavailability Period” means the period (if any) (x) beginning at the time that a Benchmark Replacement Date has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 2.14 and (y) ending at the time that a Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 2.14.

(a) [Reserved.]

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section 2.06 and may, in reliance on such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent an amount equal to such share on demand of the Administrative Agent. If such Lender does not pay such corresponding amount forthwith upon demand of the Administrative Agent therefor, the Administrative Agent shall promptly notify the Borrower, and the Borrower agrees to pay such corresponding amount to the Administrative Agent forthwith on demand. The Administrative Agent shall also be entitled to recover from such Lender or Borrower interest on such corresponding amount, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, or (ii) in the case of the Borrower, the interest rate applicable to such Borrowing in accordance with Section 2.13. (c) The obligations of the Lenders hereunder to make Loans and to make payments pursuant to Section 9.03(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 9.03(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.03(c).

SECTION 2.07 Interest Elections.

Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a SOFR Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.07. by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such written Interest Election Request shall be irrevocable and shall be signed by the Borrower.

(c) Each written Interest Election Request shall specify the following information in compliance with Section 2.03:

If any such Interest Election Request requests a SOFR Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request in accordance with this Section 2.07, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a SOFR Borrowing and (ii) unless repaid, each SOFR Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Each reduction of the Commitments of any Class shall be made ratably among the Lenders of such Class.

SECTION 2.09      Repayment of Loans; Evidence of Debt.

(a)      The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Loan of such Lender as provided in Section 2.10.

(b)      Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c)      The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d)      The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section 2.09 shall be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section 2.09, the accounts maintained by the Administrative Agent pursuant to paragraph (c) of this Section 2.09 shall control.

(e)      Any Lender may request that Loans of any Class made by it be evidenced by a Note. In such event, the Borrower shall execute and deliver to such Lender a Note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns).

SECTION 2.10      Repayment of Loans.

(a)      To the extent not previously paid, all Loans shall be due and payable on the Maturity Date.

(b)      Prior to any repayment of any Borrowings of any Class hereunder, the Borrower shall select the Borrowing or Borrowings of the applicable Class to be repaid and shall notify the Administrative Agent in writing by telecopy, electronic mail, facsimile or overnight courier of such election not later than 2:00 p.m., New York City time, one (1) Business Day before the scheduled date of such repayment. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent may make (without obligation) such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Borrowings shall be accompanied by accrued interest on the amount repaid.

SECTION 2.11 Prepayment of Loans.

(a) Subject to clause (b) below, the Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty.

(b) (i) In the event that the Borrower prepays, repays, refinances, repurchases, substitutes or replaces all or any portion of the Loans at any time (including, without limitation, optional prepayments described in Section 2.11(a), mandatory prepayments described in Section 2.11(c) and any payments of the Loans occurring after acceleration of the Loans pursuant to Section 7.01, any payments made before or after a Default or an Event of Default, the satisfaction, release, payment, redemption, restructuring, reorganization, replacement, reinstatement, defeasance or compromise of any Loans (in whole or in part) in any proceeding under any Debtor Relief Law, foreclosure (whether by power of judicial proceeding or otherwise) or deed in lieu of foreclosure or the making of a distribution of any kind in any proceeding under any Debtor Relief Law to the Lenders any payments made after a bankruptcy or insolvency event), the Borrower shall pay to the Administrative Agent, for the account of each applicable Lender:

(A) prior to the first anniversary of the Effective Date, a premium of 3.00% of the aggregate principal amount of the Loans so prepaid, repaid, refinanced, repurchased, substituted or replaced;

(B) during the period from and including the first anniversary of the Effective Date to but not including the second anniversary of the Effective Date, a premium of 2.00% of the aggregate principal amount of the Loans so prepaid, repaid, refinanced, repurchased, substituted or replaced; and

(C) during the period from and including the second anniversary of the Effective Date to but not including the third anniversary of the Effective Date, a premium of 1.00% of the aggregate principal amount of the Loans so prepaid, repaid, refinanced, repurchased, substituted or replaced. For the avoidance of doubt, no prepayment fee shall be payable with respect to the Loans at any time on or after the date that is the third anniversary of the Effective Date.

Each Loan Party acknowledges and agrees that if the payment of the Secured Obligations is accelerated or the principal on the Loans and other Secured Obligations otherwise becomes due in whole or in part prior to, on, or after the Maturity Date, in each case, in respect of any Event of Default (including upon the occurrence of a bankruptcy or insolvency event (including the acceleration of claims by operation of law)), the amounts payable pursuant to this Section 2.11(b)(i) will also be due and payable as though the events referred to therein had occurred and shall constitute part of the Secured Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Lender's lost profits as a result thereof. Any amount payable above shall be presumed to be the liquidated damages sustained by each Lender as the result of the early prepayment and each Loan Party agrees that it is reasonable under the circumstances currently existing. The amounts due under this Section 2.11(b)(i) shall constitute liquidated damages, not unmatured interest or a penalty, as the actual amount of damages to the Lenders as a result of payment would be impracticable and extremely difficult to ascertain. The amounts due under this Section 2.11(b)(i) shall also be payable in the event the Secured Obligations are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means including via a plan of reorganization, or otherwise. EACH LOAN PARTY EXPRESSLY WAIVES (TO THE FULLEST EXTENT IT MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBIT OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREMIUM IN

CONNECTION WITH ANY SUCH ACCELERATION OR FORECLOSURE OR DEED IN LIEU OF FORECLOSURE. Each Loan Party expressly agrees (to the fullest extent it may lawfully do so) that: (A) the call premium and payments due hereunder in respect thereof are reasonable and the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) such payment shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Lenders and the Borrower giving specific consideration in this transaction for such agreement to pay such amount; and (D) each Loan Party shall be estopped hereafter from claiming differently than as agreed to in this Section 2.11(b)(i). Each Loan Party expressly acknowledges that its agreements in this Section 2.11(b)(i) as herein described is a material inducement to the Lenders in making the Loans as provided herein.

(ii) All voluntary prepayments shall be applied to the Term Facility or any Incremental Facility (or more than one of such facilities) as determined by the Borrower.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any of its Subsidiaries in respect of any Prepayment Event (other than any Prepayment Event in respect of ABL Priority Collateral (as defined in the Intercreditor Agreement), to the extent such Prepayment Event is in respect of ABL Priority Collateral, as determined by the Borrower in good faith) the Borrower shall, within five (5) Business Days after such Net Proceeds are received (or, in the case of a Prepayment Event described in clause (b) of the definition of "Prepayment Event", on the date of such Prepayment Event), prepay Borrowings (on a *pro rata* basis among all Borrowings) in an aggregate amount equal to 100% of the amount of such Net Proceeds (together with any amounts due pursuant to Section 2.11(b)(i)); provided that, in the case of any event described in clause (a) of the definition of the term "Prepayment Event", if the Borrower or any of the Subsidiaries invest (or commit to invest) the Net Proceeds from such event (or a portion thereof) within 180 days after receipt of such Net Proceeds in the business of the Borrower and the other Subsidiaries (including any acquisitions permitted under Section 6.04 and capital expenditures), then no prepayment shall be required pursuant to this paragraph in respect of such Net Proceeds in respect of such event (or the applicable portion of such Net Proceeds, if applicable) except to the extent of any such Net Proceeds therefrom that have not been so invested (or committed to be invested) by the end of such 180-day period, at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so invested (or committed to be invested).

(d) Notwithstanding anything herein to the contrary, in the event a mandatory prepayment described in Section 2.11(a) is not permitted under the ABL Credit Agreement, neither the Borrower nor any of its Subsidiaries shall undertake such Prepayment Event.

(e) Prior to any optional prepayment of Borrowings pursuant to Section 2.11(a), the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (f) of this Section 2.11. In the event of any mandatory prepayment of Borrowings made at a time when Borrowings of more than one Class remain outstanding, the Borrower shall select Borrowings to be prepaid so that the aggregate amount of such prepayment is allocated between Borrowings *pro rata* based on the aggregate principal amount of outstanding Borrowings of each such Class; provided that any Lender may elect, by notice to the Administrative Agent in writing by telecopy, electronic mail, facsimile or overnight courier at least two (2) Business Days prior to the prepayment date, to decline all or any portion of any prepayment of its Loans of any such Class pursuant to this Section 2.11 (other than an optional prepayment pursuant to paragraph (a) of this Section or a mandatory prepayment as a result of the Prepayment Event set forth in clause (b) of the definition thereof, which may not be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay Loans of any such Class but was so declined shall be offered on a *pro rata* basis to Lenders who did not decline such proceeds. Optional prepayments of Borrowings shall be allocated in direct order

of maturity, and subject to the foregoing, the Administrative Agent shall apply such prepayments in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16; provided that, in connection with any mandatory prepayments by the Borrower of the Loans pursuant to Section 2.11(c), such prepayments shall be applied on a *pro rata* basis to the then outstanding Loans being prepaid irrespective of whether such outstanding Loans are ABR Loans or SOFR Loans.

(f) The Borrower shall notify the Administrative Agent of any optional prepayment pursuant to Section 2.11(a) in writing by telecopy, electronic mail, facsimile or overnight courier of any prepayment hereunder (i) in the case of prepayment of a SOFR Borrowing, not later than 11:00 a.m., New York City time, three (3) U.S. Government Securities Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, one (1) Business Day before the date of prepayment (or, in each case, such later date or date which the Administrative Agent may agree to in its sole discretion). Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that a notice of optional prepayment may state that such notice is conditional upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable event or condition, in which case such notice of prepayment may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13, and subject to Section 2.11(b), shall be without premium or penalty.

(g) Notwithstanding any other provisions of Section 2.11(c), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event set forth in clause (a) of the definition thereof by a Foreign Subsidiary giving rise to a prepayment pursuant to Section 2.11(c) (a “Foreign Prepayment Event”) are prohibited by, would violate or conflict with, or be delayed by, applicable local law from being repatriated to the Borrower, the portion of such Net Proceeds so affected will not be required to be applied to repay Loans at the times provided in Section 2.11(c), as the case may be, and such amounts may be retained by such Subsidiary so long, but only so long, as the Borrower determined in good faith that the applicable local law will not permit repatriation to the Borrower and once the Borrower has determined in good faith that such repatriation of any of such affected Net Proceeds is permitted under the applicable local law, such repatriation will be effected as soon as practicable and such repatriated Net Proceeds will be applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Loans pursuant to Section 2.11(c), as applicable, (B) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any or all of the Net Proceeds of any Foreign Prepayment Event would have a material adverse tax or cost consequence with respect to such Net Proceeds, the Net Proceeds so affected will not be required to be applied to repay Loans at the times provided in Section 2.11(c), as the case may be, and such amounts may be retained by such Subsidiary; provided that if the Borrower determines in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event so affected would no longer have a material adverse tax consequence with respect to such Net Proceeds, such Net Proceeds shall be applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Loans pursuant to Section 2.11(c), as applicable, and (C) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event would conflict with the fiduciary duties of a Subsidiary’s directors, or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any

officer, director, employee, manager, member or management or consultant of such Subsidiary, the Net Proceeds so affected will not be required to be applied to repay Loans at the times provided in Section 2.11(c), as the case may be, and such amounts may be retained by such Subsidiary.

#### SECTION 2.12 Fees.

The Borrower agrees to pay to the Agents, for their own account, fees in respect of the Term Facility payable in the amounts and at the times separately agreed upon between the Borrower and the Agents in the Administrative Agent Fee Letter.

#### SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate. The Loans comprising each SOFR Borrowing shall bear interest at Adjusted Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate. Interest (whether Cash Interest or PIK Interest) accrues from and including (x) initially, the Effective Date, (y) following the deemed funding of the Loans on the Effective Date pursuant to Section 2.01, each Interest Payment Date to, but excluding the following Interest Payment Date; provided that:

- (i) interest shall be payable entirely in cash (such interest, “Cash Interest”), provided that, at the Borrower’s election or deemed election as set forth in sub-clauses (ii) and (iii) below, up to 2.0% of such interest may be payable entirely as PIK Interest. Such PIK Interest shall become due and payable and be deemed capitalized on the applicable Interest Payment Date and constitute additional principal in respect of the Loans. Unless the context otherwise requires, for all purposes hereof, references to “principal amount” of Loans refers to the original face amount of the Loans plus any increase in the principal amount of the outstanding Loans as a result of payments of PIK Interest;
- (ii) the Borrower may elect to make a portion of interest payments in the form of PIK Interest by delivering to the Administrative Agent a written notice in the form of Exhibit L (a “PIK Interest Election Notice”) by 11:00 a.m., New York City time at least five (5) Business Days prior to the applicable Interest Payment Date as provided in Section 2.13(c); and
- (iii) if the Borrower fails to deliver a PIK Interest Election Notice or a written revocation of a then-effective PIK Interest Election Notice not less than five (5) Business Days prior to the commencement of the relevant Interest Period, the Borrower shall be deemed to have made an election of 2.0% of interest related to such Interest Period to be payable as PIK Interest for the applicable interest rate period.

(b) Notwithstanding the foregoing, if upon the occurrence and during the continuance of any Event of Default any principal of or interest on any Loan or any fee or other amount payable by any Loan Party under a Loan Document is not paid when due, whether at stated maturity, upon acceleration or otherwise, all overdue principal amounts of the Loans shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of the principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.13 or (ii) in the case of any other amount, 2.00% per annum plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section 2.13.

(c) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan, provided that (i) interest accrued pursuant to paragraph (b) of this Section 2.13 shall

be payable on demand, (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(d) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or Adjusted Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

#### SECTION 2.14 Benchmark Replacement Setting.

(a) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and the definition of “Adjusted Term SOFR” shall be deemed modified to delete the addition of the Term SOFR Adjustment to Term SOFR for any calculation and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders (or, if such Benchmark Replacement affects fewer than all Classes, the Majority in Interest Lenders of each affected Class). If the Benchmark Replacement is based upon Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

(b) *Benchmark Replacement Conforming Changes.* In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent (acting at the direction of the Required Lenders) will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) *Notices; Standards for Decisions and Determinations.* The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Benchmark Replacement Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.14(d) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14, including any determination with respect to a tenor, rate or

adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(d) *Unavailability of Tenor of Benchmark.* Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will no longer be representative, then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) *Benchmark Unavailability Period.* Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, (i) the Borrower may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans and (ii) any outstanding affected SOFR Loans will be deemed to have been converted to ABR Loans at the end of the applicable Interest Period. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

#### SECTION 2.15 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve (including pursuant to regulations issued from time to time by the Federal Reserve Board for determining the maximum reserve requirement (including any emergency, special, supplemental or other marginal reserve requirement) with respect to eurocurrency funding (currently referred to as “Eurocurrency liabilities” in Regulation D)), special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount), then, upon request of such Lender or other Recipient, the Borrower will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

#### SECTION 2.16 Break Funding Payments.

In the event of (a) the payment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(f) and is revoked in accordance therewith) or (d) the assignment of any SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or Section 9.02(c), then, in any such event, the Borrower shall, after receipt of a written request by any Lender affected by any such event (which request shall set forth in reasonable detail the basis for requesting such amount), compensate each Lender for the loss, cost and expense (excluding loss of profit) actually incurred by it as a result of such event. Such loss, cost or expense shall in no event exceed that which would have been incurred by such Lender had it funded each SOFR Loan made by it at Adjusted Term SOFR for such Loan by a matching borrowing for a comparable amount and for a comparable period, whether or not such SOFR Loan was in fact so funded. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 and the reasons therefor delivered to the

Borrower shall be prima facie evidence of such amounts. The Borrower shall pay such Lender the amount shown as due on any such certificate within fifteen (15) days after receipt of such demand. Notwithstanding the foregoing, this Section 2.16 will not apply to losses, costs or expenses resulting from Taxes, as to which Section 2.17 shall govern. Notwithstanding the foregoing, no Lender shall demand compensation pursuant to this Section 2.16 if it shall not at the time be the general policy or practice of such Lender to demand such compensation in similar circumstances under comparable provisions of other credit agreements.

#### SECTION 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes, except as required by applicable Requirements of Law. If the applicable withholding agent shall be required by applicable Requirements of Law (as determined in the good faith discretion of the applicable withholding agent) to deduct or withhold any Taxes from such payments, then the applicable withholding agent shall be entitled to make such deductions or withholdings and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Requirements of Law, and if such Taxes are Indemnified Taxes, then the amount payable by the applicable Loan Party shall be increased as necessary so that after all such required deductions or withholdings have been made (including such deductions and withholdings applicable to additional amounts payable under this Section 2.17), each Lender (or, in the case of a payment made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made.

(b) The Borrower shall timely pay to the relevant Governmental Authority in accordance with Requirements of Law or, at the option of the Administrative Agent, timely reimburse it for the payment of, any Other Taxes.

(c) The Loan Parties, jointly and severally, shall indemnify the Administrative Agent and each Lender within thirty (30) days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Administrative Agent or such Lender as the case may be, on or with respect to any payment by or on account of any obligation of any Loan Party under any Loan Document, as the case may be (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender or by the Administrative Agent shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of any Taxes by a Loan Party to a Governmental Authority pursuant to this Section 2.17, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall, at such times as are reasonably requested by Borrower or the Administrative Agent, provide Borrower and the Administrative Agent with any properly completed and executed documentation prescribed by any Requirement of Law, or reasonably requested by Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders any such documentation expired, obsolete or inaccurate in any respect (including any specific documentation

required below in this Section 2.17(e), deliver promptly to Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable withholding agent) or promptly notify Borrower and the Administrative Agent in writing of its legal inability to do so. Notwithstanding anything to the contrary in this Agreement, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.17(e)(i), (ii)(A), (ii)(B), (ii)(C), (ii)(D), (iii) and (iv) of this Section) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

Without limiting the generality of the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) two properly completed and duly signed copies of IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding tax.

(ii) Each Lender that is not a United States person (as defined in Section 7701(a)(30) of the Code) (such Lender, a "Foreign Lender") shall deliver (to the extent it is legally entitled to do so) to Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of Borrower or the Administrative Agent) whichever of the following is applicable:

(A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E (or any successor forms) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E (or any successor forms) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty,

(B) two properly completed and duly signed copies of IRS Form W-8ECI (or any successor forms),

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) two properly completed and duly signed certificates, substantially in the form of Exhibit J-1, J-2, J-3 or J-4, as applicable, to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (any such certificate a "United States Tax Compliance Certificate"), and (y) two properly completed and duly signed copies of IRS Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(D) to the extent a Foreign Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two properly completed and duly signed copies of IRS Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by an IRS Form W-8ECI, W-8BEN or W-8BEN-E, United States Tax

Compliance Certificate, IRS Form W-9, IRS Form W-8IMY (or other successor forms) or any other required information from each beneficial owner, as applicable (provided that, if the Lender is a partnership and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such direct or indirect partner(s)), or

(E) any other form prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax duly completed together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit Borrower and the Administrative Agent to determine the withholding or deduction required to be made.

(iii) If a payment made to any Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Recipient has or has not complied with such Recipient's obligations under FATCA and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (iii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iv) If the Administrative Agent is a United States person (as defined in Section 7701(a)(30) of the Code), it shall provide the Borrower, on or prior to the date that it becomes a party to this Agreement, with two duly completed copies of IRS Form W-9 or (B) if the Administrative Agent is not a United States person (as defined in Section 7701(a)(30) of the Code), then it shall provide the Borrower with two properly completed IRS Forms W-8ECI with respect to fees received on its own behalf and any such other documentation prescribed by applicable law and reasonably requested by the Borrower that would allow the applicable Borrower to make payments to such Administrative Agent without deduction or withholding of any U.S. federal withholding Taxes. If the Administrative Agent is not a United States person (as defined in Section 7701(a)(30) of the Code), such Administrative Agent shall provide the Borrower, on or prior to the date that it becomes a party to this Agreement, with two duly completed copies of IRS Form W-8IMY (or successor form) certifying that it is either (i) a "qualified intermediary" and that it assumes primary withholding responsibility under Chapters 3 and 4 of the Code and primary Form 1099 reporting and backup withholding responsibility for payments it receives for the account of others or (ii) a "U.S. branch" and that the payments it receives for the account of others are not effectively connected with the conduct of a trade or business in the United States and that it is using such form as evidence of its agreement with the Borrower to be treated as a United States person (as defined in Section 7701(a)(30) of the Code) with respect to such payments (and the Borrower and the Administrative Agent agree to so treat the Administrative Agent as a United States person (as defined in Section 7701(a)(30) of the Code) with respect to such payments as contemplated by U.S. Treasury Regulations Section 1.1441-1(b)(2)(iv)(A)), with the effect that the Borrower can make payments to the Administrative Agent without deduction or withholding of any Taxes imposed by the United States.

(f) If the Administrative Agent or a Lender determines, in its sole discretion exercised in good faith, that it has received a refund of Taxes as to which it has been indemnified pursuant to this Section 2.17 or with respect to which additional amounts have been paid pursuant to this Section 2.17, it shall pay over such refund to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees promptly to repay the amount paid over to the Borrower pursuant to this Section 2.17(f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. The Administrative Agent or such Lender, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that the Administrative Agent or such Lender deems confidential). Notwithstanding anything to the contrary in this Section 2.17(f), in no event will the Administrative Agent or any Lender be required to pay any amount to the Borrower pursuant to this Section 2.17(f) the payment of which would place the Administrative Agent or such Lender in a less favorable net after-Tax position than the Administrative Agent or such Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. Notwithstanding anything to the contrary, this Section 2.17(f) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to Taxes which it deems confidential) to any Loan Party or any other person.

(g) The agreements in this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(h) For purposes of this Section 2.17, the term "applicable Requirements of Law" includes FATCA.

#### SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it under any Loan Document (whether of principal, interest or fees, or of amounts payable under Sections 2.15, 2.16 or 2.17, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without condition or deduction for any counterclaim, recoupment or setoff. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to such account as may be specified by the Administrative Agent, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Except as otherwise provided herein, if any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day. If any payment on a SOFR Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend

such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate for the period of such extension. All payments or prepayments of any Loan shall be made in dollars, all payments of accrued interest payable on a Loan shall be made in dollars, and all other payments under each Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (B) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or any increase in the Applicable Rate in respect of Loans of Lenders that have consented to any such extension. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.06(a) or Section 2.06(b), Section 2.18(d) or Section 9.03(c), then the Administrative Agent may, in its discretion and in the order determined by the Administrative Agent (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Section until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as cash collateral for, and to be applied to, any future funding obligations of such Lender under any such Section.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or any event gives rise to the operation of Section 2.21, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder affected by such event, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Sections 2.15 or 2.17 or mitigate the applicability of Section 2.21, as the case may be, and (ii) would not subject such Lender to any unreimbursed cost or expense reasonably deemed by such Lender to be material and would not be inconsistent with the internal policies of, or otherwise be disadvantageous in any material economic, legal or regulatory respect to, such Lender.

(b) If (i) any Lender requests compensation under Section 2.15 or gives notice under Section 2.21 or (ii) the Borrower is required to pay any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation); provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable, which consents, in each case, shall not unreasonably be withheld or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued but unpaid interest thereon, accrued but unpaid fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (C) the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b)(ii) and (D) in the case of any such assignment resulting from a claim for compensation under Section 2.15, or payments required to be made pursuant to Section 2.17 or a notice given under Section 2.21, such assignment will result in a material reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

SECTION 2.20 Incremental Credit Extensions.

(a) The Borrower may at any time or from time to time on one or more occasions after the Effective Date, by written notice delivered to the Administrative Agent and subject to the prior written consent of the Required Lenders to be granted in their sole discretion, request to add one or more additional Classes of term loans or additional term loans of the same Class as any existing Class of term loans (an “Incremental Facility”) and/or increase the principal amount of the Loans by requesting new term loan commitments to be added to such Loans (an “Incremental Increase”, and together with any Incremental Facility, the “Incremental Loans” or the “Incremental Facilities”); provided that:

- (i) Incremental Facilities may be borrowed by any one or more Loan Parties, and
- (ii) notwithstanding anything to the contrary herein, the aggregate outstanding principal amount of the Incremental Facilities that can be incurred after the Effective Date shall not exceed \$50,000,000.

Each Incremental Facility shall be in a minimum principal amount of \$2,000,000 and integral multiples of \$500,000 in excess thereof if such Incremental Facilities are denominated in dollars (unless the Borrower and the Lenders and Additional Lenders providing such Incremental Term Loans otherwise agree); provided that such amount may be less than \$2,000,000 if such amount represents all the remaining availability under the aggregate principal amount of Incremental Facilities set forth above.

(b)

(i) The Incremental Loans, in each case other than as permitted by Section 9.02(b)(vi):

(A) shall rank equal in right of payment with the Loans, shall be secured only by the Collateral securing the Secured Obligations, shall be secured by the Collateral on a *pari passu* basis with the Term Facility, and shall not be guaranteed by any Person which is not a Loan Party;

(B) shall not mature earlier than the Maturity Date with respect to the Initial Loans (except in the case of bridge loans the terms of which provide for an automatic extension of the maturity date thereof, subject to customary conditions, to a date that is not earlier than the Maturity Date with respect to the Initial Loans);

(C) shall not have a shorter Weighted Average Life to Maturity (except in the case of bridge loans the terms of which provide for an automatic extension of the maturity date thereof, subject to customary conditions, to a date that is not earlier than the Maturity Date with respect to the Initial Loans) than the remaining Initial Loans;

(D) shall have a maturity date (subject to clause (B)), an amortization schedule (subject to clause (C)), and interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and prepayment terms and premiums for the Incremental Loans as determined by the Borrower and the Additional Lenders thereunder;

(E) shall not participate on a greater than pro rata basis than the Initial Loans with respect to any mandatory prepayment (other than any scheduled amortization payment); provided that the Borrower and the lenders providing the relevant Incremental Loans shall be permitted, in their sole discretion, to elect to prepay or receive, as applicable, any such prepayment on a less than pro rata basis; and

(F) may otherwise have terms and conditions different from those of the Loans (including currency denomination);

provided that, except with respect to matters contemplated by clauses (B), (C), (D) and (E) above, the covenants, events of default and guarantees of any such Incremental Loans shall not be materially more restrictive to the Borrower and the

Subsidiaries, when taken as a whole, than the covenants, events of default and guarantees of the Initial Loans, unless:

- (1) the existing Initial Loans also receive the benefit of such more restrictive terms (it being understood that no consent shall be required from the Administrative Agent or any Lender to add such more restrictive terms for the benefit the existing Initial Loans);
  - (2) any such provisions apply after the Maturity Date with respect to the Initial Loans at the time of incurrence of such Incremental Facility;
  - (3) such terms reflect market terms and conditions (taken as a whole) at the time of establishment of such Incremental Facility, as determined in good faith by the Borrower; or
  - (4) such terms shall be reasonably satisfactory to the Administrative Agent (acting at the direction of the Required Lenders) and the Borrower;
- (ii) upon the incurrence of any Incremental Loans, (x) the representations and warranties of the Loan Parties set forth in the Loan Documents shall be true and correct in all material respect and (y) no Event of Default shall have occurred and be continuing.
- (c) Each notice from the Borrower pursuant to this Section shall set forth the requested amount of the relevant Incremental Facility.
- (d) Commitments in respect of any Incremental Facility shall become Commitments under this Agreement pursuant to an amendment (an “Incremental Facility Amendment”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Lender agreeing to provide such Commitment, if any, each Additional Lender, if any, and the Administrative Agent (acting at the direction of such Lenders and Additional Lenders). An Incremental Facility may be provided, subject to the prior written consent of the Borrower (not to be unreasonably withheld), by any existing Lender (it being understood that no existing Lender shall, unless it agrees, be obligated to provide any Incremental Facilities) or by any Additional Lender; provided that the Administrative Agent shall have consent rights (not to be unreasonably withheld, conditioned or delayed) with respect to such Additional Lender, if such consent would be required pursuant to Section 9.04 for an assignment of Loans or Commitments, as applicable, to such Additional Lender. Incremental Loans shall be a “Loan” for all purposes of this Agreement and the other Loan Documents. The Incremental Facility Amendment may, subject to Section 2.20(b), without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary, in the reasonable opinion of the Administrative Agent (acting at the direction of the applicable Lenders and Additional Lenders providing such Incremental Term Loans) and the Borrower, to effect the provisions of this Section 2.20. The effectiveness of any Incremental Facility Amendment and the occurrence of any credit event (including the making (but not the conversion or continuation) of a Loan thereunder) pursuant to such Incremental Facility Amendment shall be subject to the satisfaction of such conditions as the parties thereto shall agree and as required by this Section 2.20. The Borrower (or other applicable Loan Party) will use the proceeds of the Incremental Facilities for working capital and other general corporate purposes of the Borrower and its Subsidiaries, including capital expenditures, Permitted Acquisitions and other Investments, Restricted Payments and the refinancing of Indebtedness, and any other use not prohibited by the Loan Documents.
- (e) Notwithstanding anything to the contrary, this Section 2.20 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

SECTION 2.21 Illegality.

If any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender to make, maintain or fund Loans whose interest is determined by reference to Adjusted Term SOFR, or to determine or charge interest rates based upon Adjusted Term SOFR, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue SOFR Loans denominated in dollars or to convert ABR Loans denominated in dollars to SOFR Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Adjusted Term SOFR component of the Alternate Base Rate, the interest rate on such ABR Loans of such Lender shall be determined by the Administrative Agent without reference to the Adjusted Term SOFR component of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon three (3) Business Days' notice from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all SOFR Loans denominated in dollars of such Lender to ABR Loans (the interest rate on which ABR Loans of such Lender shall be determined by the Administrative Agent without reference to the Adjusted Term SOFR component of the Alternate Base Rate), either on the last day of the Interest Period if the Administrative Agent is advised in writing by such Lender that it may lawfully continue to maintain such SOFR Loans to such day, or immediately, if the Administrative Agent is advised in writing by such Lender that it may not lawfully continue to maintain such SOFR Loans, and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon Adjusted Term SOFR, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the Adjusted Term SOFR component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon Adjusted Term SOFR. Each Lender agrees to notify the Administrative Agent and the Borrower in writing promptly upon becoming aware that it is no longer illegal for such Lender to determine or charge interest rates based upon Adjusted Term SOFR. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

## ARTICLE III

REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants to the Lenders and each Agent that:

SECTION 3.01 Organization; Powers.

Each of Parent, the Borrower and its Subsidiaries (a) is duly organized or incorporated, validly existing and in good standing (to the extent such concept exists in the relevant jurisdictions) under the laws of the jurisdiction of its organization or incorporation, (b) has the corporate or other organizational power and authority to carry on its business as now conducted and to execute, deliver and perform its obligations under each Loan Document to which it is a party and (c) is qualified to do business in, and is in good standing (to the extent such concept exists in the relevant jurisdictions) in, every jurisdiction where such qualification is required, except, with respect to clause (a) above (other than with respect to Parent and the Borrower), clause (b) above (other than with respect to Parent and the Borrower) and clause (c) above, where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.02 Authorization; Enforceability.

This Agreement has been duly authorized, executed and delivered by Parent and the Borrower and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of the Borrower or such Loan Party, as the case may be, enforceable against it in accordance with its terms, subject to (i) applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally, (ii) general principles of equity, regardless of whether considered in a proceeding in equity or at law, and similar concepts under applicable law, (iii) any other matters which are set out as qualifications or reservations as to matters of law or general application in any legal opinion delivered to an Agent in connection with any Loan Document (together, the "Legal Reservations") and (iv) the Perfection Requirements.

SECTION 3.03 Governmental Approvals; No Conflicts.

Except as set forth in Schedule 3.03 and subject to the Legal Reservations and the Perfection Requirements, the execution, delivery and performance by any Loan Party of this Agreement or any other Loan Document (a) does not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect and except filings necessary to perfect Liens created under the Loan Documents, (b) will not violate (i) the Organizational Documents of Parent, the Borrower or any other Loan Party, or (ii) any Requirements of Law applicable to Parent, the Borrower or any other Loan Party, (c) will not violate or result in a default under any indenture or other agreement or instrument binding upon Parent, the Borrower or any Subsidiary or their respective assets, or give rise to a right thereunder to require any payment, repurchase or redemption to be made by Parent, the Borrower or any Subsidiary, or give rise to a right of, or result in, termination, cancellation or acceleration of any obligation thereunder and (d) will not result in the creation or imposition of any Lien on any asset of Parent, the Borrower or any Subsidiary, except Liens created under the Loan Documents or permitted by Section 6.02, except (in the case of each of clauses (a), (b)(ii), (c) and (d)) to the extent that the failure to obtain or make such consent, approval, registration, filing or action, or such violation, default or right, or imposition of Lien, as the case may be, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

SECTION 3.04 No Material Adverse Effect.

Since the Effective Date, there has been no Material Adverse Effect.

SECTION 3.05 Properties.

Each of Parent, the Borrower and its Subsidiaries has good title to, or valid interests in, all its real and personal property material to its business, if any (i) free and clear of all Liens except for Liens permitted by Section 6.02 and (ii) except for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or as proposed to be conducted or to utilize such properties for their intended purposes, in each case, except where the failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

SECTION 3.06 Litigation and Environmental Matters.

(a) Except as set forth in Schedule 3.06, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened in writing against or affecting Parent, the Borrower or any of its Subsidiaries that could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

(b) Except as set forth in Schedule 3.06, and except with respect to any other matters that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, none of Parent, the Borrower or any of its Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has, to the knowledge of the Borrower, become subject to any Environmental Liability, (iii) has received written notice of any claim with respect to any Environmental Liability or (iv) has, to the knowledge of the Borrower, any basis to reasonably expect that Parent, the Borrower or any of its Subsidiaries will become subject to any Environmental Liability.

#### SECTION 3.07 Compliance with Laws.

Each of Parent, the Borrower and its Subsidiaries is in compliance with all Requirements of Law applicable to it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

#### SECTION 3.08 Investment Company Status.

None of the Loan Parties is required to register as an “investment company” under the Investment Company Act of 1940, as amended from time to time.

#### SECTION 3.09 Taxes.

Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, and except to the extent such Taxes are excused or prohibited by the Bankruptcy Code or not otherwise authorized by the Bankruptcy Court with respect to periods prior to the Effective Date, Parent, the Borrower and each Subsidiary (a) have timely filed or caused to be filed all Tax returns and reports required to have been filed and (b) have paid or caused to be paid all Taxes levied or imposed on their properties, income or assets otherwise due and payable (whether or not shown on a Tax return), except any Taxes that are being contested in good faith by appropriate proceedings, provided that Parent, the Borrower or such Subsidiary, as the case may be, has set aside on its books adequate reserves therefor in accordance with GAAP. There is no proposed Tax assessment, deficiency or other claim against Parent, the Borrower or any Subsidiary that would reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect.

#### SECTION 3.10 ERISA; Labor Matters.

(a) Except as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect, each Plan is in compliance with the applicable provisions of ERISA, the Code and other federal or state laws.

(b) Except as would not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, (i) no ERISA Event has occurred during the six year period prior to the date on which this representation is made or deemed made or is reasonably expected to occur, and (ii) neither any Loan Party nor any ERISA Affiliate has engaged in a transaction that could reasonably be expected to be subject to Section 4069 or 4212(c) of ERISA.

(c) Except as would not reasonably be expected, individually or in the aggregate to result in a Material Adverse Effect, (i) each employee benefit plan (as defined in Section 3(2) of ERISA) that is intended to be a qualified plan under Section 401(a) of the Code has received a favorable determination letter from the Internal Revenue Service to the effect that the form of such plan is qualified under Section 401(a) of the Code and the trust related thereto has been determined by the Internal Revenue

### ADMINISTRATIVE AGENT

#### SECTION 8.01 Appointment and Authority.

(a) Each of the Lenders hereby irrevocably (i) designates and appoints (A) Wilmington Trust, National Association to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and (B) Wilmington Trust, National Association to act on its behalf as Collateral Agent hereunder and under the other Loan Documents and (ii) authorizes the Administrative Agent and the Collateral Agent (in their capacities as such), as applicable, to take such actions on such Lender's behalf and to exercise such powers as are expressly delegated to the Administrative Agent and the Collateral Agent, as applicable, by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Each Secured Party that is not a party hereto, by accepting the benefits of the Security Documents, hereby irrevocably appoints Wilmington Trust, National Association to act on its behalf as Collateral Agent under the Security Documents and authorizes Wilmington Trust, National Association (in its capacity as Collateral Agent) to take such actions on such Secured Party's behalf and to exercise such powers as are expressly delegated to the Collateral Agent by the terms hereof or thereof together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Collateral Agent and the Lenders, and the Borrower shall not have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Requirements of Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) Each of the Lenders and each Secured Party that is not a party hereto, by accepting the benefits of the Security Documents, hereby irrevocably appoints and authorizes the Collateral Agent, as applicable, to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers as are reasonably incidental thereto. In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent and/or the Collateral Agent pursuant to Section 8.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article VIII

and Article IX (including Section 9.03 as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto.

SECTION 8.02 Rights as a Lender.

Any Person serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, own securities of, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders.

SECTION 8.03 Exculpatory Provisions.

No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, each Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, and shall not be required to exercise any discretion or to take any action, but shall be required to act or refrain from acting (and shall be fully protected in so acting or refraining from acting) as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that such Agent shall not be required to take any action (i) unless it is furnished with an indemnification satisfactory to such Agent from the Lenders with respect thereto or (ii) that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as such Agent or any of its Affiliates in any capacity;

(d) shall in no event be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions;

(e) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment;

(f) shall be deemed not to have knowledge of any Default unless and until written notice describing such Default conspicuously marked as a “notice of default” is given to such Agent by the Borrower or a Lender and received by an officer of such Agent responsible for the administration of this Agreement;

(g) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien or security interests purported to be granted to such Agent pursuant to this Agreement or any other Loan Document have been or will continue to be properly or sufficiently or lawfully created, perfected or enforced or are entitled to any particular priority, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in Article IV, or (vii) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents;

(h) shall not be responsible for nor have any duty to monitor the performance or any action of the Borrower or other Loan Party, or any of their directors, members, officers, agents, affiliates or employees, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party, and may assume performance by all such Persons of their respective obligations and shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other Person;

(i) shall not be liable for any action taken in good faith and reasonably believed by it to be within the powers conferred upon it, or taken by it pursuant to any direction or instruction by which it is governed, or omitted to be taken by it by reason of the lack of direction or instruction required hereby for such action (including without limitation for refusing to exercise discretion or for withholding its consent in the absence of its receipt of, or resulting from a failure, delay or refusal on the part of any Lender to provide, written instructions to exercise such discretion or grant such consent from any such Lender, as applicable);

(j) shall not be liable for any error of judgment made by it (or by an officer or other employee of such Agent) in good faith;

(k) not be liable for any indirect, special, punitive or consequential damages (including, without limitation, lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action;

(l) not be required to take any action under this Agreement, the other Loan Documents or any related document if taking such action would (A) subject such Agent to a tax in any jurisdiction where it is not then subject to a tax or (B) would require such Agent to qualify to do business in any jurisdiction where it is not then so qualified;

(m) shall not have any duty as to any collateral in its possession or in the possession of someone under its control or in the possession or control of any agent or nominee of the Agents or any income thereon or as to the preservation of rights prior parties or any other rights pertaining thereto, except the duty to accord such of the collateral as may be in its possession substantially the same care as it accords similar assets held for the benefit of third parties and the duty to account for monies received by it. The

Agents shall not be under any obligation to independently request or examine insurance coverage with respect to any collateral nor shall the Agent's be liable for the acts or omissions of any bank, depository bank, custodian, independent counsel of any other Person or any other party selected by the Agents with reasonable care or selected by any other party hereto that may hold or possess collateral or documents related to collateral, and the Agents shall not be required to monitor the performance of any such Persons holding collateral. For the avoidance of doubt, the Agents shall not be responsible to the Lenders for the perfection of any lien or for the filing, form, content or renewal of any UCC financing statements, fixture filings, mortgages, deeds of trust and such other documents or instruments;

(n) notwithstanding anything contained in this Agreement or any other Loan Document to the contrary, shall not be under any obligation (i) to monitor, determine or verify the unavailability or cessation of any Benchmark (or other applicable benchmark interest rate), or whether or when there has occurred, or to give notice to any other transaction party of the occurrence of, any date on which such rate may be required to be transitioned or replaced in accordance with the terms of the Loan Documents, applicable law or otherwise, (ii) to select, determine or designate any replacement to such rate, or other successor or replacement benchmark index, or whether any conditions to the designation of such a rate have been satisfied, (iii) to select, determine or designate any adjustment or modifier to any replacement or successor index, or (iv) to determine whether or what any amendments to this Agreement or the other Loan Documents are necessary or advisable, if any, in connection with any of the foregoing. The Agents shall not be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Agreement or any other Loan Document as a result of the unavailability of any Benchmark (or other applicable benchmark interest rate), including as a result of any inability, delay, error or inaccuracy on the part of any other party, including without limitation any Lenders or Borrower, in providing any direction, instruction, notice or information required or contemplated by the terms of this Agreement and reasonably required for the performance of such duties. The Agents shall have no liability for any interest rate published by any publication that is the source for determining the interest rates of the Loans, including but not limited to Bloomberg (or any successor source) and the Bloomberg or Reuters screen (or any successor source), or for any rates published on any publicly available source, including without limitation the Federal Reserve Bank of New York's Website or any website administered by the Term SOFR Administrator, or in any of the foregoing cases for any delay, error or inaccuracy in the publication of any such rates, or for any subsequent correction or adjustment thereto; and

(o) if at any time an Agent is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process (including orders of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of any Collateral), such Agent is authorized to comply therewith in any manner as it or its legal counsel of its own choosing deems appropriate, and if such Agent complies with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, such Agent shall not be liable to any of the parties hereto or to any other Person even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

The Agents' rights, protections, indemnities and immunities provided in this Agreement shall apply to such Agent for any actions taken or omitted to be taken under this agreement and any other Loan Documents and any other related agreements in any of its respective capacities.

#### SECTION 8.04 Reliance by Agents.

(a) Each Agent shall be entitled to conclusively rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution)

believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may conclusively rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. As to any matters not expressly provided for in this Agreement and in the other Loan Documents (including enforcement or collection), the Administrative Agent and/or the Collateral Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), and, unless and until revoked in writing, such instructions shall be binding upon each Lender. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders. Notwithstanding anything herein or in any other Loan Document to the contrary, and without limiting any rights, protections, immunities or indemnities to the Agents hereunder, phrases such as “satisfactory to the [Administrative Agent][Collateral Agent],” “approved by the [Administrative Agent][Collateral Agent],” “acceptable to the [Administrative Agent][Collateral Agent],” “as determined by the [Administrative Agent][Collateral Agent],” “in the [Administrative Agent][Collateral Agent]’s discretion,” “selected by the [Administrative Agent][Collateral Agent],” “elected by the [Administrative Agent][Collateral Agent],” “requested by the [Administrative Agent][Collateral Agent],” and phrases of similar import that authorize and permit an Agent to approve, disapprove, determine, act or decline to act in its discretion shall be subject to such Agent receiving written direction from the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) to take such action or to exercise such rights. Upon request by the Administrative Agent and/or the Collateral Agent, as the case may be, the Required Lenders shall confirm in writing the Administrative Agent’s authority and/or the Collateral Agent’s authority, as the case may be, to take any action in accordance with the terms of the Loan Documents and this Section 8.04 and may refrain from acting until such confirmation has been provided.

(b) Notwithstanding anything else to the contrary herein, whenever reference is made in this Agreement, or any other Loan Document, to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Administrative Agent or the Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Administrative Agent or the Collateral Agent, it is understood that in all cases the Administrative Agent or such Collateral Agent shall be fully justified in failing or refusing to take any such action if it shall not have received written instruction, advice or concurrence from the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in any other Loan Document). The Administrative Agent and Collateral Agent shall have no liability for any failure or delay in taking any actions contemplated above as a result of a failure or delay on the part of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in any other Loan Document) to provide such instruction, advice or concurrence. This provision is intended solely for the benefit of each of the Administrative Agent and the Collateral Agent and its successors and permitted

assigns and is not intended to and will not entitle the other parties hereto to any defense, claim or counterclaim, or confer any rights or benefits on any party hereto.

(c) The Administrative Agent and the Collateral Agent shall in all cases be fully justified in failing or refusing to act unless it shall receive further assurances to its reasonable satisfaction, including indemnification, from the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. No provision of this Agreement or any Loan Document shall require the Administrative Agent or the Collateral Agent to take any action that it reasonably believes to be contrary to applicable law or to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties thereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

#### SECTION 8.05 Delegation of Duties.

Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by such Agent. Any Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. No Agent shall be responsible for the acts or omissions of any sub-agents selected by it without gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of any Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Term Facility and the Incremental Facility as well as activities as such Agent.

#### SECTION 8.06 Resignation of Administrative Agent; Mergers.

(a) Each Agent may resign upon thirty (30) days' notice to the Lenders and the Borrower, whether or not a successor Agent has been appointed. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Borrower's consent (such consent not to be unreasonably withheld or delayed) unless an Event of Default has occurred and is continuing, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may (but shall not be obligated to) on behalf of the Lenders, appoint, or petition a court of competent jurisdiction to appoint, a successor Agent, which shall be an Approved Bank with an office in New York, New York, or an Affiliate of any such Approved Bank (the date upon which the retiring Agent is replaced, the "Resignation Effective Date"); provided that if the retiring Agent shall notify the Borrower and the Lenders that no qualifying Person accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice.

(b) If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except (i) that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed and (ii) with respect to any outstanding payment obligations) and (2) except for any

indemnity payments or other amounts then owed to the retiring or removed Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Agent as provided for above. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section. The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 9.04 shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Agent was acting as Agent.

(d) Any corporation or association into which an Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer all or substantially all of its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which an Agent is a party, will be and become the successor Agent under this Agreement and related Loan Documents and will have and succeed to the rights, powers, duties, immunities and privileges as its predecessor, without the execution or filing of any instrument or paper or the performance of any further act.

#### SECTION 8.07 Non-Reliance on Agents and Lenders.

(a) Each Lender acknowledges that it has, independently and without reliance upon any Agent, any Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Effective Date, or delivering its signature page to an Assignment and Assumption or Incremental Facility Amendment pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Agents and/or the Lenders on the Effective Date.

(c) No Lender and no other Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent and the Collateral Agent on behalf of the Lenders and the other Secured Parties in accordance with the terms thereof. In the event of a foreclosure by the Administrative Agent or the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Administrative Agent or such Collateral Agent,

as agent for and representative of the Lenders and the other Secured Parties (but not any Lender, Lenders, Secured Party or Secured Parties in its or their respective individual capacities) (either directly or through one or more acquisition vehicles), upon instructions from Required Lenders, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations (other than Obligations owing to the Agents) as a credit on account of the purchase price for any collateral payable by the Administrative Agent or the Collateral Agent on behalf of the Lenders at such sale or other disposition. Each Lender, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral, and of the Guarantees of the Secured Obligations, to have agreed to the foregoing provisions.

SECTION 8.08 [Reserved].

SECTION 8.09 Administrative Agent May File Proofs of Claim.

In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, and any Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and such Agent and their respective agents and counsel and all other amounts due the Lenders and each Agent under Sections 2.12 and 9.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and, by its acceptance of the benefits of the Security Documents, each Secured Party that is not a party hereto, to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of any Agent and its agents and counsel, and any other amounts due such Agent under Sections 2.12 and 9.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Secured Party that is not a party hereto any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or any Secured Party that is not a party hereto to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

SECTION 8.10 No Waiver; Cumulative Remedies; Enforcement.

No failure by any Lender or any Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other

Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Agents in accordance with Article VII for the benefit of all the Secured Parties; provided, however, that the foregoing shall not prohibit (a) any Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Agent) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 9.08 (subject to the terms of Section 2.18), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided further that if at any time there is no Person acting as an Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to such Agent pursuant to Article VII and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.18, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

#### SECTION 8.11 Withholding Taxes.

To the extent required by any applicable Requirements of Law (as determined in good faith by the Administrative Agent), the Administrative Agent may deduct or withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other Governmental Authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Loan Parties pursuant to Section 2.17 and without limiting any obligation of the Loan Parties to do so pursuant to such Section) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 8.11. The agreements in this Section 8.11 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the repayment, satisfaction or discharge of all other obligations under any Loan Document.

#### SECTION 8.12 Credit Bidding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Secured Obligations (other than any Secured Obligations owing to the Agents) (including by accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the

Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, such Secured Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Secured Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent (or the Required Lenders on its behalf) shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Secured Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Required Lenders shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) each of the Secured Parties shall be authorized to receive, ratably on account of the relevant Secured Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Secured Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Secured Obligations assigned to the acquisition vehicle exceeds the amount of Secured Obligations credit bid by the acquisition vehicle or otherwise), such Secured Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Secured Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Secured Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Secured Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent or the Required Lenders may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

#### SECTION 8.13 Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender, Secured Party, or any Person who has received funds on behalf of a Lender or Secured Party (any such Lender, Secured Party or other recipient (and each of their respective successors and assigns), a "Payment Recipient") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were

erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, an “Erroneous Payment”) and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all time remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 8.13 and held in trust for the benefit of the Administrative Agent, and such Lender or Secured Party shall (or, with respect to any Payment Recipient who received funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than one (1) Business Day thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this Section 8.13 shall be conclusive, absent manifest error.

(b) Without limiting the immediately preceding clause (a), each Lender hereby further agrees that if it (or a Payment Recipient on its behalf) receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender or Secured Party or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one (1) Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 8.13(b).

For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 8.13(b) shall not have any effect on a Payment Recipient’s obligations pursuant to Section 8.13(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender or Secured

Party under any Loan Document or from any other source against any amount that the Administrative Agent has demanded to be returned under the immediately preceding clause (a).

(d) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event an Erroneous Payment (or portion thereof) are not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and in the case of any Payment Recipient who has received funds on behalf of a Lender or Secured Party, to the rights and interests of such Lender or Secured Party as the case may be) under the Loan Documents with respect to such amount (the “Erroneous Payment Subrogation Rights”) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Secured Obligations owed by the Borrower or any other Loan Party; provided that this Section 8.13(d) shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Secured Obligations of the Borrower relative to the amount of the Secured Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided further, that for the avoidance of doubt, the immediately preceding clauses, (x) and (y) shall not apply, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower for purposes of making such Erroneous Payment.

(e) Notwithstanding anything to the contrary contained herein, and for the avoidance of doubt, in no event shall the occurrence of an Erroneous Payment (or the existence of any Erroneous Payment Subrogation Rights or other rights of the Administrative Agent in respect of an Erroneous Payment) result in the Administrative Agent becoming, or being deemed to be, a Lender hereunder or the holder of any Loans hereunder.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on “discharge for value” or any similar doctrine.

(g) Notwithstanding anything in this Section 8.13 to the contrary, the Borrower shall not be liable for the losses of any party due to an Erroneous Payment. Each party’s obligations under this Section 8.13 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Loan Document Obligations under any Loan Document.

#### SECTION 8.14 Secured Cash Management Obligations and Secured Swap Obligations.

(a) Prior to being recognized as a Secured Party hereunder, each Person to whom any Secured Cash Management Obligations or Secured Swap Obligations are owed, shall be required to execute and deliver to the Collateral Agent and the Borrower a written notice, and by receiving the benefits of this Agreement and the other Loan Documents, and the liens granted hereunder and thereunder, such Person shall be deemed to agree to, and acknowledge that it is bound by, the terms of this Agreement and any related Loan Documents, and to have agreed to each Agent’s rights, protections, immunities and indemnities set forth in this Agreement and the Loan Documents, and such rights, protections, immunities and indemnities shall be equally applicable with respect to such Person. Upon the Administrative Agent’s and the Borrower’s receipt of such written notice, such entity shall become a Secured Party hereunder and the Loan Documents. Notwithstanding anything herein to the contrary, the rights, protections, immunities and indemnities afforded to the Agents in this Article VIII with respect to the Lenders shall also be

applicable to each Person to whom any Secured Cash Management Obligations or Secured Swap Obligations are owed as if such Person were specifically set forth in this Article VIII.

(b) Each Person to whom any Secured Cash Management Obligations and Secured Swap Obligations are owed hereby appoints each Agent as its agent; it being understood and agreed that the rights and benefits of each such Person under this Agreement and the Loan Documents consist exclusively of such Person's being a beneficiary of the liens and security interests (and, if applicable, guarantees) granted to the Collateral Agent and the right to share in payments and collections out of the Collateral as more fully set forth herein. In connection with any action taken by an Agent, including, without limitation, with respect to any distribution of payments and collections, each Agent shall be entitled to assume (and shall have no liability for so assuming) no amounts are owing to any such Person (and no Secured Cash Management Obligations and Secured Swap Obligations are held by any such Person) unless such Person has provided written notification to the Agents of the amount that is owing to it (on which each Agent may conclusively rely) and such notification is received by the Agents within a reasonable period of time prior to the making of such distribution, which in any event shall be at least five (5) Business Days prior to such distribution.

(c) Notwithstanding anything to the contrary contained herein or in any Loan Document, it is understood and agreed that only Lenders (which shall not include for this purpose any Person to whom any Secured Cash Management Obligations or Secured Swap Obligations are owed) shall be entitled to instruct and direct an Agent to take, or omit to take, any action (including, without limitation, in connection with any default, Event of Default or enforcement of remedies) hereunder or under any Loan Document. Each Person to whom any Secured Cash Management Obligations or Secured Swap Obligations are owed agrees that it shall not provide, nor shall it be entitled to provide, any direction or instruction to an Agent, and no Agent shall in any event be responsible or liable for failing to comply with any such direction or instruction.

(d) For the avoidance of doubt and notwithstanding anything contained herein to the contrary, in the event that any Swap Agreement or any other agreement related to such Person, with respect to any Secured Cash Management Obligations or Secured Swap Obligations, has been terminated, such Person shall provide written notice to the Agents and the Borrower thereof and thereafter such Person shall have no rights under this Agreement and the Loan Documents, and in no event shall either Agent be responsible or liable to such Person for any act or omission or potential liabilities occurring during any such time.

## ARTICLE IX

### MISCELLANEOUS

#### SECTION 9.01 Notices.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by fax or other electronic transmission, as follows:

(i) if to the Borrower, the Administrative Agent or the Collateral Agent, to the address, fax number, e-mail address or telephone number specified for such Person on Schedule 9.01; and

(ii) if to any other Lender, to it at its address (or fax number, telephone number or e-mail address) set forth in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain Material Non-Public Information relating to the Borrower).

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by fax or other electronic transmission shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures reasonably approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, provided, further, that in no event shall any Agent Party have any liability to the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Borrower and the Administrative Agent may change its address, electronic mail address, fax or telephone number for notices and other communications or website hereunder by notice to the other parties hereto. Each other Lender may change its address, fax

or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, fax number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Reliance by Administrative Agent and Lenders. The Agents and the Lenders shall be entitled to conclusively rely and act upon any notices purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent, each Lender and the Related Parties from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent and each of the parties hereto hereby consents to such recording.

#### SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Agents or any Lender in exercising any right or power under this Agreement or any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Agents and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Agents or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 2.14 or Section 2.20 with respect to any Incremental Facility Amendment, neither this Agreement, any Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower, the Administrative Agent (to the extent that such waiver, amendment or modification does not affect the rights, duties, privileges or obligations of the Administrative Agent or the Collateral Agent under this Agreement, the Administrative Agent shall execute such waiver, amendment or other modification to the extent approved by the Required Lenders) and the Required Lenders or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent or the Collateral Agent, as the case may be, and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided that no such agreement shall:

- (i) increase the Commitment of any Lender or change any ratable sharing or payment provision that directly and adversely affects any Lender (with only such Lenders whose entitlement to a payment under such provisions is reduced being “directly and adversely affected”) without the written consent of such Lender (it being understood

that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender;

- (ii) reduce the principal amount of any Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a reduction or forgiveness of principal) or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly and adversely affected thereby, provided that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay default interest pursuant to Section 2.13(b);
- (iii) postpone the maturity of any Loan, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension of any maturity date or the date for payment of any interest or fees), without the written consent of each Lender directly and adversely affected thereby;
- (iv) change any of the provisions of this Section or Section 9.02(d) without the written consent of each Lender directly and adversely affected thereby; provided that any such change which is in favor of a Class of Lenders holding Loans maturing after the maturity of other Classes of Lenders (and only takes effect after the maturity of such other Classes of Loans or Commitments) will require the written consent of the Required Lenders with respect to each Class directly and adversely affected thereby;
- (v) change the percentage set forth in the definition of “Required Lenders”, “Required Supermajority Lenders”, “Majority in Interest” or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be);
- (vi) subordinate or have the effect of subordinating (x) the Liens securing the Secured Obligations to the liens securing any other indebtedness or other obligations or (y) any obligations in contractual right of payment to any indebtedness or obligations, including without limitation by amending Section 6.01 or 7.02 and related provisions providing for the priority of the Loans (any such indebtedness or obligations to which such liens securing any of the obligations or such obligations, as applicable, are subordinated, “Senior Indebtedness”) in either case of subclause (x) or (y), except:
  - (i) Indebtedness that is expressly permitted by this Agreement to be senior to the Secured Obligations hereunder (if any) and/or be secured by a Lien that is senior to the Lien securing the Secured Obligations, in each case, as of the Effective Date (including waivers, amendments or modifications to upsize capacity under this Agreement for such Indebtedness);

(ii) in connection with debtor-in-possession financing or use of cash collateral in accordance with the terms of the applicable Intercreditor Agreements; or

(iii) unless (1) the Required Lenders provide consent and (2) each Lender has been offered a bona fide opportunity to fund or otherwise provide its pro rata share of the Senior Indebtedness on the same terms as offered to all other providers (or their affiliates) of the Senior Indebtedness (other than backstop fees and similar fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction) and to the extent such adversely affected Lender decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other benefit of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their affiliates) (other than backstop fees and similar fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction) in connection with providing the Senior Indebtedness pursuant to a written offer made to each such adversely affected Lender describing the material terms of the arrangements pursuant to which the Senior Indebtedness is to be provided, which offer shall remain open to each such adversely affected Lender for a period of not less than five (5) Business Days;

- (vii) release (or have the effect of releasing) all or substantially all or any material portion of the value of the Guarantees under the Guarantee Agreement (except as expressly provided in the Loan Documents) without the written consent of each Lender;
- (viii) release (or have the effect of releasing) all or substantially all or any material portion of the Collateral from the Liens of the Security Documents, without the written consent of each Lender except as expressly provided in the Loan Documents;
- (ix) change any pro rata sharing and/or payment provisions or any payment “waterfall” herein or in any other Loan Document, without the written consent of each Lender directly and adversely affected thereby; provided that and for the avoidance of doubt, adding new obligations or other indebtedness that are senior in Lien and/or senior in contractual right of payment shall not require approval under this clause if approved in accordance with Section 9.02(b)(vi);
- (x) change any provisions of any Loan Document in a manner that by its terms adversely affects the rights in respect of payments due to Lenders holding Loans of any Class differently than those holding Loans of any other Class, without the written consent of the Required Lenders with respect to any Class directly and adversely affected thereby; provided that and for the avoidance of doubt, adding new obligations or other indebtedness that are senior in Lien and/or senior in contractual right of payment shall not require approval under this clause if approved in accordance with Section 9.02(b)(vi);
- (xi) introduce an “unrestricted subsidiary” or “excluded subsidiary” or any similar concept to this Agreement, without the written consent of the Required Supermajority Lenders to be granted in their sole discretion;

- (xii) modify or waive Section 9.14, without the written consent of the Required Supermajority Lenders to be granted in their sole discretion;
- (xiii) modify or waive Material Intellectual Property or Franchise Agreement transfer restrictions set forth in Section 6.04, Section 6.05 or Section 6.07, without the written consent of the Required Supermajority Lenders to be granted in their sole discretion;
- (xiv) modify the PIK Interest election amount set forth in Section 2.13(a) or otherwise increase the amount of interest that may be paid in kind, without the written consent of each Lender adversely affected thereby to be granted in their sole discretion; or
- (xv) modify or waive the grace period with respect to any Event of Default under Section 7.01(b) (it being understood and agreed that the extension of such grace period to a date not to exceed forty-five (45) days after the required payment date (for the avoidance of doubt such date may not be further extended) shall be permitted with the prior written consent of the Required Lenders), without the written consent of each Lender adversely affected thereby to be granted in their sole discretion;

provided further that

- (A) no such agreement shall amend, modify or otherwise affect the rights, duties, immunities, or indemnities of the Administrative Agent or the Collateral Agent without the prior written consent of the Administrative Agent or the Collateral Agent, as applicable,
- (B) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent in order x) to comply with local law or advice of local counsel, (y) to cure any (1) ambiguity, omission, defect or inconsistency or technical or obvious error or (2) mistake, the cure of which mistake would not be adverse to the Lenders, in the good faith determination of the Borrower and counsel to the Required Lenders, so long as the Required Lenders shall not have provided written objection thereto to the Administrative Agent within five days of receipt of notice thereof, or (z) to add any provisions to any Loan Documents that, in the reasonable judgment of counsel to the Required Lenders, are more favorable to the Lenders (or to the applicable subset thereof), so long as the Required Lenders shall not have provided written objection thereto to the Administrative Agent within five days of receipt of notice thereof,
- (C) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time and
- (D) no Lenders other than the Lenders holding a Majority in Interest of the applicable Class shall be required to waive, amend, supplement or modify the conditions precedent to any Borrowings of Loans of such Class; and

notwithstanding the foregoing:

(i) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (A) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents and (B) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion; and

(ii) guarantees, Security Documents and related documents in connection with this Agreement may be in a form reasonably determined by the Administrative Agent (acting at the direction of the Required Lenders) and may be, together with this Agreement and the other Loan Documents, amended and waived with the consent of the Administrative Agent (acting at the direction of the Required Lenders) at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (A) to comply with local law or advice of local counsel, (B) to cure any (1) ambiguity, omission, defect or inconsistency or technical or obvious error or (2) mistake, the cure of which mistake would not be adverse to the Lenders, in the good faith determination of the Borrower and counsel to the Required Lenders, so long as the Required Lenders shall not have provided written objection thereto to the Administrative Agent within five days of receipt of notice thereof, (C) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents or (D) to integrate any Incremental Facility in a manner consistent with this Agreement and the other Loan Documents, including the relevant Intercreditor Agreement(s).

(c) In connection with any proposed amendment, modification, waiver or termination (a “Proposed Change”) requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent of the Required Lenders (and, to the extent any Proposed Change requires the consent of Lenders holding Loans of any Class pursuant to clause (iv), (v) or (ix) of paragraph (b) of this Section 9.02, the consent of a Majority in Interest of the outstanding Loans and unused Commitments of such Class) to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section 9.02 being referred to as a “Non-Consenting Lender”), then, the Borrower may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, (i) if no Event of Default under Sections 7.01(a), (b), (h) or (i) exists, permanently prepay all of the Loans of any Class owing by it to, and terminate any Commitments of, such Non-Consenting Lender or (ii) require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment), provided that (a) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable, which consent shall not unreasonably be withheld, conditioned or delayed, (b) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding par principal amount of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder (including pursuant to Section 2.11(a)) from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other

amounts) and (c) unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b).

(d) Notwithstanding anything in this Agreement to the contrary, Loans may not be exchanged for other Indebtedness of the Borrower or its Affiliates or repaid from Indebtedness of the Borrower or its Subsidiaries, other than (y) a repayment of the Loans in full in cash or (z) pursuant to an offer to exchange such Loans for new Indebtedness that has been offered to all Lenders on a *pro rata* basis on the same terms as offered to all other providers of such new Indebtedness, and to the extent any Lender decides to participate in the new Indebtedness, such Lender shall receive its pro rata share of the fees and any other similar benefit of the new Indebtedness afforded to the providers of the new Indebtedness.

#### SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay, if the Effective Date occurs and the Transactions have been consummated, (i) all reasonable and documented out-of-pocket costs and expenses incurred by the Agents and the Lenders (limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of (A) Seward & Kissel LLP, as counsel to the Administrative Agent and the Collateral Agent, and (B) one counsel to the Lenders (as designated by the Required Lenders) and, if reasonably necessary, of a single firm of local counsel to the Agents, taken as a whole and to a single firm of local counsel to the Required Lenders, taken as a whole, in each case, in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and of such other counsel retained with the Borrower's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed), in each case incurred in connection with the Term Facility or Incremental Facility, and the preparation, execution, delivery and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof and including the reasonable and documented fees and expense of Lazard Frères & Co., as financial advisor to the Required Lenders) and (ii) all reasonable and documented out-of-pocket expenses incurred by each Agent or any Lender, including the fees, charges and disbursements of counsel for such Agent and the Lenders, in connection with the preservation, enforcement or protection of any rights or remedies (A) in connection with the Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Laws), including its rights under this Section 9.03 or (B) in connection with the Loans made hereunder, including all such out-of-pocket costs and expenses incurred during any workout, restructuring or negotiations in respect of such Loans; provided that such counsel shall be limited to one lead counsel and one local counsel to the Agents, taken as a whole, and one lead counsel and one local counsel to the Lenders, taken as a whole, in each case, in each applicable jurisdiction (exclusive of any reasonably necessary special counsel) (and, in the case of a conflict of interest, where each Agent or any Lender affected by such conflict notifies the Borrower of the existence of such conflict and thereafter retains its own counsel, one additional counsel) and such other counsel as may be retained with the Borrower's consent (such consent not to be unreasonably withheld or delayed). Notwithstanding the foregoing, the expenses of counsel shall not include any allocated costs of in-house counsel.

(b) The Borrower shall indemnify each Agent, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from (without duplication), any and all losses, claims, damages, liabilities and reasonable and documented out-of-pocket fees and expenses (limited, in the case of legal fees and expenses, to the reasonable and documented fees, charges and disbursements of one counsel for the Agents, to the extent reasonably necessary, a single firm of local counsel in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for the Agents, taken as a whole, and one counsel for all other Indemnities, to the extent reasonably necessary, a single firm of local counsel in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions)

for all such Indemnitees, taken as a whole (and, solely in the case of an actual or potential conflict of interest, where the Indemnitee affected by such conflict notifies the Borrower of the existence of such conflict and thereafter retains its own counsel after receipt of consent from the Borrower (not to be unreasonably withheld or delayed), of one additional firm of counsel for the affected Indemnitees, and, if reasonably necessary, one additional firm of local counsel in each appropriate material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for such affected Indemnitees, taken as a whole)), incurred by or asserted against any Indemnitee by any third party or by the Borrower or any Subsidiary arising out of, in connection with, or as a result of any claim, litigation, investigation or proceeding (including any inquiry or investigation), regardless of whether any such Indemnitee is a party thereto, whether based on contract, tort or any other theory, relating to (i) the execution or delivery of this Agreement, any Loan Document or any other agreement or instrument contemplated hereby or thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder, the consummation of the Transactions or any other transactions contemplated thereby, the syndication of the Term Facility and the Incremental Facility or the enforcement of any obligations of a Loan Party hereunder or under any other Loan Document, (ii) any Loan or the use of the proceeds therefrom or (iii) to the extent in any way arising from or relating to any of the foregoing, any actual or alleged presence or Release or threat of Release of Hazardous Materials on, at, to or from any Mortgaged Property or any other property currently or formerly owned or operated by the Borrower or any Subsidiary, or any other Environmental Liability related in any way to the Borrower or any Subsidiary; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities, costs or related expenses (w) resulted from the gross negligence or willful misconduct of such Indemnitee or its Related Parties acting on behalf of, or at the direction of, the Indemnitee (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment), (x) (other than with respect to the Agents and their Related Parties) resulted from a material breach of the Loan Documents by, or the bad faith of, such Indemnitee or its Related Parties acting on behalf of, or at the direction of, the Indemnitees (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment) or (y) arise from disputes between or among Indemnitees (other than disputes involving claims by or against the Administrative Agent or the Collateral Agent, in such capacity) that does not arise from an act or omission by the Borrower or any Subsidiary. This Section 9.03 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to any Agent or any Lender under paragraph (a) or (b) of this Section 9.03, each Lender severally agrees to pay to such Agent or such Lender, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Agent or such Lender in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the aggregate outstanding Loans and unused Commitments at such time (or if all such amounts have been reduced to zero, at the time immediately preceding such reduction). The obligations of the Lenders under this paragraph (c) are subject to the last sentence of Section 2.02(a) (which shall apply *mutatis mutandis* to the Lenders' obligations under this paragraph (c)).

(d) To the extent permitted by applicable law, (i) the Borrower shall not assert, and each hereby waives, any claim against any Indemnitee for any direct or actual damages arising from the use by unintended recipients of information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems (including the Internet) in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such direct or actual damages are determined by a court of competent jurisdiction by final,

non-appealable judgment to have resulted from the gross negligence or willful misconduct of, or a material breach of the Loan Documents by, such Indemnitee or its Related Parties and (ii) no Loan Party (or any Affiliate thereof), Investor (or any Affiliate thereof), or Indemnitee shall be liable for any special, indirect, consequential, incidental, exemplary or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the Financing Transactions, any Loan or the use of the proceeds thereof; provided that nothing in this paragraph shall limit any Loan Party's (or any Affiliate thereof) or Investor's (or any Affiliate thereof) indemnity and reimbursement obligations to the extent that such indirect, special, punitive or consequential damages are included in any claim by a third party unaffiliated with the applicable Indemnitee with respect to which the applicable Indemnitee is entitled to indemnification as set forth in this Section 9.03.

(c) All amounts due under this Section 9.03 shall be payable not later than thirty (30) Business Days after written demand therefor; provided, however, that any Indemnitee shall promptly refund an indemnification payment received hereunder to the extent that there is a final judicial determination that such Indemnitee was not entitled to indemnification with respect to such payment pursuant to this Section 9.03.

#### SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender and the acknowledgement of the Administrative Agent (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 9.04), the Indemnitees and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b)

(i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent (except with respect to assignments to competitors of the Borrower) not to be unreasonably withheld, conditioned or delayed) of (A) the Borrower; provided that no consent of the Borrower shall be required for an assignment (x) by a Lender to any other Lender, any Affiliate of a Lender or any Approved Fund, or (y) if an Event of Default with respect to the Borrower has occurred and is continuing (other than in respect of a proposed assignment to a Disqualified Lender); provided further that no assignee contemplated by the immediately preceding proviso shall be entitled to receive any greater payment under Section 2.15 or Section 2.17 than the applicable assignor would have been entitled to receive with respect to the assignment made to such assignee, unless the assignment to such assignee is made with the Borrower's prior written consent; provided further that the Borrower shall have the right to withhold its consent to any assignment if in order for such assignment to comply with applicable law, the Borrower or any Subsidiary would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority and (B) the Administrative Agent; provided that

no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Loan or Commitment to a Lender, an Affiliate of a Lender or an Approved Fund. Notwithstanding anything in this Section 9.04 to the contrary, if the Borrower has not given the Administrative Agent written notice of its objection to an assignment of Loans within five (5) Business Days after written notice of such assignment, the Borrower shall be deemed to have consented to such assignment (other than in respect of a proposed assignment to a Disqualified Lender).

(ii) Assignments shall be subject to the following additional conditions: (A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$2,500,000 (and integral multiples of \$500,000 in excess thereof), unless the Administrative Agent otherwise consents (such consent not to be unreasonably withheld, conditioned or delayed), (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause (B) shall not be construed to prohibit assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent or, if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Assumption, and, in each case, together with a processing and recordation fee of \$3,500; provided that the Administrative Agent, in its sole discretion, may elect to waive or reduce such processing and recordation fee; provided further that any such Assignment and Assumption shall include a representation by the assignee that the assignee is not a Disqualified Lender or an Affiliate of a Disqualified Lender; provided further that assignments made pursuant to Section 2.19(b) or Section 9.02(c) shall not require the signature of the assigning Lender to become effective and (D) the assignee, if it shall not be a Lender, shall deliver to the Borrower and the Administrative Agent any tax forms required by Section 2.17(e) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain Material Non-Public Information about the Borrower, the other Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section 9.04, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by

such Lender of a participation in such rights and obligations in accordance with paragraph (c)(i) of this Section 9.04.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and interest amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice. No assignment shall be effective unless recorded in the Register. The parties hereto agree and intend that the obligations hereunder shall be treated as being in “registered form” for the purposes of the Code (including Sections 163(f), 871(h)(2), and 881(c)(2) of the Code), and the Register shall be maintained in accordance with such intention.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire and any tax forms required by Section 2.17(e) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 9.04 and any written consent to such assignment required by paragraph (b) of this Section 9.04, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) The words “execution,” “signed,” “signature” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other Persons (other than to a Person that is not an Eligible Assignee) (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and any other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and any other Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that directly and adversely affects such Participant. Subject to paragraph (c)(iii) of this Section, the Borrower agrees that each Participant shall

be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the obligations and limitations thereof and Section 2.19, it being understood that any tax forms required by Section 2.17(e) shall be provided solely to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related stated interest amounts) of each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive, absent manifest error, and the parties hereto shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of its Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other obligations under the Loan Documents) except to the extent that the relevant parties, acting reasonably and in good faith, determine that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that any Loan or other obligation under the Loan Documents is in registered form under Section 5f.103-1(c) and proposed Section 1.163-5(b) of the United States Treasury regulations.

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld, conditioned or delayed).

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other "central" bank, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding the foregoing, no assignment may be made or participation sold to a Disqualified Lender without the prior written consent of the Borrower. Upon inquiry by any Lender to the Administrative Agent as to whether a specified potential assignee or prospective participant is on the list of Disqualified Lenders, the Administrative Agent shall be permitted to make the list of Disqualified Lenders available to such Lender for inspection. Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary, if any Lender was a Disqualified Lender at the time of the assignment of any Loans or Commitments to such Lender, following written notice from the Borrower to such Lender and the Administrative Agent: (1) such Lender shall promptly assign all Loans and Commitments held by such Lender to an Eligible Assignee; provided that (A) the Administrative Agent shall not have any obligation to the Borrower, such Lender or any other Person to find such a replacement Lender, (B) the Borrower shall not have any obligation to such Disqualified Lender or any other Person to find such a replacement Lender or accept or consent to any such assignment to itself or any other Person subject to the Borrower's consent in accordance with Section 9.04(b)(i) and (C) the assignment of such Loans and/or Commitments, as the case may be, shall be at par plus accrued and unpaid interest and fees;

(2) such Lender shall not have any voting or approval rights under the Loan Documents and shall be excluded in determining whether all Lenders (or all Lenders of any Class), all affected Lenders (or all affected Lenders of any Class), a Majority in Interest of Lenders of any Class or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 9.02); provided that (x) the Commitment of any Disqualified Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects any Disqualified Lender adversely and in a manner that is disproportionate to other affected Lenders shall require the consent of such Disqualified Lender; and (3) no Disqualified Lender is entitled to receive information provided solely to Lenders by the Administrative Agent or any Lender or will be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices or Borrowings, notices or prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II.

#### SECTION 9.05 Survival.

All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans and all other amounts payable hereunder, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof or the resignation or removal of any Agent.

#### SECTION 9.06 Counterparts; Integration; Effectiveness.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Agents or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an "Ancillary Document") that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Agreement, any other Loan Document

and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent (whether on its own behalf or on behalf of any Lender), any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower and each Loan Party hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders and the Loan Parties, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against the Administrative Agent, any Lender or any Affiliates or Related Parties of any of the foregoing for any losses, claims (including intraparty claims), demands, damages or liabilities of any kind arising solely from the Administrative Agent's and/or any Lender's reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any losses, claims (including intraparty claims), demands, damages or liabilities of any kind arising as a result of the failure of any Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

#### SECTION 9.07 Severability.

Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

#### SECTION 9.08 Right of Setoff.

If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) (other than payroll, tax, or tax withholding accounts) at any time held and other obligations (in whatever currency) at

any time owing by such Lender to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower then due and owing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such Indebtedness. The applicable Lender shall notify the Borrower and the Administrative Agent of such setoff and application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender may have. Notwithstanding the foregoing, no amount set off from any Loan Party (other than the Borrower) shall be applied to any Excluded Swap Obligation of such Loan Party (other than the Borrower).

SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the laws of the State of New York, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in any Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against the Borrower or its properties in the courts of any jurisdiction.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section 9.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in any Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL.

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF

LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

SECTION 9.11 Headings.

SECTION 9.12 Confidentiality.

(a) Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its and its Affiliates' directors, officers, employees, trustees and agents, including accountants, legal counsel and other agents and advisors, in each case, who need to know such Information in connection with the Transactions (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and any failure of such Persons acting on behalf of the Administrative Agent or the relevant Lender to comply with this Section 9.12 shall constitute a breach of this Section 9.12 by the Administrative Agent or the relevant Lender, as applicable), (ii) to the extent requested by any governmental authority or self-regulatory authority having jurisdiction over the Administrative Agent, any Lender or any Affiliates of any of the foregoing, as applicable, or, based on reasonable advice of counsel, to the extent required by (A) an order of any court or administrative agency or in any pending legal, judicial or administrative proceeding, (B) applicable law or by any subpoena or similar compulsory legal process or (C) in connection with the exercise of remedies or enforcement of rights hereunder in any suit, action or proceeding relating to this Agreement; provided that (x) solely to the extent permitted by law and other than in connection with routine audits and reviews by bank accountants or governmental or self-regulatory authorities exercising examination or regulatory authority, each Lender and the Administrative Agent shall notify the Borrower as promptly as practicable of any such requested or required disclosure and (y) in the case of clause (ii) only, each Lender and the Administrative Agent shall use commercially reasonable efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies, and provided further that in no event shall any Lender or the Administrative Agent be obligated or required to return any materials furnished by the Borrower or any of its subsidiaries, (iii) to any other party to this Agreement, (iv) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section 9.12, to (A) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (B) any direct or indirect contractual counterparty to any Swap Agreement or derivative transaction relating to any Loan Party or its subsidiaries and its obligations under the Loan Documents or (C) any pledgee referred to in Section 9.04(d), (v) if required by any rating agency in connection with obtaining a rating; provided that prior to any such disclosure, such rating agency shall have agreed in writing to maintain the confidentiality of such Information, (vi) to service providers (including any numbering, administration or settlement service providers) providing administrative and ministerial services solely in connection with the syndication and administration of the Loan Documents, the Term Facility and Incremental Facility (e.g., identities of parties, maturity dates, interest rates, etc.) on a confidential basis, (vii) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 9.12 or otherwise by reason of improper disclosure by the Administrative Agent any Lender or any Affiliates or Related Parties of any of the foregoing (including the Persons referred to in clauses (i) above) in violation of any confidentiality obligations owing to the Loan Parties or any subsidiaries, Affiliates or Related Parties of any of the foregoing or (y) becomes available to the

Administrative Agent, any Lender or any of their respective Affiliates on a non-confidential basis from a source other than the Borrower or any subsidiary, which source is not known by the recipient of such information to be subject to a confidentiality obligation, or (viii) to the extent that such information was already in the possession of the Administrative Agent or any Lender prior to any duty or other undertaking of confidentiality or is independently developed by the Administrative Agent or any Lender without the use of such information and without otherwise violating the terms of this Section 9.12. For the purposes hereof, “Information” means all information received from or on behalf of the Borrower or any of its subsidiaries relating to the Borrower, any of its subsidiaries or their business. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. Notwithstanding the foregoing, other than as set forth in the proviso below, (x) no such information shall be disclosed to a Disqualified Lender or Excluded Party that constitutes a Disqualified Lender or Excluded Party, as applicable, at the time of such disclosure without the Borrower’s prior written consent and (y) in connection with any proposed assignment of Loans and/or Commitments in accordance with Section 9.04, upon request by the applicable potential assignee therefor, the applicable potential assigning Lender may disclose the list of Disqualified Lenders to such potential assignee solely for purposes of enabling such assignee to make a representation in its applicable Assignment and Assumption that such prospective assignee is an Eligible Assignee, provided, however, that, subject to an agreement containing confidentiality undertakings substantially similar to those of this Section 9.12, the list of Disqualified Lenders may be disclosed to any bona fide potential assignee or Participant, so that such potential assignee or Participant can represent and warrant that it is neither a Disqualified Lender nor an Affiliate of a Disqualified Lender.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION (AS DEFINED IN THIS SECTION 9.12) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT, WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

#### SECTION 9.13 USA PATRIOT Act.

Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will

allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act.

SECTION 9.14 Release of Liens and Guarantees.

(a) A Subsidiary Loan Party shall automatically be released from its obligations under the Loan Documents (including its Guarantee of the Secured Obligations) and all security interests created by the Security Documents in Collateral owned by such Subsidiary Loan Party shall be automatically released, upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Loan Party ceases to be a Subsidiary (other than in connection with the Buddy Reorganization Transaction). Upon any sale or other transfer by any Loan Party (other than to the Borrower or any Subsidiary Loan Party) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral, the security interests in such Collateral created by the Security Documents shall be automatically released. Upon the release of any Subsidiary Loan Party from its Guarantee in compliance with this Agreement, the security interest in any Collateral owned by such Subsidiary created by the Security Documents shall be automatically released. Upon termination of the aggregate Commitments and payment in full of all Secured Obligations (other than contingent indemnification obligations), all obligations under the Loan Documents and all security interests created by the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section 9.14, each Agent shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request and prepare to evidence such termination or release so long as the Borrower or applicable Loan Party shall have provided such Agent a certificate, upon which such Agent may conclusively rely and shall be fully protected in acting in reliance upon, of a Responsible Officer certifying that the release of such Subsidiary Loan Party or Lien or such other release and the transactions related thereto (and the execution and delivery of any instruments or documents by such Agent in connection therewith) are authorized or permitted by the terms of this Agreement and the other Loan Documents.

(b) The Administrative Agent or the Collateral Agent, as the case may be, will, subject to such Agent's receipt of a certificate of a Responsible Officer of the Borrower as provided for in Section 9.14(a), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request and prepare to subordinate its Lien on any property granted to or held by the Administrative Agent or the Collateral Agent, as the case may be, under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(iv).

(c) Each of the Lenders, and by accepting the benefits of the Security Documents, each Secured Party that is not a party hereto, irrevocably authorizes the Administrative Agent or the Collateral Agent, as the case may be, to provide any release or evidence of release, termination or subordination contemplated by this Section 9.14. Upon request by the Administrative Agent or the Collateral Agent, as the case may be, at any time, the Required Lenders will confirm in writing the Administrative Agent's authority or that Collateral Agent's authority, as the case may be, to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under any Loan Document, in each case in accordance with the terms of the Loan Documents and this Section 9.14.

SECTION 9.15 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement

provided by the Administrative Agent and the Lenders are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Administrative Agent and the Lenders on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Administrative Agent and the Lenders is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not and will not be acting as an advisor, agent or fiduciary for the Borrower, any of its Affiliates or any other Person and (B) none of the Administrative Agent and the Lenders has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and none of the Administrative Agent and the Lenders has any obligation to disclose any of such interests to the Borrower or any of its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Administrative Agent and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

#### SECTION 9.16 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the obligations hereunder.

SECTION 9.17 Intercreditor Agreements. Each of the Lenders and, by accepting the benefits of the Security Documents, each Secured Party that is not a party hereto, hereby agrees that the Administrative Agent and/or the Collateral Agent may enter into any intercreditor agreement and/or subordination agreement pursuant to, or contemplated by, the terms of this Agreement (including with respect to Indebtedness permitted pursuant to Section 6.01 and defined terms referenced therein) on its behalf and agrees to be bound by the terms thereof and, in each case, consents and agrees to the appointment of the Administrative Agent and/or the Collateral Agent (and/or their affiliated designees, representatives or agents) on its behalf as collateral agent, respectively, thereunder. In the event of any conflict between the provisions of this Agreement or any other Loan Document (other than any Intercreditor Agreement) and the provisions of any Intercreditor Agreement, the provisions of such Intercreditor Agreement shall govern and control.

SECTION 9.18 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or under any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with the normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from them to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or the relevant Lender of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or the relevant Lender may in accordance with the normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or such Lender from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent, or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or such Lender in such currency, the Administrative Agent or such Lender agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable law).

SECTION 9.19 Acknowledgement and Consent to Bail-In of Affected Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

1. the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
2. the effects of any Bail-In Action on any such liability, including, if applicable:
  - i. a reduction in full or in part or cancellation of any such liability;
  - ii. a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge

institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

- iii. the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.20 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States.

SECTION 9.21 Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under the Guarantee Agreement in respect of a Secured Swap Obligation (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 9.21 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 9.21 or otherwise under the Guarantee Agreement voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). Except as otherwise provided herein, the obligations of each Qualified ECP Guarantor under this Section 9.21 shall remain in full force and effect until the termination of all Secured Swap Obligations. Each Qualified ECP Guarantor intends that this Section 9.21 constitute, and this Section 9.21 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent (acting at the direction of the Required Lenders) may from time to time specify with the Borrower's consent (such consent not to be unreasonably withheld) to appropriately reflect a change in currency of any country and any relevant market conventions or practices relating to such change in currency.

#### SECTION 1.08 Interest Rates.

The interest rate on a Loan denominated in dollars may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event, Section 2.14(b) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at

law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Amounts repaid or prepaid in respect of Loans may not be reborrowed.

#### SECTION 2.02 Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder, provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required hereby.

(b) Subject to Section 2.14, each Borrowing shall be comprised entirely of ABR Loans or SOFR Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any SOFR Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum; provided that a SOFR Borrowing that results from a continuation of an outstanding SOFR Borrowing may be in an aggregate amount that is equal to such outstanding Borrowing. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of five (5) SOFR Borrowings outstanding.

#### SECTION 2.03 Requests for Borrowings.

To request a Borrowing, the Borrower shall notify the Administrative Agent of such request in writing by telecopy, electronic mail, facsimile or overnight courier (a) in the case of a SOFR Borrowing, not later than 12:00 p.m., New York City time, three (3) U.S. Government Securities

Each such written Borrowing Request shall be signed by the Borrower substantially in the form of Exhibit F and shall be irrevocable. Each such written Borrowing Request shall specify the following information:

(i) whether the requested Borrowing is to be a Borrowing of Initial Loans and/or a Borrowing of any other Class (specifying the Class thereof);

(ii) ~~(ii)~~ the aggregate amount of such Borrowing;

(iii) ~~(iii)~~ the date of such Borrowing, which shall be a Business Day;

(iv) ~~(iii)~~ whether such Borrowing is to be an ABR Borrowing or a SOFR Borrowing;

(vi) ~~(v)~~ the location and number of the Borrower’s account to which funds are to be disbursed, which shall comply with the requirements of Section 2.06.

If no Interest Period is specified with respect to any requested SOFR Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month’s duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of the amount of such Lender’s Loan to be made as part of the requested Borrowing.

SECTION 2.04 [Reserved].

SECTION 2.05 [Reserved].

SECTION 2.06 Funding of Borrowings.

(a) [Reserved.]

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender’s share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section 2.06 and may, in reliance on such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent an amount equal to such share on demand of the Administrative Agent. If such Lender does not pay such corresponding amount forthwith upon demand of the Administrative Agent therefor, the Administrative Agent shall promptly notify the Borrower, and the Borrower agrees to pay such corresponding amount to the Administrative Agent forthwith on demand. The Administrative Agent

shall also be entitled to recover from such Lender or Borrower interest on such corresponding amount, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, or (ii) in the case of the Borrower, the interest rate applicable to such Borrowing in accordance with Section 2.13. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

(c) The obligations of the Lenders hereunder to make Loans and to make payments pursuant to Section 9.03(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 9.03(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.03(c).

#### SECTION 2.07 Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a SOFR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a SOFR Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.07. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section 2.07, the Borrower shall notify the Administrative Agent of such election in writing by telecopy, electronic mail, facsimile or overnight courier by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such written Interest Election Request shall be irrevocable and shall be signed by the Borrower.

(c) Each written Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a SOFR Borrowing; and

(iv) if the resulting Borrowing is to be a SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term “Interest Period.”

If any such Interest Election Request requests a SOFR Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month’s duration.

(d) Promptly following receipt of an Interest Election Request in accordance with this Section 2.07, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender’s portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a SOFR Borrowing and (ii) unless repaid, each SOFR Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

#### SECTION 2.08 Termination and Reduction of Commitments.

(a) On the Effective Date, the Commitments in effect on such date shall terminate upon the making of the relevant Loans.

(b) The Borrower may at any time terminate, or from time to time reduce, the Commitments of any Class, provided that each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000 unless such amount represents all of the remaining Commitments of such Class.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section 2.08 at least one (1) Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each reduction of the Commitments of any Class shall be made ratably among the Lenders of such Class.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable

thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section 2.09 shall be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section 2.09, the accounts maintained by the Administrative Agent pursuant to paragraph (c) of this Section 2.09 shall control.

(e) Any Lender may request that Loans of any Class made by it be evidenced by a Note. In such event, the Borrower shall execute and deliver to such Lender a Note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns).

In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent ~~shall~~may make (without obligation) such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Borrowings shall be accompanied by accrued interest on the amount repaid.

#### SECTION 2.11 Prepayment of Loans.

(a) Subject to clause (b) below, the Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty.

(b) (i) In the event that the Borrower prepays, repays, refinances, repurchases, substitutes or replaces all or any portion of the Loans at any time (including, without limitation, optional prepayments described in Section 2.11(a), mandatory prepayments described in Section 2.11(c) and any payments of the Loans occurring after acceleration of the Loans pursuant to Section 7.01, any payments made before or after a Default or an Event of Default, the satisfaction, release, payment, redemption, restructuring, reorganization, replacement, reinstatement, defeasance or compromise of any Loans (in whole or in part) in any proceeding under any Debtor Relief Law, foreclosure (whether by power of judicial proceeding or otherwise) or deed in lieu of foreclosure or the making of a distribution of any kind in any proceeding under any Debtor Relief Law to the Lenders any payments made after a bankruptcy or insolvency event), the Borrower shall pay to the Administrative Agent, for the account of each applicable Lender:

(A) prior to the first anniversary of the Effective Date, a premium of 3.00% of the aggregate principal amount of the Loans so prepaid, repaid, refinanced, repurchased, substituted or replaced;

(B) during the period from and including the first anniversary of the Effective Date to but not including the second anniversary of the Effective Date, a premium of 2.00% of the aggregate principal amount of the Loans so prepaid, repaid, refinanced, repurchased, substituted or replaced; and

(C) during the period from and including the second anniversary of the Effective Date to but not including the third anniversary of the Effective Date, a premium of 1.00% of the aggregate principal amount of the Loans so prepaid, repaid, refinanced, repurchased, substituted or replaced. For the avoidance of doubt, no prepayment fee shall be payable with respect to the Loans at any time on or after the date that is the third anniversary of the Effective Date.

Each Loan Party acknowledges and agrees that if the payment of the Secured Obligations is accelerated or the principal on the Loans and other Secured Obligations otherwise becomes due in whole or in part prior to, on, or after the Maturity Date, in each case, in respect of any Event of Default (including upon the occurrence of a bankruptcy or insolvency event (including the acceleration of claims by operation of law)), the amounts payable pursuant to this Section 2.11(b)(i) will also be due and payable as though the events referred to therein had occurred and shall constitute part of the Secured Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Lender's lost profits as a result thereof. Any amount payable above shall be presumed to be the liquidated damages sustained by each Lender as the result of the early prepayment and each Loan Party agrees that it is reasonable under the circumstances currently existing. The amounts due under this Section 2.11(b)(i) shall constitute liquidated damages, not unmatured interest or a penalty, as the actual amount of damages to the Lenders as a result of payment would be impracticable and extremely difficult to ascertain. The amounts due under this Section 2.11(b)(i) shall also be payable in the event the Secured Obligations are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means including via a plan of reorganization, or otherwise. EACH LOAN PARTY EXPRESSLY WAIVES (TO THE FULLEST EXTENT IT MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBIT OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION OR FORECLOSURE OR DEED IN LIEU OF FORECLOSURE. Each Loan Party expressly agrees (to the fullest extent it may lawfully do so) that: (A) the call premium and payments due hereunder in respect thereof are reasonable and the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) such payment shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Lenders and the Borrower giving specific consideration in this transaction for such agreement to pay such amount; and (D) each Loan Party shall be estopped hereafter from claiming differently than as agreed to in this Section 2.11(b)(i). Each Loan Party expressly acknowledges that its agreements in this Section 2.11(b)(i) as herein described is a material inducement to the Lenders in making the Loans as provided herein.

(ii) All voluntary prepayments shall be applied to the Term Facility or any Incremental Facility (or more than one of such facilities) as determined by the Borrower.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any of its Subsidiaries in respect of any Prepayment Event (other than any

Prepayment Event in respect of ABL Priority Collateral (as defined in the Intercreditor Agreement), to the extent such Prepayment Event is in respect of ABL Priority Collateral, as determined by the Borrower in good faith) the Borrower shall, within five (5) Business Days after such Net Proceeds are received (or, in the case of a Prepayment Event described in clause (b) of the definition of "Prepayment Event", on the date of such Prepayment Event), prepay Borrowings (on a *pro rata* basis among all Borrowings) in an aggregate amount equal to 100% of the amount of such Net Proceeds (together with any amounts due pursuant to Section 2.11(b)(i)); provided that, in the case of any event described in clause (a) of the definition of the term "Prepayment Event", if the Borrower or any of the Subsidiaries invest (or commit to invest) the Net Proceeds from such event (or a portion thereof) within 180 days after receipt of such Net Proceeds in the business of the Borrower and the other Subsidiaries (including any acquisitions permitted under Section 6.04 and capital expenditures), then no prepayment shall be required pursuant to this paragraph in respect of such Net Proceeds in respect of such event (or the applicable portion of such Net Proceeds, if applicable) except to the extent of any such Net Proceeds therefrom that have not been so invested (or committed to be invested) by the end of such 180-day period, at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so invested (or committed to be invested).

(d) ~~[Reserved]~~ Notwithstanding anything herein to the contrary, in the event a mandatory prepayment described in Section 2.11(a) is not permitted under the ABL Credit Agreement, neither the Borrower nor any of its Subsidiaries shall undertake such Prepayment Event.

(e) Prior to any optional prepayment of Borrowings pursuant to Section 2.11(a), the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (f) of this Section 2.11. ~~Any~~ In the event of any mandatory prepayment of Borrowings made at a time when Borrowings of more than one Class remain outstanding, the Borrower shall select Borrowings to be prepaid so that the aggregate amount of such prepayment is allocated between Borrowings *pro rata* based on the aggregate principal amount of outstanding Borrowings of each such Class; provided that any Lender may elect, by notice to the Administrative Agent in writing by telecopy, electronic mail, facsimile or overnight courier at least two (2) Business Days prior to the prepayment date, to decline all or any portion of any prepayment of its Loans of any such Class pursuant to this Section 2.11 (other than an optional prepayment pursuant to paragraph (a) of this Section or a mandatory prepayment as a result of the Prepayment Event set forth in clause (b) of the definition thereof, which may not be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay Loans of any such Class but was so declined shall be offered on a *pro rata* basis to Lenders who did not decline such proceeds. Optional prepayments of Borrowings shall be allocated in direct order of maturity, and subject to the foregoing, the Administrative Agent shall apply such prepayments in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16; provided that, in connection with any mandatory prepayments by the Borrower of the Loans pursuant to Section 2.11(c), such prepayments shall be applied on a *pro rata* basis to the then outstanding Loans being prepaid irrespective of whether such outstanding Loans are ABR Loans or SOFR Loans.

(f) The Borrower shall notify the Administrative Agent of any optional prepayment pursuant to Section 2.11(a) in writing by telecopy, electronic mail, facsimile or overnight courier of any prepayment hereunder (i) in the case of prepayment of a SOFR Borrowing, not later than 11:00 a.m., New York City time, three (3) U.S. Government Securities Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, one (1) Business Day before the date of prepayment (or, in each case, such later date or date which the Administrative Agent may agree to in its sole discretion). Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such

prepayment; provided that a notice of optional prepayment may state that such notice is conditional upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable event or condition, in which case such notice of prepayment may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13, and subject to Section 2.11(b), shall be without premium or penalty.

(g) Notwithstanding any other provisions of Section 2.11(c), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event set forth in clause (a) of the definition thereof by a Foreign Subsidiary giving rise to a prepayment pursuant to Section 2.11(c) (a “Foreign Prepayment Event”) are prohibited by, would violate or conflict with, or be delayed by, applicable local law from being repatriated to the Borrower, the portion of such Net Proceeds so affected will not be required to be applied to repay Loans at the times provided in Section 2.11(c), as the case may be, and such amounts may be retained by such Subsidiary so long, but only so long, as the Borrower determined in good faith that the applicable local law will not permit repatriation to the Borrower and once the Borrower has determined in good faith that such repatriation of any of such affected Net Proceeds is permitted under the applicable local law, such repatriation will be effected as soon as practicable and such repatriated Net Proceeds will be applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Loans pursuant to Section 2.11(c), as applicable, (B) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any or all of the Net Proceeds of any Foreign Prepayment Event would have a material adverse tax or cost consequence with respect to such Net Proceeds, the Net Proceeds so affected will not be required to be applied to repay Loans at the times provided in Section 2.11(c), as the case may be, and such amounts may be retained by such Subsidiary; provided that if the Borrower determines in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event so affected would no longer have a material adverse tax consequence with respect to such Net Proceeds, such Net Proceeds shall be applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Loans pursuant to Section 2.11(c), as applicable, and (C) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event would conflict with the fiduciary duties of a Subsidiary’s directors, or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any officer, director, employee, manager, member or management or consultant of such Subsidiary, the Net Proceeds so affected will not be required to be applied to repay Loans at the times provided in Section 2.11(c), as the case may be, and such amounts may be retained by such Subsidiary.

#### SECTION 2.12 Fees.

The Borrower agrees to pay to the Agents, for their own account, fees in respect of the Term Facility payable in the amounts and at the times separately agreed upon between the Borrower and the Agents in the Administrative Agent Fee Letter.

#### SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate. The Loans comprising each SOFR Borrowing shall bear interest at Adjusted Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate.

Interest (whether Cash Interest or PIK Interest) accrues from and including (x) initially, the Effective Date, (y) following the deemed funding of the Loans on the Effective Date pursuant to Section 2.01, each Interest Payment Date to, but excluding the following Interest Payment Date; provided that:

- (i) interest shall be payable entirely in cash (such interest, “Cash Interest”), provided that, at the Borrower’s election or deemed election as set forth in sub-clauses (ii) and (iii) below, up to 2.0% of such interest may be payable entirely as PIK Interest. Such PIK Interest shall become due and payable and be deemed capitalized on the applicable Interest Payment Date and constitute additional principal in respect of the Loans. Unless the context otherwise requires, for all purposes hereof, references to “principal amount” of Loans refers to the original face amount of the Loans plus any increase in the principal amount of the outstanding Loans as a result of payments of PIK Interest;
- (ii) the Borrower may elect to make a portion of interest payments in the form of PIK Interest by delivering to the Administrative Agent a written notice in the form of Exhibit L (a “PIK Interest Election Notice”) by 11:00 a.m., New York City time at least ~~three~~five (3~~5~~5) Business Days<sup>++</sup> prior to the applicable Interest Payment Date as provided in Section 2.13(c); and
- (iii) if the Borrower fails to deliver a PIK Interest Election Notice or a written revocation of a then-effective PIK Interest Election Notice not less than ~~three~~five (3~~5~~5) Business Days<sup>+</sup> prior to the commencement of the relevant ~~i~~Interest ~~p~~Period, the Borrower shall be deemed to have made an election of 2.0% of interest related to such Interest Period to be payable as PIK Interest for the applicable interest rate period.

(b) Notwithstanding the foregoing, if upon the occurrence and during the continuance of any Event of Default any principal of or interest on any Loan or any fee or other amount payable by any Loan Party under a Loan Document is not paid when due, whether at stated maturity, upon acceleration or otherwise, all overdue principal amounts of the Loans shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of the principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.13 or (ii) in the case of any other amount, 2.00% per annum plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section 2.13.

(c) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan, provided that (i) interest accrued pursuant to paragraph (b) of this Section 2.13 shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(d) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or

<sup>++</sup> ~~[NTD: Confirm necessary election notice period.]~~

Adjusted Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

#### SECTION 2.14 Benchmark Replacement Setting.

(a) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and the definition of “Adjusted Term SOFR” shall be deemed modified to delete the addition of the Term SOFR Adjustment to Term SOFR for any calculation and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders (or, if such Benchmark Replacement affects fewer than all Classes, the Majority in Interest Lenders of each affected Class). If the Benchmark Replacement is based upon Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

(b) *Benchmark Replacement Conforming Changes.* In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent (acting at the direction of the Required Lenders) will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) *Notices; Standards for Decisions and Determinations.* The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Benchmark Replacement Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.14(d) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(d) *Unavailability of Tenor of Benchmark.* Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other

information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will no longer be representative, then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) *Benchmark Unavailability Period.* Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, (i) the Borrower may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans and (ii) any outstanding affected SOFR Loans will be deemed to have been converted to ABR Loans at the end of the applicable Interest Period. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

#### SECTION 2.15 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve (including pursuant to regulations issued from time to time by the Federal Reserve Board for determining the maximum reserve requirement (including any emergency, special, supplemental or other marginal reserve requirement) with respect to eurocurrency funding (currently referred to as “Eurocurrency liabilities” in Regulation D)), special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount), then, upon request of such Lender or other Recipient, the Borrower will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

#### SECTION 2.16 Break Funding Payments.

In the event of (a) the payment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(f) and is revoked in accordance therewith) or (d) the assignment of any SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or Section 9.02(c), then, in any such event, the Borrower shall, after receipt of a written request by any Lender affected by any such event (which request shall set forth in reasonable detail the basis for requesting such amount), compensate each Lender for the loss, cost and expense (excluding loss of profit) actually incurred by it as a result of such event. Such loss, cost or expense shall in no event exceed that which would have been incurred by such Lender had it funded each SOFR Loan made by it at Adjusted Term SOFR for such Loan by a matching borrowing for a comparable amount and for a comparable period, whether or not such SOFR Loan was in fact so funded. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 and the reasons therefor delivered to the Borrower shall be prima facie evidence of such amounts. The Borrower shall pay such Lender the amount shown as due on any such certificate within fifteen (15) days after receipt of such demand. Notwithstanding the foregoing, this Section 2.16 will not apply to losses, costs or expenses resulting from Taxes, as to which Section 2.17 shall govern. Notwithstanding the foregoing, no Lender shall demand compensation pursuant to this Section 2.16 if it shall not at the time be the general policy or practice of such Lender to demand such compensation in similar circumstances under comparable provisions of other credit agreements.

SECTION 2.17 Taxes.<sup>12</sup>

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes, except as required by applicable Requirements of Law. If the applicable withholding agent shall be required by applicable Requirements of Law (as determined in the good faith discretion of the applicable withholding agent) to deduct or withhold any Taxes from such payments, then the applicable withholding agent shall be entitled to make such deductions or withholdings and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Requirements of Law, and if such Taxes are Indemnified Taxes, then the amount payable by the applicable Loan Party shall be increased as necessary so that after all such required deductions or withholdings have been made (including such deductions and withholdings applicable to additional amounts payable under this Section 2.17), each Lender (or, in the case of a payment made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made.

(b) The Borrower shall timely pay to the relevant Governmental Authority in accordance with Requirements of Law or, at the option of the Administrative Agent, timely reimburse it for the payment of, any Other Taxes.

(c) The ~~Borrower~~ Loan Parties, jointly and severally, shall indemnify the Administrative Agent and each Lender within thirty (30) days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Administrative Agent or such Lender as the case may be, on or with respect to any payment by or on account of any obligation of any Loan Party under any Loan Document, as the case may be (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender or by the Administrative Agent shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of any Taxes by a Loan Party to a Governmental Authority pursuant to this Section 2.17, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall, at such times as are reasonably requested by Borrower or the Administrative Agent, provide Borrower and the Administrative Agent with any properly completed and executed documentation prescribed by any Requirement of Law, or reasonably requested by Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders any such documentation expired, obsolete or inaccurate in any respect (including any specific documentation required below in this Section 2.17(e)), deliver promptly to Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable withholding agent) or promptly notify Borrower and the

<sup>12</sup> ~~[NTD: Subject to review.]~~

Administrative Agent in writing of its legal ~~inability to do so. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding tax or are subject to Tax at a rate reduced by an applicable tax treaty, Borrower, Administrative Agent or other applicable withholding agent shall withhold amounts required to be withheld by applicable law from such payments at the applicable statutory rate.~~ inability to do so. Notwithstanding anything to the contrary in this Agreement, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.17(e)(i), (ii)(A), (ii)(B), (ii)(C), (ii)(D), (iii) and (iv) of this Section) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

Without limiting the generality of the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) two properly completed and duly signed copies of ~~Internal Revenue Service~~ IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding tax.

(ii) Each Lender that is not a United States person (as defined in Section 7701(a)(30) of the Code) (such Lender, a "Foreign Lender") shall deliver (to the extent it is legally entitled to do so) to Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of Borrower or the Administrative Agent) whichever of the following is applicable:

(A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E (or any successor forms) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E (or any successor forms) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty,

(B) two properly completed and duly signed copies of IRS Form W-8ECI (or any successor forms),

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) two properly completed and duly signed certificates, substantially in the form of Exhibit J-1, J-2, J-3 or J-4, as applicable, to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (any such certificate a "United States Tax Compliance Certificate"), and (y) two properly completed and duly signed copies of IRS Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(D) to the extent a Foreign Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two properly completed and duly signed copies of ~~Internal Revenue Service~~ IRS Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by ~~aan~~ IRS Form W-8ECI, W-8BEN or W-8BEN-E, United States Tax Compliance Certificate, IRS Form W-9, IRS Form W-8IMY (or other successor forms) or any other required information from each beneficial owner, as applicable (provided that, if the Lender is a partnership and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such direct or indirect partner(s)), or

(E) any other form prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding ~~+~~Tax duly completed together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit Borrower and the Administrative Agent to determine the withholding or deduction required to be made.

(iii) If a payment made to any Recipient under any Loan Document would be subject to U.S. federal withholding ~~+~~Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Recipient has or has not complied with such Recipient's obligations under FATCA and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (iii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iv) If the Administrative Agent is a ~~U.S. Person~~ United States person (as defined in Section 7701(a)(30) of the Code), it shall provide the Borrower, on or prior to the date that it becomes a party to this Agreement, with two duly completed copies of IRS Form W-9 or (B) if the Administrative Agent is not a ~~U.S. Person~~ United States person (as defined in Section 7701(a)(30) of the Code), then it shall provide the Borrower with two properly completed IRS Forms W-8ECI with respect to fees received on its own behalf and any such other documentation prescribed by applicable law and reasonably requested by the Borrower that would allow the applicable Borrower to make payments to such Administrative Agent without deduction or withholding of any U.S. federal withholding Taxes. If the Administrative Agent is not a ~~U.S. Person~~ United States person (as defined in Section 7701(a)(30) of the Code), such Administrative Agent shall provide the Borrower, on or prior to the date that it becomes a party to this Agreement, with two duly completed copies of IRS Form W-8IMY (or successor form) certifying that it is either (i) a "qualified intermediary" and that it assumes primary withholding responsibility under Chapters 3 and 4 of the Code and primary Form 1099 reporting and backup withholding responsibility for payments it receives for the account of others or (ii) a "U.S. branch" and that the payments it receives for the account of others are not effectively connected with the conduct of a trade or business in the United States and that it is using such form as evidence of its agreement with the Borrower to be treated as a ~~U.S. Person~~ United States person (as defined in Section 7701(a)(30) of the Code) with respect to such payments (and the Borrower and the Administrative Agent agree to so treat the Administrative Agent as a ~~U.S. Person~~ United

States person (as defined in Section 7701(a)(30) of the Code) with respect to such payments as contemplated by U.S. Treasury Regulations Section 1.1441-1(b)(2)(iv)(A)), with the effect that the Borrower can make payments to the Administrative Agent without deduction or withholding of any Taxes imposed by the United States.

(f) If the Administrative Agent or a Lender determines, in its sole discretion exercised in good faith, that it has received a refund of Taxes as to which it has been indemnified pursuant to this Section 2.17 or with respect to which additional amounts have been paid pursuant to this Section 2.17, it shall pay over such refund to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees promptly to repay the amount paid over to the Borrower pursuant to this Section 2.17(f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. The Administrative Agent or such Lender, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that the Administrative Agent or such Lender deems confidential). Notwithstanding anything to the contrary in this Section 2.17(f), in no event will the Administrative Agent or any Lender be required to pay any amount to the Borrower pursuant to this Section 2.17(f) the payment of which would place the Administrative Agent or such Lender in a less favorable net after-Tax position than the Administrative Agent or such Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. Notwithstanding anything to the contrary, this Section 2.17(f) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to Taxes which it deems confidential) to any Loan Party or any other person.

(g) The agreements in this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(h) For purposes of this Section 2.17, the term "applicable Requirements of Law" includes FATCA.

#### SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it under any Loan Document (whether of principal, interest or fees, or of amounts payable under Sections 2.15, 2.16 or 2.17, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without condition or deduction for any counterclaim, recoupment or setoff. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to such account as may be specified by the Administrative Agent, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any

such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Except as otherwise provided herein, if any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day. If any payment on a SOFR Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate for the period of such extension. All payments or prepayments of any Loan shall be made in dollars, all payments of accrued interest payable on a Loan shall be made in dollars, and all other payments under each Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (B) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or any increase in the Applicable Rate in respect of Loans of Lenders that have consented to any such extension. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.06(a) or Section 2.06(b), Section 2.18(d) or Section 9.03(c), then the Administrative Agent may, in its discretion and in the order determined by the Administrative Agent (notwithstanding any

contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Section until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as cash collateral for, and to be applied to, any future funding obligations of such Lender under any such Section.

#### SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or any event gives rise to the operation of Section 2.201, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder affected by such event, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Sections 2.15 or 2.17 or mitigate the applicability of Section 2.201, as the case may be, and (ii) would not subject such Lender to any unreimbursed cost or expense reasonably deemed by such Lender to be material and would not be inconsistent with the internal policies of, or otherwise be disadvantageous in any material economic, legal or regulatory respect to, such Lender.

(b) If (i) any Lender requests compensation under Section 2.15 or gives notice under Section 2.201 or (ii) the Borrower is required to pay any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation); provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable, which consents, in each case, shall not unreasonably be withheld or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued but unpaid interest thereon, accrued but unpaid fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (C) the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b)(ii) and (D) in the case of any such assignment resulting from a claim for compensation under Section 2.15, or payments required to be made pursuant to Section 2.17 or a notice given under Section 2.201, such assignment will result in a material reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

#### SECTION 2.20 Incremental Credit Extensions.

(a) The Borrower may at any time or from time to time on one or more occasions after the Effective Date, by written notice delivered to the Administrative Agent and subject to the prior written consent of the Required Lenders to be granted in their sole discretion, request to add one or more additional Classes of term loans or additional term loans of the same Class as any existing Class of term

loans (an “Incremental Facility”) and/or increase the principal amount of the Loans by requesting new term loan commitments to be added to such Loans (an “Incremental Increase”, and together with any Incremental Facility, the “Incremental Loans” or the “Incremental Facilities”); provided that:

(i) Incremental Facilities may be borrowed by any one or more Loan Parties, and

(ii) notwithstanding anything to the contrary herein, the aggregate outstanding principal amount of the Incremental Facilities that can be incurred after the Effective Date shall not exceed \$50,000,000.

Each Incremental Facility shall be in a minimum principal amount of \$2,000,000 and integral multiples of \$500,000 in excess thereof if such Incremental Facilities are denominated in dollars (unless the Borrower and the Lenders and Additional Lenders providing such Incremental Term Loans otherwise agree); provided that such amount may be less than \$2,000,000 if such amount represents all the remaining availability under the aggregate principal amount of Incremental Facilities set forth above.

(b)

(i) The Incremental Loans, in each case other than as permitted by Section 9.02(b)(vi):

(A) shall rank equal in right of payment with the Loans, shall be secured only by the Collateral securing the Secured Obligations, shall be secured by the Collateral on a *pari passu* basis with the Term Facility, and shall not be guaranteed by any Person which is not a Loan Party;

(B) shall not mature earlier than the Maturity Date with respect to the Initial Loans (except in the case of bridge loans the terms of which provide for an automatic extension of the maturity date thereof, subject to customary conditions, to a date that is not earlier than the Maturity Date with respect to the Initial Loans);

(C) shall not have a shorter Weighted Average Life to Maturity (except in the case of bridge loans the terms of which provide for an automatic extension of the maturity date thereof, subject to customary conditions, to a date that is not earlier than the Maturity Date with respect to the Initial Loans) than the remaining Initial Loans;

(D) shall have a maturity date (subject to clause (B)), an amortization schedule (subject to clause (C)), and interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and prepayment terms and premiums for the Incremental Loans as determined by the Borrower and the Additional Lenders thereunder;

(E) shall not participate on a greater than pro rata basis than the Initial Loans with respect to any mandatory prepayment (other than any scheduled amortization payment); provided that the Borrower and the lenders providing the relevant Incremental Loans shall be permitted, in their sole discretion, to elect to prepay or receive, as applicable, any such prepayment on a less than pro rata basis; and

(F) may otherwise have terms and conditions different from those of the Loans (including currency denomination);

provided that, except with respect to matters contemplated by clauses (B), (C), (D) and (E) above, the covenants, events of default and guarantees of any such Incremental Loans shall not be materially more restrictive to the Borrower and the Subsidiaries, when taken as a whole, than the covenants, events of default and guarantees of the Initial Loans, unless:

(1) the existing Initial Loans also receive the benefit of such more restrictive terms (it being understood that no consent shall be required from the Administrative Agent or any Lender to add such more restrictive terms for the benefit the existing Initial Loans);

(2) any such provisions apply after the Maturity Date with respect to the Initial Loans at the time of incurrence of such Incremental Facility;

(3) such terms reflect market terms and conditions (taken as a whole) at the time of establishment of such Incremental Facility, as determined in good faith by the Borrower; or

(4) such terms shall be reasonably satisfactory to the Administrative Agent (acting at the direction of the Required Lenders) and the Borrower;

(ii) upon the incurrence of any Incremental Loans, (x) the representations and warranties of the Loan Parties set forth in the Loan Documents shall be true and correct in all material respect and (y) no Event of Default shall have occurred and be continuing.

(c) Each notice from the Borrower pursuant to this Section shall set forth the requested amount of the relevant Incremental Facility.

(d) Commitments in respect of any Incremental Facility shall become Commitments under this Agreement pursuant to an amendment (an "Incremental Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Lender agreeing to provide such Commitment, if any, each Additional Lender, if any, and the Administrative Agent (acting at the direction of such Lenders and Additional Lenders). An Incremental Facility may be provided, subject to the prior written consent of the Borrower (not to be unreasonably withheld), by any existing Lender (it being understood that no existing Lender shall, unless it agrees, be obligated to provide any Incremental Facilities) or by any Additional Lender; provided that the Administrative Agent shall have consent rights (not to be unreasonably withheld, conditioned or delayed) with respect to such Additional Lender, if such consent would be required pursuant to Section 9.04 for an assignment of Loans or Commitments, as applicable, to such Additional Lender. Incremental Loans shall be a "Loan" for all purposes of this Agreement and the other Loan Documents. The Incremental Facility Amendment may, subject to Section 2.20(b), without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary, in the reasonable opinion of the Administrative Agent (acting at the direction of the applicable Lenders and Additional Lenders providing such Incremental Term Loans) and the Borrower, to effect the provisions of this Section 2.20. The effectiveness of any Incremental Facility Amendment and the occurrence of any credit event (including the making (but not the conversion or continuation) of a Loan thereunder) pursuant to such Incremental Facility Amendment shall be subject to the satisfaction of such conditions as the parties thereto shall agree and as required by this Section 2.20. The Borrower (or other applicable Loan Party) will use the

proceeds of the Incremental Facilities for working capital and other general corporate purposes of the Borrower and its Subsidiaries, including capital expenditures, Permitted Acquisitions and other Investments, Restricted Payments and the refinancing of Indebtedness, and any other use not prohibited by the Loan Documents.

(e) Notwithstanding anything to the contrary, this Section 2.20 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

SECTION 2.21      ~~SECTION 2.20~~ Illegality.

If any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender to make, maintain or fund Loans whose interest is determined by reference to Adjusted Term SOFR, or to determine or charge interest rates based upon Adjusted Term SOFR, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue SOFR Loans denominated in dollars or to convert ABR Loans denominated in dollars to SOFR Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Adjusted Term SOFR component of the Alternate Base Rate, the interest rate on such ABR Loans of such Lender shall be determined by the Administrative Agent without reference to the Adjusted Term SOFR component of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon three (3) Business Days' notice from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all SOFR Loans denominated in dollars of such Lender to ABR Loans (the interest rate on which ABR Loans of such Lender shall be determined by the Administrative Agent without reference to the Adjusted Term SOFR component of the Alternate Base Rate), either on the last day of the Interest Period if the Administrative Agent is advised in writing by such Lender that it may lawfully continue to maintain such SOFR Loans to such day, or immediately, if the Administrative Agent is advised in writing by such Lender that it may not lawfully continue to maintain such SOFR Loans, and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon Adjusted Term SOFR, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the Adjusted Term SOFR component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon Adjusted Term SOFR. Each Lender agrees to notify the Administrative Agent and the Borrower in writing promptly upon becoming aware that it is no longer illegal for such Lender to determine or charge interest rates based upon Adjusted Term SOFR. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

## ARTICLE VIII

### ADMINISTRATIVE AGENT

#### SECTION 8.01 Appointment and Authority.

(a) Each of the Lenders hereby irrevocably (i) designates and appoints (A) Wilmington Trust, National Association to act on its behalf as the Administrative Agent hereunder and

under the other Loan Documents and (B) Wilmington Trust, National Association to act on its behalf as Collateral Agent hereunder and under the other Loan Documents and (ii) authorizes the Administrative Agent and the Collateral Agent (in their capacities as such), as applicable, to take such actions on such Lender's behalf and to exercise such powers as are expressly delegated to the Administrative Agent and the Collateral Agent, as applicable, by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Each Secured Party that is not a party hereto, by accepting the benefits of the Security Documents, hereby irrevocably appoints Wilmington Trust, National Association to act on its behalf as Collateral Agent under the Security Documents and authorizes Wilmington Trust, National Association (in its capacity as Collateral Agent) to take such actions on such Secured Party's behalf and to exercise such powers as are expressly delegated to the Collateral Agent by the terms hereof or thereof together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Collateral Agent and the Lenders, and the Borrower shall not have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Requirements of Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) Each of the Lenders and each Secured Party that is not a party hereto, by accepting the benefits of the Security Documents, hereby irrevocably appoints and authorizes the Collateral Agent, as applicable, to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers as are reasonably incidental thereto. In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent and/or the Collateral Agent pursuant to Section 8.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article VIII and Article IX (including Section 9.03 as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto.

#### SECTION 8.02 Rights as a Lender.

Any Person serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, own securities of, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders.

#### SECTION 8.03 Exculpatory Provisions.

No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, each Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, and shall not be required to exercise any discretion or to take any action, but shall be required to act or refrain from acting (and shall be fully protected in so acting or refraining from acting) as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that such Agent shall not be required to take any action (i) unless it is furnished with an indemnification satisfactory to such Agent from the Lenders with respect thereto or (ii) that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as such Agent or any of its Affiliates in any capacity;

(d) shall in no event be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions;

(e) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment;

(f) shall be deemed not to have knowledge of any Default unless and until written notice describing such Default conspicuously marked as a “notice of default” is given to such Agent by the Borrower or a Lender and received by an officer of such Agent responsible for the administration of this Agreement;

(g) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien or security interests purported to be granted to such Agent pursuant to this Agreement or any other Loan Document have been or will continue to be properly or sufficiently or lawfully created, perfected or enforced or are entitled to any particular priority, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in Article IV, or (vii) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents;

(h) shall not be responsible for nor have any duty to monitor the performance or any action of the Borrower or other Loan Party, or any of their directors, members, officers, agents, affiliates

or employees, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party, and may assume performance by all such Persons of their respective obligations and shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other Person;

(i) shall not be liable for any action taken in good faith and reasonably believed by it to be within the powers conferred upon it, or taken by it pursuant to any direction or instruction by which it is governed, or omitted to be taken by it by reason of the lack of direction or instruction required hereby for such action (including without limitation for refusing to exercise discretion or for withholding its consent in the absence of its receipt of, or resulting from a failure, delay or refusal on the part of any Lender to provide, written instructions to exercise such discretion or grant such consent from any such Lender, as applicable);

(j) shall not be liable for any error of judgment made by it (or by an officer or other employee of such Agent) in good faith;

(k) not be liable for any indirect, special, punitive or consequential damages (including, without limitation, lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action;

(l) not be required to take any action under this Agreement, the other Loan Documents or any related document if taking such action would (A) subject such Agent to a tax in any jurisdiction where it is not then subject to a tax or (B) would require such Agent to qualify to do business in any jurisdiction where it is not then so qualified;

(m) shall not have any duty as to any collateral in its possession or in the possession of someone under its control or in the possession or control of any agent or nominee of the Agents or any income thereon or as to the preservation of rights prior parties or any other rights pertaining thereto, except the duty to accord such of the collateral as may be in its possession substantially the same care as it accords similar assets held for the benefit of third parties and the duty to account for monies received by it. The Agents shall not be under any obligation to independently request or examine insurance coverage with respect to any collateral nor shall the Agent's be liable for the acts or omissions of any bank, depositary bank, custodian, independent counsel of any other Person or any other party selected by the Agents with reasonable care or selected by any other party hereto that may hold or possess collateral or documents related to collateral, and the Agents shall not be required to monitor the performance of any such Persons holding collateral. For the avoidance of doubt, the Agents shall not be responsible to the Lenders for the perfection of any lien or for the filing, form, content or renewal of any UCC financing statements, fixture filings, mortgages, deeds of trust and such other documents or instruments;

(n) notwithstanding anything contained in this Agreement or any other Loan Document to the contrary, shall not be under any obligation (i) to monitor, determine or verify the unavailability or cessation of any Benchmark (or other applicable benchmark interest rate), or whether or when there has occurred, or to give notice to any other transaction party of the occurrence of, any date on which such rate may be required to be transitioned or replaced in accordance with the terms of the Loan Documents, applicable law or otherwise, (ii) to select, determine or designate any replacement to such rate, or other successor or replacement benchmark index, or whether any conditions to the designation of such a rate have been satisfied, (iii) to select, determine or designate any adjustment or modifier to any replacement or successor index, or (iv) to determine whether or what any amendments to this Agreement or the other Loan Documents are necessary or advisable, if any, in connection with any of the foregoing. The Agents shall not be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Agreement or any other Loan Document as a result of the unavailability of any Benchmark

(or other applicable benchmark interest rate), including as a result of any inability, delay, error or inaccuracy on the part of any other party, including without limitation any Lenders or Borrower, in providing any direction, instruction, notice or information required or contemplated by the terms of this Agreement and reasonably required for the performance of such duties. The Agents shall have no liability for any interest rate published by any publication that is the source for determining the interest rates of the Loans, including but not limited to Bloomberg (or any successor source) and the Bloomberg or Reuters screen (or any successor source), or for any rates published on any publicly available source, including without limitation the Federal Reserve Bank of New York's Website or any website administered by the Term SOFR Administrator, or in any of the foregoing cases for any delay, error or inaccuracy in the publication of any such rates, or for any subsequent correction or adjustment thereto; and

(o) if at any time an Agent is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process (including orders of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of any Collateral), such Agent is authorized to comply therewith in any manner as it or its legal counsel of its own choosing deems appropriate, and if such Agent complies with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, such Agent shall not be liable to any of the parties hereto or to any other Person even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

The Agents' rights, protections, indemnities and immunities provided in this Agreement shall apply to such Agent for any actions taken or omitted to be taken under this agreement and any other Loan Documents and any other related agreements in any of its respective capacities.

#### SECTION 8.04 Reliance by Agents.

(a) Each Agent shall be entitled to conclusively rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may conclusively rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. As to any matters not expressly provided for in this Agreement and in the other Loan Documents (including enforcement or collection), the Administrative Agent and/or the Collateral Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), and, unless and until revoked in writing, such instructions shall be binding upon each Lender. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders. Notwithstanding anything herein or in any other Loan Document to the contrary, and without limiting any rights, protections,

immunities or indemnities to the Agents hereunder, phrases such as “satisfactory to the [Administrative Agent][Collateral Agent],” “approved by the [Administrative Agent][Collateral Agent],” “acceptable to the [Administrative Agent][Collateral Agent],” “as determined by the [Administrative Agent][Collateral Agent],” “in the [Administrative Agent][Collateral Agent]’s discretion,” “selected by the [Administrative Agent][Collateral Agent],” “elected by the [Administrative Agent][Collateral Agent],” “requested by the [Administrative Agent][Collateral Agent],” and phrases of similar import that authorize and permit an Agent to approve, disapprove, determine, act or decline to act in its discretion shall be subject to such Agent receiving written direction from the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) to take such action or to exercise such rights. Upon request by the Administrative Agent and/or the Collateral Agent, as the case may be, the Required Lenders shall confirm in writing the Administrative Agent’s authority and/or the Collateral Agent’s authority, as the case may be, to take any action in accordance with the terms of the Loan Documents and this Section 8.04 and may refrain from acting until such confirmation has been provided.

(b) Notwithstanding anything else to the contrary herein, whenever reference is made in this Agreement, or any other Loan Document, to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Administrative Agent or the Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Administrative Agent or the Collateral Agent, it is understood that in all cases the Administrative Agent or such Collateral Agent shall be fully justified in failing or refusing to take any such action if it shall not have received written instruction, advice or concurrence from the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in any other Loan Document). The Administrative Agent and Collateral Agent shall have no liability for any failure or delay in taking any actions contemplated above as a result of a failure or delay on the part of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in any other Loan Document) to provide such instruction, advice or concurrence. This provision is intended solely for the benefit of each of the Administrative Agent and the Collateral Agent and its successors and permitted assigns and is not intended to and will not entitle the other parties hereto to any defense, claim or counterclaim, or confer any rights or benefits on any party hereto.

(c) The Administrative Agent and the Collateral Agent shall in all cases be fully justified in failing or refusing to act unless it shall receive further assurances to its reasonable satisfaction, including indemnification, from the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. No provision of this Agreement or any Loan Document shall require the Administrative Agent or the Collateral Agent to take any action that it reasonably believes to be contrary to applicable law or to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties thereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

#### SECTION 8.05 Delegation of Duties.

Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by such Agent. Any Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. No Agent shall be responsible for the acts or omissions of any sub-agents selected by it without gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment. The exculpatory

provisions of this Article shall apply to any such sub-agent and to the Related Parties of any Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Term Facility and the Incremental Facility as well as activities as such Agent.

SECTION 8.06 Resignation of Administrative Agent; Mergers.

(a) Each Agent may resign upon thirty (30) days' notice to the Lenders and the Borrower, whether or not a successor Agent has been appointed. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Borrower's consent (such consent not to be unreasonably withheld or delayed) unless an Event of Default has occurred and is continuing, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may (but shall not be obligated to) on behalf of the Lenders, appoint, or petition a court of competent jurisdiction to appoint, a successor Agent, which shall be an Approved Bank with an office in New York, New York, or an Affiliate of any such Approved Bank (the date upon which the retiring Agent is replaced, the "Resignation Effective Date"); provided that if the retiring Agent shall notify the Borrower and the Lenders that no qualifying Person accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice.

(b) If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except (i) that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed and (ii) with respect to any outstanding payment obligations) and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Agent as provided for above. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section. The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 9.04 shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Agent was acting as Agent.

(d) Any corporation or association into which an Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer all or substantially all of its corporate trust business and assets as a whole or substantially as a whole, or any corporation or

association resulting from any such conversion, sale, merger, consolidation or transfer to which an Agent is a party, will be and become the successor Agent under this Agreement and related Loan Documents and will have and succeed to the rights, powers, duties, immunities and privileges as its predecessor, without the execution or filing of any instrument or paper or the performance of any further act.

SECTION 8.07 Non-Reliance on Agents and Lenders.

(a) Each Lender acknowledges that it has, independently and without reliance upon any Agent, any Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Effective Date, or delivering its signature page to an Assignment and Assumption or Incremental Facility Amendment pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Agents and/or the Lenders on the Effective Date.

(c) No Lender and no other Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent and the Collateral Agent on behalf of the Lenders and the other Secured Parties in accordance with the terms thereof. In the event of a foreclosure by the Administrative Agent or the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Administrative Agent or such Collateral Agent, as agent for and representative of the Lenders and the other Secured Parties (but not any Lender, Lenders, Secured Party or Secured Parties in its or their respective individual capacities) (either directly or through one or more acquisition vehicles), upon instructions from Required Lenders, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations (other than Obligations owing to the Agents) as a credit on account of the purchase price for any collateral payable by the Administrative Agent or the Collateral Agent on behalf of the Lenders at such sale or other disposition. Each Lender, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral, and of the Guarantees of the Secured Obligations, to have agreed to the foregoing provisions.

SECTION 8.08 [Reserved].

SECTION 8.09 Administrative Agent May File Proofs of Claim.

In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise

and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, and any Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and such Agent and their respective agents and counsel and all other amounts due the Lenders and each Agent under Sections 2.12 and 9.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and, by its acceptance of the benefits of the Security Documents, each Secured Party that is not a party hereto, to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of any Agent and its agents and counsel, and any other amounts due such Agent under Sections 2.12 and 9.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Secured Party that is not a party hereto any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or any Secured Party that is not a party hereto to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

#### SECTION 8.10 No Waiver; Cumulative Remedies; Enforcement.

No failure by any Lender or any Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Agents in accordance with Article VII for the benefit of all the Secured Parties; provided, however, that the foregoing shall not prohibit (a) any Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Agent) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 9.08 (subject to the terms of Section 2.18), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided further that if at any time there is no Person acting as an Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to such Agent pursuant to Article VII and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the

preceding proviso and subject to Section 2.18, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

#### SECTION 8.11 Withholding Taxes.

To the extent required by any applicable Requirements of Law (as determined in good faith by the Administrative Agent), the Administrative Agent may deduct or withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other Governmental Authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Loan Parties pursuant to Section 2.17 and without limiting any obligation of the Loan Parties to do so pursuant to such Section) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 8.11. The agreements in this Section 8.11 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the repayment, satisfaction or discharge of all other obligations under any Loan Document.

#### SECTION 8.12 Credit Bidding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Secured Obligations (other than any Secured Obligations owing to the Agents) (including by accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, such Secured Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Secured Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent (or the Required Lenders on its behalf) shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Secured Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Required Lenders shall

be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) each of the Secured Parties shall be authorized to receive, ratably on account of the relevant Secured Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Secured Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Secured Obligations assigned to the acquisition vehicle exceeds the amount of Secured Obligations credit bid by the acquisition vehicle or otherwise), such Secured Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Secured Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Secured Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Secured Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent or the Required Lenders may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

#### SECTION 8.13 Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender, Secured Party, or any Person who has received funds on behalf of a Lender or Secured Party (any such Lender, Secured Party or other recipient (and each of their respective successors and assigns), a “Payment Recipient”) that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, an “Erroneous Payment”) and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all time remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 8.13 and held in trust for the benefit of the Administrative Agent, and such Lender or Secured Party shall (or, with respect to any Payment Recipient who received funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than one (1) Business Day thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank

compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this Section 8.13 shall be conclusive, absent manifest error.

(b) Without limiting the immediately preceding clause (a), each Lender hereby further agrees that if it (or a Payment Recipient on its behalf) receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender or Secured Party or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one (1) Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 8.13(b).

For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 8.13(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 8.13(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender or Secured Party under any Loan Document or from any other source against any amount that the Administrative Agent has demanded to be returned under the immediately preceding clause (a).

(d) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event an Erroneous Payment (or portion thereof) are not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and in the case of any Payment Recipient who has received funds on behalf of a Lender or Secured Party, to the rights and interests of such Lender or Secured Party as the case may be) under the Loan Documents with respect to such amount (the "Erroneous Payment Subrogation Rights") and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Secured Obligations owed by the Borrower or any other Loan Party; provided that this Section 8.13(d) shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Secured Obligations of the Borrower relative to the amount of the Secured Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided further, that for the avoidance of doubt, the immediately preceding clauses, (x) and (y) shall not apply, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous

Payment that is, comprised of funds received by the Administrative Agent from the Borrower for purposes of making such Erroneous Payment.

(e) Notwithstanding anything to the contrary contained herein, and for the avoidance of doubt, in no event shall the occurrence of an Erroneous Payment (or the existence of any Erroneous Payment Subrogation Rights or other rights of the Administrative Agent in respect of an Erroneous Payment) result in the Administrative Agent becoming, or being deemed to be, a Lender hereunder or the holder of any Loans hereunder.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on “discharge for value” or any similar doctrine.

(g) Notwithstanding anything in this Section 8.13 to the contrary, the Borrower shall not be liable for the losses of any party due to an Erroneous Payment. Each party’s obligations under this Section 8.13 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Loan Document Obligations under any Loan Document.

#### SECTION 8.14 Secured Cash Management Obligations and Secured Swap Obligations.

(a) Prior to being recognized as a Secured Party hereunder, each Person to whom any Secured Cash Management Obligations or Secured Swap Obligations are owed, shall be required to execute and deliver to the Collateral Agent and the Borrower a written notice, and by receiving the benefits of this Agreement and the other Loan Documents, and the liens granted hereunder and thereunder, such Person shall be deemed to agree to, and acknowledge that it is bound by, the terms of this Agreement and any related Loan Documents, and to have agreed to each Agent’s rights, protections, immunities and indemnities set forth in this Agreement and the Loan Documents, and such rights, protections, immunities and indemnities shall be equally applicable with respect to such Person. Upon the Administrative Agent’s and the Borrower’s receipt of such written notice, such entity shall become a Secured Party hereunder and the Loan Documents. Notwithstanding anything herein to the contrary, the rights, protections, immunities and indemnities afforded to the Agents in this Article VIII with respect to the Lenders shall also be applicable to each Person to whom any Secured Cash Management Obligations or Secured Swap Obligations are owed as if such Person were specifically set forth in this Article VIII.

(b) Each Person to whom any Secured Cash Management Obligations and Secured Swap Obligations are owed hereby appoints each Agent as its agent; it being understood and agreed that the rights and benefits of each such Person under this Agreement and the Loan Documents consist exclusively of such Person’s being a beneficiary of the liens and security interests (and, if applicable, guarantees) granted to the Collateral Agent and the right to share in payments and collections out of the Collateral as more fully set forth herein. In connection with any action taken by an Agent, including, without limitation, with respect to any distribution of payments and collections, each Agent shall be entitled to assume (and shall have no liability for so assuming) no amounts are owing to any such Person (and no Secured Cash Management Obligations and Secured Swap Obligations are held by any such Person) unless such Person has provided written notification to the Agents of the amount that is owing to it (on which each Agent may conclusively rely) and such notification is received by the Agents within a reasonable period of time prior to the making of such distribution, which in any event shall be at least five (5) Business Days prior to such distribution.

(c) Notwithstanding anything to the contrary contained herein or in any Loan Document, it is understood and agreed that only Lenders (which shall not include for this purpose any Person to whom any Secured Cash Management Obligations or Secured Swap Obligations are owed) shall be entitled to instruct and direct an Agent to take, or omit to take, any action (including, without limitation, in connection with any default, Event of Default or enforcement of remedies) hereunder or under any Loan Document. Each Person to whom any Secured Cash Management Obligations or Secured Swap Obligations are owed agrees that it shall not provide, nor shall it be entitled to provide, any direction or instruction to an Agent, and no Agent shall in any event be responsible or liable for failing to comply with any such direction or instruction.

(d) For the avoidance of doubt and notwithstanding anything contained herein to the contrary, in the event that any Swap Agreement or any other agreement related to such Person, with respect to any Secured Cash Management Obligations or Secured Swap Obligations, has been terminated, such Person shall provide written notice to the Agents and the Borrower thereof and thereafter such Person shall have no rights under this Agreement and the Loan Documents, and in no event shall either Agent be responsible or liable to such Person for any act or omission or potential liabilities occurring during any such time.

## ARTICLE IX

### MISCELLANEOUS

#### SECTION 9.01 Notices.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by fax or other electronic transmission, as follows:

(i) if to the Borrower, the Administrative Agent or the Collateral Agent, to the address, fax number, e-mail address or telephone number specified for such Person on Schedule 9.01; and

(ii) if to any other Lender, to it at its address (or fax number, telephone number or e-mail address) set forth in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain Material Non-Public Information relating to the Borrower).

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by fax or other electronic transmission shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures reasonably approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has

notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, provided, further, that in no event shall any Agent Party have any liability to the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Borrower and the Administrative Agent may change its address, electronic mail address, fax or telephone number for notices and other communications or website hereunder by notice to the other parties hereto. Each other Lender may change its address, fax or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, fax number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Reliance by Administrative Agent and Lenders. The Agents and the Lenders shall be entitled to conclusively rely and act upon any notices purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent, each Lender and the Related Parties from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent and each of the parties hereto hereby consents to such recording.

SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Agents or any Lender in exercising any right or power under this Agreement or any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Agents and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Agents or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 2.14 or Section 2.20 with respect to any Incremental Facility Amendment, neither this Agreement, any Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower, the Administrative Agent (to the extent that such waiver, amendment or modification does not affect the rights, duties, privileges or obligations of the Administrative Agent or the Collateral Agent under this Agreement, the Administrative Agent shall execute such waiver, amendment or other modification to the extent approved by the Required Lenders) and the Required Lenders or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent or the Collateral Agent, as the case may be, and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided that no such agreement shall:

- (i) increase the Commitment of any Lender or change any ratable sharing or payment provision that directly and adversely affects any Lender (with only such Lenders whose entitlement to a payment under such provisions is reduced being “directly and adversely affected”) without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender;
- (ii) reduce the principal amount of any Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a reduction or forgiveness of principal) or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly and adversely affected thereby, provided that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay default interest pursuant to Section 2.13(b);
- (iii) postpone the maturity of any Loan, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension of any

maturity date or the date for payment of any interest or fees), without the written consent of each Lender directly and adversely affected thereby;

- (iv) change any of the provisions of this Section or Section 9.02(d) without the written consent of each Lender directly and adversely affected thereby; provided that any such change which is in favor of a Class of Lenders holding Loans maturing after the maturity of other Classes of Lenders (and only takes effect after the maturity of such other Classes of Loans or Commitments) will require the written consent of the Required Lenders with respect to each Class directly and adversely affected thereby;
- (v) change the percentage set forth in the definition of “Required Lenders”, “Required Supermajority Lenders”, “Majority in Interest” or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be);
- (vi) subordinate or have the effect of subordinating (x) the Liens securing the Secured Obligations to the liens securing any other indebtedness or other obligations or (y) any obligations in contractual right of payment to any indebtedness or obligations, including without limitation by amending Section 6.01 or 7.02 and related provisions providing for the priority of the Loans (any such indebtedness or obligations to which such liens securing any of the obligations or such obligations, as applicable, are subordinated, “Senior Indebtedness”) in either case of subclause (x) or (y), ~~(+)~~ except ~~in~~;

(i) Indebtedness that is expressly permitted by this Agreement to be senior to the Secured Obligations hereunder (if any) and/or be secured by a Lien that is senior to the Lien securing the Secured Obligations, in each case, as of the Effective Date (including waivers, amendments or modifications to upsize capacity under this Agreement for such Indebtedness);

(ii) in connection with debtor-in-possession financing or use of cash collateral in accordance with the terms of the applicable Intercreditor Agreements; or

(iii) ~~(+)~~ unless (1) the Required Lenders provide consent and (2) each Lender has been offered a bona fide opportunity to fund or otherwise provide its pro rata share of the Senior Indebtedness on the same terms as offered to all other providers (or their affiliates) of the Senior Indebtedness ~~(+)~~ (other than backstop fees and similar fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction) ~~(+)~~ and to the extent such adversely affected Lender decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other benefit of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their affiliates) ~~(+)~~ (other than backstop fees and similar fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction) ~~(+)~~ in connection with providing the Senior Indebtedness pursuant to a written offer made to each such adversely affected Lender describing the material terms of the arrangements pursuant to which the Senior Indebtedness is to be provided,

which offer shall remain open to each such adversely affected Lender for a period of not less than five (5) Business Days;

- (vii) release (or have the effect of releasing) all or substantially all or any material portion of the value of the Guarantees under the Guarantee Agreement (except as expressly provided in the Loan Documents) without the written consent of each Lender;
- (viii) release (or have the effect of releasing) all or substantially all or any material portion of the Collateral from the Liens of the Security Documents, without the written consent of each Lender except as expressly provided in the Loan Documents;
- (ix) change any pro rata sharing and/or payment provisions or any payment “waterfall” herein or in any other Loan Document, without the written consent of each Lender directly and adversely affected thereby; provided that and for the avoidance of doubt, adding new obligations or other indebtedness that are senior in Lien and/or senior in contractual right of payment shall not require approval under this clause if approved in accordance with Section 9.02(b)(vi);
- (x) change any provisions of any Loan Document in a manner that by its terms adversely affects the rights in respect of payments due to Lenders holding Loans of any Class differently than those holding Loans of any other Class, without the written consent of the Required Lenders with respect to any Class directly and adversely affected thereby; provided that and for the avoidance of doubt, adding new obligations or other indebtedness that are senior in Lien and/or senior in contractual right of payment shall not require approval under this clause if approved in accordance with Section 9.02(b)(vi);
- (xi) ~~(x)~~ introduce an “unrestricted subsidiary” or “excluded subsidiary” or any similar concept to this Agreement, without the written consent of the Required Supermajority Lenders to be granted in their sole discretion;
- (xii) ~~(xi)~~ modify or waive Section 9.14, without the written consent of the Required Supermajority Lenders to be granted in their sole discretion;
- (xiii) ~~(xii)~~ modify or waive Material Intellectual Property or Franchise Agreement transfer restrictions set forth in Section 6.04, Section 6.05 or Section 6.07, without the written consent of the Required Supermajority Lenders to be granted in their sole discretion;
- (xiv) ~~(xiii)~~ modify the PIK Interest election amount set forth in Section 2.13(a) or otherwise increase the amount of interest that may be paid in kind, without the written consent of each Lender adversely affected thereby to be granted in their sole discretion; or
- (xv) ~~(xiv)~~ modify or waive the grace period with respect to any Event of Default under Section 7.01(b) (it being understood and agreed that the extension of such grace period to a date not to exceed ~~forty-five (45) days~~ after the required payment date (for the avoidance of doubt such date may not be further extended) shall be permitted with the prior written consent of the Required Lenders), without the

written consent of each Lender adversely affected thereby to be granted in their sole discretion;

provided further that

(A) no such agreement shall amend, modify or otherwise affect the rights, duties, immunities, or indemnities of the Administrative Agent or the Collateral Agent without the prior written consent of the Administrative Agent or the Collateral Agent, as applicable ~~and~~.

(B) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent in order x) to comply with local law or advice of local counsel, (y) to cure any (1) ambiguity, omission, defect or inconsistency or technical or obvious error or (2) mistake, the cure of which mistake would not be adverse to the Lenders, in the good faith determination of the Borrower and counsel to the Required Lenders, so long as the Required Lenders shall not have provided written objection thereto to the Administrative Agent within five days of receipt of notice thereof, or (z) to add any provisions to any Loan Documents that, in the reasonable judgment of counsel to the Required Lenders, are more favorable to the Lenders (or to the applicable subset thereof), so long as the Required Lenders shall not have provided written objection thereto to the Administrative Agent within five days of receipt of notice thereof.

(C) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time and

(D) no Lenders other than the Lenders holding a Majority in Interest of the applicable Class shall be required to waive, amend, supplement or modify the conditions precedent to any Borrowings of Loans of such Class; and

~~N~~otwithstanding the foregoing:

(i) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (A) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents and (B) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion; and

(ii) guarantees, Security Documents and related documents in connection with this Agreement may be in a form reasonably determined by the

Administrative Agent (acting at the direction of the Required Lenders) and may be, together with this Agreement and the other Loan Documents, amended and waived with the consent of the Administrative Agent (acting at the direction of the Required Lenders) at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (A) to comply with local law or advice of local counsel, (B) to cure any (1) ambiguity, omission, defect or inconsistency or technical or obvious error or (2) mistake, the cure of which mistake would not be adverse to the Lenders, in the good faith determination of the Borrower and counsel to the Required Lenders, so long as the Required Lenders shall not have provided written objection thereto to the Administrative Agent within five days of receipt of notice thereof ~~or~~ (C) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents or (D) to integrate any Incremental Facility in a manner consistent with this Agreement and the other Loan Documents, including the relevant Intercreditor Agreement(s).

(c) In connection with any proposed amendment, modification, waiver or termination (a “Proposed Change”) requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent of the Required Lenders (and, to the extent any Proposed Change requires the consent of Lenders holding Loans of any Class pursuant to clause (iv), (v) or (ix) of paragraph (b) of this Section 9.02, the consent of a Majority in Interest of the outstanding Loans and unused Commitments of such Class) to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section 9.02 being referred to as a “Non-Consenting Lender”), then, the Borrower may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, (i) if no Event of Default under Sections 7.01(a), (b), (h) or (i) exists, permanently prepay all of the Loans of any Class owing by it to, and terminate any Commitments of, such Non-Consenting Lender or (ii) require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment), provided that (a) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable, which consent shall not unreasonably be withheld, conditioned or delayed, (b) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal amount of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder (including pursuant to Section 2.11(a)) from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (c) unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b).

(d) Notwithstanding anything in this Agreement to the contrary, Loans may not be exchanged for other Indebtedness of the Borrower or its Affiliates or repaid from Indebtedness of the Borrower or its Subsidiaries, other than (y) a repayment of the Loans in full in cash or (z) pursuant to an offer to exchange such Loans for new Indebtedness that has been offered to all Lenders on a *pro rata* basis on the same terms as offered to all other providers of such new Indebtedness, and to the extent any Lender decides to participate in the new Indebtedness, such Lender shall receive its pro rata share of the fees and any other similar benefit of the new Indebtedness afforded to the providers of the new Indebtedness.

SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay, if the Effective Date occurs and the Transactions have been consummated, (i) all reasonable and documented out-of-pocket costs and expenses incurred by the Agents and the ~~Required~~ Lenders (limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of (A) Seward & Kissel LLP, as counsel to the Administrative Agent and the Collateral Agent, and (B) one counsel to the Lenders (as designated by the Required Lenders) and, if reasonably necessary, of a single firm of local counsel to the Agents, taken as a whole and to a single firm of local counsel to the Required Lenders, taken as a whole, in each case, in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and of such other counsel retained with the Borrower's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed), in each case incurred in connection with the Term Facility or Incremental Facility, and the preparation, execution, delivery and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof and including the reasonable and documented fees and expense of Lazard Frères & Co., as financial advisor to the Required Lenders) and (ii) all reasonable and documented out-of-pocket expenses incurred by each Agent or any Lender, including the fees, charges and disbursements of counsel for such Agent and the Lenders, in connection with the preservation, enforcement or protection of any rights or remedies (A) in connection with the Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Laws), including its rights under this Section 9.03 or (B) in connection with the Loans made hereunder, including all such out-of-pocket costs and expenses incurred during any workout, restructuring or negotiations in respect of such Loans; provided that such counsel shall be limited to one lead counsel and one local counsel to the Agents, taken as a whole, and one lead counsel and one local counsel to the Lenders, taken as a whole, in each case, in each applicable jurisdiction (exclusive of any reasonably necessary special counsel) (and, in the case of a conflict of interest, where each Agent or any Lender affected by such conflict notifies the Borrower of the existence of such conflict and thereafter retains its own counsel, one additional counsel) and such other counsel as may be retained with the Borrower's consent (such consent not to be unreasonably withheld or delayed). Notwithstanding the foregoing, the expenses of counsel shall not include any allocated costs of in-house counsel.

(b) The Borrower shall indemnify each Agent, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from (without duplication), any and all losses, claims, damages, liabilities and reasonable and documented out-of-pocket fees and expenses (limited, in the case of legal fees and expenses, to the reasonable and documented fees, charges and disbursements of one counsel for the Agents, to the extent reasonably necessary, a single firm of local counsel in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for the Agents, taken as a whole, and one counsel for all other Indemnities, to the extent reasonably necessary, a single firm of local counsel in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all such Indemnities, taken as a whole (and, solely in the case of an actual or potential conflict of interest, where the Indemnitee affected by such conflict notifies the Borrower of the existence of such conflict and thereafter retains its own counsel after receipt of consent from the Borrower (not to be unreasonably withheld or delayed), of one additional firm of counsel for the affected Indemnities, and, if reasonably necessary, one additional firm of local counsel in each appropriate material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for such affected Indemnities, taken as a whole)), incurred by or asserted against any Indemnitee by any third party or by the Borrower or any Subsidiary arising out of, in connection with, or as a result of any claim, litigation, investigation or proceeding (including any inquiry or investigation), regardless of whether any such Indemnitee is a party thereto, whether based on contract, tort or any other theory, relating to (i) the execution or delivery of this Agreement, any Loan Document or any other

agreement or instrument contemplated hereby or thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder, the consummation of the Transactions or any other transactions contemplated thereby, the syndication of the Term Facility and the Incremental Facility or the enforcement of any obligations of a Loan Party hereunder or under any other Loan Document, (ii) any Loan or the use of the proceeds therefrom or (iii) to the extent in any way arising from or relating to any of the foregoing, any actual or alleged presence or Release or threat of Release of Hazardous Materials on, at, to or from any Mortgaged Property or any other property currently or formerly owned or operated by the Borrower or any Subsidiary, or any other Environmental Liability related in any way to the Borrower or any Subsidiary; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities, costs or related expenses (w) resulted from the gross negligence or willful misconduct of such Indemnitee or its Related Parties acting on behalf of, or at the direction of, the Indemnitee (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment), (x) (other than with respect to the Agents and their Related Parties) resulted from a material breach of the Loan Documents by, or the bad faith of, such Indemnitee or its Related Parties acting on behalf of, or at the direction of, the Indemnitees (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment) or (y) arise from disputes between or among Indemnitees (other than disputes involving claims by or against the Administrative Agents or the Collateral Agent, in such capacity) that does not arise from an act or omission by the Borrower or any Subsidiary. This Section 9.03 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to any Agent or any Lender under paragraph (a) or (b) of this Section 9.03, each Lender severally agrees to pay to such Agent or such Lender, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Agent or such Lender in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the aggregate outstanding Loans and unused Commitments at such time (or if all such amounts have been reduced to zero, at the time immediately preceding such reduction). The obligations of the Lenders under this paragraph (c) are subject to the last sentence of Section 2.02(a) (which shall apply *mutatis mutandis* to the Lenders' obligations under this paragraph (c)).

(d) To the extent permitted by applicable law, (i) the Borrower shall not assert, and each hereby waives, any claim against any Indemnitee for any direct or actual damages arising from the use by unintended recipients of information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems (including the Internet) in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such direct or actual damages are determined by a court of competent jurisdiction by final, non-appealable judgment to have resulted from the gross negligence or willful misconduct of, or a material breach of the Loan Documents by, such Indemnitee or its Related Parties and (ii) no Loan Party (or any Affiliate thereof), Investor (or any Affiliate thereof), or Indemnitee shall be liable for any special, indirect, consequential, incidental, exemplary or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the Financing Transactions, any Loan or the use of the proceeds thereof; provided that nothing in this paragraph shall limit any Loan Party's (or any Affiliate thereof) or Investor's (or any Affiliate thereof) indemnity and reimbursement obligations to the extent that such indirect, special, punitive or consequential damages are

included in any claim by a third party unaffiliated with the applicable Indemnatee with respect to which the applicable Indemnatee is entitled to indemnification as set forth in this Section 9.03.

(e) All amounts due under this Section 9.03 shall be payable not later than thirty (30) Business Days after written demand therefor; provided, however, that any Indemnatee shall promptly refund an indemnification payment received hereunder to the extent that there is a final judicial determination that such Indemnatee was not entitled to indemnification with respect to such payment pursuant to this Section 9.03.

#### SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender and the acknowledgement of the Administrative Agent (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 9.04), the Indemnitees and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b)

(i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent (except with respect to assignments to competitors of the Borrower) not to be unreasonably withheld, conditioned or delayed) of (A) the Borrower; provided that no consent of the Borrower shall be required for an assignment (x) by a Lender to any other Lender, any Affiliate of a Lender or any Approved Fund, or (y) if an Event of Default with respect to the Borrower has occurred and is continuing (other than in respect of a proposed assignment to a Disqualified Lender); provided further that no assignee contemplated by the immediately preceding proviso shall be entitled to receive any greater payment under Section 2.15 or Section 2.17 than the applicable assignor would have been entitled to receive with respect to the assignment made to such assignee, unless the assignment to such assignee is made with the Borrower's prior written consent; provided further that the Borrower shall have the right to withhold its consent to any assignment if in order for such assignment to comply with applicable law, the Borrower or any Subsidiary would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority and (B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Loan or Commitment to a Lender, an Affiliate of a Lender or an Approved Fund. Notwithstanding anything in this Section 9.04 to the contrary, if the Borrower has not given the Administrative Agent written notice of its objection to an assignment of Loans within five (5) Business Days after written notice of such assignment, the Borrower shall be deemed to have consented to such assignment (other than in respect of a proposed assignment to a Disqualified Lender).

(ii) Assignments shall be subject to the following additional conditions:  
(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved

Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$2,500,000 (and integral multiples of \$500,000 in excess thereof), unless the Administrative Agent otherwise consents (such consent not to be unreasonably withheld, conditioned or delayed), (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause (B) shall not be construed to prohibit assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent or, if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Assumption, and, in each case, together with a processing and recordation fee of \$3,500; provided that the Administrative Agent, in its sole discretion, may elect to waive or reduce such processing and recordation fee; provided further that any such Assignment and Assumption shall include a representation by the assignee that the assignee is not a Disqualified Lender or an Affiliate of a Disqualified Lender; provided further that assignments made pursuant to Section 2.19(b) or Section 9.02(c) shall not require the signature of the assigning Lender to become effective and (D) the assignee, if it shall not be a Lender, shall deliver to the Borrower and the Administrative Agent any tax forms required by Section 2.17(e) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain Material Non-Public Information about the Borrower, the other Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section 9.04, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c)(i) of this Section 9.04.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and interest amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the

terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice. No assignment shall be effective unless recorded in the Register. The parties hereto agree and intend that the obligations hereunder shall be treated as being in “registered form” for the purposes of the Code (including Sections 163(f), 871(h)(2), and 881(c)(2) of the Code), and the Register shall be maintained in accordance with such intention.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire and any tax forms required by Section 2.17(e) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 9.04 and any written consent to such assignment required by paragraph (b) of this Section 9.04, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) The words “execution,” “signed,” “signature” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other Persons (other than to a Person that is not an Eligible Assignee) (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and any other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and any other Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that directly and adversely affects such Participant. Subject to paragraph (c)(iii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the obligations and limitations thereof and Section 2.19, it being understood that any tax forms required by Section 2.17(e) shall be provided solely to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related stated interest amounts) of

each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive, absent manifest error, and the parties hereto shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of its Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other obligations under the Loan Documents) except to the extent that the relevant parties, acting reasonably and in good faith, determine that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that any Loan or other obligation under the Loan Documents is in registered form under Section 5f.103-1(c) and proposed Section 1.163-5(b) of the United States Treasury regulations.

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld, conditioned or delayed).

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other "central" bank, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding the foregoing, no assignment may be made or participation sold to a Disqualified Lender without the prior written consent of the Borrower. Upon inquiry by any Lender to the Administrative Agent as to whether a specified potential assignee or prospective participant is on the list of Disqualified Lenders, the Administrative Agent shall be permitted to make the list of Disqualified Lenders available to such Lender for inspection. Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary, if any Lender was a Disqualified Lender at the time of the assignment of any Loans or Commitments to such Lender, following written notice from the Borrower to such Lender and the Administrative Agent: (1) such Lender shall promptly assign all Loans and Commitments held by such Lender to an Eligible Assignee; provided that (A) the Administrative Agent shall not have any obligation to the Borrower, such Lender or any other Person to find such a replacement Lender, (B) the Borrower shall not have any obligation to such Disqualified Lender or any other Person to find such a replacement Lender or accept or consent to any such assignment to itself or any other Person subject to the Borrower's consent in accordance with Section 9.04(b)(i) and (C) the assignment of such Loans and/or Commitments, as the case may be, shall be at par plus accrued and unpaid interest and fees; (2) such Lender shall not have any voting or approval rights under the Loan Documents and shall be excluded in determining whether all Lenders (or all Lenders of any Class), all affected Lenders (or all affected Lenders of any Class), a Majority in Interest of Lenders of any Class or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 9.02); provided that (x) the Commitment of any Disqualified Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects any Disqualified Lender adversely and in a manner that is disproportionate to other affected Lenders shall require the consent of such Disqualified Lender; and (3) no Disqualified Lender is entitled to receive information provided solely to Lenders by the Administrative Agent or any Lender or will be permitted

to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices or Borrowings, notices or prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II.

SECTION 9.05 Survival.

All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans and all other amounts payable hereunder, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof or the resignation or removal of any Agent.

SECTION 9.06 Counterparts; Integration; Effectiveness.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Agents or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an "Ancillary Document") that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower

or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent (whether on its own behalf or on behalf of any Lender), any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower and each Loan Party hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders and the Loan Parties, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against the Administrative Agent, any Lender or any Affiliates or Related Parties of any of the foregoing for any losses, claims (including intraparty claims), demands, damages or liabilities of any kind arising solely from the Administrative Agent's and/or any Lender's reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any losses, claims (including intraparty claims), demands, damages or liabilities of any kind arising as a result of the failure of any Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

#### SECTION 9.07 Severability.

Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

#### SECTION 9.08 Right of Setoff.

If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) (other than payroll, tax, or tax withholding accounts) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower then due and owing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such Indebtedness. The applicable Lender shall notify the Borrower and the Administrative Agent of such setoff and application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender may have. Notwithstanding the foregoing, no amount

SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the laws of the State of New York, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in any Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against the Borrower or its properties in the courts of any jurisdiction.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section 9.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in any Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL.

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

SECTION 9.11 Headings.

Administrative Agent or any Lender without the use of such information and without otherwise violating the terms of this Section 9.12. For the purposes hereof, “Information” means all information received from or on behalf of the Borrower or any of its subsidiaries relating to the Borrower, any of its subsidiaries or their business. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. Notwithstanding the foregoing, other than as set forth in the proviso below, (x) no such information shall be disclosed to a Disqualified Lender or Excluded Party that constitutes a Disqualified Lender or Excluded Party, as applicable, at the time of such disclosure without the Borrower’s prior written consent and (y) in connection with any proposed assignment of Loans and/or Commitments in accordance with Section 9.04, upon request by the applicable potential assignee therefor, the applicable potential assigning Lender may disclose the list of Disqualified Lenders to such potential assignee solely for purposes of enabling such assignee to make a representation in its applicable Assignment and Assumption that such prospective assignee is an Eligible Assignee, provided, however, that, subject to an agreement containing confidentiality undertakings substantially similar to those of this Section 9.12, the list of Disqualified Lenders may be disclosed to any bona fide potential assignee or Participant, so that such potential assignee or Participant can represent and warrant that it is neither a Disqualified Lender nor an Affiliate of a Disqualified Lender.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION (AS DEFINED IN THIS SECTION 9.12) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT, WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

#### SECTION 9.13 USA PATRIOT Act.

Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act.

SECTION 9.14 Release of Liens and Guarantees.

(a) A Subsidiary Loan Party shall automatically be released from its obligations under the Loan Documents (including its Guarantee of the Secured Obligations) and all security interests created by the Security Documents in Collateral owned by such Subsidiary Loan Party shall be automatically released, upon the consummation of any transaction permitted by this Agreement ~~(including, for the avoidance of doubt, pursuant to a Restricted Payment permitted by Section 6.07(a)(vii))~~ as a result of which such Subsidiary Loan Party ceases to be a Subsidiary (other than in connection with the Buddy Reorganization Transaction). Upon any sale or other transfer by any Loan Party (other than to the Borrower or any Subsidiary Loan Party) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral, the security interests in such Collateral created by the Security Documents shall be automatically released. Upon the release of any Subsidiary Loan Party from its Guarantee in compliance with this Agreement, the security interest in any Collateral owned by such Subsidiary created by the Security Documents shall be automatically released. Upon termination of the aggregate Commitments and payment in full of all Secured Obligations (other than contingent indemnification obligations), all obligations under the Loan Documents and all security interests created by the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section 9.14, each Agent shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request and prepare to evidence such termination or release so long as the Borrower or applicable Loan Party shall have provided such Agent a certificate, upon which such Agent may conclusively rely and shall be fully protected in acting in reliance upon, of a Responsible Officer certifying that the release of such Subsidiary Loan Party or Lien or such other release and the transactions related thereto (and the execution and delivery of any instruments or documents by such Agent in connection therewith) are authorized or permitted by the terms of this Agreement and the other Loan Documents.

(b) The Administrative Agent or the Collateral Agent, as the case may be, will, subject to such Agent's receipt of a certificate of a Responsible Officer of the Borrower as provided for in Section 9.14(a), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request and prepare to subordinate its Lien on any property granted to or held by the Administrative Agent or the Collateral Agent, as the case may be, under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(iv).

(c) Each of the Lenders, and by accepting the benefits of the Security Documents, each Secured Party that is not a party hereto, irrevocably authorizes the Administrative Agent or the Collateral Agent, as the case may be, to provide any release or evidence of release, termination or subordination contemplated by this Section 9.14. Upon request by the Administrative Agent or the Collateral Agent, as the case may be, at any time, the Required Lenders will confirm in writing the Administrative Agent's authority or that Collateral Agent's authority, as the case may be, to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under any Loan Document, in each case in accordance with the terms of the Loan Documents and this Section 9.14.

SECTION 9.15 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent and the Lenders are arm's-length commercial

transactions between the Borrower and its Affiliates, on the one hand, and the Administrative Agent and the Lenders on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Administrative Agent and the Lenders is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not and will not be acting as an advisor, agent or fiduciary for the Borrower, any of its Affiliates or any other Person and (B) none of the Administrative Agent and the Lenders has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and none of the Administrative Agent and the Lenders has any obligation to disclose any of such interests to the Borrower or any of its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Administrative Agent and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

#### SECTION 9.16 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the “Maximum Rate”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the obligations hereunder.

SECTION 9.17 Intercreditor Agreements. Each of the Lenders and, by accepting the benefits of the Security Documents, each Secured Party that is not a party hereto, hereby agrees that the Administrative Agent and/or the Collateral Agent may enter into any intercreditor agreement and/or subordination agreement pursuant to, or contemplated by, the terms of this Agreement (including with respect to Indebtedness permitted pursuant to Section 6.01 and defined terms referenced therein) on its behalf and agrees to be bound by the terms thereof and, in each case, consents and agrees to the appointment of the Administrative Agent and/or the Collateral Agent (and/or their affiliated designees, representatives or agents) on its behalf as collateral agent, respectively, thereunder. In the event of any conflict between the provisions of this Agreement or any other Loan Document (other than any Intercreditor Agreement) and the provisions of any Intercreditor Agreement, the provisions of such Intercreditor Agreement shall govern and control.

SECTION 9.18 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or under any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with the normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from them to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or the relevant Lender of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or the relevant Lender may in accordance with the normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or such Lender from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent, or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or such Lender in such currency, the Administrative Agent or such Lender agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable law).

SECTION 9.19 Acknowledgement and Consent to Bail-In of Affected Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

1. the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
2. the effects of any Bail-In Action on any such liability, including, if applicable:
  - i. a reduction in full or in part or cancellation of any such liability;

- ii. a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
- iii. the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.20 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States.

SECTION 9.21 Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under the Guarantee Agreement in respect of a Secured Swap Obligation (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 9.21 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 9.21 or otherwise under the Guarantee Agreement voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). Except as otherwise provided herein, the obligations of each Qualified ECP Guarantor under this Section 9.21 shall remain in full force and effect until the termination of all Secured Swap Obligations. Each Qualified ECP Guarantor intends that this Section 9.21 constitute, and this Section 9.21 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

For the avoidance of doubt, except as otherwise set forth herein or as included on the Assumed Contracts List, all Executory Contracts and Unexpired Leases of the American Freight Debtors, Franchise Group, Inc., and the Vitamin Shoppe Debtors shall be rejected as of the Effective Date.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute an order approving the assumptions or rejections of the Debtors' Executory Contracts and Unexpired Leases pursuant to sections 365(a) and 1123 of the Bankruptcy Code effective on the occurrence of the Effective Date or, as to rejected Executory Contracts and Unexpired Leases, on such other date as may be identified on the Rejected Contracts/Lease List or other motion or notice to reject by agreement of the affected counterparty to such Executory Contract or Unexpired Lease.

Additionally, Section 10.7 of the Plan provides the following: Neither the exclusion nor inclusion of any contract or lease in the Rejected Contracts/Lease List or Assumed Contracts List, as applicable, nor anything contained in the Plan or Sale Documents, nor the Debtors' delivery of a notice of the proposed assumption and proposed Cure Cost to any contract and lease counterparties set forth in the Assumed Contracts List shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or Reorganized Debtors, as applicable, shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease. If there is a dispute regarding a Debtor's or Reorganized Debtor's liability under an assumed Executory Contract or Unexpired Lease, the Reorganized Debtors shall be authorized to move to have such dispute heard by the Bankruptcy Court pursuant to Article XIII of the Plan. If the Bankruptcy Court determines that the Allowed Cure Cost with respect to any Executory Contract or Unexpired Lease is greater than the amount set forth in the Assumed Contracts List, the Debtors shall have the right to reject such Executory Contract or Unexpired Lease, in which case such Executory Contract or Unexpired Lease will be deemed rejected as of the Effective Date subject to the applicable counterparty's right to object to such rejection.
